**STATEMENT OF CANDIDATE FOR
UNITED STATES REPRESENTATIVE IN CONGRESS, DISTRICT 3**

JOHN GARAMENDI

Occupation: Congressman & Rancher

Education and Qualifications: It's been a very difficult and tragic year, a year of anxiety and fear, a year of shutdowns and layoffs. The Covid-19 pandemic has shattered American life and for many their personal dreams of a good tomorrow. The very nature of our society and system of government, education and employment have been called into question.

Since 1776 Americans have endured hardships and pulled together to renew, restart, and continue the promise of our democracy. Now is the test of our character, our courage, and our capacity to respond to the challenge. I find optimism in our nation's history of perseverance to find the light in the face of seemingly insurmountable despair.

My greatest concern is the safety, health, and economic security of the people in my district. That is why I am proud to have voted for both the Cares Act and the Heroes Act, legislation that sent relief to millions of Americans. By following public health guidelines and working together we can get the infection rate down and have a reasonable chance of staying healthy, reopening businesses, and going back to work.

It's an honor being your voice in Congress as we work together to put our economy back on track. Together we must fight for quality education and health care for everyone. We must protect our environment, tackle climate change, create good middle class jobs and assure opportunities for everyone.

I thank you and express my sincere gratitude for your past support. I humbly ask for your vote.

**DECLARACIÓN DEL CANDIDATO PARA
REPRESENTANTE DEL CONGRESO DE LOS ESTADOS UNIDOS, DISTRITO 3**

JOHN GARAMENDI

Ocupación: Congresista y Hacendado

Educación y perfil profesional: Ha sido un año muy difícil y trágico; un año de ansiedad, miedo, cierres y despidos. La pandemia de la Covid-19 ha destruido la vida de Estados Unidos y en el caso de muchos, sus sueños personales de un mejor futuro. Se ha puesto en duda la naturaleza misma de nuestra sociedad y sistemas de gobierno, educación y empleo.

Desde 1776, los estadounidenses han superado dificultades y han unido esfuerzos para renovar, reiniciar y continuar con la promesa de nuestra democracia. Estamos viviendo una prueba para nuestro carácter, nuestra valentía y nuestra capacidad para responder ante los desafíos. Encuentro el optimismo en la historia de perseverancia de nuestra nación para encontrar la luz ante la aparentemente insuperable desesperanza.

Mi mayor preocupación es la seguridad, salud y seguridad económica de las personas de mi distrito. Es por eso que me enorgullezco de haber votado tanto por la Ley Cares y la Ley Heroes que brindan asistencia a millones de estadounidenses. Cumpliendo con las normas de salud pública y trabajando en conjunto podemos disminuir la tasa de infección y tener la posibilidad razonable de mantenernos saludables, abrir nuevamente los comercios y volver a trabajar.

Es un honor ser su voz en el Congreso mientras trabajamos juntos para retomar el buen camino de nuestra economía. Juntos podemos luchar por una educación de calidad y cuidados de la salud para todos. Debemos proteger nuestro ambiente, enfrentar el cambio climático, crear buenos empleos para la clase media y garantizar oportunidades para todos.

Le agradezco sinceramente su apoyo en el pasado. Respetuosamente le pido su voto.

**STATEMENT OF CANDIDATE FOR
UNITED STATES REPRESENTATIVE IN CONGRESS, DISTRICT 3**

TAMIKA HAMILTON

AGE: 35

Occupation: Air Force Sergeant

Education and Qualifications: I'm a veteran of the United States Air Force and proud mother. I take pride in serving my country and community. I'm passionate about restoring the hope of the American dream to our neighborhoods and securing the future for the next generation.

We need new representatives in Congress if we're going to secure that future – representatives who understand government exists to serve the whole community, not just the politically connected. As your representative in Congress, I promise to rise above the partisan rhetoric and empty battles that only end up hurting underserved communities and the very people government is supposed to protect.

Our farmers, small business owners, veterans and residents deserve the simple assurance of knowing they're fairly represented and that their needs come first. As your Congresswoman, I'll fight to ensure our farmers have access to water resources and to make sure government respects hardworking taxpayers by protecting free enterprise and keeping tax rates low, stable, and fair.

As a working woman and mother of four, I know all too well the struggles women face professionally – it's time to implement paid family leave at the federal level. I will work to get that done. To make sure underserved communities have access to opportunities, I'll work with the federal government to expand opportunity zones to working-class areas of our district.

You can count on me to complete the mission. I humbly ask for your trust and your vote. For more info visit VoteTamika.com.

**DECLARACIÓN DEL CANDIDATO PARA
REPRESENTANTE DE ESTADOS UNIDOS EN EL CONGRESO, DISTRITO 3**

TAMIKA HAMILTON

EDAD: 35

Ocupación: Sargento de la Fuerza Aérea

Educación y perfil profesional: Soy una veterana de la Fuerza Aérea de los Estados Unidos y una madre orgullosa. Me enorgullece servir a mi país y a mi comunidad. Me apasiona restaurar la esperanza del Sueño Americano en nuestros vecindarios y asegurar el futuro para la próxima generación.

Necesitamos nuevos representantes en el Congreso si queremos asegurar ese futuro, representantes que entiendan que el gobierno existe para servir a toda la comunidad, no solo a quienes están conectados políticamente. Como su representante en el Congreso, prometo superar la retórica partidista y las batallas vacías que solo terminan perjudicando a las comunidades desatendidas y a las mismas personas que se supone que el gobierno debe proteger.

Nuestros agricultores, pequeños propietarios de negocios, veteranos y residentes merecen la seguridad de saber que están representados de manera justa y que sus necesidades son lo primero. Como su congresista, lucharé para asegurar que nuestros agricultores tengan acceso a los recursos hídricos y para asegurarme de que el gobierno respete a los contribuyentes trabajadores protegiendo la libre empresa y manteniendo las tasas impositivas bajas, estables y justas.

