

You Don't Have to Wait for Prenatal Care

*You may be eligible for a special Medi-Cal program called **Presumptive Eligibility (PE)***

➤ ***What is PE?***

A program which provides immediate, temporary medical benefits for prenatal care to low-income pregnant women.

➤ ***Who is eligible for PE?***

You are, if you are pregnant and your family income is under a certain amount. You need to receive your prenatal care from a participating Medi-Cal provider. Ask if your doctor offers PE and how you can apply.

To apply for PE benefits, Healthy Families, Medi-Cal for AIM, ask your medical provider. Otherwise, you can call a Healthy Families/Medi-Cal representative at **1-877-680-2229 (BABY)**.

Ask about health insurance for your children, too.
