- C. Park Project Updates: **Lake Solano:** Prop 84 grant in wrap up stage of project. **Sandy Beach:** Phase 1 of campground border fence replacement is complete, seasonal park aides are started 5/8/16. **Belden's Landing:** preliminary designs have been drawn up for the update of the promenade area next to the boat launch as per the National Fish and Wildlife Foundation Grant. LED Lights have been installed at the Launch and restroom structure. Security system is installed. **Lynch Canyon:** three sided kiosk pending installation to be coordinated with an Eagle Scout project continues to be stymied by weather and trail conditions; location at Prairie Ridge near border with Newell Open Space. Kite festival was heavily impacted by rain this year but a couple of diehard kite flyers stuck it out. The trail run is scheduled for June 4th.