Como mujer trabajadora y madre de cuatro hijos, conozco muy bien las luchas que enfrentan las mujeres profesionalmente; es hora de implementar la licencia familiar remunerada a nivel federal. Trabajaré para lograrlo. Para asegurarme de que las comunidades desatendidas tengan acceso a oportunidades, trabajaré con el gobierno federal para expandir las zonas de oportunidad a las áreas de clase trabajadora de nuestro distrito.

Pueden contar conmigo para cumplir la misión. Les pido humildemente su confianza y su voto. Para obtener más información, visite VoteTamika.com.

**STATEMENT OF CANDIDATE FOR
MEMBER OF THE STATE ASSEMBLY
DISTRICT 11**

JIM FRAZIER

Occupation: Representing Solano County in the California State Assembly

Education and Qualifications: I am honored to represent Solano County in the California State Assembly. These are challenging times. Through weekly email/online updates, I have provided important information/resources for all of us effected by COVID-19 (sign up for updates at a11.asmdc.org). My office continues to be available for “hands-on” help with unemployment paperwork (call 707-399-3011). We have fought to preserve money in the budget for childcare, adult daycare and the intellectual and developmentally disabled.

Public safety remains my top priority. I support Black Lives Matter, banning chokeholds, peaceful protest and have the utmost respect for law enforcement, firefighters, 911 first responders and our Sheriff, who support my re-election.

As Transportation Committee Chair, I fought for funds to improve our aging roads, highways and bridges – requiring accountability for every dollar spent.

We established Solano County’s first Commission for Women and Girls; authored legislation to add domestic violence education to school curriculums and supported Solano County’s Family Justice Center which assists victims of domestic violence; voted to require prompt testing of rape kits to speed up criminal identification; authored legislation requiring PG&E to underground lines in fire prone areas; required drug makers to give 90-day notice before raising prices; authored laws to recognize Veterans on drivers’ licenses, protect overseas military rights, fund Veteran street banners, provide resources for Travis Air Force Base.

I am here to serve you – and will continue to scrutinize every issue, every dollar spent, so that each decision I make remains in your best interest.

JIM FRAZIER

Occupación: Representante del Condado de Solano en la Asamblea del Estado de California

Educación y perfil profesional: Es un honor para mí representar al Condado de Solano en la Asamblea del Estado de California. Estos son momentos difíciles. A través de actualizaciones semanales por correo electrónico o en línea, he proporcionado información y recursos importantes para todos nosotros que hemos sido afectados por la COVID-19 (regístrese para recibir las actualizaciones en a11.asmdc.org). Mi oficina sigue disponible para aportar ayuda “activa” con los trámites de desempleo (llame al 707-399-3011). Hemos luchado por preservar dinero en el presupuesto para el cuidado de niños, adultos y discapacitados intelectuales y del desarrollo.

La seguridad pública sigue siendo mi máxima prioridad. Apoyo a Black Lives Matter, la prohibición de estrangulamientos, las protestas pacíficas y tengo el mayor respeto por la preservación del orden público, los bomberos, los socorristas del 911 y nuestro Alguacil, quien apoya mi reelección.

Como Presidente del Comité de Transportación, luché por recaudar fondos para mejorar nuestras carreteras, autopistas y puentes antiguos, lo que requiere responsabilidad por cada dólar gastado.

Establecimos la primera Comisión para Mujeres y Niñas del Condado de Solano; redactamos la legislación para agregar la educación sobre violencia doméstica a los planes de estudio escolares y apoyamos el Centro de Justicia Familiar del Condado de Solano, el cual ayuda a las víctimas de violencia doméstica; votamos a favor de exigir pruebas rápidas con los kits de exámenes de violación para acelerar la identificación criminal; redactamos la legislación que le solicitó a la Compañía de Gas y Electricidad del Pacífico (Pacific Gas and Electric, PG&E) las líneas subterráneas en áreas propensas a incendios; exigimos a los fabricantes de medicamentos que avisaran con 90 días de antelación antes de subir los precios; redactamos leyes para reconocer a los Veteranos en las licencias de conducir, proteger los derechos militares en el extranjero, financiar las señalizaciones para Veteranos en las calles y proporcionar recursos para la Base de la Fuerza Aérea Travis.

Estoy aquí para servirles y continuaré examinando cada asunto, cada dólar gastado, de manera que cada decisión que tome sea de su mejor interés.

Occupation: Pediatrician and Parent

Education and Qualifications: As a pediatrician, mom, and community volunteer, I've spent almost 30 years caring for the health of local kids. I know that improving our community does not stop at the exam room, but with how we care for our students.

I'm running for Solano County Board of Education in the midst of a global pandemic because we need a leader with decades of expertise and practical experience to help protect the health and safety of our students, teachers, and staff and to ensure our kids receive the best education possible during these challenging times.

Education was my pathway to opportunity. I wouldn't have gone to college without the encouragement of a teacher. Despite several detours, I worked to put myself through college, and a guidance counselor inspired me to pursue medicine.

On the Board, I'll ensure our schools are places where every student has the opportunity for success, whether by going to college or learning a valuable trade.

I'll fiercely advocate for accountability and transparency to safeguard that resources reach the classroom, and I'll prioritize getting all kids the technologies they need to succeed.

Educación y perfil profesional: Como pediatra, madre y voluntaria de la comunidad he dedicado casi 30 años a cuidar la salud de los niños locales. Estoy consciente de que el trabajo por mejorar nuestra comunidad no se detiene en la sala de exámenes; sino en la manera como atendemos a nuestros estudiantes.

Me presento como candidata para la Junta de Educación del Condado de Solano en medio de una pandemia global porque necesitamos un líder con décadas de experiencia y práctica para que ayude a proteger la salud y seguridad de nuestros estudiantes, docentes y personal y para garantizar que nuestros niños reciban la mejor educación posible en estos tiempos difíciles.

La educación fue lo que me brindó las oportunidades. No habría estudiado en la universidad sin el incentivo de un maestro. A pesar de varios desvíos, trabajé para lograr finalizar la universidad y un consejero académico me alentó a estudiar medicina.

