An act to amend Section 451 of, and to add Section 783.4 to, the Public Utilities Code, relating to public utilities.

LEGISLATIVE COUNSEL'S DIGEST

AB 50, as amended, Wood. Public utilities: timely service: timely electrical interconnection.

Existing law authorizes the Public Utilities Commission to fix the rates and charges for every public utility, and requires that those rates and charges be just and reasonable. Existing law requires a public utility to furnish and maintain such adequate, efficient, just, and reasonable service, instrumentalities, equipment, and facilities as are necessary to promote the safety, health, comfort, and convenience of its patrons, employees, and the public. Existing law requires the commission to enforce rules governing the extension of service by electrical corporations.

This bill would additionally require a public utility to furnish and maintain timely service, instrumentalities, equipment, and facilities. The bill would require the commission, on or before January 1, 2025, to determine the criteria for timely service for electric customers that

meets specified requirements. Until the commission determines that criteria, the bill would require each large electrical corporation, among other things, to ~~make a good faith effort~~ *take all practical measures* to deliver electric service within 90 days of issuing a written commitment to serve for customers seeking a new connection, and within 30 days of issuing a written commitment to serve for customers seeking upgrades to an existing connection. If a large electrical corporation fails to deliver service to a customer by the date communicated on a written commitment to serve, the bill would require the impacted customer to be entitled to a utility bill credit, as specified. *In order to evaluate the timely performance of each large electrical corporation in meeting the interconnection dates in written commitments to serve, the bill would require the commission to annually collect certain information from each large electrical corporation.*

Under the Public Utilities Act, a violation of an order, decision, rule, direction, demand, or requirements of the commission is a crime.

Because the above-described provisions would be a part of the act, a violation of which would be a crime, this bill would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

Vote: majority. Appropriation: no. Fiscal committee: yes.  
State-mandated local program: yes.

*The people of the State of California do enact as follows:*

- 1 SECTION 1. Section 451 of the Public Utilities Code is
- 2 amended to read:
- 3 451. (a) All charges demanded or received by any public
- 4 utility, or by any two or more public utilities, for any product or
- 5 commodity furnished or to be furnished or any service rendered
- 6 or to be rendered shall be just and reasonable. Every unjust or
- 7 unreasonable charge demanded or received for a product or
- 8 commodity or service is unlawful.
- 9 (b) Every public utility shall furnish and maintain such adequate,
- 10 efficient, just, reasonable, and timely service, instrumentalities,
- 11 equipment, and facilities, including telephone facilities, as defined

1 in Section 54.1 of the Civil Code, as are necessary to promote the  
2 safety, health, comfort, and convenience of its patrons, employees,  
3 and the public.

4 (c) All rules made by a public utility affecting or pertaining to  
5 its charges or service to the public shall be just and reasonable.

6 SEC. 2. Section 783.4 is added to the Public Utilities Code, to  
7 read:

8 783.4. (a) On or before January 1, 2025, the commission shall  
9 determine the criteria for timely service for electric customers, as  
10 required pursuant Section 451. Timely electric service shall include,  
11 but is not limited to, all of the following:

12 (1) The timely start of service for new connections after a ~~written~~  
13 ~~commitment to serve has been issued.~~ *customer has submitted a*  
14 *request.*

15 (2) The timely fulfillment of requests for increased load from  
16 existing connections after a ~~written commitment to serve the load~~  
17 ~~increase has been issued.~~ *customer has submitted a request for*  
18 *increased load.*

19 (3) Reenergization of customers following a power outage event.

20 (b) Until the commission determines the criteria for timely  
21 service of electric customers pursuant to subdivision (a), all of the  
22 following shall apply:

23 (1) For customers seeking a new connection, each large electrical  
24 corporation shall ~~make a good faith effort~~ *take all practical*  
25 *measures* to deliver electric service within 90 days of issuing a  
26 written commitment to serve.

27 (2) For customers seeking upgrades to an existing connection,  
28 each large electrical corporation shall ~~make a good faith effort~~ *take*  
29 *all practical measures* to deliver electric service within 30 days  
30 of issuing a written commitment to serve.

31 (3) Each large electrical corporation shall respond to requests  
32 for service in writing within 30 days of receipt of the request for  
33 service.

34 (4) A written response to a request for service shall state whether  
35 the large electrical corporation will deliver service or not.

36 (5) A written response to a request for service shall state the  
37 anticipated date ~~of interconnectivity.~~ *on which new or upgraded*  
38 *service will be completed, consistent with the timelines established*  
39 *pursuant to this subdivision.*

1 (6) (A) If a large electrical corporation fails to deliver service  
 2 to a customer by the date communicated on a written commitment  
 3 to serve, the impacted customer shall be entitled to a utility bill  
 4 credit in the amount of ~~\_\_\_\_\_ kilowatthours for each month they~~  
 5 ~~were delayed.~~ *sufficient to compensate the customer for any*  
 6 *financial damages suffered from the delay, unless the electrical*  
 7 *corporation can demonstrate that unanticipated events occurring*  
 8 *after the date of the written commitment justify the delay.*

9 (B) Any funds used to compensate an impacted customer’s  
 10 utility bill credit shall not be ~~borne by~~ *collected from* ratepayers.

11 (7) To facilitate achievement of the goal of timely electric  
 12 service, each large electrical corporation shall evaluate and update,  
 13 as necessary, their existing distribution planning processes to  
 14 ensure that the projected demand for a given planning cycle closely  
 15 matches the actual demand for new or additional service.

16 (8) ~~Each~~ *To improve the accuracy of projected demand, each*  
 17 *large electrical corporation shall have biannual meetings with the*  
 18 *relevant county staff, which is presumed to include chief*  
 19 *administrative ~~officers~~ officers, planning directors, public works*  
 20 *directors, chief building officials, and economic development*  
 21 *officials, to discuss existing capacity, delays in interconnectivity,*  
 22 *and distribution planning.*

23 (9) To reduce costs and increase the pace and scale of local  
 24 projects intended to meet state, regional, and local housing and  
 25 economic development objectives, each large electrical corporation  
 26 shall share information with local governments, the commission,  
 27 and the Energy Commission about those areas where existing  
 28 capacity either exists or could be easily added within the  
 29 distribution system to meet those objectives.

30 (c) (1) *In order to evaluate the timely performance of each*  
 31 *large electrical corporation in meeting the interconnection dates*  
 32 *in written commitments to serve, the commission shall annually*  
 33 *collect the following information from each large electrical*  
 34 *corporation in the form of a report:*

35 (A) *The number of submitted requests for new customer*  
 36 *connections and upgraded service during the prior year.*

37 (B) *The number of completed requests for new customer*  
 38 *connections and upgraded service during the prior year.*

1 (C) *The number of pending and uncompleted requests for new*  
2 *customer connections and upgraded service at the end of the prior*  
3 *year.*

4 (D) *The number of days between requests for new customer*  
5 *connections or upgraded service and final service delivery.*

6 (E) *A summary of recorded spending on customer connections*  
7 *and service upgrades compared to the amounts authorized for*  
8 *these activities for that year in the most recent general rate case.*

9 (F) *Any other information requested by the commission to*  
10 *evaluate the status of customer connections.*

11 (2) *This subdivision shall only apply to interconnection of*  
12 *customers and does not include generation interconnection.*

13 SEC. 3. No reimbursement is required by this act pursuant to  
14 Section 6 of Article XIII B of the California Constitution because  
15 the only costs that may be incurred by a local agency or school  
16 district will be incurred because this act creates a new crime or  
17 infraction, eliminates a crime or infraction, or changes the penalty  
18 for a crime or infraction, within the meaning of Section 17556 of  
19 the Government Code, or changes the definition of a crime within  
20 the meaning of Section 6 of Article XIII B of the California  
21 Constitution.

**Introduced by Assembly Member Blanca Rubio**

February 2, 2023

---

An act to repeal Section 22169 of the Public Contract Code, relating to public contracts.

LEGISLATIVE COUNSEL'S DIGEST

AB 400, as introduced, Blanca Rubio. Local agency design-build projects: authorization.

Existing law authorizes local agencies, as defined, to use the design-build procurement process for specified types of projects, as prescribed. Existing law, among other requirements for the design-build procurement process, requires specified information submitted by a design-build entity to be certified under penalty of perjury. These provisions authorizing the use of the design-build procurement process are repealed on January 1, 2025.

This bill would remove the January 1, 2025, repeal date, thereby making these provisions operative indefinitely. By extending the design-build authorization, the bill would expand the crime of perjury, thereby imposing a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

Vote: majority. Appropriation: no. Fiscal committee: yes.  
State-mandated local program: yes.

*The people of the State of California do enact as follows:*

1 SECTION 1. Section 22169 of the Public Contract Code is  
2 repealed.  
3 ~~22169. This chapter shall remain in effect only until January~~  
4 ~~1, 2025, and as of that date is repealed.~~  
5 SEC. 2. No reimbursement is required by this act pursuant to  
6 Section 6 of Article XIII B of the California Constitution because  
7 the only costs that may be incurred by a local agency or school  
8 district will be incurred because this act creates a new crime or  
9 infraction, eliminates a crime or infraction, or changes the penalty  
10 for a crime or infraction, within the meaning of Section 17556 of  
11 the Government Code, or changes the definition of a crime within

An act to add ~~Sections 3502.2 and 3515.3~~ *Section 3550.1* to the Government Code, relating to public employment.

LEGISLATIVE COUNSEL'S DIGEST

AB 504, as amended, Reyes. State and local public employees: labor relations: disputes.

Existing law, the Meyers-Milias-Brown Act and the Ralph C. Dills Act, regulate the labor relations of employees and employers of local public agencies and the state, respectively. ~~The~~ *Those* acts grant specified employees, including, among others, certain employees of fire departments, of local public agencies and the state the right to form, join, and participate in the activities of employee organizations of their choosing and require public agency employers, among other things, to meet and confer with representatives of recognized employee organizations and exclusive representatives on terms and conditions of employment. The acts grant the Public Employment Relations Board the power to hear specified disputes in relation to these provisions and to make determinations regarding them.

With regard to certain employees of fire departments, existing law provides that those persons do not have the right to strike or recognize a picket line of a labor organization while in the course of the performance of their official duties.

This bill would provide that it is not unlawful or a cause for discipline or other adverse action against a ~~state or local~~ public employee for that *public* employee to refuse to enter property that is the site of a primary labor dispute, perform work for ~~an~~ a *public* employer involved in a primary labor dispute, or go through or work behind a primary picket line. The bill would prohibit ~~an~~ a *public* employer from directing ~~an~~ a *public* employee to take those actions. The bill would authorize a recognized employee organization to inform employees of these rights and encourage them to exercise those rights. The bill would also state that a provision in a public employer policy or collective bargaining agreement that purports to limit or waive the rights set forth in this provision shall be void against public policy. The bill would exempt certain ~~state or local~~ public employees of fire departments from these provisions. The bill would include related legislative findings.

Vote: majority. Appropriation: no. Fiscal committee: yes.  
 State-mandated local program: no.

**ASSEMBLY BILL**

**No. 540**

---

---

**Introduced by Assembly Member Wicks**

February 8, 2023

---

---

An act to amend Sections 15951, 15952, and 15975 of, and to add Sections 15950.5, 15955.5, and 15987 to, the Government Code, to add Section 99312.8 to the Public Utilities Code, and to amend Section 11052 of, and to add Sections 11052.5 and 11053.5 to, the Revenue and Taxation Code, relating to transportation, and making an appropriation therefor.

LEGISLATIVE COUNSEL'S DIGEST

AB 540, as introduced, Wicks. Social Service Transportation Improvement Act: coordinated transportation services agencies.

(1) The Social Service Transportation Improvement Act requires transportation planning agencies and county transportation commissions to prepare and adopt plans detailing required steps to consolidate social service transportation services, including the designation of consolidated transportation service agencies. The act requires funding for implementation to be provided from specified local transportation funds.

This bill would require the coordination, rather than the consolidation, of social service transportation services under the act and would recharacterize consolidated transportation service agencies in the act as coordinated transportation service agencies. This bill would authorize a coordinated transportation service agency to review and comment on specified plans and projects relevant to its jurisdiction, and would require specified agencies to respond to the comments.

By increasing service requirements for counties, this bill would create a state-mandated local program.

(2) Existing law annually imposes a transportation improvement fee on each vehicle based on its market value. Existing law requires the deposit of these revenues into specified accounts, one of which is the Public Transportation Account. The California Constitution requires that all of these revenues be used solely for specified transportation purposes.

This bill would increase the transportation improvement fee by \$10 per vehicle, and would require the revenues generated to be deposited into the Public Transportation Account. The bill would continuously appropriate this fee revenue for allocation, as specified, to counties for accessible transportation services for seniors and disabled persons.

(3) This bill would include a change in state statute that would result in a taxpayer paying a higher tax within the meaning of Section 3 of Article XIII A of the California Constitution, and thus would require for passage the approval of 2/3 of the membership of each house of the Legislature.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

Vote: 2/3. Appropriation: yes. Fiscal committee: yes.  
State-mandated local program: yes.

*The people of the State of California do enact as follows:*

1 SECTION 1. Section 15950.5 is added to the Government  
2 Code, to read:  
3 15950.5. The Legislature makes the following findings  
4 regarding the State of California’s commitment to provide equitable  
5 transportation services, including an effective and coherent network  
6 of transportation services for older Californians and people with  
7 disabilities and the right of that population to receive those services  
8 pursuant to this part:  
9 (a) Since the enactment of the Social Service Transportation  
10 Improvement Act, the number of Californians requiring services  
11 under this part has substantially increased without a corresponding  
12 increase in services or funding to meet expanding needs.  
13 (b) Despite planning efforts by the state in 2003, 2004, 2005,  
14 2007, and 2021 to improve these transportation services for this

1 population, there has been no notable progress. The state is stuck  
2 in a cycle of study and stagnate. While whole other segments of  
3 the transportation system benefit from progress, this underserved  
4 population languishes with substandard transportation options.

5 (c) The aging tsunami brought about by changing demographics  
6 has long been forecasted to increase the demand for expanded  
7 transportation services for seniors and persons with disabilities.  
8 This is a well-documented issue. The Master Plan for Aging  
9 indicates that by 2030, senior age groups will increase from 70  
10 percent up to 274 percent. These age groups have cognitive and  
11 physical characteristics that either require public transportation  
12 services or result in the loss of ability to drive themselves, or both.

13 (d) Despite the increased demand for services and evolution in  
14 the methods for providing those services, services for seniors and  
15 persons with disabilities have remained stagnant while other sectors  
16 of the transportation system have thrived under improved policies  
17 and increased funding. It is clear that the funding mechanism,  
18 value statements, and principles contained in this part must be  
19 updated.

20 (e) It is the intent of the Legislature that the Department of  
21 Transportation and the California Health and Human Services  
22 Agency actively monitor the planning for and provision of social  
23 service transportation, as defined by the coordinated public transit  
24 human services transportation plan, as described in Section 5310  
25 of Title 49 of the United States Code, to ensure the orderly and  
26 systematic completion of improvements.

