**STATEMENT OF CANDIDATE FOR
UNITED STATES REPRESENTATIVE IN CONGRESS, DISTRICT 3**

JOHN GARAMENDI

Occupation: Congressman & Rancher

Education and Qualifications: It's been a very difficult and tragic year, a year of anxiety and fear, a year of shutdowns and layoffs. The Covid-19 pandemic has shattered American life and for many their personal dreams of a good tomorrow. The very nature of our society and system of government, education and employment have been called into question.

Since 1776 Americans have endured hardships and pulled together to renew, restart, and continue the promise of our democracy. Now is the test of our character, our courage, and our capacity to respond to the challenge. I find optimism in our nation's history of perseverance to find the light in the face of seemingly insurmountable despair.

My greatest concern is the safety, health, and economic security of the people in my district. That is why I am proud to have voted for both the Cares Act and the Heroes Act, legislation that sent relief to millions of Americans. By following public health guidelines and working together we can get the infection rate down and have a reasonable chance of staying healthy, reopening businesses, and going back to work.

It's an honor being your voice in Congress as we work together to put our economy back on track. Together we must fight for quality education and health care for everyone. We must protect our environment, tackle climate change, create good middle class jobs and assure opportunities for everyone.

I thank you and express my sincere gratitude for your past support. I humbly ask for your vote.

**DECLARACIÓN DEL CANDIDATO PARA
REPRESENTANTE DEL CONGRESO DE LOS ESTADOS UNIDOS, DISTRITO 3**

JOHN GARAMENDI

Ocupación: Congresista y Hacendado

Educación y perfil profesional: Ha sido un año muy difícil y trágico; un año de ansiedad, miedo, cierres y despidos. La pandemia de la Covid-19 ha destruido la vida de Estados Unidos y en el caso de muchos, sus sueños personales de un mejor futuro. Se ha puesto en duda la naturaleza misma de nuestra sociedad y sistemas de gobierno, educación y empleo.

Desde 1776, los estadounidenses han superado dificultades y han unido esfuerzos para renovar, reiniciar y continuar con la promesa de nuestra democracia. Estamos viviendo una prueba para nuestro carácter, nuestra valentía y nuestra capacidad para responder ante los desafíos. Encuentro el optimismo en la historia de perseverancia de nuestra nación para encontrar la luz ante la aparentemente insuperable desesperanza.

Mi mayor preocupación es la seguridad, salud y seguridad económica de las personas de mi distrito. Es por eso que me enorgullezco de haber votado tanto por la Ley Cares y la Ley Heroes que brindan asistencia a millones de estadounidenses. Cumpliendo con las normas de salud pública y trabajando en conjunto podemos disminuir la tasa de infección y tener la posibilidad razonable de mantenernos saludables, abrir nuevamente los comercios y volver a trabajar.

Es un honor ser su voz en el Congreso mientras trabajamos juntos para retomar el buen camino de nuestra economía. Juntos podemos luchar por una educación de calidad y cuidados de la salud para todos. Debemos proteger nuestro ambiente, enfrentar el cambio climático, crear buenos empleos para la clase media y garantizar oportunidades para todos.

Le agradezco sinceramente su apoyo en el pasado. Respetuosamente le pido su voto.

**STATEMENT OF CANDIDATE FOR
UNITED STATES REPRESENTATIVE IN CONGRESS, DISTRICT 3**

TAMIKA HAMILTON

AGE: 35

Occupation: Air Force Sergeant

Education and Qualifications: I'm a veteran of the United States Air Force and proud mother. I take pride in serving my country and community. I'm passionate about restoring the hope of the American dream to our neighborhoods and securing the future for the next generation.

We need new representatives in Congress if we're going to secure that future – representatives who understand government exists to serve the whole community, not just the politically connected. As your representative in Congress, I promise to rise above the partisan rhetoric and empty battles that only end up hurting underserved communities and the very people government is supposed to protect.

Our farmers, small business owners, veterans and residents deserve the simple assurance of knowing they're fairly represented and that their needs come first. As your Congresswoman, I'll fight to ensure our farmers have access to water resources and to make sure government respects hardworking taxpayers by protecting free enterprise and keeping tax rates low, stable, and fair.