En la Junta, me aseguraré de que las escuelas sean lugares en los que todos los estudiantes tengan la oportunidad del éxito ya sea estudiando en la universidad o aprendiendo un oficio importante.

Defenderé intensamente la responsabilidad y transparencia a fin de garantizar que los recursos lleguen a los salones de clases y tendré como prioridad que todos los niños tengan acceso a las tecnologías que necesitan para alcanzar el éxito.

AMY SHARP

AGE: 45

Occupation: Incumbent/Children's Advocate

Education and Qualifications: Kids aren't one-size-fits-all, and their education shouldn't be either.

In my first term, I've worked hard to improve education for all our children – including those with special needs, those needing a second chance, and those being failed by the system. I've called for budget accountability and meeting transparency and won. I've pushed for access to career technical education. I've fought for schools to create opportunities while giving parents choices and a voice in education.

My proposal for direct-to-teacher grants was adopted and is cutting the red tape for needed supplies in classrooms. As Vallejo schools failed students of color and their families, I supported a community-driven effort for a Board-approved charter school that's bridging the opportunity gap in its second year of operation. I fought for and delivered a designated coordinator to ensure schools are ready for special needs students from Day One.

I'm proud of the progress, but there's more work to be done.

If re-elected, I'll continue keeping politics out, putting children first and parents back in charge. I'd be honored to earn your vote. Learn more at AmySharp.org or call my cell at 592-1829.

SCHOOL FACILITIES IMPROVEMENT DISTRICT NO. 1, RIVER DELTA UNIFIED SCHOOL DISTRICT – SCHOOL BOND MEASURE

Measure **J** would authorize the sale of general obligation bonds of the River Delta Unified School District (“District”) in series in the aggregate amount of up to \$45,700,000 on behalf of School Facilities Improvement District No. 1. This measure will not amend any existing laws. The District’s governing board (“Board”) placed the measure on the ballot.

Measure **J** requires approval by 55 percent of the voters of the District voting on it.

The stated purpose of this measure is to upgrade schools, retain/attract quality teachers by repairing leaky roofs; removing asbestos/mold; building science labs; updating aging technology, fire/drinking water safety; repairing, constructing, equipping/acquiring educational facilities to prepare students for college/careers.

Bond proceeds would be used to modernize, replace, renovate, expand, construct, acquire, equip, furnish, and otherwise improve the classrooms and school facilities of School Facilities District No. 1 as identified in the Project List (reprinted completely in the sample ballot pamphlet).

Inclusion of a project on the Project List does not guarantee that the project would be completed. The listed projects would be completed as needed at a school or facility site according to the Board’s priorities, and the order in which the projects appear on the Bond Project List is not an indication of priority. The District cannot guarantee that the bonds would provide sufficient funds to allow completion of all listed projects.

Some projects may be undertaken as joint use projects in cooperation with other local public or non-profit agencies. Certain projects may require State matching funds for their completion.

The bond proceeds could not be used to pay for salaries and other operating expenses. The District would be required to conduct annual, independent financial and performance audits and appoint a citizen’s oversight committee to ensure that the bond proceeds are spent only for the specific projects listed in the Project List.

If Measure **J** is approved by the voters, the District may issue bonds either under the Government or Education Code. Bonds issued under the Government Code must mature within 30 years and may not have interest rates over 12%. Bonds issued under the Education Code must mature within 25 years and may be subject to a maximum interest rate of 8%. Each option comes with its own parameters, but in either case, the Board would be required to adopt a resolution indicating the reasons for the selected method of sale.

The procedures required for the approval and issuance of the general obligation bonds, including the process of submitting Measure **J** to the vote of the District’s electors, are as specified in the California Government, Education and Election Codes.

A “Yes” vote on this measure means: general obligation bonds totaling up to \$45,700,000 will be issued to fund specified school facilities projects.

A “No” vote on this measure means: general obligation bonds totaling up to \$45,700,000 will not be issued to fund specified school facilities projects.

EC § 9500

MEASURE J

FULL TEXT OF THE MEASURE

Upon the passage of Measure J, the River Delta Unified School District (“School District”) on behalf of School Facilities Improvement District No. 1 (“SFID No. 1”) shall be authorized to issue bonds in the aggregate amount of \$45,700,000 (the “Bonds”), bearing interest at rates not exceeding the statutory limit, for the purpose of funding the school facilities projects listed below under the heading “School Facilities Projects to Be Funded with Proceeds of Bonds” (the “Bond Projects”).

Where economically feasible, buildings, fixtures, and equipment may be replaced rather than modernized, renovated, or repaired.

**MEASURE J
TAX RATE STATEMENT**

An election will be held within the boundaries of School Facility Improvement District No. 1 ("SFID No. 1) of the River Delta Unified School District (the " School District") on November 3, 2020, to authorize the sale of up to \$45,700,000 in bonds to upgrade schools, retain/attract quality teachers by repairing leaky roofs; removing asbestos/mold; building science labs; updating aging technology, fire/drinking water safety; repairing, constructing, equipping/acquiring educational facilities to prepare students for college/careers, with local funding that cannot be taken by the State, independent citizen oversight, and all funds used for River Delta Schools within SFID No. 1.

If the bonds are authorized and sold, debt service thereon will be payable from the proceeds of tax levies made upon the taxable property in the SFID No. 1. The following information is provided in compliance with Sections 9400-9405 of the Elections Code of the State of California. It is anticipated that the School District will sell the bonds on behalf of SFID No. 1 in three separate series.

1. The best estimate of the average tax rate which would be required to be levied to fund this bond issue during the life of the bonds, based on estimated assessed valuations available at the time of filing of this statement, is 5.995¢ per \$100 (\$59.95 per \$100,000) of assessed valuation. The final fiscal year in which the tax is anticipated to be collected is 2053- 2054.

2. The best estimate of the highest tax rate which would be required to be levied to fund this bond issue, based on estimated assessed valuations available at the time of filing of this statement, is 6.0¢ per \$100 (\$60.00 per \$100,000) of assessed valuation which would first occur in fiscal year 2021 – 2022.