27 (f) The Legislature is aware that the public transit industry is  
28 consumed with other obligations as a result of climate change  
29 legislation, socioeconomic pressures, paradigm shifts in  
30 technology, regulatory obligations, and Federal Americans with  
31 Disabilities Act of 1990 paratransit requirements, and thus does  
32 not have the organizational, operational, or financial capacity to  
33 serve this vulnerable population adequately.

34 (g) The Legislature is aware of a well-documented cyclical  
35 legacy of the state studying this issue, identifying solutions, and  
36 failing to implement those solutions. The amendments to the Social  
37 Service Transportation Improvement Act in the act that added this  
38 section are intended to address that legacy by improving accessible  
39 transportation as quickly as possible and by ensuring that, in the  
40 future, seniors and persons with disabilities will no longer be

1 segregated from the benefits of any state transportation funding  
2 program.

3 (h) It is the Legislature’s belief that the stagnation found in this  
4 service area is multifactorial and is a result of lack of funding,  
5 political friction as defined in Report 91 of the Transit Cooperative  
6 Research Program, organic and haphazard rather than systemic  
7 development and funding of accessible transportation systems,  
8 and decisionmaking and authority assigned to inappropriate  
9 agencies and levels of government, among other reasons.

10 (i) While the state has made substantial commitments to  
11 transportation funding for different modes, these investments have  
12 largely excluded services for older persons and those with  
13 disabilities, which is incompatible with the growing demand for  
14 these services due to demographic and other pressures.

15 (j) The Governor’s 2021 Master Plan for Aging described the  
16 growing population of older Californians as a “seismic shift,” with  
17 one out of every four qualifying as “older,” and despite this, the  
18 Master Plan included no substantive transportation improvements  
19 for the target population.

20 (k) Victims of wildfires are often disproportionately seniors and  
21 persons with disabilities. These tragic outcomes can be related to  
22 limited access to quality transportation. Any planning effort  
23 intended to improve emergency response for this population  
24 requires a significantly improved baseline for accessible  
25 transportation services and for an accessible transportation system.

26 SEC. 2. Section 15951 of the Government Code is amended  
27 to read:

28 15951. It is the intent of the Legislature, through the enactment  
29 of this part, to improve transportation service required by social  
30 service recipients by promoting the ~~consolidation~~ *coordination* of  
31 social service transportation services so that the following benefits  
32 may accrue:

33 *(a) Consistent development and funding of accessible*  
34 *transportation programs throughout the state so that senior*  
35 *Californians and Californians with disabilities are no longer*  
36 *segregated from transportation benefits that every other segment*  
37 *of the population enjoys and, to the extent practicable, have access*  
38 *to a systematically developed and funded, seamless,*  
39 *person-centered, no-wrong-door transportation system throughout*  
40 *the state.*

1 (a)  
2 (b) Combined purchasing of necessary equipment so that some  
3 cost savings through larger number of unit purchases can be  
4 realized.

5 (b)  
6 (c) Adequate training of vehicle drivers to insure the safe  
7 operation of vehicles. Proper driver training should promote lower  
8 insurance costs and encourage use of the service.

9 (e)  
10 (d) Centralized dispatching of vehicles so that efficient use of  
11 vehicles results.

12 (d)  
13 (e) Centralized maintenance of vehicles so that adequate and  
14 routine vehicle maintenance scheduling is possible.

15 (e)  
16 (f) Centralized administration of various social service  
17 transportation programs so that elimination of numerous duplicative  
18 and costly administrative organizations can occur. Centralized  
19 administration of social service transportation services can provide  
20 more efficient and cost effective transportation services permitting  
21 social service agencies to respond to specific social needs.

22 (f) Identification  
23 (g) Identification, braiding, and consolidation of all existing  
24 sources of funding for social service transportation services can  
25 provide more effective and cost efficient use of scarce resource  
26 dollars. Consolidation of categorical program funds can foster  
27 eventual elimination of unnecessary and unwarranted program  
28 constraints.

29 SEC. 3. Section 15952 of the Government Code is amended  
30 to read:

31 15952. (a) Centralized administration of—consolidated  
32 coordinated social service transportation services shall utilize, use,  
33 to the maximum extent possible, existing public and private  
34 administrative capabilities and expertise. Utilization Use of existing  
35 administrative capabilities and expertise shall not require  
36 employment of those public and private administrative personnel  
37 nor shall it preclude any—consolidated coordinated agency from  
38 developing a necessary administrative organization.

39 (b) Efficient and continual use of all existing sources of funding,  
40 utilized used prior to the enactment of this part for social service

1 transportation services, shall, to the maximum extent possible, be  
2 continued. Social service agencies participating in consolidation  
3 or coordination shall continue to maintain funding levels for  
4 ~~consolidated~~ *coordinated* services necessary to meet the  
5 transportation needs of their social service consumers. Rescinding  
6 or eliminating funding for ~~consolidated~~ *coordinated* services by  
7 any participating agency shall require cancellation of service to  
8 the agency's consumers by the ~~consolidated~~ *coordinated* agency.  
9 Cancellation of the service shall not be required if rescission or  
10 elimination of funding occurs because of a program change with  
11 respect to the source of funding.

12 (c) ~~Consolidation~~ *Coordination* of social service transportation  
13 services shall, to the maximum extent possible, ~~utilize~~ *use* existing  
14 agency operating and maintenance personnel and expertise.  
15 Effective use of employees of participating agencies shall be  
16 achieved without mandating that the employees become directly  
17 employed by the designated ~~consolidated~~ *coordinated* agency.

18 (d) ~~Consolidation~~ *Coordination* of existing social service  
19 transportation services shall more appropriately be achieved if  
20 local elected officials are involved in the process. Local elected  
21 officials shall, to the maximum extent possible, be involved in the  
22 development of the action plans and other local actions necessary  
23 for the successful implementation of this part.

24 SEC. 4. Section 15955.5 is added to the Government Code, to  
25 read:

26 15955.5. "Accessible transportation" means a broad range of  
27 transportation-related services that are typically provided to persons  
28 with disabilities or elderly individuals, and includes a spectrum of  
29 transportation, transit, and supportive services, including, but not  
30 limited to, city- and community-based programs, transportation  
31 provided by private nonprofits, mobility management programs,  
32 one-call and one-click programs, volunteer-based transportation  
33 programs, travel training, and door-to-door and door-through-door  
34 services.

35 SEC. 5. Section 15975 of the Government Code is amended  
36 to read:

37 15975. (a) The transportation planning agencies and the county  
38 transportation commissions shall prepare and adopt an action plan  
39 that describes in detail the steps required to accomplish the  
40 consolidation of social service transportation services. Funding

1 for the action plan shall be provided from local transportation funds  
2 made available under ~~Chapter 4 (commencing with Section 99200)~~  
3 ~~of Part 11 of Division 10 of the Public Utilities Code. Section~~  
4 ~~99312.8 of the Public Utilities Code.~~ The action plan shall  
5 substantiate that one or more of the benefits indicated in Sections  
6 15951 and 15952 are feasible for the services in a given geographic  
7 area. The action plan shall include, but not be limited to, the  
8 following:

9 (1) The designation of ~~consolidated~~ *coordinated* transportation  
10 service agencies within the geographic area of jurisdiction of the  
11 transportation planning agency or county transportation  
12 commission. The action plan may designate more than a single  
13 agency or multiple agencies as ~~consolidated~~ *coordinated*  
14 transportation service agencies, if improved coordination of all  
15 services is demonstrated within the geographic area. In Ventura  
16 County, the county transportation commission is the ~~consolidated~~  
17 *coordinated* transportation service agency.

18 The action plan may also specify that the consolidation of some  
19 services and the coordination of other services is the most feasible  
20 approach, at the time the action plan is submitted, which will  
21 provide improved efficiency and effectiveness of those services.

22 (2) The identification of the social service recipients to be  
23 served, of funds available for use by the consolidated or  
24 coordinated services, and of an orderly strategy and schedule  
25 detailing the steps required to develop the financial program and  
26 management structure necessary to implement consolidated or  
27 coordinated services.

28 (3) Measures to coordinate the services provided under  
29 paragraph (1) with existing fixed route service provided by public  
30 and private transportation providers.

31 (4) Measures for the effective coordination of specialized  
32 transportation service from one provider service area to another.

33 (5) Measures to ensure that the objectives of the action plan are  
34 consistent with the legislative intent declared in Section 15951.

35 (b) An entity formed by the regional transportation planning  
36 authority as a nonprofit public benefit corporation, designated as  
37 a ~~consolidated~~ *coordinated* transportation services agency under  
38 this section and charged with administering a countywide  
39 coordinated paratransit plan adopted pursuant to Section 37.141  
40 of ~~Chapter~~ *Title* 49 of the Code of Federal Regulations shall, for

1 the purposes of paragraph (2) of subdivision (e) of Section 14055  
2 and Part 1 (commencing with Section 810) and Part 2 (commencing  
3 with Section 814) of Division 3.6, be deemed a “public agency”  
4 within the meaning of “public entity,” as defined in Section 811.2.

5 SEC. 6. Section 15987 is added to the Government Code, to

7 15987. (a) Funding for this part shall be provided from funds  
8 made available under Section 99312.8 of the Public Utilities Code.

9 (b) For purposes of this part, “consolidated transportation  
10 services agency” means “coordinated transportation services  
11 agency” and specific activities referring to “consolidation” shall

13 (c) Each county board of supervisors shall, and has the sole  
14 authority to, designate a coordinated transportation services agency

17 funding established by Section 99312.8 of the Public Utilities  
18 Code.

22 vote, adopts biennial findings that the allocation of funds is in the  
23 best interest of that county’s senior and disabled population.

24 (2) The recipient transit agency commits to and produces  
25 documentation biennially that:

26 (A) Establishes that the funding has and shall be used only for  
27 the senior and disabled population.

28 (B) Establishes that a financial and operational maintenance of  
29 effort is in place and that funding under Section 99312.8 of the  
30 Public Utilities Code is being used solely for expanded or improved  
31 services for the target population and not as a backfill for other,  
32 redirected funds.

33 (e) A coordinated transportation services agency is authorized  
34 to review and comment on all of the following:

35 (1) State and local capital improvement plans and other  
36 significant public works.

37 (2) General and specific plans relevant to a coordinated  
38 transportation services agency’s jurisdiction.

9 and amend regulations to implement this subdivision and to  
10 establish reporting and performance requirements that, to the extent

LEGISLATIVE COUNSEL'S DIGEST

AB 595, as amended, Essayli. Animal shelters: 72-hour public notice: euthanasia: study.

Existing law declares that it is the policy of the state that no adoptable animal should be euthanized if it can be adopted into a suitable home. Existing law also declares that it is the policy of the state that no treatable animal should be euthanized. ~~Existing law provides that a violation of the Food and Agricultural Code is a misdemeanor, unless a different penalty is expressly provided.~~

This bill, Bowie's Law, would require all animal shelters, as defined, to provide public notice on their internet website at least 72 hours before euthanizing any animal and include the date that an animal is scheduled to be euthanized, except as provided. ~~By creating new requirements regarding this public notice, the violation of which would be a crime, and by dog, cat, or rabbit, except as provided. The bill would require~~

*that notice to indicate that the animal is subject to euthanasia and to include information about the animal and its availability for adoption. The bill would authorize an animal shelter to provide this public notice for less than 72 hours if the animal shelter makes certain determinations. The bill would, for each instance where the animal shelter provides public notice for less than 72 hours, require the animal shelter to document the reason and to keep it on file and available for public inspection, as provided. By imposing new requirements on a public animal control agency or shelter, the bill would constitute a state-mandated local program.*

The bill would also require the Department of Food and Agriculture to conduct a study on the overcrowding of California's animal shelters, the ways in which the state might address animal shelter overcrowding, and the feasibility of a statewide database of dogs and cats that provides public notice and information at the statewide level, as specified. The bill would require the department to, on or before January 1, 2026, submit a report on its study findings to the Legislature, as provided. The bill would repeal these study and reporting requirements on January 1, 2027.

~~The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.~~

~~This bill would provide that with regard to certain mandates no reimbursement is required by this act for a specified reason.~~

~~With regard to any other mandates, this bill would provide that, if the Commission on State Mandates determines that the bill contains costs so mandated by the state, reimbursement for those costs shall be made pursuant to the statutory provisions noted above.~~

*The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.*

*This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to the statutory provisions noted above.*

13 euthanizing any ~~animal dog, cat, or rabbit. That notice shall~~  
14 ~~indicate that the animal is subject to euthanasia~~ and shall include  
15 ~~information that includes, but is not limited to, the date that an~~  
16 ~~animal is scheduled to be euthanized.~~ *about the animal and its*  
17 *availability for adoption.*

18 (b) (1) *An animal shelter may provide the public notice required*  
19 *by subdivision (a) for less than 72 hours if the animal shelter*

An act to amend Section 30061 of the Government Code, *and to repeal and add Section 749.22 of the Welfare and Institutions Code*, relating to local government.

LEGISLATIVE COUNSEL'S DIGEST

AB 702, as amended, Jackson. Local government financing: juvenile justice.

Under existing law, there is established in each county treasury a Supplemental Law Enforcement Services Account (SLESA) to receive all amounts allocated to a county for specified purposes. In any fiscal year for which a county receives moneys to be expended for implementation, existing law requires the county auditor to allocate the moneys in the county's SLESA within 30 days of the deposit of those moneys into the fund. Existing law requires the moneys to be allocated in specified amounts, including, but not limited to, 50% to a county or city and county to implement a comprehensive multiagency juvenile justice plan, as specified. Existing law requires the juvenile justice plan to be developed by the local juvenile justice coordinating council in each county and city and county. Existing law requires the plan to be annually reviewed and updated by the council and submitted to the Board of State and Community Corrections. Existing law requires the multiagency juvenile justice plan to include certain components, including, but not limited to, a local juvenile justice action strategy that provides for a continuum of responses to juvenile crime and

delinquency. Existing law also requires each council to annually report to their board of supervisors and the board information on the effectiveness of the programs and strategies funded under these provisions, and requires the board to annually report this information to the Governor and the Legislature and post it on its internet website.

~~This bill would make nonsubstantive changes to those provisions.~~

*This bill would revise and recast required components of the multiagency juvenile justice plan to, among other things, additionally require a plan to include an assessment of existing community-based youth development services, identification and prioritization of areas of the community that are vulnerable to court system involvement due to high rates of poverty and the incarceration of at-risk youth's family members, among other things, and a description of the target population funded under these provisions. The bill would require programs and strategies funded under these provisions to, among other things, be modeled on healing-centered, restorative, trauma-informed, and positive youth development approaches and in collaboration with community-based organizations. The bill would require no less than 95% of the funds allocated under these provisions to be distributed to community-based organizations and other public agencies or departments that are not law enforcement entities, as specified, and prohibits this portion of the funds from being used for law enforcement activities or personnel. The bill would require a council to include additional information in its annual report to the board of supervisors and the board relating to their programs, including data on youth participants and council members.*

*Existing law requires a juvenile justice coordinating council to consist of certain members, including, but not limited to, the chief probation officer, as chair, and a representative from the district attorney's office, the public defender's office, and the sheriff's department, among others.*

*This bill would revise and recast those membership provisions, and instead require each juvenile justice coordinating council to, at a minimum, consist of 7 members with at least 50% community representatives with the remainder of the seats allocated to representatives from government agencies, as specified. The bill would require a council to select 2 co-chairs from amongst its members, at least one of whom shall be a community representative. The bill would require a council to meet no less than 3 times per year and announce its meetings at least 10 days in advance of a meeting.*

Vote: majority. Appropriation: no. Fiscal committee: ~~no~~-yes.  
State-mandated local program: no.