As a working woman and mother of four, I know all too well the struggles women face professionally – it's time to implement paid family leave at the federal level. I will work to get that done. To make sure underserved communities have access to opportunities, I'll work with the federal government to expand opportunity zones to working-class areas of our district.

You can count on me to complete the mission. I humbly ask for your trust and your vote. For more info visit VoteTamika.com.

**DECLARACIÓN DEL CANDIDATO PARA
REPRESENTANTE DE ESTADOS UNIDOS EN EL CONGRESO, DISTRITO 3**

TAMIKA HAMILTON

EDAD: 35

Ocupación: Sargento de la Fuerza Aérea

Educación y perfil profesional: Soy una veterana de la Fuerza Aérea de los Estados Unidos y una madre orgullosa. Me enorgullece servir a mi país y a mi comunidad. Me apasiona restaurar la esperanza del Sueño Americano en nuestros vecindarios y asegurar el futuro para la próxima generación.

Necesitamos nuevos representantes en el Congreso si queremos asegurar ese futuro, representantes que entiendan que el gobierno existe para servir a toda la comunidad, no solo a quienes están conectados políticamente. Como su representante en el Congreso, prometo superar la retórica partidista y las batallas vacías que solo terminan perjudicando a las comunidades desatendidas y a las mismas personas que se supone que el gobierno debe proteger.

Nuestros agricultores, pequeños propietarios de negocios, veteranos y residentes merecen la seguridad de saber que están representados de manera justa y que sus necesidades son lo primero. Como su congresista, lucharé para asegurar que nuestros agricultores tengan acceso a los recursos hídricos y para asegurarme de que el gobierno respete a los contribuyentes trabajadores protegiendo la libre empresa y manteniendo las tasas impositivas bajas, estables y justas.

Como mujer trabajadora y madre de cuatro hijos, conozco muy bien las luchas que enfrentan las mujeres profesionalmente; es hora de implementar la licencia familiar remunerada a nivel federal. Trabajaré para lograrlo. Para asegurarme de que las comunidades desatendidas tengan acceso a oportunidades, trabajaré con el gobierno federal para expandir las zonas de oportunidad a las áreas de clase trabajadora de nuestro distrito.

Pueden contar conmigo para cumplir la misión. Les pido humildemente su confianza y su voto. Para obtener más información, visite VoteTamika.com.

CARLOS SANTAMARIA

Occupation: Business Owner/Consultant

Education and Qualifications: As a Californian native working and having my own successful business, I pledge to RESPONSIBLY represent the people and businesses of District 3 as your next State Senator.

My mission is to help reshape the state legislature to serve the people, pass responsible, fair laws, and protect our civil liberties.

**STATEMENT OF CANDIDATE FOR
MEMBER OF THE STATE ASSEMBLY, DISTRICT 4**

CECILIA AGUIAR CURRY

Occupation: Assemblymember/Farmer

Education and Qualifications: Our communities have faced many challenges, but the unprecedented healthcare and economic impacts of the pandemic have left many residents anxious and confused. My staff and I are working 24/7 to help.

Our economy has been hit hard, but reserves built up through prudent fiscal management have allowed legislators to provide vital emergency funding for health care services and direct payments to residents and businesses.

After a tough budget fight, we protected many important priorities: schools; access to healthcare for all; direct financial aid to families, workers, and businesses; and support for seniors and those hardest hit by coronavirus.

Unfortunately, the effects of the pandemic are not over. Saving lives and livelihoods will require a steady hand, common sense, and a commitment to our core values and principles. Meanwhile, challenges we face every year – wildfires, drought, a lack of healthcare access in poor and rural communities, homelessness, poverty and income inequity – demand hard work and collaboration.

I will continue to: work with state and local leaders to ensure healthcare providers have the resources they need; support public education and working families, women and children; fight for our district in a time of scarce resources; protect agriculture and the environment; push for reliable broadband service - so crucial in times like these – in all communities; and assure equal opportunity for every Californian.

Our office is working closely with city, county and state agencies to help residents and businesses. For updated information or assistance, go to www.CeciliaforAssembly.com.