3. The best estimate of total debt service, including principal and interest, which would be required to be repaid if all the bonds are issued and sold is \$85,686,013. This estimate is based on assumptions that interest rates will increase over time, and the Bonds will have a maximum term of 30 years per series.

Voters should note that the estimated tax rates are based on the ASSESSED VALUE of taxable property on Sacramento and Solano County's official tax rolls, not on the property's market value. Property owners should consult their own property tax bills to determine their property's assessed value and any applicable tax exemptions.

Attention of all voters is directed to the fact that the foregoing information is based upon the School District's projections and estimates only, which are not binding upon the School District. The actual tax rates, debt service, and the years in which they will apply may vary from those presently estimated, due to variations from these estimates in the timing of bond sales, the amount of bonds sold and market interest rates at the time of each sale, and actual assessed valuations over the term of repayment of the bonds.

The dates of sale and the amount of bonds sold at any given time will be determined by the School District based on the need for construction funds and other factors, including the legal limitations on bonds approved by a 55% vote. The actual interest rates at which the bonds will be sold will depend on the bond market at the time of each sale. Actual future assessed valuation will depend upon the amount and value of taxable property within the School District as determined by the Sacramento County and Solano County Assessors in the annual assessment and the equalization process.

**CITY ATTORNEY'S IMPARTIAL ANALYSIS OF MEASURE V
CITY OF VACAVILLE**

Measure V was placed on the ballot by a unanimous vote of the Vacaville City Council. If approved by a majority vote of Vacaville voters Measure V will add an Ordinance, Chapter 5.38 (Cannabis Business Tax) ("Ordinance"), to Title 5 of the Vacaville Municipal Code, imposing a tax on cannabis businesses operating within the City.

The Ordinance defines a cannabis business as a business activity that involves cannabis or industrial hemp, and includes related activities such as cultivation, transportation, distribution, manufacturing, compounding, converting, processing, preparing, storing, packaging, delivering, testing, dispensing, retailing, wholesaling and all other business activities. The Ordinance requires and enforces cannabis business registration, and reporting, and remitting cannabis taxes to the City.

The Ordinance sets maximum tax rates for commercial cannabis cultivation, including industrial hemp, ranging from \$2.00 - \$10.00 per square foot of canopy space depending on the type facility in which the cultivation activity is conducted (based primarily on type of lighting: natural or artificial). The rates increase annually by a specified consumer price index commencing on January 1, 2024. The Ordinance sets maximum tax rates for other cannabis businesses, including industrial hemp, ranging between 2% to 6% of gross receipts depending on the type of cannabis business.

The City Council may increase or decrease the rate of the cannabis business tax up to the maximum allowed. The City Council may not increase the tax rates above the maximum allowed, or repeal the tax, without voter approval.

The tax is only on commercial cannabis businesses and is not a sales tax imposed on individuals purchasing adult-use or medical cannabis. The tax would not be imposed on persons engaged only

in personal cultivation for personal consumption in accordance with current state law.

Measure V is a general tax. All revenue from this tax would be deposited into the City's General Fund and could be used for any lawful municipal purpose such as general City operations and services. The tax would be effective January 1, 2021 and would remain in effect until repealed by the voters.

The City of Vacaville currently does not permit cannabis businesses to operate in the City and this Ordinance does not authorize any cannabis business to operate in the City. Should any cannabis business be authorized to, or otherwise operate in Vacaville on or after January 1, 2021, those businesses would be obligated to pay the tax instituted by the Ordinance. Acceptance of a cannabis business tax payment does not constitute authorization or approval to conduct any unauthorized cannabis business.

A "yes" vote is a vote to approve the cannabis business tax.

A "no" vote is a vote to reject the cannabis business tax.

This ordinance shall be known as the Cannabis Business Tax Ordinance.

5.38.020 Authority and Purpose.

The purpose of this Ordinance is to adopt a tax, for revenue purposes, pursuant to Sections 37101 and 37100.5 of the California Government Code, upon cannabis businesses that engage in business in the City. The Cannabis Business Tax is levied based upon business gross receipts except for commercial cannabis or industrial hemp cultivation which shall be taxed on square footage. It is not a sales and use tax, a tax upon income, or a tax upon real property and shall not be calculated or assessed as such. The Cannabis Business Tax shall not be separately identified or otherwise specifically assessed or charged to any member, customer, patient, or caretaker. The Cannabis Business Tax is a general tax enacted solely for general, governmental purposes of the City and not for specific purposes. All of the proceeds from the tax imposed by this Chapter shall be placed in the City's general fund and be available for any lawful municipal purpose.

5.38.030 Intent.

The intent of this Ordinance is to levy a tax on all cannabis or industrial hemp businesses that operate in the City, regardless of whether such business would have been legal at the time this Chapter was adopted. Nothing in this Chapter shall be interpreted to authorize or permit any business activity that would not otherwise be legal or permissible under laws applicable to the activity at the time the activity is undertaken.

5.38.040 Definitions.

The following words and phrases shall have the meanings set forth below when used in this Chapter:

A. "Business" shall include all activities engaged in or caused to be engaged in within the City, including any commercial or industrial enterprise, trade, profession, occupation, vocation, calling, or livelihood, whether or not carried on for gain or profit, but shall not include the services rendered by an employee to his or her employer.

1. Cash discounts where allowed and taken on sales;
2. Any tax required by law to be included in or added to the purchase price and collected from the consumer or purchaser;

However, any business activities not subject to this Chapter as a result of an administrative ruling shall be subject to the appropriate business tax provisions of Title 5, Chapter 5.04 or any other Title or Chapter of this code as determined by the Tax Administrator.

10. Payments made by the tax-reporting cannabis business (Seller) to a cannabis business (Buyer) for the difference in the original acquisition price and subsequent renegotiated or finalized selling price of products or services sold to a specific end customer. This type of transaction is referred to as a "Billback". The tax-reporting cannabis business must provide supporting documentation to substantiate the transaction in order to be eligible for an exemption.