16 *states, “I developed this grant program in response to California’s*  
17 *harmful history of tough-on-crime measures and its*  
18 *over-incarceration of young people. Such measures have expanded*  
19 *the reach of the justice system, resulting in high social and fiscal*  
20 *costs. These costs are felt most acutely by Black, Brown, and*  
21 *Indigenous communities. It is of concern that the bulk of JJCPA*  
22 *funds are being spent on staffing within county probation*  
23 *departments, or other law enforcement agencies, while youth*  
24 *arrests and probation referrals have dropped by over 80 percent*  
25 *since 2000.”*  
26     (3) *The allocation of JJCPA funds is not reflective of the*  
27 *drastically changing landscape of California’s youth justice system.*  
28 *The JJCPA requires that each county establish a juvenile justice*  
29 *coordinating council that consists of representatives from a variety*  
30 *of local agencies and community groups to ensure the county’s*  
31 *approach is collaborative. The coordinating council is required*  
32 *to develop a comprehensive multiagency juvenile justice plan for*  
33 *the county. Despite this, a recent audit by the California State*  
34 *Auditor found 20 percent of counties lacked a juvenile justice*  
35 *coordinating council entirely.*

1 (4) In 2020, the California State Auditor authored a report titled  
2 “Juvenile Justice Crime Prevention Act: Weak Oversight Has  
3 Hindered Its Meaningful Implementation,” that recommended that  
4 “the Legislature should amend state law to describe a process for  
5 restricting the spending of JJCPA funding by counties that do not  
6 meet the requirements of the JJCPA. As part of that process, the  
7 State should prohibit counties that have not established a juvenile  
8 justice coordinating council from spending JJCPA funds.”

9 (5) To be aligned with the purpose of the JJCPA, programs and  
10 activities funded under the JJCPA should be primarily focused on  
11 preventing young people from entering the criminal legal system.  
12 Developing a nonpunitive, community-based, healing-centered,  
13 trauma-informed approach that is supported by key stakeholders  
14 is key to reducing collateral consequences for justice-involved  
15 youth and saving taxpayer dollars. Funding can strengthen family,  
16 school, peer, and mentoring supports, educational activities, and  
17 community-based programs that have demonstrated positive effects  
18 in reaching young people and deterring them from crime.

19 (6) The 2021 article entitled “Adverse Childhood Experiences  
20 Among Justice-Involved Youth: Data-Driven Recommendations  
21 for Action Using the Sequential Intercept Model” found chronic  
22 or multiple traumas during childhood bathe a child’s brain in toxic  
23 stress “as excessive cortisol disrupts developing brain circuits”  
24 and promote an overdeveloped threat response at the expense of  
25 the development and activation of the frontal lobe where  
26 decisionmaking, control over impulses, consequential and right  
27 and wrong thinking happens. An analysis of multiple studies of  
28 system-involved youth shows significantly higher adverse childhood  
29 experience (ACE) scores, overrepresentation of minority youth,  
30 and documented associations between these ACE’s and increased  
31 behavioral, legal, mental health, substance abuse, pregnancy,  
32 victimization, and educational problems. Arrest, court hearings,  
33 detention, and incarceration are inherently stressful, and stressful  
34 experiences that are not traumatic per se can exacerbate trauma  
35 symptoms. Programs funded under the JJCPA should, therefore,  
36 strive to create nurturing environments conducive to healthy youth  
37 development.

38 (7) The Coalition for Juvenile Justice’s “Probation Reform: A  
39 Tool Kit for State Advisory Groups” (December 2022), citing the  
40 National Council for Juvenile and Family Court Judges,

1 “Transforming Juvenile Probation” (2021), shows “no evidence  
2 that probation practices that rely on lengthy court conditions and  
3 compliance-oriented practices are successful in improving youth  
4 behavior. In fact, research shows that traditional,  
5 surveillance-oriented probation is particularly ineffective at  
6 preventing or deterring delinquent behavior.”

7 (8) “State Strategies to Address the Needs of Justice-Involved  
8 Youth Impacted by Collateral Consequences” (February 2023)  
9 by the National Association of Governors found that  
10 justice-involved youth face a diverse range of collateral  
11 consequences that can have both immediate and long-term negative  
12 and adverse impacts on their well-being and the well-being of their  
13 families.

14 (9) The Justice Policy Institute’s “Sticker Shock 2020: The Cost  
15 of Youth Incarceration” (July 2020) provides that extensive  
16 research reveals that secure youth incarceration increases the  
17 likelihood of recidivism and harms educational attainment, lifetime  
18 wages, and future health outcomes for youth. In 2020, California  
19 spent an average of \$833 per day per youth in confinement, which  
20 is equivalent to spending \$308,259 per year per youth. Prevention  
21 and intervention services for youth development are more cost  
22 effective to be administered through community-based services  
23 rather than through law enforcement agencies and incarceration.

24 (b) Therefore, it is the intent of the Legislature to ensure that  
25 JJCPA funds are primarily focused on providing healing-centered,  
26 restorative, community-based programs and services that reduce  
27 and avoid young people’s engagement with law enforcement  
28 agencies and employees by requiring juvenile justice coordinating  
29 councils to include strong community representation, including  
30 youth and families impacted by the juvenile court system and  
31 community-based service providers.

32 **SECTION 1.**

33 **SEC. 2.** Section 30061 of the Government Code is amended  
34 to read:

35 30061. (a) There shall be established in each county treasury  
36 a Supplemental Law Enforcement Services Account (SLESA), to  
37 receive all amounts allocated to a county for purposes of  
38 implementing this chapter.

39 (b) In any fiscal year for which a county receives moneys to be  
40 expended for the implementation of this chapter, the county auditor

1 shall allocate the moneys in the county’s SLESA within 30 days  
2 of the deposit of those moneys into the fund. The moneys shall be  
3 allocated as follows:

4 (1) Five and fifteen-hundredths percent to the county sheriff for  
5 county jail construction and operation. In the case of the Counties  
6 of Madera, Napa, and Santa Clara this allocation shall be made to  
7 the county director or chief of corrections.

8 (2) Five and fifteen-hundredths percent to the district attorney  
9 for criminal prosecution.

10 (3) Thirty-nine and seven-tenths percent to the county and the  
11 cities within the county, and, in the case of the Counties of San  
12 Mateo, Kern, Siskiyou, and Contra Costa, also to the Broadmoor  
13 Police Protection District, the Bear Valley Community Services  
14 District, the Stallion Springs Community Services District, the  
15 Lake Shastina Community Services District, and the Kensington  
16 Police Protection and Community Services District, in accordance  
17 with the relative population of the cities within the county and the  
18 unincorporated area of the county, and the Broadmoor Police  
19 Protection District in the County of San Mateo, the Bear Valley  
20 Community Services District and the Stallion Springs Community  
21 Services District in the County of Kern, the Lake Shastina  
22 Community Services District in Siskiyou County, and the  
23 Kensington Police Protection and Community Services District in  
24 the County of Contra Costa, as specified in the most recent January  
25 estimate by the Demographic Research Unit of the Department of  
26 Finance, and as adjusted to provide, except as provided in  
27 subdivision (i), a grant of at least one hundred thousand dollars  
28 (\$100,000) to each law enforcement jurisdiction. For a newly  
29 incorporated city whose population estimate is not published by  
30 the Department of Finance, but that was incorporated prior to July  
31 1 of the fiscal year in which an allocation from the SLESA is to  
32 be made, the city manager, or an appointee of the legislative body,  
33 if a city manager is not available, and the county administrative  
34 or executive officer shall prepare a joint notification to the  
35 Department of Finance and the county auditor with a population  
36 estimate reduction of the unincorporated area of the county equal  
37 to the population of the newly incorporated city by July 15, or  
38 within 15 days after the Budget Act is enacted, of the fiscal year  
39 in which an allocation from the SLESA is to be made. A person  
40 residing within the Broadmoor Police Protection District, the Bear

1 Valley Community Services District, the Stallion Springs  
2 Community Services District, the Lake Shastina Community  
3 Services District, or the Kensington Police Protection and  
4 Community Services District shall not also be counted as residing  
5 within the unincorporated area of the County of San Mateo, Kern,  
6 Siskiyou, or Contra Costa, or within any city located within those  
7 counties. Except as provided in subdivision (i), the county auditor  
8 shall allocate a grant of at least one hundred thousand dollars  
9 (\$100,000) to each law enforcement jurisdiction. Moneys allocated  
10 to the county pursuant to this subdivision shall be retained in the  
11 county SLESA, and moneys allocated to a city pursuant to this  
12 subdivision shall be deposited in a SLESA established in the city  
13 treasury.

14 Community Services District, the Lake Shastina Community  
15 Services District, and the Kensington Police Protection and  
16 Community Services District receive moneys pursuant to paragraph

24 the unincorporated areas of the county, in response to written  
25 requests submitted to the board by the county sheriff and the district  
26 attorney. Any request submitted pursuant to this paragraph shall  
27 specify the frontline law enforcement needs of the requesting  
28 entity, and those personnel, equipment, and programs that are  
29 necessary to meet those needs.

30 (2) In the case of a city, the city council shall appropriate  
31 existing and anticipated moneys exclusively to fund frontline  
32 municipal police services, in accordance with written requests  
33 submitted by the chief of police of that city or the chief

9 Broadmoor Police Protection District within the County of San  
10 Mateo, the Bear Valley Community Services District or the Stallion  
11 Springs Community Services District within the County of Kern,  
12 the Lake Shastina Community Services District within the County  
13 of Siskiyou, or the Kensington Police Protection and Community

15 moneys pursuant to this chapter, in no event shall the governing  
16 body of any of those recipient agencies subsequently alter any  
17 previous, valid appropriation by that body, for that same fiscal  
18 year, of moneys allocated to the county or city pursuant to  
19 paragraph (3) of subdivision (b).

20 (e) For the 2011–12 fiscal year, the Controller shall allocate  
21 23.54 percent of the amount deposited in the Local Law

28 Controller shall allocate 23.54363596 percent of the remaining  
29 amount deposited in the Enhancing Law Enforcement Activities  
30 Subaccount in the Local Revenue Fund 2011 for the purposes of

32 to the allocation described in subdivision (c) of Section 29552,  
33 shall allocate 23.54363596 percent of the remaining amount for  
34 purposes of paragraph (4) of subdivision (b).

35 (g) Commencing with the 2013–14 fiscal year, subsequent to  
36 the allocation described in subdivision (d) of Section 29552, the  
37 Controller shall allocate 23.54363596 percent of the remaining  
38 amount deposited in the Enhancing Law Enforcement Activities  
39 Subaccount in the Local Revenue Fund 2011 for the purposes of  
40 paragraphs (1) to (3), inclusive, of subdivision (b), and, subsequent

1 to the allocation described in subdivision (d) of Section 29552,  
2 shall allocate 23.54363596 percent of the remaining amount for  
3 purposes of paragraph (4) of subdivision (b). The Controller shall  
4 allocate funds in monthly installments to local jurisdictions for  
5 public safety in accordance with this section as annually calculated  
6 by the Director of Finance.

7 (h) Funds received pursuant to subdivision (b) shall be expended  
8 or encumbered in accordance with this chapter no later than June  
9 30 of the following fiscal year. A local agency that has not met  
10 the requirement of this subdivision shall remit unspent SLESA

**ASSEMBLY BILL**

**No. 817**

**Introduced by Assembly Member Pacheco  
(Coauthor: Assembly Member Wilson)**

February 13, 2023

An act to amend Section 54950 of the Government Code, relating to local government: *add Section 54953.05 to the Government Code, relating to local government.*

LEGISLATIVE COUNSEL'S DIGEST

AB 817, as amended, Pacheco. ~~Local government: open meetings.~~ *Open meetings: teleconferencing: subsidiary body.*

Existing law, the Ralph M. Brown Act, ~~requires~~ *requires, with specified exceptions*, each legislative body of a local agency to provide notice of the time and place for its regular meetings and an agenda containing a brief general description of each item of business to be transacted. The act also requires that all meetings of a legislative body be open and public, and that all persons be permitted to attend unless a closed session is authorized. *The act generally requires for teleconferencing that the legislative body of a local agency that elects to use teleconferencing post agendas at all teleconference locations, identify each teleconference location in the notice and agenda of the meeting or proceeding, and have each teleconference location be accessible to the public. Existing law also requires that, during the teleconference, at least a quorum of the members of the legislative body participate from locations within the boundaries of the territory over which the local agency exercises jurisdiction.*

*Existing law, until January 1, 2024, authorizes the legislative body of a local agency to use alternate teleconferencing provisions during a proclaimed state of emergency or in other situations related to public health that exempt a legislative body from the general requirements (emergency provisions) and impose different requirements for notice, agenda, and public participation, as prescribed. The emergency provisions specify that they do not require a legislative body to provide a physical location from which the public may attend or comment.*

*Existing law, until January 1, 2026, authorizes the legislative body of a local agency to use alternative teleconferencing in certain circumstances related to the particular member if at least a quorum of its members participate from a singular physical location that is open to the public and situated within the agency's jurisdiction and other requirements are met, including restrictions on remote participation by a member of the legislative body.*

*This bill would authorize a subsidiary body, as defined, to use alternative teleconferencing provisions similar to the emergency provisions indefinitely and without regard to a state of emergency. In order to use teleconferencing pursuant to this act, the bill would require the legislative body that established the subsidiary body by charter, ordinance, resolution, or other formal action to make specified findings by majority vote, before the subsidiary body uses teleconferencing for the first time and every 12 months thereafter.*

*Existing constitutional provisions require that a statute that limits the right of access to the meetings of public bodies or the writings of public officials and agencies be adopted with findings demonstrating the interest protected by the limitation and the need for protecting that interest.*

*This bill would make legislative findings to that effect.*

*The California Constitution requires local agencies, for the purpose of ensuring public access to the meetings of public bodies and the writings of public officials and agencies, to comply with a statutory enactment that amends or enacts laws relating to public records or open meetings and contains findings demonstrating that the enactment furthers the constitutional requirements relating to this purpose.*

*This bill would make legislative findings to that effect.*

~~This bill would make nonsubstantive changes to a provision of the Ralph M. Brown Act.~~

Vote: majority. Appropriation: no. Fiscal committee: no.  
State-mandated local program: no.

15    (1) *The teleconferenced meetings shall be conducted in a manner*

An act to amend Sections 3552, 3555.5, and 7926.300 of, and to add Title 26 (commencing with Section 110000) to, the Government Code, and to amend Sections 12301.6 and 12301.24 of, and to add Section 12300.8 to, the Welfare and Institutions Code, relating to in-home supportive services.

LEGISLATIVE COUNSEL'S DIGEST

AB 1672, as introduced, Haney. In-Home Supportive Services Employer-Employee Relations Act.

