2 LAND USE, CIRCULATION, AND INFRASTRUCTURE

LAND USE	2-1
Neighborhood Agricultural/Tourist Centers	2-6
Mankas Corner.....	2-7
Gomer School.....	2-7
Morrison Lane.....	2-8
Iwama Market.....	2-8
Rockville Corner	2-9
North Connector	2-9
Cordelia Road and Thomasson Lane	2-10
Rockville Road.....	2-11
CIRCULATION	2-12
Phase I Improvements.....	2-12
Phase II Improvements.....	2-12
Phase III Improvements.....	2-13
Other Improvements.....	2-13
Background	2-13
Existing Conditions	2-16
Mankas Corner Road	2-16
Abernathy Road	2-16
Suisun Valley Road	2-16
Rockville Road.....	2-17
Roadway Design Solutions.....	2-17
Proposed Phase I Improvements	2-17
Mankas Corner	2-17
Phase I Improvements Approaching Mankas Corner ATC.....	2-17
Phase I Improvements within Mankas Corner ATC.....	2-19

Gomer School	2-21
Phase I Improvements Approaching	
Gomer School ATC.....	2-21
Phase I Improvements within	
Gomer School ATC.....	2-22
Morrison Lane	2-23
Phase I Improvements Approaching Morrison	
Lane ATC	2-23
Phase I Improvements within Morrison Lane	
ATC	2-25
Proposed Phase II Improvements	2-26
Suisun Valley Road Phase II Improvements ..	2-26
Rockville Road Phase II Improvements	2-26
Abernathy Road Phase II Improvements	2-26
Mankas Corner Road Phase II Improvements	2-26
Proposed Phase III Improvements	2-26
Suisun Valley Road Phase III Improvements .	2-26
Rockville Road Phase III Improvements	2-26
Abernathy Road Phase III Improvements	2-27
Future Phase Improvements	2-27
Cost Considerations	2-27
Summary	2-28
INFRASTRUCTURE	2-29
Improvement Phasing.....	2-29
Water	2-29
Existing Water Infrastructure	2-30
Future Water Demand	2-32
Future Water Supply.....	2-32
Fire Protection System.....	2-32
Public Water System.....	2-35
Well Water	2-35
Wastewater	2-38
Septic and Leach Field System.....	2-40
Packaged Sewer Treatment Plants	2-41
