

REBUTTAL TO ARGUMENT AGAINST MEASURE G

Make no mistake—Measure G helps implement the police reforms Vallejoans demand and supports our City through the recovery.

We all know there is no help coming from Sacramento or DC. We'll have to help ourselves as Vallejo always has.

Your **YES on G** vote:

- Makes it easier to hold police accountable and fire bad cops
- Ensures police complaints are transparently and thoroughly investigated
- Requires stricter use of officer body cameras
- Increases police training on de-escalation of violence
- Expands children and teen recreational programs that keep them safe, out of gangs and out of trouble
- Maintains other essential services Vallejo needs through the recovery, such as programs for the homeless, emergency medical and fire response, and clean public spaces

When our community is safe, our economy will get stronger. NO ONE will want to do business here if it is not safe!

Here's what Measure G WON'T do:

- Measure G is NOT applied to food purchased as groceries or prescription medication
- It is NOT a tax on your home or property

Measure G includes Independent Citizens Oversight. Taxpayers can review every penny spent. ALL money is locally controlled and can't be taken by state or federal governments.

Vote YES on G – reform our police department, make our neighborhoods safer, and invest in Vallejo so we can rise. Yes we can!