(1) Existing law establishes the In-Home Supportive Services (IHSS) program, which is administered by the State Department of Social Services, counties, and other entities, under which qualified aged, blind, or disabled persons are provided with supportive services in order to permit them to remain in their own homes.

Existing law authorizes a county board of supervisors to elect to contract with a nonprofit consortium to provide for the delivery of in-home supportive services or to establish, by ordinance, a public authority to provide for the delivery of those services, in accordance

with certain procedures. Existing law deems a public authority created under these provisions to be the employer of in-home supportive services personnel under the Meyers-Milias-Brown Act, which governs labor relations between local public employers and employees. Existing law also deems a nonprofit consortium contracting with a county to be the employer of in-home supportive services personnel for purposes of collective bargaining over wages, hours, and other terms and conditions of employment. Existing law grants recipients of in-home supportive services the right to hire, fire, and supervise the work of any in-home supportive services personnel providing services for them.

Existing law prohibits the state and specified local public employers from deterring or discouraging public employees from becoming or remaining members of an employee organization. Existing law also requires specified public employers to provide exclusive employee representatives access to new employee orientations. Existing law generally grants the Public Employment Relations Board jurisdiction over violations of these provisions. Existing law defines “public employers” who are subject to these provisions as including, among others, public agencies, cities, counties, and districts.

This bill would expand the definition of “public employer,” for purposes of those provisions, to include an employer who is subject to the In-Home Supportive Services Employer-Employee Relations Act, which the bill would create. The bill would establish a method for resolving disputes regarding wages, benefits, and other terms and conditions of employment between the state and recognized employee organizations representing independent providers. The bill would provide for the right of employees, also known as individual providers under the act, to form, join, and participate in activities of employee organizations for the purposes of representation on all matters within the scope of employee organizations. The bill would define “employee” or “individual provider” for these purposes to mean a person authorized to provide in-home supportive services pursuant to the individual provider mode or waiver personal care services, as prescribed.

For purposes of collective bargaining, the bill would deem the state to be the employer of record of individual providers in each county. The bill would grant the in-home supportive services recipient with the right to hire, fire, and supervise the work of the individual providers providing services to them. Among other things, the bill would specify that individual providers employed by a predecessor agency before the effective date of the act shall retain employee status and not be required

by the state to requalify to receive payment for providing in-home supportive services.

Among other things, for purposes of collective bargaining, the bill would provide that existing bargaining units consisting of individual providers in a single county that are represented by the same recognized employee organization shall be deemed merged into the largest possible multicounty bargaining units represented by that employee organization, upon the effective date of this act. In counties where no recognized employee organization exists as of the effective date of the act, the bill would specify that a bargaining unit consisting of all employees in that county shall be deemed an appropriate unit for collective bargaining. Under the bill, if individual providers in a county bargaining unit are represented by a recognized employee organization on the date of the act, the state would be deemed the successor employer of the predecessor agency for purposes of negotiating a collective bargaining agreement, subject to the obligation to meet and confer in good faith and meet other related legal requirements.

The bill would require all recognized employee organizations, as of the effective date of the act, to negotiate jointly on behalf of all bargaining units they represent to reach a single memorandum of understanding with the employer. The bill would authorize the memorandum of understanding to contain addenda reflecting regional or county-level terms and conditions. The bill would establish procedures for voting and ratification of a memorandum of understanding, and for the employer to assume a predecessor agency's rights and obligations under a memorandum of understanding or agreement between a predecessor agency and a recognized employee organization that is in effect on the date of the bill's enactment.

The bill would prescribe the duties of the state under the act, including requiring the Governor to meet and confer in good faith, and to follow specified procedures regarding collective bargaining. If an agreement is reached by a representative of the Governor and the recognized employee organizations, the bill would require those parties to jointly prepare a written memorandum of understanding and present it to the Legislature for determination by majority vote. The bill would require the Governor, for any side letter, appendix, or other addendum to a memorandum of understanding that requires the expenditure of \$250,000 or more related to salary and benefits not included in the original memorandum or the Budget Act, to provide that to the Joint Legislative Budget Committee, as specified. The bill would also establish mediation

and arbitration procedures that would apply when the parties fail to reach an agreement.

The bill would make certain actions by an employer and other entities involved in administering the IHSS program unlawful, including imposing or threatening to impose reprisals on employees or otherwise interfering with the exercise of their rights. The bill would authorize the Public Employment Relations Board to adopt reasonable rules and regulations pursuant to the act, including the adoption of emergency regulations, as prescribed.

(2) Existing law requires the Controller to provide for the administration of payroll deductions and salary reductions, and authorizes the Controller to establish procedures for that purpose.

The bill would require the Controller to honor a written authorization for payroll deductions executed by an employee before the effective date of the act, and to make deductions for payments of dues to a recognized employee organization pursuant to the act consistent with the above-described payroll deduction procedures.

(3) Existing law, the California Public Records Act, requires public records to be open to inspection at all times during the office hours of the state or local agency that retains those records, and provides that every person has a right to inspect any public record, except as provided. Existing law provides that certain information regarding persons paid by the state to provide in-home supportive services, or other related public services, are not subject to disclosure under the act. Existing law further provides that copies of names, addresses, home telephone numbers, and other identifying information are required to be made available, upon request, to an exclusive bargaining agent and to any employee organization seeking representation rights under specified collective bargaining provisions.

With respect to the above-described personal identifying information, this bill would instead require this information to be made available to the exclusive bargaining agent and any employee organization seeking representation under the In-Home Supportive Services Employer-Employee Relations Act. The bill would require the state, or a county, public authority, or nonprofit consortium organized pursuant to the IHSS program, to promptly make the information available to the requesting entity.

The bill would revise the IHSS program provisions to require the state to assume responsibilities as set forth in the act. The bill would also require a county or city and county to continue to have certain

IHSS program-related functions set forth in county ordinance or contract performed in accordance with specified provisions.

(4) Existing law requires prospective providers of in-home supportive services to complete an in-person provider orientation at the time of enrollment that is developed by the department, in consultation with counties, that includes requirements to be an eligible IHSS provider and other related matters.

This bill additionally would require that in-person provider orientation include any other information required to be communicated to prospective providers by a memorandum of understanding, appendix, or side letter between recognized employee organizations and the state. The bill would make other related changes to these provisions.

By imposing new duties on local government officials, the bill would impose a state-mandated local program.

(5) The bill would include findings that changes proposed by this bill address a matter of statewide concern and, therefore, apply to all counties.

(6) The California Constitution requires local agencies, for the purpose of ensuring public access to the meetings of public bodies and the writings of public officials and agencies, to comply with a statutory enactment that amends or enacts laws relating to public records or open meetings and contains findings demonstrating that the enactment furthers the constitutional requirements relating to this purpose.

This bill would make legislative findings to that effect.

(7) Existing constitutional provisions require that a statute that limits the right of access to the meetings of public bodies or the writings of public officials and agencies be adopted with findings demonstrating the interest protected by the limitation and the need for protecting that interest.

This bill would make legislative findings to that effect.

(8) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that with regard to certain mandates no reimbursement is required by this act for a specified reason.

With regard to any other mandates, this bill would provide that, if the Commission on State Mandates determines that the bill contains costs so mandated by the state, reimbursement for those costs shall be made pursuant to the statutory provisions noted above.

Vote: majority. Appropriation: no. Fiscal committee: yes.  
State-mandated local program: yes.

38 to the Government Code, to read:

1 TITLE 26. IN-HOME SUPPORT SERVICES  
2 EMPLOYER-EMPLOYEE RELATIONS ACT

3  
4 CHAPTER 1. GENERAL PROVISIONS  
5

6 110000. This title shall be known and may be cited as the  
7 In-Home Supportive Services Employer-Employee Relations Act.

8 110001. It is the purpose of this title to promote full  
9 communication between the state and recognized employee  
10 organizations representing independent providers by providing a  
11 reasonable method of resolving disputes regarding wages, benefits,  
12 and other terms and conditions of employment, as described in  
13 Section 110022, between the state and recognized employee  
14 organizations. It is also the purpose of this title to promote the  
15 improvement of personnel management and employer-employee  
16 relations within the public authority by providing a uniform basis  
17 for recognizing the right of independent providers to join  
18 organizations of their own choice and be represented by those  
19 organizations for purposes of collective bargaining with the state.  
20 This title is intended to strengthen methods of administering  
21 employer-employee relations through the establishment of uniform  
22 and orderly methods of communication between the recognized  
23 employee organizations and the state. Except as expressly provided  
24 herein, this title is not intended to require changes in existing  
25 bargaining units or memoranda of agreement or understanding.

26 110002. Except as otherwise provided by the Legislature,  
27 employees shall have the right to form, join, and participate in the  
28 activities of employee organizations of their own choosing for the  
29 purpose of representation on all matters within the scope of  
30 representations. Employees also shall have the right to refuse to  
31 join or participate in the activities of employee organizations.

32 110003. As used in this title:

33 (a) "Board" means the Public Employment Relations Board  
34 established pursuant to Section 3541.

35 (b) "Employee" or "individual provider" means any person  
36 authorized to provide in-home supportive services pursuant to  
37 Article 7 (commencing with Section 12300) of Chapter 3 of Part  
38 3 of Division 9 of the Welfare and Institutions Code, and Sections  
39 14132.95, 14132.952, and 14132.956 of the Welfare and  
40 Institutions Code, pursuant to the individual provider mode, as

1 described in Section 12302.2 of the Welfare and Institutions Code,  
2 or waiver personal care services pursuant to Section 14132.97 of  
3 the Welfare and Institutions Code. As used in this title, “employee”  
4 or “individual provider” does not include any person providing  
5 in-home supportive services pursuant to the county-employed  
6 homemaker mode or the contractor mode, as authorized in Section  
7 12302 of the Welfare and Institutions Code. Individual providers  
8 shall not be deemed to be employees of the state for any other  
9 purposes, except as expressly set forth in this title.

10 (c) “Employee organization” means an organization that includes  
11 employees, as defined in subdivision (b), and that has as one of  
12 its primary purposes representing those employees in their relations  
13 with the public employer.

14 (d) “Employer” means, for the purposes of collective bargaining,  
15 the state, the State Department of Health Care Services, or any  
16 other agency, department, contractor, subcontractor, or any political  
17 subdivision of the state administering the In-Home Supportive  
18 Services Program. The in-home supportive services recipient shall  
19 be the employer of an individual provider with the unconditional  
20 and exclusive right to hire, fire, and supervise the provider.

21 (e) “In-home supportive services” or “In-Home Supportive  
22 Services Program” means services provided pursuant to Article 7  
23 (commencing with Section 12300) of Chapter 3 of Part 3 of  
24 Division 9 of the Welfare and Institutions Code, and Sections  
25 14132.95, 14132.952, and 14132.956 of the Welfare and  
26 Institutions Code, and waiver personal care services pursuant to  
27 Section 14132.97 of the Welfare and Institutions Code.

28 (f) “In-home supportive services recipient” means the individual  
29 who receives the in-home supportive services provided by the  
30 individual provider.

31 (g) “Mediation” means effort by an impartial third party to assist  
32 in reconciling a dispute regarding wages, benefits, and other terms  
33 and conditions of employment, as defined in Section 110022,  
34 between representatives of the employer and the recognized  
35 employee organization or recognized employee organizations  
36 through interpretation, suggestion, and advice.

37 (h) “Predecessor agency” means a county, a local public  
38 authority, or a nonprofit consortium established pursuant to Section  
39 12301.6 or 12302.25 of the Welfare and Institutions Code before  
40 the effective date of this title.

1 (i) “Recognized employee organization” means an employee  
2 organization that has been formally acknowledged as follows:

3 (1) Before the effective date of this title, by a predecessor  
4 agency, as the exclusive representative of its employees.

5 (2) On or after the effective date of this title, by the employer.  
6

7 CHAPTER 2. TRANSITIONAL PROVISIONS  
8

9 110004. It is the intent of the Legislature to stabilize the labor  
10 and employment relations of individual providers in order to  
11 provide continuity of care and services to the maximum extent  
12 possible, and consistent with the responsibilities of the employer  
13 under the act adding this title.

14 110005. For the purposes of collective bargaining, and as  
15 expressly set forth in subdivision (d) of Section 110003, the state  
16 is deemed to be the employer of record of individual providers in  
17 each county as of the effective date of this title. In-home supportive  
18 services recipients shall retain the right to hire, fire, and supervise  
19 the work of the individual providers providing services to them.

20 110006. Individual providers employed by any predecessor  
21 agency as of the effective date of this title shall retain employee  
22 status and shall not be required by the state to requalify to receive  
23 payment for providing services pursuant to Article 7 (commencing  
24 with Section 12300) of Chapter 3 of Part 3 of Division 9 of the  
25 Welfare and Institutions Code. In the same manner as set forth in  
26 subdivision (e) of Section 12305.86 of the Welfare and Institutions  
27 Code, the employer shall accept a clearance that was obtained or  
28 accepted by any predecessor agency pursuant to Article 7  
29 (commencing with Section 12300) of Chapter 3 of Part 3 of  
30 Division 9 of the Welfare and Institutions Code. Existence of a  
31 clearance shall be determined by verification through the case  
32 management, information, and payroll system of the predecessor  
33 agency that the predecessor agency has deemed the provider to be  
34 eligible to receive payment for providing services pursuant to  
35 Article 7 (commencing with Section 12300) of Chapter 3 of Part  
36 3 of Division 9 of the Welfare and Institutions Code.

37 110007. (a) On the effective date of this title, consistent with  
38 the recognition of employee organizations by predecessor agencies,  
39 existing bargaining units consisting of individual providers in a  
40 single county that are represented by the same recognized employee

1 organization shall be deemed merged into the largest possible  
2 multicounty bargaining units represented by that employee  
3 organization.

4 (b) In those counties where no recognized employee organization  
5 exists as of the effective date of this title, a bargaining unit  
6 consisting of all employees in that county shall be deemed an  
7 appropriate unit for collective bargaining. If employees thereafter  
8 select an employee organization as their exclusive representative,  
9 the county bargaining unit shall be deemed merged into any  
10 existing multicounty bargaining unit represented by the same  
11 recognized employee organization.

12 110008. If, on the effective date of this title, individual  
13 providers in a county bargaining unit are represented by a  
14 recognized employee organization, the state shall be deemed the  
15 successor employer of the predecessor agency for the purposes of  
16 negotiating a collective bargaining agreement, and shall be  
17 obligated to recognize and to meet and confer in good faith with  
18 the recognized employee organization on all matters within the  
19 scope of representation, as defined in Section 110022, as to those  
20 individual providers. The recognized employee organization shall  
21 continue to perform all obligations of a recognized employee  
22 organization as to the individual providers in that county.

23 110009. (a) (1) As of the effective date of this title, all  
24 recognized employee organizations shall negotiate jointly on behalf  
25 of all bargaining units they represent to reach a single memorandum  
26 of understanding with the employer. The memorandum of  
27 understanding may contain addenda reflecting regional or  
28 county-level terms and conditions.

