INFORMATION RELEASE
Stolen Vehicle Investigation Leads to Arrests

In the early morning hours of Wednesday, November 11th, 2015, deputies saw a red Ford Mustang parked in a business parking lot in the 500 block of Sandy Beach Road, Vallejo. The Mustang had been reported as stolen during a robbery in the City of San Francisco the night before.

A witness reported seeing people associated with the vehicle go in to a nearby motel room. Deputies with the Sheriff's Office Stolen Vehicle Task Force responded to assist in the investigation. A short time later, 30 year old Jonathan Cutshall of Vallejo was seen entering and starting the stolen car. Cutshall was arrested for vehicle theft, possessing a stolen vehicle, possession of shaved keys, possession of a false ID, conspiracy, and committing a felony while on bail.

Investigators obtained a search warrant for Cutshall's motel room. Leticia Pettet (25years old) of Vallejo was seen exiting the room and was detained. Pettet was arrested for vehicle theft, possession of a stolen vehicle, possession of a controlled substance and paraphernalia, destroying evidence, identity theft, and conspiracy.
