SHERIFF'S DETECTIVES ARREST FRAUD SUSPECT

Solano County Sheriff's Detectives made an arrest today in an extensive fraud case they have been investigating since July of this year. Detectives received the two fraud cases earlier this year from patrol deputies who took the original reports. Detectives conducted an extensive investigation and continued to follow up on leads in the case. Recently, leads developed and eventually led Detectives to identifying a female suspect who lives in Vallejo. Detectives obtained the current address for the suspect and found that she currently lived with a male subject that was on Post Release Custody Supervision (PRCS).

Detectives went to the residence, located in the 700 block of Springs Rd. and arrested RACHEL MARIE VASQUEZ a 32 year old Vallejo resident. Detectives conducted a search of Vasquez's residence and found a large amount of paperwork and numerous other items associated with identity theft and fraud. At the current time, Detectives have identified over 60 potential victims in the case and are in the process of contacting each potential victim to verify they are a victim of identity theft.

Vasquez was booked into the Solano County Jail on the following list of charges: 61 counts of unlawful use of identifying information of another person, 24 counts of forgery, 4 counts of unauthorized use of personal identifying information of another person to obtain credit, goods, services, or real property, and 1 count of petty theft. Vasquez's bail was set at \$140,000.00 and her first court appearance is scheduled for November 4th at 1:30 p.m. in the Fairfield Courthouse.

The Solano County Sheriff's Office recently appointed Deputy Sheriff Larry Duffield to the Northern California Computer Crimes Task Force. One of the missions of the task force is to combat crimes of this nature and assist in the investigation of many other high technology crimes.