29 (2) Notwithstanding Section 110007, the votes of all eligible  
30 individual providers in all bargaining units shall be aggregated for  
31 ratification purposes if ratification is required by a recognized  
32 employee organization's constitution, bylaws, or other governing  
33 documents. Nothing in this section shall require individual provider  
34 ratification that is not otherwise required by a recognized employee  
35 organization's constitution, bylaws, or other governing documents.  
36 Nothing in this section shall require individual provider ratification  
37 in any manner that is not otherwise required by a recognized  
38 employee organization's constitution, bylaws, or other governing  
39 documents.

1 (b) Subject to subdivision (c), the employer and all employee  
2 organizations that are recognized by predecessor agencies before  
3 the effective date may meet before the effective date of this title  
4 to negotiate the terms of the memorandum of understanding, which  
5 shall not take effect until the effective date.

6 (c) On the effective date of this title, subject to Section 12306.16  
7 of the Welfare and Institutions Code, the employer shall assume  
8 the predecessor agencies' rights and obligations under any  
9 memorandum of understanding or agreement between a predecessor  
10 agency and a recognized employee organization that is in effect  
11 on the effective date for the duration thereof. Absent mutual  
12 consent to reopen, the terms of any transferred memorandum of  
13 understanding or agreement shall continue until the memorandum  
14 of understanding or agreement has expired. If a memorandum of  
15 understanding or agreement between a recognized employee  
16 organization and a predecessor agency has expired and has not  
17 been replaced by a successor memorandum of understanding or  
18 agreement as of the effective date of this title, the employer shall  
19 assume the obligation to meet and confer in good faith with the  
20 recognized employee organization.

21 (d) Notwithstanding any other law, except to the extent set forth  
22 in this chapter and as limited by Section 110022, the terms and  
23 conditions of any memorandum of understanding or agreement  
24 between a predecessor agency and a recognized employee  
25 organization in effect as of the effective date of this title shall not  
26 be reduced, except by mutual agreement between the recognized  
27 employee organization and the employer.

28 (e) The Controller shall be obligated to honor a written  
29 authorization for payroll deductions executed by an employee prior  
30 to the effective date of this title. The implementation of this title  
31 shall not be a cause for the Controller to cease administering  
32 payroll deductions pursuant to Section 1153 for any employee who  
33 has executed a written authorization for payroll deductions.

34 110010. (a) Except as otherwise expressly provided in this  
35 title, the enactment of this title shall not be a cause for the employer  
36 or any predecessor agency to modify or eliminate any existing  
37 memorandum of agreement or understanding, or to modify existing  
38 wages, benefits, or other terms and conditions of employment.  
39 Except to the extent set forth in this title, the enactment of this title  
40 shall not prevent the modification of existing wages, benefits, or

1 terms and conditions of employment through the meet and confer  
2 in good faith process or, in those situations in which the employees  
3 are not represented by a recognized employee organization, through  
4 appropriate procedures.

5 (b) This title does not relieve any predecessor agency of its  
6 obligation to meet and confer in good faith with a recognized  
7 employee organization pursuant to the Meyers-Milias-Brown Act  
8 (Chapter 10 (commencing with Section 3500) of Division 4 of  
9 Title 1) until the effective date of this title. This title does not  
10 require the predecessor agency to meet and confer with a  
11 recognized employee organization after the employer assumes the  
12 predecessor agency’s rights and obligations on the effective date  
13 of this title.

14 110011. If the employer and the recognized employee  
15 organization negotiate changes to locally administered health  
16 benefits for individual providers, the employer shall give 90 days’  
17 notice to the county of the agreed-upon changes.

18  
19  
20

CHAPTER 3. LABOR RELATIONS

21 110012. The Legislature finds and declares that collective  
22 bargaining for individual providers under this title constitutes a  
23 matter of statewide concern pursuant to Article XI of the California  
24 Constitution. Therefore, this title applies to all counties,  
25 notwithstanding charter provisions to the contrary.

26 110013. Where the language of this title is the same or  
27 substantially the same as that contained in Chapter 10.3  
28 (commencing with Section 3512) of Division 4 of Title 1, it shall  
29 be interpreted and applied by the board in a manner consistent  
30 with and in accordance with judicial interpretations of the same  
31 language.

32 110014. The employer shall grant exclusive recognition to  
33 employee organizations designated or selected pursuant to this  
34 title or rules established by the board for employees of the  
35 employer or an appropriate unit thereof, subject to the right of an  
36 employee to represent oneself.

37 110015. (a) Except as provided in this title, the powers and  
38 duties of the board described in Sections 3541.3 and 3541.5 shall  
39 also apply, as appropriate, to this title. Included among the  
40 appropriate powers of the board are the powers to order elections,

1 to conduct any election the board orders, to order unit modifications  
2 consistent with Section 110007, and to adopt rules.

3 (b) The board shall establish reasonable procedures for petitions  
4 and holding elections and determining appropriate units consistent  
5 with Section 110007. In a representation election, a majority of  
6 the votes cast by the employees in the appropriate bargaining unit  
7 shall be required.

8 (c) Upon the request of all affected recognized employee  
9 organizations, the employer shall recognize a merged bargaining  
10 unit consisting of bargaining units that were previously represented  
11 by separate recognized employee organizations.

12 110016. Notwithstanding any other law, if a decision by an  
13 administrative law judge regarding the recognition, certification,  
14 decertification, or unit modification, consistent with Section  
15 110007, of an employee organization is appealed, the decision  
16 shall be deemed the final order of the board if the board does not  
17 issue a ruling that supersedes the decision no later than 180 days  
18 after the appeal is filed.

19 110017. (a) Any charging party, respondent, or intervener  
20 aggrieved by a final decision or order of the board in an unfair  
21 practice case, except a decision of the board not to issue a  
22 complaint in such a case, and any party to a final decision or order  
23 of the board in a unit determination consistent with Section 110007,  
24 or in a representation, recognition, or election matter that is not  
25 brought as an unfair practice case, may petition for a writ of  
26 extraordinary relief from that decision or order. A board order  
27 directing an election shall not be stayed pending judicial review.

28 (b) A petition for a writ of extraordinary relief shall be filed in  
29 the district court of appeal having jurisdiction over the county  
30 where the events giving rise to the decision or order occurred. The  
31 petition shall be filed within 30 days from the date of the issuance  
32 of the board's final decision or order, or order denying  
33 reconsideration, as applicable. Upon the filing of the petition, the  
34 court shall cause notice to be served upon the board and thereafter  
35 shall have jurisdiction of the proceeding. The board shall file in  
36 the court the record of the proceeding, certified by the board, within  
37 10 days after the clerk's notice unless that time is extended by the  
38 court for good cause shown. The court shall have jurisdiction to  
39 grant any temporary relief or restraining order it deems just and  
40 proper, and in like manner to make and enter a decree enforcing,

1 modifying, and enforcing as modified, or setting aside in whole  
 2 or in part the decision or order of the board. The findings of the  
 3 board with respect to questions of fact, including ultimate facts,  
 4 if supported by substantial evidence on the record considered as  
 5 a whole, shall be conclusive. Title 1 (commencing with Section  
 6 1067) of Part 3 of the Code of Civil Procedure relating to writs  
 7 shall, except where specifically superseded by this section, apply  
 8 to proceedings pursuant to this section.

9 (c) If the time to petition for extraordinary relief from a board  
 10 decision or order has expired, the board may seek enforcement of  
 11 any final decision or order in a district court of appeal or superior  
 12 court having jurisdiction over the county where the events giving  
 13 rise to the decision or order occurred. The board shall respond  
 14 within 10 days to any inquiry from a party to the action as to why  
 15 the board has not sought court enforcement of the final decision  
 16 or order. If the response does not indicate that there has been  
 17 compliance with the board’s final decision or order, the board shall  
 18 seek enforcement of the final decision or order upon the request  
 19 of the party. The board shall file in the court the record of the  
 20 proceeding, certified by the board, and appropriate evidence  
 21 disclosing the failure to comply with the decision or order. If, after  
 22 hearing, the court determines that the order was issued pursuant  
 23 to the procedures established by the board and that the person or  
 24 entity refuses to comply with the order, the court shall enforce the  
 25 order by writ of mandamus or other proper process. The court may  
 26 not review the merits of the order.

27 110018. An individual provider shall not be subject to punitive  
 28 action or denied promotion, or threatened with any such treatment,  
 29 for the exercise of lawful action as an elected, appointed, or  
 30 recognized representative of any employee bargaining unit.

31 110019. (a) This title does not affect the right of an employee  
 32 to authorize a dues deduction from the employee’s salary or wages  
 33 pursuant to Article 6 (commencing with Section 1150) of Chapter  
 34 1 of Division 4 of Title 1.

35 (b) The Controller shall make deductions for the payment of  
 36 dues to a recognized employee organization consistent with Article  
 37 6 (commencing with Section 1150) of Chapter 1 of Division 4 of  
 38 Title 1.

39 110020. Recognized employee organizations shall have the  
 40 right to represent their members in their employment relations

1 with the employer. Employee organizations may establish  
2 reasonable restrictions regarding who may join and may make  
3 reasonable provisions for the dismissal of individuals from  
4 membership. This section does not prohibit an employee from  
5 appearing on their own behalf in their employment relations with  
6 the employer.

7 110021. The employer and employee organizations shall not  
8 interfere with, intimidate, restrain, coerce, or discriminate against  
9 employees because of the exercise of their rights guaranteed by  
10 this title.

11 110022. (a) The scope of representation shall include all  
12 matters relating to wages, benefits, and other terms and conditions  
13 of employment, including programmatic changes that affect terms  
14 and conditions of employment of individual providers. However,  
15 the scope of representation shall not include consideration of the  
16 merits, necessity, or organization of any service or activity provided  
17 by law or executive order, or the right to hire, fire and supervise  
18 the individual providers which is reserved to the IHSS recipient.

19 (b) All of the following matters are within the scope of  
20 representation:

21 (1) Wages and benefits, including, but not limited to, health  
22 insurance, retirement, and contributions to health benefit and  
23 retirement trust funds.

24 (2) The structure, time, and manner of recognized employee  
25 organization access to orientations of new providers.

26 (3) Impacts on individual providers' delivery of services as a  
27 result of changes in regulations, rules, policies, or resolutions  
28 adopted by the department and applicable to the In-Home  
29 Supportive Services programs.

30 (4) The operation of and rules applicable to county-level  
31 individual provider registries, including appeals procedures for  
32 registry decisions.

33 (5) Rules and regulations applicable to the identification and  
34 scheduling of backup individual providers.

35 (6) Payment, payment reporting, and payroll procedures  
36 applicable individual providers.

37 (7) Improvement of recruitment and retention of individual  
38 providers.

39 (8) Joint labor-management committees.

40 (9) Grievance arbitration.

1 (10) Professional training and development for individual  
2 providers.

3 (11) The deduction of membership dues and other voluntary  
4 deductions authorized by individual providers and allocation of  
5 the costs of implementing that deduction system.

6 (c) This section does not limit the right of the employer to  
7 consult and reach agreement with the recognized employee  
8 organizations on any matter outside the scope of representation.  
9 Any matter outside the scope of representation enumerated in this  
10 section shall not be considered a mandatory subject of bargaining.

11 110023. (a) Except in cases of emergency as provided in this  
12 section, the Governor, through the Governor’s designee, shall give  
13 reasonable written notice to each recognized employee organization  
14 affected by any law, rule, practice, or policy directly relating to  
15 matters within the scope of representation proposed to be adopted  
16 by the employer and shall give each recognized employee  
17 organization the opportunity to meet with the employer.

18 (b) In cases of emergency when the Governor, through the  
19 Governor’s designee, determines that any law, rule, policy, or  
20 procedure must be adopted immediately without prior notice or  
21 meeting with a recognized employee organization, the employer  
22 shall provide notice and an opportunity to meet at the earliest  
23 practical time following the adoption of the law, rule, policy, or  
24 procedure.

25 110024. (a) The Governor, through the Governor’s designee,  
26 shall meet and confer in good faith regarding wages, hours, and  
27 other terms and conditions of employment with representatives of  
28 recognized employee organizations, and shall consider fully such  
29 presentations as are made by the employee organization on behalf  
30 of its members prior to arriving at a determination of policy or  
31 course of action.

32 (b) “Meet and confer in good faith” means that the Governor,  
33 through the Governor’s designee, and representatives of recognized  
34 employee organizations, shall have the mutual obligation personally  
35 to meet and confer promptly upon request by either party and  
36 continue for a reasonable period of time in order to exchange freely  
37 information, opinions, and proposals, and to endeavor to reach  
38 agreement on matters within the scope of representation prior to  
39 the adoption by the state of its final budget for the ensuing year.

1 The process should include adequate time for the resolution of  
2 impasses.

3 110025. (a) Any side letter, appendix, or other addendum to  
4 a properly ratified memorandum of understanding that requires  
5 the expenditure of two hundred fifty thousand dollars (\$250,000)  
6 or more related to salary and benefits and that is not already  
7 contained in the original memorandum of understanding or the  
8 Budget Act, shall be provided by the Governor to the Joint  
9 Legislative Budget Committee. The Joint Legislative Budget  
10 Committee shall determine within 30 days after receiving the side  
11 letter, appendix, or other addendum if it presents substantial  
12 additions that are not reasonably within the parameters of the  
13 original memorandum of understanding and thereby requires  
14 legislative action to ratify the side letter, appendix, or other  
15 addendum.

16 (b) A side letter, appendix, or other addendum to a properly  
17 ratified memorandum of understanding that does not require the  
18 expenditure of funds shall be expressly identified by the Governor  
19 if that side letter, appendix, or other addendum is to be incorporated  
20 in a subsequent memorandum of understanding submitted to the  
21 Legislature for approval.

22 110026. If an agreement is reached by the representatives of  
23 the Governor and the recognized employee organizations, they  
24 shall jointly prepare a written memorandum of the understanding,  
25 and present it to the Legislature for determination by majority vote.

26 110027. (a) If, after a reasonable period of time, representatives  
27 of the employer and the recognized employee organizations fail  
28 to reach agreement, the dispute shall be referred to mediation  
29 before a mediator mutually agreeable to the parties. If the parties  
30 are unable to agree upon the mediator, either party may request  
31 the board to appoint a mediator in accordance with rules adopted  
32 by the board.

33 (b) The costs of mediation shall be divided one-half to the  
34 employer and one-half to the recognized employee organizations.

35 110028. (a) After all mediation procedures have been  
36 exhausted, if no agreement has been reached between the parties,  
37 disputes or controversies pertaining to wages, hours, benefits, or  
38 terms and conditions of employment that remain unresolved shall  
39 be submitted to a three-member board of arbitrators at the request  
40 of the employer or the recognized employee organizations.

1 (b) The recognized employee organizations and the employer  
2 shall each select and appoint one arbitrator to the board of  
3 arbitrators. The third member of the arbitration board shall be  
4 selected by agreement of the parties, and absent agreement within  
5 five days of a request for arbitration, the employer or the  
6 recognized employee organizations may then request from the  
7 State Mediation and Conciliation Service a list of seven persons  
8 qualified and experienced as labor arbitrators. If the recognized  
9 employee organizations and the employer cannot agree within  
10 three days after receipt of such a list on one of the seven persons  
11 to act as the neutral arbitrator, they shall alternately strike names  
12 from the list of nominees until one name remains and that person  
13 shall then become the neutral arbitrator and chairperson of the  
14 arbitration board.