**DECLARACIÓN DEL CANDIDATO PARA
MIEMBRO DE LA ASAMBLEA ESTATAL, DISTRITO 4**

CECILIA AGUIAR CURRY

Ocupación: Miembro de la Asamblea/Agricultora

Educación y perfil profesional: Nuestras comunidades han enfrentado muchos desafíos, pero el impacto económico y de salud sin precedentes de la pandemia han dejado a muchos residentes ansiosos y confundidos. Mi equipo y yo trabajamos las 24 horas al día, los 7 días de la semana para ayudar.

Nuestra economía se ha visto muy afectada, pero las reservas acumuladas a través de una gestión fiscal prudente han permitido a los legisladores proporcionar fondos de emergencia vitales para los servicios de atención médica y pagos directos a residentes y negocios.

Después de una dura lucha presupuestaria, hemos protegido muchas prioridades importantes: escuelas; acceso a la salud para todos; ayuda financiera directa a familias, trabajadores y negocios; así como el apoyo para las personas mayores y para los más afectados por el coronavirus.

Desafortunadamente, los efectos de la pandemia no han terminado. Salvar las vidas y sus sustentos requerirá una mano firme, sentido común y un compromiso con nuestros valores y principios fundamentales. Mientras tanto, los desafíos que enfrentamos cada año (incendios forestales, sequías, falta de acceso a la atención médica en comunidades pobres y rurales, sinhogarismo, pobreza y desigualdad de ingresos) exigen esfuerzo y colaboración.

Seguiré: trabajando con los líderes estatales y locales para garantizar que los proveedores de cuidados de la salud tengan los recursos que necesiten; apoyando la educación pública y las familias trabajadoras, así como mujeres y niños; luchando por nuestro distrito en una época de escasos recursos; protegiendo la agricultura y el medio ambiente; impulsando un servicio de banda ancha confiable, tan crucial en tiempos como estos y en todas las comunidades; y asegurando la igualdad de oportunidades para todos los californianos.

Nuestra oficina trabaja en colaboración estrecha con las agencias de la ciudad, el condado y el estado para ayudar a los residentes y a los negocios. Para obtener información actualizada o asistencia, visite www.CeciliaforAssembly.com.

MEASURE W

WINTERS JOINT UNIFIED SCHOOL DISTRICT	
<p>To improve the quality of education and complete improvement projects at Winters High and Waggoner Elementary; repair/replace leaky roofs; and modernize outdated classrooms, restrooms and school facilities; shall Winters Joint Unified School District issue \$19,000,000 of bonds, raising on average \$1,000,000 annually as long as bonds are outstanding at a rate of 4.9 cents per \$100 of assessed valuation, have an independent citizens' oversight committee and have NO money used for administrative salaries and all money staying local?</p>	BONDS YES
	BONDS NO

IMPARTIAL ANALYSIS OF MEASURE W

WINTERS JOINT UNIFIED SCHOOL DISTRICT BOND ELECTION

Measure **W** would authorize the sale of general obligation bonds of the Winters Joint Unified School District ("District") in series in the aggregate amount of up to \$19,000,000. This measure will not amend any existing laws. The District's governing board ("Board") placed the measure on the ballot.

Measure **W** requires approval by 55 percent of the voters of the District voting on it.

The stated purpose of this measure is to improve the quality of education and complete improvement projects at Winters High and Waggoner Elementary; repair/replace leaky roofs; and modernize outdated classrooms, restrooms and school facilities.

Bond proceeds would be used to modernize, replace, renovate, expand, construct, acquire, equip, furnish, and otherwise improve the classrooms and school facilities of the District as identified in the Project List (reprinted completely in the sample ballot pamphlet).

Inclusion of a project on the Project List does not guarantee that the project would be completed. The listed projects would be completed as needed at a school or facility site according to the Board's priorities, and the order in which the projects appear on the Bond Project List is not an indication of priority. The District cannot guarantee that the bonds would provide sufficient funds to allow completion of all listed projects.

Some projects may be undertaken as joint use projects in cooperation with other local public or non-profit agencies. Certain projects may require State matching funds for their completion.