Any business which sells industrial hemp and/or hemp products or offers services or activities related to industrial hemp or hemp products and /or which is not required to obtain a cannabis or industrial hemp permit or license from the City or the State for the purpose of cultivating, growing, drying, curing, manufacturing, processing, packaging, transporting, distributing, testing or selling of industrial hemp either wholesale or retail shall be exempt from the cannabis tax provided that such business does not generate more than 50% of their total gross receipts in the reporting period from the business from industrial hemp activities. However, the exemption may be amended by the City Council by resolution or ordinance pursuant to Section 5.38.050 (B) to increase or decrease the percentage of the business's hemp and/or hemp products gross receipts reporting from zero to one hundred percent. To the extent the gross receipts from the hemp activities do not meet the relevant percentage to be included, this exclusion shall reduce the gross receipts to zero. The business shall still be subject to appropriate business tax provisions of other Chapters of the municipal code.

Such tax is payable regardless of whether the business has been issued a business license or commercial cannabis permit to operate lawfully in the City or is operating unlawfully. The City's acceptance of a cannabis business tax payment from a cannabis business operating illegally shall not constitute the City's approval or consent to such illegal operations.

B. The City Council may, by resolution or ordinance, increase or decrease the rate of the cannabis business tax, including the initial rate of cannabis business tax. The City Council may, by resolution or ordinance, increase or decrease the rate of the medicinal cannabis business tax, including the initial rate of the medicinal business tax, independent of other cannabis business tax activities. In addition, the City Council may, by resolution or ordinance, increase or decrease the rate of the cannabis business tax on hemp or hemp products, including the initial rate of the tax on hemp or hemp products independent of other cannabis activities. Notwithstanding the foregoing, in no event shall the City Council repeal this tax or set any adjusted rate that exceeds the maximum rates calculated pursuant to this Chapter.

C. The maximum rate of the cannabis business tax shall be calculated as follows:

1. For every person engaged in commercial cannabis cultivation, including cultivation of industrial hemp, in the City:

a. Through January 1, 2024, the annual maximum rate shall be:

i. Ten dollars (\$10.00) per square foot of canopy space in a facility that uses exclusively artificial lighting.

ii. Seven dollars (\$7.00) per square foot of canopy space in a facility that uses a combination of natural and supplemental lighting as defined in Section 5.38.040 Q of this Chapter.

iii. Four dollars (\$4.00) per square foot of canopy space in a facility that uses no artificial lighting.

iv. Two dollars (\$2.00) per square foot of canopy space for any nursery.

b. On January 1, 2024 and on each January 1, thereafter, the maximum annual tax rates specified in subsection 5.38.050 (C) (1) (a), shall increase by the percentage increase in the Consumer Price Index ("CPI") for consumers in the San Francisco-Oakland-Hayward Region as published by the United States Government Bureau of Labor Statistics. However, no CPI adjustment resulting in a decrease of any tax imposed by this subsection shall be made.

2. Every person engaged in the operation of a testing laboratory for cannabis, cannabis products, industrial hemp and/or industrial hemp products shall be subject to the maximum tax rate not to exceed two percent (2%) of gross receipts.

3. Every person engaged in retail sales of cannabis, cannabis products, industrial hemp, and/or industrial hemp products, including as a retailer (dispensary) or non-storefront retailer (retail delivery business), or microbusiness, shall be subject to the maximum tax rate not to exceed six percent (6%) of gross receipts.

4. Every person engaged in distribution of cannabis, cannabis products, industrial hemp and/or industrial hemp products, shall be subject to the maximum tax rate not to exceed three percent (3%) of gross receipts.

5. Every person engaged in manufacturing or processing of cannabis, cannabis products, industrial hemp and/or industrial hemp products, or any other type of cannabis business not described in Section 5.38.050 (C) (1), (2), (3), or (4) shall be subject to the maximum tax rate not to exceed four percent (4%) of gross receipts.

D. Persons subject to the cannabis business tax shall register with the City and pay the registration fee pursuant to Section 5.38.060.

They shall also be required to obtain a business license pursuant to Chapter 5.04 of this code; provided, however, that cannabis business activities subject to the cannabis business tax shall be excluded from determining the amount of any business license tax payable under Chapter 5.04.

5.38.060 Registration, reporting and remittance of tax.

- A. Registration of Cannabis Business. All cannabis businesses shall be required to annually register as follows:
1. All persons engaging in business as a cannabis business, whether an existing, newly established or acquired business shall register with the Tax Administrator within thirty (30) days of commencing operation and shall annually renew such registration within 30 days of the business registration anniversary date of each year thereafter. In registering, such persons shall furnish to the Tax Administrator a sworn statement, upon a form provided by the Tax Administrator, setting forth the following information:
 - i. The name of the business
 - ii. The names and addresses of each owner
 - iii. The exact nature or kind of business;
 - iv. The place where such business is to be carried on; and
 - v. Any additional information which the Tax Administrator may require.
- B. An annual registration fee in accordance with the current and approved City fee schedule shall be presented with the sworn statement submitted under this section. This fee shall not be considered a tax and may be adjusted by resolution of the City Council.
- C. The cannabis business tax imposed by this Chapter shall be paid, in arrears, on a monthly basis. Each person owing a cannabis business tax each calendar month shall, no later than the last day of the month following the close of the calendar month, file with the Tax Administrator a statement (“tax statement”) of the tax owed for that calendar month and the basis for calculating that tax. The Tax Administrator may require that the tax statement be submitted on a form prescribed by the Tax Administrator. The tax for each calendar month shall be due and payable on that same date that the tax statement for the calendar month is due.
- D. Upon cessation of a cannabis business, tax statements and payments shall be immediately due for all calendar months up to the calendar month during which cessation occurred.
- E. The Tax Administrator may, at his or her discretion, establish alternative reporting and payment periods for any taxpayer as the Tax Administrator deems necessary to ensure effective collection of the cannabis business tax. The Tax Administrator may also require that a deposit, to be applied against the taxes for a calendar month, be made by a taxpayer at the beginning of that calendar month. In no event shall the deposit required by the Tax Administrator exceed the tax amount he or she projects will be owed by the taxpayer for the calendar month. The Tax Administrator may require that a taxpayer make payments via a cashier’s check, money order, wire transfer, or similar instrument.