15 (c) Any arbitration proceeding convened pursuant to this article  
16 shall be conducted in conformance with, and be subject to Title 9  
17 (commencing with Section 1290) of Part 3 of the Code of Civil  
18 Procedure. The arbitration board may, in its discretion, hold public  
19 hearings, receive evidence from the parties, and cause a transcript  
20 of the proceedings to be prepared. In the exercise of its discretion,  
21 the arbitration board may meet privately with the parties, mediate,  
22 or arbitrate the issues in dispute. The arbitration board may also  
23 adopt such other procedures that are designed to encourage an  
24 agreement between the parties, expedite the arbitration hearing  
25 process, or reduce the cost of the arbitration process.

26 (d) If an agreement is not reached before the conclusion of the  
27 arbitration hearings, the arbitration board shall direct each of the  
28 parties to submit, within such time limit as the arbitration board  
29 may establish, a last offer of settlement on each of the remaining  
30 issues in dispute. The arbitration board shall decide each issue by  
31 majority vote by selecting whichever last offer of settlement on  
32 that issue it finds most nearly conforms to those factors traditionally  
33 taken into consideration in the determination of wages, hours,  
34 benefits and terms and conditions of public and relevant private  
35 employment, including, but not limited to: changes in the average  
36 Consumer Price Index for goods and services; the wages, hours,  
37 benefits and terms and conditions of employment of employees  
38 performing similar services; stipulations of the parties; state and  
39 federal laws that are applicable to the employer; the interests and  
40 welfare of the public and the financial ability of the employer to

1 meet the costs of the award; the overall compensation presently  
2 received by the employees affected, including their direct wages,  
3 the costs of any vacations, holidays, or other paid time off,  
4 insurance, pension, medical and hospitalization benefits; and the  
5 continuity and stability of employment.

6 (e) After reaching a decision, the arbitration board shall mail  
7 or otherwise deliver a true copy of its decision to the parties. The  
8 decision of the arbitration board shall not be publicly disclosed  
9 and shall not be binding until 10 days after it is delivered to the  
10 parties. During that 10-day period, the parties may meet privately,  
11 attempt to resolve their differences, and by mutual agreement  
12 amend or modify the decision of the arbitration board. At the  
13 conclusion of the 10-day period, the decision of the arbitration  
14 board, as it may be modified or amended by the parties, shall be  
15 publicly disclosed, and shall become final and binding upon both  
16 of the parties. The Legislature may reject the decision of the  
17 arbitration panel by majority vote.

18 (f) The expenses of any arbitration proceeding convened  
19 pursuant to this section, including the fee for the services of the  
20 chairperson of the arbitration board, the costs of the preparation  
21 of the transcript of proceedings, and any other costs related to the  
22 conduct of the proceeding as determined by the arbitration board,  
23 shall be divided one-half to the employer and one-half to the  
24 recognized employee organizations. Any other expenses the parties  
25 may incur are to be borne by the party incurring that particular  
26 expense.

27 110029. If the Legislature does not approve or fully fund any  
28 provision of a memorandum of understanding which requires the  
29 expenditure of funds, either party may reopen negotiations on all  
30 or part of the memorandum of understanding. This section does  
31 not prevent the parties from agreeing and effecting those provisions  
32 of the memorandum of understanding that have received legislative  
33 approval or those provisions that do not require legislative action.

34 110030. A memorandum of understanding between the  
35 Governor and the recognized employee organizations shall be  
36 binding on all state departments and agencies, counties, public  
37 authorities or nonprofit consortia organized pursuant to Sections  
38 12306.1 or 12302.25 of the Welfare and Institutions Code before  
39 the effective date of this title, and any other political subdivision  
40 of the state that is involved in the administration of the In-Home

1 Supportive Services Program and the relevant contractors and  
2 subcontractors of those departments and agencies.

3 110031. The employer shall allow a reasonable number of  
4 representatives of recognized employee organizations reasonable  
5 time off without loss of compensation or other benefits when  
6 formally meeting and conferring with representatives of the  
7 employer on matters within the scope of representation.

8 110032. (a) It is unlawful for the employer to do any of the  
9 following:

10 (1) Impose or threaten to impose reprisals on employees, to  
11 discriminate or threaten to discriminate against employees, or  
12 otherwise to interfere with, restrain, or coerce employees because  
13 of their exercise of rights guaranteed by this title.

14 (2) Deny to employee organizations the rights guaranteed to  
15 them by this title.

16 (3) Refuse or fail to meet and negotiate in good faith with a  
17 recognized employee organization. For purposes of this  
18 subdivision, knowingly providing a recognized employee  
19 organization with inaccurate information regarding the financial  
20 resources of the employer, whether or not in response to a request  
21 for information, constitutes a refusal or failure to meet and  
22 negotiate in good faith.

23 (4) Dominate or interfere with the formation or administration  
24 of any employee organization, contribute financial or other support  
25 to any employee organization, or in any way encourage employees  
26 to join any employee organization in preference to another.

27 (5) Refuse to participate in good faith in any applicable impasse  
28 procedure.

29 (6) Deter or discourage individual providers from becoming or  
30 remaining members of an employee organization, or from  
31 authorizing representation by an employee organization, or from  
32 authorizing dues or other voluntary deductions to a provider  
33 organization.

34 (7) Refuse or fail to require any county, public authority, or  
35 nonprofit consortium organized pursuant to Sections 12306.1 or  
36 12302.25 of the Welfare and Institutions Code to comply with the  
37 provisions of any memorandum of understanding or addenda,  
38 appendices, or side letters thereto between the state and recognized  
39 employee organizations.

1 (8) Refuse or fail to require any county, public authority, or  
2 nonprofit consortium organized pursuant to Sections 12306.1 or  
3 12302.25 of the Welfare and Institutions Code to comply with  
4 Section 12301.24 of the Welfare and Institutions Code.

5 (b) It is unlawful for any county, public authority, or nonprofit  
6 consortium organized pursuant to Section 12306.1 or 12302.25 of  
7 the Welfare and Institutions Code, or any other political subdivision  
8 of the state that is involved in the administration of the In-Home  
9 Supportive Services Program and the relevant contractors and  
10 subcontractors of those departments and agencies, to do any of the  
11 following:

12 (1) Impose or threaten to impose reprisals on employees, to  
13 discriminate or threaten to discriminate against employees, or  
14 otherwise to interfere with, restrain, or coerce employees because  
15 of their exercise of rights guaranteed by this title.

16 (2) Deny to employee organizations the rights guaranteed to  
17 them by this title.

18 (3) Dominate or interfere with the formation or administration  
19 of any employee organization, contribute financial or other support  
20 to any employee organization, or in any way encourage employees  
21 to join any employee organization in preference to another.

22 (4) Deter or discourage individual providers from becoming or  
23 remaining members of an employee organization, or from  
24 authorizing representation by an employee organization, or from  
25 authorizing dues or other voluntary deductions to a provider  
26 organization.

27 (5) Deny to employee organizations the rights guaranteed to  
28 them by Section 12301.24 of the Welfare and Institutions Code.

29 110033. (a) The board may adopt reasonable rules and  
30 regulations for all of the following:

31 (1) Registering employee organizations.

32 (2) Determining the status of organizations and associations as  
33 employee organizations or bona fide associations.

34 (3) Identifying the officers and representatives who officially  
35 represent employee organizations and bona fide associations.

36 (4) Any other matters that are necessary to carry out the purposes  
37 of this title.

38 (b) The board shall establish procedures whereby recognition  
39 of employee organizations formally recognized as majority  
40 representatives pursuant to a vote of the employees may be revoked

1 by a majority vote of the employees only after a period of not less  
2 than 12 months following the date of recognition.

3 (c) The employer shall not unreasonably withhold recognition  
4 of employee organizations.

5 (d) Employees and employee organizations may challenge a  
6 rule or regulation of the employer as a violation of this title. This  
7 subdivision does not restrict or expand the board’s jurisdiction or  
8 authority as set forth in subdivisions (a) to (c), inclusive, of Section  
9 3541.3.

10 110034. (a) The board may adopt emergency regulations to  
11 implement this title. The initial adoption, amendment, or repeal  
12 of the regulations authorized by this section is deemed to address  
13 an emergency, for purposes of Sections 11346.1 and 11349.6, and  
14 the board is exempt for that purpose from the requirements of  
15 subdivision (b) of Section 11346.1. Initial emergency regulations  
16 and one readoption of emergency regulations authorized by this  
17 section shall be exempt from review by the Office of  
18 Administrative Law. The initial emergency regulations and one  
19 readoption of emergency regulations authorized by this section  
20 shall be submitted to the Office of Administrative Law for filing  
21 with the Secretary of State and each shall remain in effect for no  
22 more than 180 days, by which time final regulations may be  
23 adopted.

24 (b) The adoption, amendment, or repeal of a regulation  
25 authorized by this section is hereby exempt from subdivision (d)  
26 of Section 11346.1 and Section 11349.6, and the board shall  
27 transmit the regulations directly to the Secretary of State for filing.  
28 The regulations shall become effective immediately upon filing  
29 with the Secretary of State.

30 110035. The provisions of this title are severable. If any  
31 provision of this title or its application is held invalid, that  
32 invalidity shall not affect other provisions or applications that can  
33 be given effect without the invalid provision or application.

34 SEC. 5. Section 12300.8 is added to the Welfare and  
35 Institutions Code, to read:

36 12300.8. (a) On the effective date of Title 26 (commencing  
37 with Section 110000) of the Government Code, the state shall  
38 assume the responsibilities set forth in Title 26 (commencing with  
39 Section 110000) of the Government Code.

1 (b) A county or city and county, subject to subdivision (a), shall  
2 do any one of the following:

3 (1) Continue to have its public authority perform the functions  
4 set forth in the county ordinance existing at the time of the  
5 notification pursuant to subdivision (a) and established pursuant  
6 to Section 12301.6, excluding subdivision (c) of that section.

7 (2) Continue to have the entity perform the functions in the  
8 existing contract at the time of the notification pursuant to  
9 subdivision (a) established pursuant to Section 12301.6, excluding  
10 subdivision (c) of that section.

11 (3) Assume the functions performed by an entity or public  
12 authority pursuant to Section 12301.6, excluding subdivision (c)  
13 of that section.

14 (c) If a county or city and county assumes the functions  
15 described in paragraph (3) of subdivision (b), it may do any of the  
16 following:

17 (1) Contract for the performance of any or all of the functions  
18 assumed.

19 (2) Contract with an entity pursuant to Section 12301.6 for the  
20 performance of any or all functions assumed.

21 (3) Establish a public authority pursuant to Section 12301.6 for  
22 the performance of any functions assumed.

23 SEC. 6. Section 12301.6 of the Welfare and Institutions Code  
24 is amended to read:

25 12301.6. (a) Notwithstanding Sections 12302 and 12302.1, a  
26 county board of supervisors may, at its option, elect to do either  
27 of the following:

28 (1) Contract with a nonprofit consortium to provide for the  
29 delivery of in-home supportive services.

30 (2) Establish, by ordinance, a public authority to provide for  
31 the delivery of in-home supportive services.

32 (b) (1) To the extent that a county elects to establish a public  
33 authority pursuant to paragraph (2) of subdivision (a), the enabling  
34 ordinance shall specify the membership of the governing body of  
35 the public authority, the qualifications for individual members, the  
36 manner of appointment, selection, or removal of members, how  
37 long they shall serve, and other matters as the board of supervisors  
38 deems necessary for the operation of the public authority.

39 (2) A public authority established pursuant to paragraph (2) of  
40 subdivision (a) shall be both of the following:

1 (A) An entity separate from the county, and shall be required  
2 to file the statement required by Section 53051 of the Government  
3 Code.

4 (B) A corporate public body, exercising public and essential  
5 governmental functions and that has all powers necessary or  
6 convenient to carry out the delivery of in-home supportive services,  
7 including the power to contract for services pursuant to Sections  
8 12302 and 12302.1 and that makes or provides for direct payment  
9 to a provider chosen by the recipient for the purchase of services  
10 pursuant to Sections 12302 and 12302.2. Employees of the public  
11 authority shall not be employees of the county for any purpose.

12 (3) (A) As an alternative, the enabling ordinance may designate  
13 the board of supervisors as the governing body of the public  
14 authority.

15 (B) Any enabling ordinance that designates the board of  
16 supervisors as the governing body of the public authority shall  
17 also specify that no fewer than 50 percent of the membership of  
18 the advisory committee shall be individuals who are current or  
19 past users of personal assistance services paid for through public  
20 or private funds or recipients of services under this article.

21 (C) If the enabling ordinance designates the board of supervisors  
22 as the governing body of the public authority, it shall also require  
23 the appointment of an advisory committee of not more than 11  
24 individuals who shall be designated in accordance with  
25 subparagraph (B).

26 (D) Prior to making designations of committee members  
27 pursuant to subparagraph (C), or governing body members in  
28 accordance with paragraph (4), the board of supervisors shall solicit  
29 recommendations of qualified members of either the governing  
30 body of the public authority or of any advisory committee through  
31 a fair and open process that includes the provision of reasonable  
32 written notice to, and a reasonable response time by, members of  
33 the general public and interested persons and organizations.

34 (4) If the enabling ordinance does not designate the board of  
35 supervisors as the governing body of the public authority, the  
36 enabling ordinance shall require the membership of the governing  
37 body to meet the requirements of subparagraph (B) of paragraph  
38 (3).

39 (c) (1) Any public authority created pursuant to this section  
40 shall be deemed to be the employer of in-home supportive services

1 personnel referred to recipients under paragraph (3) of subdivision  
2 (e) within the meaning of Chapter 10 (commencing with Section  
3 3500) of Division 4 of Title 1 of the Government Code. Recipients  
4 shall retain the right to hire, fire, and supervise the work of any  
5 in-home supportive services personnel providing services to them.

6 (2) (A) Any nonprofit consortium contracting with a county  
7 pursuant to this section shall be deemed to be the employer of  
8 in-home supportive services personnel referred to recipients  
9 pursuant to paragraph (3) of subdivision (e) for the purposes of  
10 collective bargaining over wages, hours, and other terms and  
11 conditions of employment.

12 (B) Recipients shall retain the right to hire, fire, and supervise  
13 the work of any in-home supportive services personnel providing  
14 services for them.

15 (d) A public authority established pursuant to this section or a  
16 nonprofit consortium contracting with a county pursuant to this  
17 section, when providing for the delivery of services under this  
18 article by contract in accordance with Sections 12302 and 12302.1,  
19 by direct payment to a provider chosen by a recipient in accordance  
20 with Sections 12302 and 12302.2, or by way of a provider of  
21 waiver personal care services provided pursuant to Section  
22 14132.97, shall comply with and be subject to, all statutory and  
23 regulatory provisions applicable to the respective delivery mode.

24 (e) Any nonprofit consortium contracting with a county pursuant  
25 to this section or any public authority established pursuant to this  
26 section shall provide for all of the following functions under this  
27 article, but shall not be limited to those functions:

28 (1) The provision of assistance to recipients in finding in-home  
29 supportive services personnel or waiver personal care services  
30 authorized pursuant to Section 14132.97 through the establishment  
31 of a registry.

