**RECOMMENDATION:**

Receive or comment on Staff report and attachments.

**DISCUSSION:**

- A. Attendance and Revenue Report: An updated Attendance and Revenue Summary for Fiscal Year 2016-2017 is attached.
- B. Special Event Participation: The Winters Salmon Festival, Visions of the Wild, Sunrise Rotary Children’s Fishing Day, and the Coastal Creek Cleanup Day were all events participated in on some level during the last couple of months by the Parks Division. As part of the continuing transition away from a law enforcement rooted agency by the Parks Division we are striving to participate in more events as staffing and budget allows. - C. Regional Parks District Update: Report to the board projected for November to include Recommendations Report, Resolution, and Implementation Plan.
- D. Review Recent Board Report: Review recent Board of Supervisors presentation, discuss information presented and seek input from the Commission regarding staff generated park improvement projects, attendance levels and strategies for success for next Peak Season.