The bond proceeds could not be used to pay for salaries and other operating expenses. The District would be required to conduct

annual, independent financial and performance audits and appoint a citizen's oversight committee to ensure that the bond proceeds are spent only for the specific projects listed in the Project List.

If Measure **W** is approved by the voters, the District may issue bonds either under the Government or Education Code. Bonds issued under the Government Code must mature within 30 years and may not have interest rates over 12%. Bonds issued under the Education Code must mature within 25 years and may be subject to a maximum interest rate of 8%. Each option comes with its own parameters, but in either case, the Board would be required to adopt a resolution indicating the reasons for the selected method of sale.

The procedures required for the approval and issuance of the general obligation bonds, including the process of submitting Measure **W** to the vote of the District's electors, are as specified in the California Government, Education and Election Codes.

A "Yes" vote on this measure means: general obligation bonds totaling up to \$19,000,000 will be issued to fund specified school facilities projects.

A "No" vote on this measure means: general obligation bonds totaling up to \$19,000,000 will not be issued to fund specified school facilities projects.

EC § 9500

MEASURE W

FULL TEXT BALLOT PROPOSITION OF THE WINTERS JOINT UNIFIED SCHOOL DISTRICT BOND ELECTION FOR NOVEMBER 3, 2020

ACCOUNTABILITY SAFEGUARDS

The provisions in this section are specifically included in this proposition in order that the Winters Joint Unified School District's voters and taxpayers may be assured that their money will be spent wisely to address specific facilities needs of the Winters Joint Unified School District, all in compliance with the requirements of Article XIII A, Section 1(b)(3) of the State Constitution, and the Strict Accountability in Local School Construction Bonds Act of 2000 (codified at Education Code Sections 15264 and following).

Evaluation of Needs. The Board of Trustees has prepared an updated facilities plan in order to evaluate and address all of the facilities needs of the Winters Joint Unified School District, and to determine which projects to finance from a local bond at this time. The Board of Trustees hereby certifies that it has evaluated safety, class size reduction and information technology needs in developing the Project List.

Limitation on Use of Bond Proceeds. The State of California does not have the power to take locally approved school district bond funds for any State purposes. Proceeds from the sale of bonds authorized by this proposition shall be used only for the construction, reconstruction, rehabilitation, or replacement of school facilities, including the furnishing and equipping of school facilities, or the acquisition or lease of real property for school facilities, and not for any other purpose, including teacher and administrator salaries and other school operating expenses. Proceeds of the bonds may be used to pay or reimburse the District for the cost of District staff when performing work on or necessary and incidental to the bond projects.

Independent Citizens' Oversight Committee. The Board of Trustees shall establish an independent Citizens' Oversight Committee (pursuant to Education Code Section 15278 and following), to ensure bond proceeds are spent only for the school facilities projects listed in the Bond Project List. The committee shall be established within 60 days of the date when the results of the election appear in the minutes of the Board of Trustees.

Annual Performance Audits. The Board of Trustees shall conduct an annual, independent performance audit to ensure that the bond proceeds have been expended only on the school facilities projects listed in the Project List.

Annual Financial Audits. The Board of Trustees shall conduct an annual, independent financial audit of the bond proceeds until all of those proceeds have been spent for the school facilities projects listed in the Project List.

Special Bond Proceeds Account; Annual Report to Board. Upon approval of this proposition and the sale of any bonds approved, the Board of Trustees shall take actions necessary pursuant to Government Code Section 53410 and following to establish an account in which proceeds of the sale of bonds will be deposited. As long as any proceeds of the bonds remain unexpended, the Superintendent of the District shall cause a report to be filed with the Board no later than December 31 of each year, commencing December 31, 2022, stating (1) the amount of bond proceeds received and expended in that year, and (2) the status of any project funded or to be funded from bond proceeds. The report may relate to the calendar year, fiscal year, or other appropriate annual period as the Superintendent shall determine, and may be incorporated into the annual budget, audit, or other appropriate routine report to the Board.

PROJECT LIST

This Bond Project List, which is an integral part of this proposition, describes the specific projects the District proposes to finance with proceeds of the bonds.

