**INFORMATION RELEASE**  
**Detectives Investigate Home Invasion**

On Wednesday, September 16<sup>th</sup>, 2015, at approximately 5:45 pm, Solano County Sheriff's Office received a 911 call of a possible home invasion in the 1200 block of Belmont Avenue in Vallejo. The caller said two people with guns had just entered the home. The caller had escaped the house, but said two other people were still inside with the gunman. Along with the help of the Vallejo Police Department, we set up a perimeter and SWAT as well as our HNT teams were called in. People who live in the neighborhood were evacuated for safety. During the incident, patrol deputies made several attempts to contact anyone that may have been in the house. SWAT went into the home around midnight and found no suspects or victims inside. We determined that the two who may have been inside the home with the gunman had also fled the residence.

At this time, detectives believe this is an isolated event and that the victims were targeted. This is an on-going investigation and detectives are currently following up on leads.