5.38.070 Payments and communications – timely remittance.

Whenever any payment, statement, report, request or other communication is due, it must be received by the Tax Administrator on or before the final due date. A postmark will not be accepted as timely remittance. If the due date would fall on a Saturday, Sunday or a holiday observed by the City, the due date shall be the next regular business day on which the City is open to the public.

5.38.080 Payment - when taxes deemed delinquent.

Unless otherwise specifically provided under other provisions of this Chapter, the taxes required to be paid pursuant to this Chapter shall be deemed delinquent if not received by the Tax Administrator on or before the due date as specified in Sections 5.38.060 and 5.38.070.

5.38.090 Notice not required by the City.

The City may as a courtesy send a tax notice to the cannabis business which owes the City a cannabis business tax. However, the Tax Administrator is not required to send a delinquency or other notice or bill to any person subject to the provisions of this Chapter. Failure to

send such notice or bill shall not affect the validity of any tax or penalty due under the provisions of this Chapter.

5.38.100 Penalties and interest.

A. Any person who fails or refuses to pay any cannabis business tax required to be paid pursuant to this Chapter on or before the due date shall pay penalties and interest as follows:

1. A penalty equal to ten percent (10%) of the amount of the tax, in addition to the amount of the tax, plus interest on the unpaid tax calculated from the due date of the tax at the rate of one percent (1%) per month.
2. If the tax remains unpaid for a period exceeding one calendar month beyond the due date, an additional penalty equal to twenty-five percent (25%) of the amount of the tax, plus interest at the rate of one percent (1%) per month on the unpaid tax and on the unpaid penalties.
3. Interest shall be applied at the rate of one percent (1%) per month on the first day of the month for the full month and will continue to accrue monthly on the tax and penalty until the balance is paid in full.

B. Whenever a check or electronic payment is submitted in payment of a cannabis business tax and the payment is subsequently returned unpaid by the bank for any reason, the taxpayer will be liable for the tax amount due plus any fees, penalties, and interest as provided for in this Chapter, and any other amount allowed under state law.

5.38.110 Refunds and credits.

A. No refund shall be made of any tax collected pursuant to this Chapter, except as provided in Section 5.38.120.

B. No refund of any tax collected pursuant to this Chapter shall be made because of the discontinuation, dissolution, or other termination of a business.

5.38.120 Refunds and procedures.

A. Whenever the amount of any cannabis business tax, penalty or interest has been overpaid, paid more than once, or has been erroneously collected or received by the City under this Chapter, it may be refunded to the claimant who paid the tax provided that a written claim for refund is filed with the Tax Administrator within one (1) year of the date the tax was originally due or paid, whichever came first.

B. The Tax Administrator, his or her designee or any other City officer charged with the administration of this Chapter shall have the right to examine and audit all the books and business records of the claimant in order to determine the eligibility of the claimant to the claimed refund. No claim for refund shall be allowed if the claimant refuses to allow such examination of claimant's books and business records after request by the Tax Administrator to do so.

C. In the event that the cannabis business tax was erroneously paid in an amount in excess of the tax due, and the error is attributable to the City, the City shall refund the amount of tax erroneously paid; provided that (i) a claim for refund has been timely filed with the Tax Administrator; and (ii) the refund cannot exceed, under any circumstance, the amount of tax overpaid during the twelve months preceding the last month for which the claim states the tax was overpaid.

5.38.130 Personal Cultivation Not Taxed.

The provisions of this Chapter shall not apply to personal cannabis cultivation or personal use of cannabis, to the extent those activities are authorized in the "Medicinal and Adult Use Cannabis Regulation and Safety Act," as may be amended. This Chapter shall not apply to personal use of cannabis that is specifically exempted from state licensing requirements, that meets the definition of personal use or equivalent terminology under state law, and provided that the individual receives no compensation whatsoever related to that personal cultivation or use.

5.38.140 Administration of the tax.

A. It shall be the duty of the Tax Administrator to collect the taxes, penalties, fees, and perform the duties required by this Chapter.

B. For purposes of administration and enforcement of this Chapter generally, the Tax Administrator may from time to time promulgate such administrative interpretations, rules, and procedures consistent with the purpose, intent, and express terms of this Chapter as he or she deems necessary to implement or clarify such provisions or aid in enforcement.

C. The Tax Administrator may take such administrative actions as needed to administer the cannabis business tax, including but not

limited to:

1. Provide to all cannabis business taxpayers forms for the reporting of the tax;
2. Provide information to any taxpayer concerning the provisions of this Chapter;
3. Receive and record all taxes remitted to the City as provided in this Chapter;
4. Maintain records of taxpayer reports and taxes collected pursuant to this Chapter;
5. Assess penalties and interest to taxpayers pursuant to this Chapter;
6. Determine amounts owed under and enforce collection pursuant to this Chapter.

5.38.150 Appeal procedure.

Any taxpayer aggrieved by any decision of the Tax Administrator with respect to the amount of tax, interest, penalties and fees, if any, due under this Chapter may appeal to the City Council by filing a notice of appeal with the City Clerk within thirty (30) calendar days of the serving or mailing of the Tax Administrator's determination of the amount due. The City Clerk, or his or her designee, shall fix a time and place for hearing such appeal, and the City Clerk, or his or her designee, shall give notice in writing to such operator at the last known place of address. The finding of the City Council shall be final and conclusive and shall be served upon the appellant in the manner prescribed by this section 5.38.150 for service of notice of hearing. Any amount found to be due shall be immediately due and payable upon the service of the notice.