32 (2) (A) (i) The investigation of the qualifications and  
33 background of potential personnel. Upon the effective date of the  
34 amendments to this section made during the 2009–10 Fourth  
35 Extraordinary Session of the Legislature, the investigation with  
36 respect to any provider in the registry or prospective registry  
37 applicant shall include criminal background checks requested by  
38 the nonprofit consortium or public authority and conducted by the  
39 Department of Justice pursuant to Section 15660, for those public  
40 authorities or nonprofit consortia using the agencies on the effective

1 date of the amendments to this section made during the 2009–10  
2 Fourth Extraordinary Session of the Legislature. Criminal  
3 background checks shall be performed no later than July 1, 2010,  
4 for any provider who is already on the registry on the effective  
5 date of amendments to this section made during the 2009–10 Fourth  
6 Extraordinary Session of the Legislature, for whom a criminal  
7 background check pursuant to this section has not previously been  
8 provided, as a condition of the provider’s continued enrollment in  
9 the IHSS program or the program authorizing waiver personal care  
10 services pursuant to Section 14132.97. Criminal background checks  
11 shall be conducted at the provider’s expense.

12 (ii) Upon notice from the Department of Justice notifying the  
13 public authority or nonprofit consortium that the prospective  
14 registry applicant has been convicted of a criminal offense specified  
15 in Section 12305.81, the public authority or nonprofit consortium  
16 shall deny the request to be placed on the registry for providing  
17 supportive services to any recipient of in-home supportive services  
18 or waiver personal care services authorized pursuant to Section  
19 14132.97.

20 (iii) Commencing 90 days after the effective date of the act that  
21 adds Section 12305.87, and upon notice from the Department of  
22 Justice that an applicant who is subject to the provisions of that  
23 section has been convicted of, or incarcerated following conviction  
24 for, an offense described in subdivision (b) of that section, the  
25 public authority or nonprofit consortium shall deny the applicant’s  
26 request to become a provider of supportive services to any recipient  
27 of in-home supportive services or waiver personal care services,  
28 subject to the individual waiver and exception processes described  
29 in that section. An applicant who is denied on the basis of Section  
30 12305.87 shall be informed by the public authority or nonprofit  
31 consortium of the individual waiver and exception processes  
32 described in that section.

33 (B) (i) Notwithstanding any other law, the public authority or  
34 nonprofit consortium shall provide an individual with a copy of  
35 ~~his or her~~ *the individual’s* state-level criminal offender record  
36 information search response as provided to the entity by the  
37 Department of Justice if the individual has been denied placement  
38 on the registry for providing supportive services to any recipient  
39 of the In-Home Supportive Services program or waiver personal  
40 care services based on this information. The copy of the state-level

1 criminal offender record information search response shall be  
2 included with the individual’s notice of denial. Along with the  
3 notice of denial, the public authority or public consortium shall  
4 also provide information in plain language on how an individual  
5 may contest the accuracy and completeness of, and refute any  
6 erroneous or inaccurate information in, ~~his or her~~ *their* state-level  
7 criminal offender record information search response as provided  
8 by the Department of Justice as authorized by Section 11126 of  
9 the Penal Code. The state-level criminal offender record  
10 information search response shall not be modified or altered from  
11 its form or content as provided by the Department of Justice.

12 (ii) The department shall develop a written appeal process for  
13 the current and prospective providers who are determined ineligible  
14 to receive payment for the provision of services in the In-Home  
15 Supportive Services program or waiver personal care services.  
16 Notwithstanding any other law, the public authority or nonprofit  
17 consortium shall provide the department with a copy of the  
18 state-level criminal offender record information search response  
19 as provided to the entity by the Department of Justice for any  
20 individual who has requested an appeal of a denial of placement  
21 on the registry for providing supportive services to any recipient  
22 of in-home supportive services or waiver personal care services  
23 based on clause (ii) or (iii) of subparagraph (A). The state-level  
24 criminal offender record information search response shall not be  
25 modified or altered from its form or content as provided by the  
26 Department of Justice and shall be provided to the address specified  
27 by the department in its written request.

28 (C) This paragraph does not prohibit the Department of Justice  
29 from assessing a fee pursuant to Section 11105 or 11123 of the  
30 Penal Code to cover the cost of furnishing summary criminal  
31 history information.

32 (D) As used in this section, “nonprofit consortium” means a  
33 nonprofit public benefit corporation that has all powers necessary  
34 to carry out the delivery of in-home supportive services or waiver  
35 personal care services under the delegated authority of a  
36 government entity.

37 (E) A nonprofit consortium or a public authority authorized to  
38 secure a criminal background check clearance pursuant to this  
39 section shall accept a clearance for an applicant described in clause  
40 (i) of subparagraph (A) who has been deemed eligible by another

1 nonprofit consortium, public authority, or county with criminal  
2 background check authority pursuant to either Section 12305.86  
3 or this section, to receive payment for providing services pursuant  
4 to this article. Existence of a clearance shall be determined by  
5 verification through the case management, information, and  
6 payrolling system, that another county, nonprofit consortium, or  
7 public authority with criminal background check authority pursuant  
8 to Section 12305.86 or this section has deemed the current or  
9 prospective provider to be eligible to receive payment for providing  
10 services pursuant to this article.

11 (3) Establishment of a referral system under which in-home  
12 supportive services personnel or waiver personal care services  
13 personnel shall be referred to recipients.

14 (4) Providing for training for providers and recipients.

15 (5) (A) Performing any other functions related to the delivery  
16 of in-home supportive services or waiver personal care services.

17 (B) (i) Upon request of a recipient of in-home supportive  
18 services pursuant to this chapter, or a recipient of personal care  
19 services under the Medi-Cal program pursuant to Section 14132.95,  
20 a public authority or nonprofit consortium may provide a criminal  
21 background check on a nonregistry applicant or provider from the  
22 Department of Justice, in accordance with clause (i) of  
23 subparagraph (A) of paragraph (2) of subdivision (e). If the person  
24 who is the subject of the criminal background check is not hired  
25 or is terminated because of the information contained in the  
26 criminal background report, the provisions of subparagraph (B)  
27 of paragraph (2) of subdivision (e) shall apply.

28 (ii) A recipient of in-home supportive services pursuant to this  
29 chapter or a recipient of personal care services under the Medi-Cal  
30 program may elect to employ an individual as their service provider  
31 notwithstanding the individual's record of previous criminal  
32 convictions, unless those convictions include any of the offenses  
33 specified in Section 12305.81.

34 (6) Ensuring that the requirements of the personal care option  
35 pursuant to Subchapter 19 (commencing with Section 1396) of  
36 Chapter 7 of Title 42 of the United States Code are met.

37 (f) (1) Any nonprofit consortium contracting with a county  
38 pursuant to this section or any public authority created pursuant  
39 to this section shall be deemed not to be the employer of in-home  
40 supportive services personnel or waiver personal care services

1 personnel referred to recipients under this section for purposes of  
2 liability due to the negligence or intentional torts of the in-home  
3 supportive services personnel or waiver personal care services  
4 personnel.

5 (2) A nonprofit consortium contracting with a county pursuant  
6 to this section or any public authority created pursuant to this  
7 section is not liable for the action or omission of any in-home  
8 supportive services personnel or waiver personal care services  
9 personnel whom the nonprofit consortium or public authority did  
10 not list on its registry or otherwise refer to a recipient.

11 (3) Counties and the state shall be immune from any liability  
12 resulting from their implementation of this section in the  
13 administration of the In-Home Supportive Services program or in  
14 the administration of waiver personal care services authorized  
15 under Section 14132.97. Any obligation of the public authority or  
16 consortium pursuant to this section, whether statutory, contractual,  
17 or otherwise, shall be the obligation solely of the public authority  
18 or nonprofit consortium, and shall not be the obligation of the  
19 county or state.

20 (g) Any nonprofit consortium contracting with a county pursuant  
21 to this section shall ensure that it has a governing body that  
22 complies with the requirements of subparagraph (B) of paragraph  
23 (3) of subdivision (b) or an advisory committee that complies with  
24 subparagraphs (B) and (C) of paragraph (3) of subdivision (b).

25 (h) Recipients of services under this section may elect to receive  
26 services from in-home supportive services personnel or waiver  
27 personal care services personnel who are not referred to them by  
28 the public authority or nonprofit consortium. Those personnel shall  
29 be referred to the public authority or nonprofit consortium for the  
30 purposes of wages, benefits, and other terms and conditions of  
31 employment.

32 (i) (1) This section does not affect the state's responsibility  
33 with respect to the state payroll system, unemployment insurance,  
34 or workers' compensation and other provisions of Section 12302.2  
35 for providers of in-home supportive services or for individuals  
36 who are employed by a recipient of waiver personal care services  
37 authorized under Section 14132.97.

38 (2) (A) The Controller shall make any deductions from the  
39 wages of in-home supportive services personnel or waiver personal  
40 care services personnel, who are employees of a public authority

1 pursuant to paragraph (1) of subdivision (c), that are agreed to by  
2 that public authority in collective bargaining with the designated  
3 representative of the in-home supportive services personnel or  
4 waiver personal care services personnel pursuant to Chapter 10  
5 (commencing with Section 3500) of Division 4 of Title 1 of the  
6 Government Code and transfer the deducted funds as directed in  
7 that agreement.

8 *(B) This paragraph shall become inoperative on the effective*  
9 *date of Title 26 (commencing with Section 110000) of the*  
10 *Government Code.*

11 (3) Any county that elects to provide in-home supportive  
12 services pursuant to this section shall be responsible for any  
13 increased costs to the in-home supportive services case  
14 management, information, and payrolling system attributable to  
15 that election. The department shall collaborate with any county  
16 that elects to provide in-home supportive services pursuant to this  
17 section prior to implementing the amount of financial obligation  
18 for which the county shall be responsible.

19 (j) To the extent permitted by federal law, personal care option  
20 funds, obtained pursuant to Subchapter 19 (commencing with  
21 Section 1396) of Chapter 7 of Title 42 of the United States Code,  
22 along with matching funds using the state and county sharing ratio  
23 established in subdivision (c) of Section 12306, or any other funds  
24 that are obtained pursuant to Subchapter 19 (commencing with  
25 Section 1396) of Chapter 7 of Title 42 of the United States Code,  
26 may be used to establish and operate an entity authorized by this  
27 section.

28 (k) Notwithstanding any other law, the county, in exercising its  
29 option to establish a public authority, shall not be subject to  
30 competitive bidding requirements. However, contracts entered into  
31 by either the county, a public authority, or a nonprofit consortium  
32 pursuant to this section shall be subject to competitive bidding as  
33 otherwise required by law.

34 (l) (1) The department may adopt regulations implementing  
35 this section as emergency regulations in accordance with Chapter  
36 3.5 (commencing with Section 11340) of Part 1 of Division 3 of  
37 Title 2 of the Government Code. For the purposes of the  
38 Administrative Procedure Act, the adoption of the regulations shall  
39 be deemed an emergency and necessary for the immediate  
40 preservation of the public peace, health and safety, or general

1 welfare. Notwithstanding Chapter 3.5 (commencing with Section  
2 11340) of Part 1 of Division 3 of Title 2 of the Government Code,  
3 these emergency regulations shall not be subject to the review and  
4 approval of the Office of Administrative Law.

5 (2) Notwithstanding subdivision (h) of Section 11346.1 and  
6 Section 11349.6 of the Government Code, the department shall  
7 transmit these regulations directly to the Secretary of State for  
8 filing. The regulations shall become effective immediately upon  
9 filing by the Secretary of State.

10 (3) Except as otherwise provided for by Section 10554, the  
11 Office of Administrative Law shall provide for the printing and  
12 publication of these regulations in the California Code of  
13 Regulations. Emergency regulations adopted pursuant to this  
14 subdivision shall remain in effect for no more than 180 days.

15 (m) (1) If a county elects to form a nonprofit consortium or  
16 public authority pursuant to subdivision (a) before the State  
17 Department of Health Care Services has obtained all necessary  
18 federal approvals pursuant to paragraph (3) of subdivision (j) of  
19 Section 14132.95, all of the following shall apply:

20 (A) Subdivision (d) shall apply only to those matters that do  
21 not require federal approval.

22 (B) The second sentence of subdivision (h) shall not be  
23 operative.

24 (C) The nonprofit consortium or public authority shall not  
25 provide services other than those specified in paragraphs (1), (2),  
26 (3), (4), and (5) of subdivision (e).

27 (2) Paragraph (1) shall become inoperative when the State  
28 Department of Health Care Services has obtained all necessary  
29 federal approvals pursuant to paragraph (3) of subdivision (j) of  
30 Section 14132.95.

31 (n) (1) One year after the effective date of the first approval by  
32 the department granted to the first public authority, the Bureau of  
33 State Audits shall commission a study to review the performance  
34 of that public authority.

35 (2) The study shall be submitted to the Legislature and the  
36 Governor not later than two years after the effective date of the  
37 approval specified in subdivision (a). The study shall give special  
38 attention to the health and welfare of the recipients under the public  
39 authority, including the degree to which all required services have  
40 been delivered, out-of-home placement rates, prompt response to

1 recipient complaints, and any other issue the director deems  
2 relevant.

3 (3) The report shall make recommendations to the Legislature  
4 and the Governor for any changes to this section that will further  
5 ensure the well-being of recipients and the most efficient delivery  
6 of required services.

7 (o) Commencing July 1, 1997, the department shall provide  
8 annual reports to the appropriate fiscal and policy committees of  
9 the Legislature on the efficacy of the implementation of this  
10 section, and shall include an assessment of the quality of care  
11 provided pursuant to this section.

12 (p) (1) Notwithstanding any other law, and except as provided  
13 in paragraph (2), the department shall, no later than January 1,  
14 2009, implement subparagraphs (A) and (B) through an all-county  
15 letter from the director:

16 (A) Subparagraphs (A) and (B) of paragraph (2) of subdivision  
17 (e).

18 (B) Subparagraph (B) of paragraph (5) of subdivision (e).

19 (2) The department shall, no later than July 1, 2009, adopt  
20 regulations to implement subparagraphs (A) and (B) of paragraph  
21 (1).

22 (q) The amendments made to paragraphs (2) and (5) of  
23 subdivision (e) made by the act that added this subdivision during  
24 the 2007–08 Regular Session of the Legislature shall be  
25 implemented only to the extent that an appropriation is made in  
26 the annual Budget Act or other statute, except for the amendments  
27 that added subparagraph (D) of paragraph (2) of subdivision (e),  
28 which shall go into effect January 1, 2009.

