

Solano County BHP Provider Directory

Services may be delivered by an individual provider, or a team of providers, who is working under the direction of a licensed practitioner operating within their scope of practice. Only licensed, waived, or registered mental health providers and licensed substance use disorder services providers are listed on the Plan's provider directory. This Provider Directory has been updated no later than 30 calendar days after the County's receipt of new information and requested changes. **The Provider Directory is available in 18 point font or larger, and information on how to request auxiliary aids and services, including the provision of materials in alternative formats, is available at no cost to the beneficiary.**