5.38.160 Enforcement - action to collect.

Any taxes, penalties and/or fees required to be paid under the provisions of this Chapter shall be deemed a debt owed to the City. Any person owing money to the City under the provisions of this Chapter shall be liable in an action brought in the name of the City for the recovery of such debt. The provisions of this section shall not be deemed a limitation upon the right of the City to bring any other action including criminal, civil and equitable actions, based upon the failure to pay the tax, penalties and/or fees imposed by this Chapter or the failure to comply with any of the provisions of this Chapter.

5.38.170 Apportionment.

If a business subject to the tax is operating both within and outside the City, it is the intent of the City to apply the cannabis business tax so that the measure of the tax fairly reflects the proportion of the taxed activity actually carried on in the City. To the extent federal or state law requires that any tax due from any taxpayer be apportioned, the taxpayer may indicate said apportionment on his or her tax return. The Tax Administrator may promulgate administrative procedures for apportionment as he or she finds useful or necessary.

5.38.180 Constitutionality and legality.

This tax is intended to be applied in a manner consistent with the United States and California Constitutions and state law. None of the tax provided for by this Chapter shall be applied in a manner that causes an undue burden upon interstate commerce, a violation of the equal protection or due process clauses of the Constitutions of the United States or the State of California or a violation of any other provision of the California Constitution or state law. If a person believes that the tax, as applied to him or her, is impermissible under applicable law, he or she may request that the Tax Administrator release him or her from the obligation to pay the impermissible portion of the tax.

5.38.190 Audit and examination of premises and records.

A. In addition to those powers granted to the Tax Administrator under Section 5.20.050 and Section 5.20.060, for the purpose of ascertaining the amount of cannabis business tax owed or verifying any representations made by any taxpayer to the City in support of his or her tax calculation, the Tax Administrator shall have the power to inspect any location where commercial cannabis activity occurs and to audit and examine all books and records (including, but not limited to bookkeeping records, state and federal income tax returns, and other records relating to the gross receipts of the business) of persons engaged in cannabis businesses. In conducting such investigation, the Tax Administrator shall have the power to inspect any equipment, such as computers or point of sale machines, which may contain such records.

B. It shall be the duty of every person liable for the collection and payment to the City of any tax imposed by this Chapter to keep and preserve, for a period of at least three (3) years, all records as may be necessary to determine the amount of such tax as he or she may have been liable for the collection of and payment to the City, which records the Tax Administrator or his/her designee shall have the right to inspect at all reasonable times.

5.38.200 Other licenses, permits, taxes, fees or charges.

A. Nothing contained in this Chapter shall be deemed to repeal, amend, be in lieu of, replace or in any way affect any requirements for any commercial cannabis permit or City license required by, under or by virtue of any provision of any other Chapter of this code or any other ordinance or resolution of the City, nor be deemed to repeal, amend, be in lieu of, replace or in any way affect any tax, fee or other charge imposed, assessed or required under any other Chapter of this code or any other ordinance or resolution of the City. Any references made or contained in any other Chapter of this code to any licenses, license taxes, fees, or charges, or to any schedule of license fees, shall be deemed to refer to the licenses, license taxes, fees or charges, or schedule of license fees, provided for in other Chapters of this code.

B. The Tax Administrator may revoke or refuse to renew the license required by Chapter 5.08 of this code for any business that is delinquent in the payment of any tax due pursuant to this Chapter or that fails to make a deposit required by the Tax Administrator pursuant to Section 5.38.060.

A commercial cannabis permit issued under the Vacaville Municipal Code may be revoked, suspended, or not renewed in the event that the business holding that permit has failed to (i) make a deposit required by the Tax Administrator pursuant to Section 5.38.060 or (ii) timely pay all taxes, interest, and penalties owed by that business under this Chapter.

5.38.210 Payment of tax does not authorize unlawful business.

A. The payment of a cannabis business tax required by this Chapter, and its acceptance by the City, shall not entitle any person to carry on any cannabis business unless the person has complied with all of the requirements of this code and all other applicable state laws.

B. No tax paid under the provisions of this Chapter shall be construed as authorizing the conduct or continuance of any illegal or unlawful business, or any business in violation of any local or state law.

5.38.220 Deficiency determinations.

If the Tax Administrator is not satisfied that any statement filed as required under the provisions of this Chapter is correct, or that the amount of tax is correctly computed, he or she may compute and determine the amount to be paid and make a deficiency determination upon the basis of the facts contained in the statement or upon the basis of any information in his or her possession or that may come into his or her possession within three (3) years of the date the tax was originally due and payable. One or more deficiency determinations of the amount of tax due for a period or periods may be made. When a person discontinues engaging in a cannabis business, a deficiency determination may be made at any time within three (3) years thereafter as to any liability arising from engaging in such cannabis business whether or not a deficiency determination is issued prior to the date the tax would otherwise be due. Whenever a deficiency determination is made, a notice shall be given to the person concerned in the same manner as notices of assessment are given under Section 5.38.240.

5.38.230 Failure to report—nonpayment, fraud.

A. Under any of the following circumstances, the Tax Administrator may make and give notice of an assessment of the amount of tax owed by a person under this Chapter at any time:

1. If the person has not filed a complete statement required under the provisions of this Chapter;
2. If the person has not paid the tax due under the provisions of this Chapter;
3. If the person has not, after demand by the Tax Administrator, filed a corrected statement, or furnished to the Tax Administrator adequate substantiation of the information contained in a statement already filed, or paid any additional amount of tax due under the provisions of this Chapter; or
4. If the Tax Administrator determines that the nonpayment of any cannabis business tax due under this Chapter is due to fraud, a penalty of twenty-five percent (25%) of the amount of the tax shall be added thereto in addition to penalties and interest otherwise payable under this Chapter and any other penalties allowed by law.

B. The notice of assessment shall separately set forth the amount of any tax known by the Tax Administrator to be due or estimated by the Tax Administrator, after consideration of all information within the Tax Administrator's knowledge concerning the business and activities of the person assessed, to be due under each applicable provision of this Chapter and shall include the amount of any penalties or interest accrued on each amount to the date of the notice of assessment.