29 (r) (1) *Notwithstanding any other law, a county or city and*  
30 *county, a public authority established pursuant to this section, or*  
31 *a nonprofit consortium contracting with a county pursuant to this*  
32 *section, when providing for the delivery of services under this*  
33 *article by contract in accordance with Sections 12302 and 12302.1,*  
34 *by direct payment to a provider chosen by a recipient in*  
35 *accordance with Sections 12302 and 12302.2, or by way of a*  
36 *provider of waiver personal care services provided pursuant to*  
37 *Section 14132.97, shall comply with, and be subject to, all*  
38 *provisions of any memorandum of understanding or addenda,*  
39 *appendices, or side letters thereto between the state and recognized*  
40 *employee organizations, as defined in Title 26 (commencing with*

1 *Section 110000) of the Government Code. The state shall assume,*  
2 *and is liable for, any act by a county or city and county, a public*  
3 *authority established pursuant to this section, or a nonprofit*  
4 *consortium contracting with a county, that is in violation of a*  
5 *memorandum of understanding or addenda, appendices, or side*  
6 *letters. Those violations may be adjusted through a grievance*  
7 *procedure contained in a memorandum of understanding between*  
8 *the state and recognized employee organizations.*

9 (2) *This subdivision shall become operative on the effective date*  
10 *of Title 26 (commencing with Section 110000) of the Government*  
11 *Code.*

12 SEC. 7. Section 12301.24 of the Welfare and Institutions Code  
13 is amended to read:

14 12301.24. (a) All prospective providers shall complete an  
15 in-person provider orientation at the time of enrollment, as  
16 developed by the department, in consultation with counties, which  
17 shall include, but is not limited to, all of the following:

- 18 (1) The requirements to be an eligible IHSS provider.
- 19 (2) A description of the IHSS program.
- 20 (3) The rules, regulations, and provider-related processes and  
21 procedures, including timesheets.
- 22 (4) The consequences of committing fraud in the IHSS program.
- 23 (5) The Medi-Cal toll-free telephone fraud hotline and internet  
24 website for reporting suspected fraud or abuse in the provision or  
25 receipt of supportive services.
- 26 (6) The applicable federal and state requirements regarding  
27 minimum wage and overtime pay, including paid travel time and  
28 wait time, and the requirements of Section 12300.4.
- 29 (7) *Any other information required to be communicated to*  
30 *prospective providers by a memorandum of understanding,*  
31 *appendix, or side letter between recognized employee organizations*  
32 *and the state.*

33 (b) In order to complete provider enrollment, at the conclusion  
34 of the provider orientation, all applicants shall sign a statement  
35 specifying that the provider agrees to all of the following:

- 36 (1) The prospective provider will provide to a recipient the  
37 authorized services.
- 38 (2) The prospective provider has received a demonstration of,  
39 and understands, timesheet requirements, including content,  
40 signature, and fingerprinting, when implemented.

1 (3) The prospective provider shall cooperate with state or county  
2 staff to provide any information necessary for assessment or  
3 evaluation of a case.

4 (4) The prospective provider understands and agrees to program  
5 expectations and is aware of the measures that the state or county  
6 may take to enforce program integrity.

7 (5) The prospective provider has attended the provider  
8 orientation and understands that failure to comply with program  
9 rules and requirements may result in the provider being terminated  
10 from providing services through the IHSS program.

11 (c) The county shall indefinitely retain this statement in the  
12 provider's file. Refusal of the provider to sign the statement  
13 described in subdivision (b) shall result in the provider being  
14 ineligible to receive payment for the provision of services and  
15 participate as a provider in the IHSS program.

16 (d) All of the following shall apply to the provider orientation  
17 described in subdivision (a):

18 (1) (A) The orientation shall be an onsite orientation that all  
19 prospective providers shall attend in person.

20 (B) (i) If the state or local public health agency issues an order  
21 limiting the size of gatherings, a county may hold a series of  
22 smaller in-person orientations that meet the same criteria specified  
23 in this section. A county is not required to hold an orientation in  
24 which prospective providers attend in person if the state or local  
25 health agency issues an order that prevents the in-person orientation  
26 from occurring.

27 (ii) If an orientation is not required to be held in person pursuant  
28 to clause (i), the county shall hold an orientation that is in person  
29 within 30 calendar days of the date that the public health order  
30 restrictions are lifted. Counties or IHSS public authorities may  
31 provide a written attestation to the recognized employee  
32 organization if public health conditions cause staffing or facility  
33 challenges that cause delays, and such an attestation will result in  
34 a one-time extension of 15 calendar days for the return to in-person  
35 orientations.

36 (C) The requirement for the orientation to be held in person and  
37 prospective providers to attend the orientation in person shall not  
38 apply if parties to a collective bargaining agreement expressly  
39 agree to waive that requirement and have a negotiated alternative  
40 method for the provision of the orientation.

1 (2) Prospective providers may attend the onsite orientation only  
2 after completing the application for the IHSS provider enrollment  
3 process described in subdivision (a) of Section 12305.81.

4 (3) Any oral presentation and written materials presented at the  
5 orientation shall be translated into all IHSS threshold languages  
6 in the county.

7 (4) (A) Representatives of the recognized employee  
8 organization in the county shall be permitted to make a presentation  
9 of up to 30 minutes at the beginning of the orientation. Prior to  
10 implementing the orientation requirements set forth in this  
11 subdivision, counties shall provide at least the level of access to,  
12 and the ability to make presentations at, provider orientations that  
13 they allowed the recognized employee organization in the county  
14 as of September 1, 2014. Counties shall not discourage prospective  
15 providers from attending, participating, or listening to the  
16 orientation presentation of the recognized employee organization.  
17 Prospective providers may, by their own accord, choose not to  
18 participate in the recognized employee organization presentation.

19 (B) Prior to scheduling a provider orientation, the county shall  
20 provide the recognized employee organization in the county with  
21 not less than 10 days advance notice of the planned date, time, and  
22 location of the orientation. If, within 3 business days of receiving  
23 that notice, the recognized employee organization notifies the  
24 county of its unavailability for the planned orientation, the county  
25 shall make reasonable efforts to schedule the orientation so the  
26 recognized employee organization can attend, so long as  
27 rescheduling the orientation does not delay provider enrollment  
28 by more than 10 business days. The requirement to make  
29 reasonable efforts to reschedule may be waived, as necessary, due  
30 to a natural disaster or other declared state of emergency, or by  
31 mutual agreement between the county and the recognized employee  
32 organization.

33 ~~(C) Prior to~~ *Not less than 10 days before* the orientation, the  
34 recognized employee organization shall be provided with the  
35 information described in subdivision (b) of Section 7926.300 of  
36 the Government Code for prospective providers.

37 (e) To the extent that the orientation is modified from an onsite  
38 and in-person orientation, as required by paragraph (1) of  
39 subdivision (d), the recognized employee organization in the county  
40 shall be provided with the same right to make a presentation, the

1 same advance notice of scheduling, and the same information  
2 regarding the applicants, providers, or prospective providers who  
3 will attend the orientation, as the organization would receive for  
4 an onsite orientation.

5 (f) A claim may be brought before the Public Employment  
6 Relations Board for an alleged violation of Section 3550 of the  
7 Government Code if the county has not complied with the  
8 requirements of this section within 30 days of being notified by  
9 the recognized employee organization.

10 ~~(g) This section shall become operative on January 1, 2023.~~

11 (g) *As used in this section, the following definitions apply:*

12 (1) *“Individual provider” has the meaning set forth in*  
13 *subdivision (b) of Section 110003 of the Government Code.*

14 (2) *“Recognized employee organization” has the meaning set*  
15 *forth in subdivision (i) of Section 110003 of the Government Code.*

16 (h) *If the terms of this section are in conflict with the provisions*  
17 *of a memorandum of understanding, appendix, or side letter*  
18 *between recognized employee organizations and the state, the*  
19 *memorandum of understanding, appendix, or side letter shall be*  
20 *controlling without further legislative action.*

21 (i) *The changes made by the act adding this subdivision shall*  
22 *become operative on the effective date of the act adding Title 26*  
23 *(commencing with Section 110000) to the Government Code.*

24 SEC. 8. The Legislature finds and declares that Section 3 of  
25 this act, which amends Section 7926.300 of the Government Code,  
26 furthers, within the meaning of paragraph (7) of subdivision (b)  
27 of Section 3 of Article I of the California Constitution, the purposes  
28 of that constitutional section as it relates to the right of public  
29 access to the meetings of local public bodies or the writings of  
30 local public officials and local agencies. Pursuant to paragraph (7)  
31 of subdivision (b) of Section 3 of Article I of the California  
32 Constitution, the Legislature makes the following findings:

33 It is in the public interest, and it furthers the purposes of  
34 paragraph (7) of subdivision (b) of Section (3) of Article I of the  
35 California Constitution, to ensure that certain personal information  
36 regarding persons paid by the state to provide in-home supportive  
37 and related social services is made available, upon request, to an  
38 exclusive bargaining agent and employee organization seeking  
39 representation rights for purposes of collective bargaining.

1 SEC. 9. The Legislature finds and declares that Section 4 of  
 2 this act, which adds Title 26 (commencing with Section 110000)  
 3 to the Government Code, imposes a limitation on the public’s right  
 4 of access to the meetings of public bodies or the writings of public  
 5 officials and agencies within the meaning of Section 3 of Article  
 6 I of the California Constitution. Pursuant to that constitutional  
 7 provision, the Legislature makes the following findings to  
 8 demonstrate the interest protected by this limitation and the need  
 9 for protecting that interest:

10 To allow arbitration proceedings to be conducted under the  
 11 In-Home Supportive Services Employer-Employee Relations Act  
 12 in conformity with law governing the arbitration process, it is  
 13 necessary to allow the arbitration board to meet privately with  
 14 parties as necessary to address issues in dispute.

15 SEC. 10. No reimbursement is required by this act pursuant to  
 16 Section 6 of Article XIII B of the California Constitution for certain  
 17 costs that may be incurred by a local agency or school district  
 18 because, in that regard, those costs under this act would result from  
 19 a legislative mandate that is within the scope of paragraph (7) of  
 20 subdivision (b) of Section 3 of Article I of the California  
 21 Constitution.

22 However, if the Commission on State Mandates determines that  
 23 this act contains other costs mandated by the state, reimbursement  
 24 to local agencies and school districts for those costs shall be made  
 25 pursuant to Part 7 (commencing with Section 17500) of Division  
 26 4 of Title 2 of the Government Code.

An act to amend Sections ~~22170 and 22172.5~~ 22170, 22172.5, and 22174 of the Public Contract Code, relating to public contracts.

LEGISLATIVE COUNSEL'S DIGEST

SB 706, as amended, Caballero. Public contracts: progressive design-build: local agencies.

Existing law authorizes the Director of General Services to use the progressive design-build procurement process for the construction of up to 3 capital outlay projects, as jointly determined by the Department of General Services and the Department of Finance, and prescribes that process. Existing law defines "progressive design-build" as a project delivery process in which both the design and construction of a project are procured from a single entity that is selected through a qualifications-based selection at the earliest feasible stage of the project.

Existing law, until January 1, 2029, authorizes local agencies, defined as any city, county, city and county, or special district authorized by law to provide for the production, storage, supply, treatment, or distribution of any water from any source, to use the progressive design-build process for up to 15 public works projects in excess of \$5,000,000 for each project, similar to the progressive design-build process authorized for use by the Director of General Services.

Existing law requires a local agency that uses the progressive design-build process to submit, no later than January 1, 2028, to the appropriate policy and fiscal committees of the Legislature a report on the use of the progressive design-build process containing specified information, including a description of the projects awarded using the progressive design-build process. Existing law requires the design-build entity and its general partners or joint venture members to verify specified information under penalty of perjury.

This bill would authorize all cities, counties, city and counties, or special districts to use the progressive design-build process for other projects in addition to water-related ~~projects~~. *projects and would extend these provisions until January 1, 2030.* The bill would change the required reporting date to no later than December 31, 2028.

By *extending the duration of the progressive design-build authorization for local agencies and* expanding the projects that may use the progressive design-build process and thus expanding the crime of perjury, the bill would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

Vote: majority. Appropriation: no. Fiscal committee: yes.  
State-mandated local program: yes.

*The people of the State of California do enact as follows:*

1 SECTION 1. Section 22170 of the Public Contract Code is  
2 amended to read:  
3 22170. For purposes of this chapter, the following definitions  
4 apply:  
5 (a) (1) “Best value” means a value determined by evaluation  
6 of objective criteria that may include, but are not limited to, price,  
7 features, function, life-cycle costs, experience, and past  
8 performance.  
9 (2) A best value determination may involve the selection of the  
10 lowest cost proposal meeting the interests of the local agency and  
11 the objectives of the project.  
12 (b) “Construction subcontract” means each subcontract awarded  
13 by the design-build entity to a subcontractor that will perform work

1 or labor or render service to the design-build entity in or about the  
2 construction of the work or improvement, or a subcontractor  
3 licensed by the State of California that, under subcontract to the  
4 design-build entity, specially fabricates and installs a portion of  
5 the work or improvement according to detailed drawings contained  
6 in the plans and specifications produced by the design-build team.

7 (c) “Design-build entity” means a corporation, limited liability  
8 company, partnership, joint venture, or other legal entity that is

11 contract.

12 (d) “Design-build project” means any project using the  
13 progressive design-build construction procurement process  
14 described in this chapter.

15 (e) “Design-build team” means the design-build entity itself  
16 and the individuals and other entities identified by the design-build  
17 entity as members of its team. Members shall include the general  
18 contractor and, if utilized in the design of the project, all electrical,  
19 mechanical, and plumbing contractors.

20 (f) “Guaranteed maximum price” means the maximum payment  
21 amount agreed upon by the local agency and the design-build entity  
22 for the design-build entity to finish all remaining design,  
23 preconstruction, and construction activities sufficient to complete  
24 and close out the project.

25 (g) “Local agency” means a city, county, city and county, or  
26 special district.

27 (h) “Progressive design-build” means a project delivery process

30 selection at the earliest feasible stage of the project.

31 (i) “Qualifications-based selection” means the process by which  
32 the local agency solicits for services from the design-build entities  
33 and that price is not the sole factor as the basis of award.

34 SEC. 2. Section 22172.5 of the Public Contract Code is  
35 amended to read:

36 22172.5. (a) Notwithstanding Section 10231.5 of the  
37 Government Code, no later than December 31, 2028, a local agency  
38 that uses the progressive design-build process pursuant to this  
39 chapter shall ~~submit~~ *submit*, to the appropriate policy and fiscal

6 progressive design-build process.

7 (2) The contract award amounts.

8 (3) The design-build entities awarded the project or projects.

9 (4) A description of any written protests concerning any aspect  
10 of the solicitation, bid, or award of the contracts, including the  
11 resolution of the protests.

12 (5) A description of the prequalification process.

13 (6) The number of specialty subcontractors listed by construction  
14 trade type, on each project, that provided design services, but did  
15 not meet the target price for their scope of work, and therefore did  
16 not perform construction services on that project.

17 (7) Whether or not any portion of a design prepared by the  
18 specialty subcontractor that did not perform the construction work  
19 for that design was used by the local agency.

27 Section 14837 of the Government Code.

28 (10) If a project awarded under this chapter has been completed,  
29 an assessment of the project performance, including, but not limited

38 ~~SEC. 3.~~

39 *SEC. 4.* No reimbursement is required by this act pursuant to  
40 Section 6 of Article XIII B of the California Constitution because

1 the only costs that may be incurred by a local agency or school  
2 district will be incurred because this act creates a new crime or  
3 infraction, eliminates a crime or infraction, or changes the penalty  
4 for a crime or infraction, within the meaning of Section 17556 of  
5 the Government Code, or changes the definition of a crime within  
6 the meaning of Section 6 of Article XIII B of the California
