INFORMATION RELEASE

Suspect Arrested for Lewd Conduct in a Public Place   January 13, 2012
Solano County Sheriff's Office

On January 12, 2012, at approximately 1:25pm, deputies from the Solano County Sheriff's Office responded to the report of lewd conduct occurring in a gas station parking lot on the 6800 block of Sievers Road, in Dixon. Responding deputies received a description of the suspect vehicle while they were responding to the scene, including the vehicle's license plate.   Upon arrival, deputies contacted the lone driver of the suspect vehicle who was identified by his California I.D. card as Michael Wiles, a 36-year-old resident of West Sacramento. Deputies also noticed that there was a laptop computer in the vehicle when they contacted Wiles. Wiles told the deputies that he was watching an adult film on his laptop computer while he was sitting in his vehicle. He also admitted that he was masturbating while watching the film.

A witness to this event who called the Sheriff's Office was also contacted at the gas station. He told the deputies that he witnessed Wiles masturbating in his vehicle while watching an adult film. He also reported that another vehicle had driven onto the gas station property and parked while Wiles was viewing the film and masturbating. The witness reported that children had exited the vehicle and were being watched by Wiles while he was involved in the illegal act.

Based on the information deputies learned, they arrested Wiles for Lewd Conduct in a public place. Electronic media was also recovered from the inside of the suspect's vehicle including a laptop computer, a Kindle, and external hard drive, and a rewritable DVD. Wiles was booked into the Solano County Jail for the indicated charge. This case remains under investigation.