5.38.240 Tax assessment - notice requirements.

The notice of assessment shall be served upon the person either by personal delivery, by overnight delivery by a nationally-recognized courier service, or by a deposit of the notice in the United States mail, postage prepaid thereon, addressed to the person at the address of the location of the business or to such other address as he or she shall register with the Tax Administrator for the purpose of receiving notices provided under this section; or, should the person have no address registered with the Tax Administrator for such purpose, then to such person's last known address. For the purpose of Section 5.38.240, a service by overnight delivery shall be deemed to have occurred one (1) calendar day following deposit with a courier and service by mail shall be deemed to have occurred three (3) days following deposit in the United States mail.

5.38.250 Tax assessment - hearing, application and determination.

Within thirty (30) calendar days after the date of service of the notice of assessment the person may apply in writing to the Tax Administrator for a hearing on the assessment. If application for a hearing before the City is not made within the time herein prescribed, the tax assessed by the Tax Administrator shall become final and conclusive. Within thirty (30) calendar days of the receipt of any such application for hearing, the Tax Administrator shall cause the matter to be set for hearing before him or her no later than thirty (30) calendar days after the receipt of the application, unless a later date is agreed to by the Tax Administrator and the person requesting the hearing. Notice of such hearing shall be given by the Tax Administrator to the person requesting such hearing not later than five (5) calendar days prior to such hearing. At such hearing said applicant may appear and offer evidence why the assessment as made by the Tax Administrator should not be confirmed and fixed as the tax due. After such hearing the Tax Administrator shall determine and reassess (if necessary) the proper tax to be charged and shall give written notice to the person in the manner prescribed in Section 5.38.240 for giving notice of assessment.

5.38.260 Relief from taxes - disaster relief.

A. If a cannabis business is unable to comply with any tax requirement imposed under this Chapter due to a disaster, the business may notify the Tax Administrator of its inability to comply and request relief from the tax requirement. For purposes of this Chapter, "disaster" means fire, flood, storm, tidal wave, earthquake, or similar public calamity, whether or not resulting from natural causes.

B. The cannabis business shall provide any information required by the Tax Administrator including, without limitation, why relief is requested, the time period for which the relief is requested, and the reason relief is needed for the specific amount of time. The cannabis business agrees to grant the Tax Administrator or his/her designee access to the location where the cannabis business has been impacted due to a disaster.

C. The Tax Administrator, in his/her sole discretion, may provide relief from the cannabis business tax requirement for businesses whose operations have been impacted by a disaster if such tax relief does not exceed ten thousand (\$10,000) dollars. Such temporary relief may be granted for a reasonable amount of time, in the Tax Administrator's sole discretion, and the amount and duration of relief should be based upon how long it would reasonably take for the cannabis business to recover from the disaster. The Tax Administrator may require that the cannabis business follow certain conditions to receive temporary relief from the cannabis business tax requirement.

5.38.270 Conviction for violation - taxes not waived.

The conviction and punishment of any person for failure to pay the required tax shall not excuse or exempt such person from any civil action for the tax debt unpaid at the time of such conviction. No civil action shall prevent a criminal prosecution for any violation of the provisions of this Chapter or of any state law requiring the payment of all taxes.

5.38.280 Violation deemed misdemeanor.

Any person violating any of the provisions of this Chapter shall be guilty of a misdemeanor.

5.38.290 Severability.

If any provision of this Chapter, or its application to any person or circumstance, is determined by a court of competent jurisdiction to be unlawful, unenforceable or otherwise void, that determination shall have no effect on any other provision of this Chapter or the application of this Chapter to any other person or circumstance and, to that end, the provisions hereof are severable.

5.38.300 Remedies cumulative.

All remedies and penalties prescribed by this Chapter or which are available under any other provision of this code and any other provision of law or equity are cumulative. The use of one or more remedies by the City shall not bar the use of any other remedy for the purpose of enforcing the provisions of this Chapter.

5.38.310 Amendment or modification.

Except as set forth in this section 5.38.310, this Chapter may be amended or modified but not repealed by the City Council without a vote of the people. However, as required by Article XIII C of the California Constitution, voter approval is required for any amendment that would expand, extend, or increase the rate of any tax levied pursuant to this Chapter. The people of the City of Vacaville affirm that the following actions shall not constitute an increase of the rate of a tax:

A. The restoration or adjustment of the rate of the tax to a rate that is no higher than that allowed by this chapter, in those circumstances where, among others, the City Council has previously acted to reduce the rate of the tax or is incrementally implementing an increase authorized by this chapter;

B. An action that interprets or clarifies (i) the methodology of applying or calculating the tax or (ii) any definition applicable to the tax, so long as the interpretation or clarification (even if contrary to some prior interpretation or clarification) is not inconsistent with the provisions of this Chapter 5.38; or

C. The collection of the tax imposed by this Chapter even if the City had, for some period of time, failed to collect the tax.

SECTION 2. SEVERABILITY. If any section, subsection, sentence, clause or phrase of this ordinance is for any reason held to be invalid, such decision shall not affect the validity of the remaining portions of this ordinance. The people of the City of Vacaville hereby declare that they would have passed this ordinance and each section, subsection, sentence, clause and phrase thereof, irrespective of the fact that any one or more sections, subsections, sentences, clauses, or phrases be declared invalid.

SECTION 3. ENVIRONMENTAL COMPLIANCE. The findings establishing that this Ordinance is in compliance with the California Environmental Quality Act (“CEQA”) are the same as those set forth in the City Council’s Resolution No. 2020-082 calling for an election on this Ordinance. The CEQA findings in Resolution No. 2020-082 are incorporated herein by this reference.

SECTION 4. EFFECTIVE DATE. This Ordinance relates to the levying and collecting of a City tax and shall take effect immediately. This Ordinance was approved and adopted by the People of the City of Vacaville at the City’s November 3, 2020 statewide election. This Ordinance was approved by Declaration of the vote by the City Council of the City of Vacaville on July 14, 2020.