Proceeds from the sale of bonds authorized by this measure shall be used only for the construction, reconstruction, rehabilitation, or replacement of school facilities on the Bond Project List, including the furnishing and equipping of said school facilities, or the acquisition or lease of real property for said school facilities, and not for any other purpose, including teacher and administrator salaries and other school operating expenses.

In order to meet all identified facility needs, the District intends to complete projects using a combination of funding sources. These sources may include joint-use funds, development impact fees, state funds (if available) and other available funds. The District will pursue state matching funds if and when they become available, and if received, they will be used for and mainly applied to projects on the Bond Project List or other high priority capital outlay expenditures as permitted in Education Code section 17070.63(c). No project is dependent on the receipt of state funding for completion.

Bond proceeds will be expended to modernize, replace, renovate, expand, construct, acquire, equip, furnish and otherwise improve the classrooms and school facilities of the District including at Winters High and Waggoner Elementary School.

The specific school facilities projects to be funded include, but shall not be limited to:

- Repair or replace leaky roofs
- Repair or replace deteriorating plumbing and sewer systems
- Improve student access to computers and modern technology
- Modernize/renovate outdated classrooms, restrooms and school facilities
- Construct new classrooms and school facilities
- Make health, safety and handicapped accessibility improvements
- Upgrade P.E. fields and facilities for school and community use
- Repair or replace outdated heating, ventilation and air conditioning systems with building code compliant, energy efficient systems
- Federal and State-mandated Americans with Disabilities Act (ADA) accessibility upgrades including site access, parking, staff and student restrooms, relocation of some existing electrical devices, drinking fountains, playground equipment, etc.
- Make security improvements throughout the District, such as installing security fencing, cameras, lighting, and fire alarm and security systems
- Repair and upgrade roofs, walls, and floors
- Make facility improvements to increase the District's energy efficiency, including replacing outdated lighting and windows
- Upgrade school site parking, utilities and grounds
- Acquire real property for school facilities
- Replace existing wiring systems to meet current electrical and accessibility codes and increased capacity
- Federal and State-mandated Occupational Safety & Health Administration (OSHA) safety upgrades including playground equipment replacement
- Abate and remove hazardous materials identified prior to or during construction
- Repair, replace and/or upgrade paved surfaces, turf, and other grounds to eliminate safety hazards and improve outside instructional areas

The listed projects will be completed as needed. Each project is assumed to include its share of furniture, equipment, architectural, engineering, and similar planning costs, program/project management, staff training expenses and a customary contingency for unforeseen design and construction costs. In addition to the listed projects stated above, the list also includes the acquisition of a variety of instructional, maintenance and operational equipment, including the reduction or retirement of outstanding lease obligations and interim funding incurred to advance fund projects from the list; installation of signage and fencing; payment of the costs of preparation of all facility planning, facility studies, assessment reviews, facility master plan preparation and updates, environmental studies (including environmental investigation, remediation and monitoring), design and construction documentation, and temporary housing of dislocated District activities caused by construction projects. In addition to the projects listed above, the repair and renovation of each of the existing school facilities may include, but not be limited to, some or all of the following: renovation of student and staff restrooms; repair and replacement of heating and ventilation systems; upgrade of facilities for energy efficiencies; repair and replacement of worn-out and leaky roofs, windows, walls, doors and drinking fountains; installation wiring and electrical systems to safely accommodate computers, technology and other electrical devices and needs; upgrades or construction of support facilities, including administrative, physical education/athletic facilities and performing arts buildings and maintenance yards; repair and replacement of fire alarms, emergency communications and security systems; resurfacing or replacing of hard courts, pools, turf and irrigation systems and campus landscaping and play fields; expand parking; install interior and exterior painting and floor covering; demolition; and construction of various forms of storage and support spaces, upgrade classrooms, bleachers, kitchens, repair, upgrade and install interior and exterior lighting systems; replace outdated security fences and security systems. The upgrading of

