

Argument in Favor of Measure S

Vote YES on Measure S to make critical repairs and updates to Vallejo schools and improve classroom education to prepare local students for college and careers.

-15
-10

Most of our schools were built decades ago and deteriorating classrooms are in need of significant repairs.

-16
-1

Measure S makes the basic health and safety upgrades our schools need, including replacing outdated electrical, heating and air conditioning systems, and updating fire alarms and sprinkler systems.

-13
-13
-1

Now is the time to make these vital improvements. The longer we wait the more expensive these repairs will get.

-17
-3

Vallejo schools are lacking the up-to-date technology students need to succeed. Voting YES on S will upgrade classrooms, science labs, and computer labs to provide students with the 21st-century education and skills necessary to compete in an increasingly competitive economy.

-17
-15
-11

By law, Measure S funds can only be used to improve Vallejo schools and are prohibited from going toward administrators' salaries or pensions.

-16
-6
-4

Vote YES on S:

- Improve programs that prepare students for careers in the trades, as well as college and career preparation programs
- Repair leaky roofs and deteriorating restrooms and update outdated electrical systems and wiring
- Improve student safety by installing security fencing, cameras and lighting
- Ensure all schools are accessible for students with disabilities
- Upgrade science labs, computer labs and classroom technology for 21st-century learning

Measure S: Strict Fiscal Accountability

- All Measure S funds must stay local for Vallejo schools
- No money can be taken away by the State
- An independent citizens' oversight committee and annual audits ensure all funds are spent as promised
