INFORMATION RELEASE
SOLANO COUNTY SHERIFF'S OFFICE NEW PUBLIC INFORMATION
OFFICER

Attn: Media outlets,

08\05\2013

I would like to introduce myself to all of you. My name is Daryl Snedeker and I am a Deputy Sheriff with the Solano County Sheriff's Office. I have recently been assigned as the full time Public Information Officer for the Solano County Sheriff's Office and I look forward to working closely with all of you.

It is my goal and the goal of the Solano County Sheriff's Office to build and maintain a positive relationship with all media and to continue to strengthen that relationship over time. I understand that maintaining a positive relationship with each of you will afford both your particular media company and the Sheriff's Office to keep the public, which we both serve, advised of current events. With this in mind, the Solano County Sheriff's Office will be utilizing Lt. Brad DeWall and Relief Public Information Officer Deputy Jackson Harris anytime I am not available and an incident occurs or you have questions.

I have been with the Solano County Sheriff's Office since 1997. I was a reserved Deputy Sheriff for about 3 years, prior to being hired full time in October 2000. I have worked a variety of assignments which include Patrol, Community Oriented Policing and Problem Solving (COPPS), Court Security, Transportation, and Marine Patrol. I have also assisted in Investigations and other areas within the Sheriff's Office at times. I have been a relief Public Information Officer for the Sheriff's Office for approximately 7 years.

I have a very good understanding of the Solano County Sheriff's Office mission and the day to day operations. I will be your designated point of contact for the Solano County Sheriff's Office and look forward to facilitating and assisting you when necessary. I have included all of my contact information at the end of this email so please feel free to contact me anytime should you have questions. If your contact information /email should change please keep advised me so I can maintain an updated distribution list for all of you.

The Solano County Sheriff's Office will be utilizing **Nixel Connect** in the very near future. I will notify all of you when we begin using Nixel Connect.

Thank you for your time and again I look forward to working with each of you regarding any significant events or crimes investigated by the Solano County Sheriff's Office.

Dedicated to Community Service