technology infrastructure includes, but is not limited to, computers, LCD projectors, portable interface devices, servers, switches, routers, modules, sound projection systems, laser printers, digital white boards, document projectors, upgrade voice-over-IP, call manager and network security/firewall, wireless technology systems and other miscellaneous equipment and software. The allocation of bond proceeds will be affected by the District's receipt of State matching funds and the final costs of each project. In the absence of State matching funds, which the District will aggressively pursue to reduce the District's share of the costs of the projects, the District will not be able to complete some of the projects listed above. The budget for each project is an estimate and may be affected by factors beyond the District's control. Some projects throughout the District, such as gyms, fields and performing arts facilities, may be undertaken as joint use projects in cooperation with other local public or non-profit agencies. The final cost of each project will be determined as plans and construction documents are finalized, construction bids are received, construction contracts are awarded and projects are completed. Based on the final costs of each project, certain of the projects described above may be delayed or may not be completed. Demolition of existing facilities and reconstruction of facilities scheduled for repair and upgrade may occur, if the Board determines that such an approach would be more cost-effective in creating more enhanced and operationally efficient campuses. Necessary site preparation/restoration may occur in connection with new construction, renovation or remodeling, or installation or removal of relocatable classrooms, including ingress and egress, removing, replacing, or installing irrigation, utility lines, trees and landscaping, relocating fire access roads, and acquiring any necessary easements, licenses, or rights of way to the property. Proceeds of the bonds may be used to pay or reimburse the District for the cost of District staff when performing work on or necessary and incidental to bond projects. Bond proceeds shall only be expended for the specific purposes identified herein. The District shall create an account into which proceeds of the bonds shall be deposited and comply with the reporting requirements of Government Code § 53410.

MEASURE W

**TAX RATE STATEMENT
REGARDING PROPOSED**

**\$19 MILLION
WINTERS JOINT UNIFIED SCHOOL DISTRICT
GENERAL OBLIGATION BONDS**

An election will be held in the Winters Joint Unified School District (the "District") on November 3, 2020, to authorize the sale of up to \$19 million in bonds of the District to finance school facilities as described in the measure. If such bonds are authorized and sold, principal and interest on the bonds will be payable only from the proceeds of *ad valorem* tax levies made upon the taxable property in the District. The following information is provided in compliance with Sections 9400-9404 of the Elections Code of the State of California. Such information is based upon the best estimates and projections presently available from official sources, upon experience within the District, and other demonstrable factors.

Based upon the foregoing and projections of the District's assessed valuation, the following information is provided:

1. The best estimate of the average annual tax rate which would be required to be levied to fund this bond issue over the entire duration of the bond debt service, based on a projection of assessed valuations available at the time of filing of this statement, is \$0.045 per \$100 of assessed valuation (or \$45.00 per \$100,000 of assessed value). The final fiscal year in which the tax is anticipated to be collected is 2054-55.
2. The best estimate of the highest tax rate which would be required to be levied to fund this bond issue, based on a projection of assessed valuations available at the time of filing of this statement, is \$0.049 per \$100 of assessed valuation (or \$49.00 per \$100,000 of assessed value). It is estimated that such rate would be levied starting in fiscal year 2021-22.
3. The best estimate of the total debt service, including the principal and interest, that would be required to be repaid if all the bonds are issued and sold is approximately \$37.0 million.

Voters should note the estimated tax rate is based on the assessed value (not market value) of taxable property on Yolo County's and Solano County's official tax rolls. In addition, taxpayers eligible for a property tax exemption, such as the homeowner's exemption, will be taxed at a lower effective tax rate than described above. Property owners should consult their own property tax bills and tax advisors to determine their property's assessed value and any applicable tax exemptions.

The attention of all voters is directed to the fact that the foregoing information is based upon projections and estimates only, which amounts are not maximum amounts and are not binding upon the District. The actual debt service, tax rates and the years in which they will apply may vary from those used to provide the estimates set forth above, due to factors such as variations in the timing of bond sales, the par amount of bonds sold and market interest rates available at the time of each sale, actual assessed valuations over the term of the bonds, and other factors. The date and amount of bonds sold at any given time will be determined by the District based on the need for project funds and other considerations. The actual interest rates at which the bonds will be sold will depend on conditions in the bond market at the time of sale. Actual future assessed valuations will depend upon the amount and value of taxable property within the District as determined by the County Assessor in the annual assessment and the equalization process.
