Solano County Student Poll Worker Program

**Presidential General Election
November 5, 2024**

Dear Parent or Guardian,

The Solano County Student Poll Worker Program actively recruits high school students to serve as poll workers for upcoming elections. Your son/daughter has expressed an interest in our program and would like to volunteer. The requirements for the program are:

- Be 16 years of age or older
- Be in good academic standing, with a G.P.A. of 2.5 or more
- Return a completed application which includes yours and the school's permission

The goal of our program is to empower local youth through active participation in the electoral process. It also promotes community involvement and civic awareness. Your child will have the opportunity to learn first-hand how an election is run and will gain a greater appreciation for the importance of voting.

We will provide training on various duties ranging from polling place setup to assisting voters. Working hours on Election Day are from 6:00 a.m. to approximately 9:30 p.m. and students will need to supply their own snacks and water throughout the day. Students must arrange for their own transportation to and from their assigned polling place. Our office will attempt to find an assignment at a location near their home or school. As a volunteer your child will earn the same stipend available to all poll workers, which includes:

- \$20 stipend for attending at least one mandatory in-person training class,
- \$25 for each online training class passed, and
- \$100 stipend for working Election Day.

Attendance to the mandatory in-person training class AND volunteering the entire day of the Election is required to receive the stipend.

This program will provide a wonderful learning experience and encourages awareness of and engagement in the electoral process. This valuable experience can also be used for school service requirements and college applications. It is our sincere hope that we have your support and you will allow your child to participate by signing the Student Poll Worker Application Form and returning it to their teacher.

Sincerely,

Solano County Registrar of Voters
