# **DEPARTMENTAL RECOMMENDATION:**

It is recommended that the Planning Commission consider and make a recommendation to the Board of Supervisors to adopt a permanent ordinance (Ordinance No. 2020-XXXX) amending Chapter 28 (Zoning Regulations) requiring a minor use permit rather than an administrative permit for certain types of commercial land uses, including special event facilities and hosted short-term vacation rentals, for properties served by private roads within the unincorporated territory of the County of Solano.

# SUMMARY:

On October 22, 2019, the Board of Supervisors enacted an Interim Ordinance (Ordinance No. 2019-1806) which suspended the approval of administrative permits for certain land uses located on private roads, including special event facilities and short-term vacation rentals, and instead required use permits for these land uses within the unincorporated area of Solano County. The action was for an initial term of 45 days. On November 19, 2019 and as permissible under state law, the Board adopted an ordinance (Ordinance No. 2019-1806-E1) extending this Interim Ordinance for an additional 10 months and 15 days with the future ability for a final one-year extension. A noticed public hearing was required for the extension. The Interim Ordinance was approved for a final one-year extension on October 6, 2020 and is now active through October 21, 2021.

The currently proposed permanent ordinance extension contains the same parameters as the original urgency ordinance. This includes provision to ensure that access to businesses, limited special events, special events facilities and short-term vacation rentals meet current County road standards for emergency vehicle access and thus eliminating threats to the public health, safety, and welfare. The ordinance does not prohibit uses. It does modify permitting requirements to allow for public participation and flexibility to add conditions to address unique site issues or neighborhood concerns for the use to occur. Upon the effective date of the permanent ordinance change, the urgency ordinance would expire.

# FINANCIAL IMPACT:

The costs associated with preparing the agenda item and permanent ordinance are nominal and absorbed by the Department's FY2020/21 Adopted Budget.

#### DISCUSSION:

Chapter 28 of the Solano County Code (Zoning Regulations) was amended in 2010 to allow for the issuance of an administrative permit for certain land uses allowed by right within various

zoning districts. This amendment allowed an administrative permit rather than a use permit to be issued for certain specified land uses within a zoning district provided that all applicable standards and requirements related to the use were met prior to commencement of the use. In 2012, the types of uses allowed through an administrative permit rather than a discretionary use permit were expanded and included certain types of event venues. With adoption of the Short-term Vacation Rental Ordinance, Hosted Short-term Vacation rentals were also included in the administrative permit category.

In general, the administrative permit process has been effective in streamlining the permit process. Under the terms of the proposed permanent ordinance, there is minimal impact on most administrative permit categories and uses and such permits will continue to be available to prospective applicants. The exception is administrative permit proposals where a private road is necessary to provide access for the proposed use. In those situations, the impact of certain types of uses such as event centers can cause traffic and related impacts on other neighbors who also share the private road. There are also cases where private roads do not meet County road standards and are not suitable for higher traffic volumes. Requiring a use permit rather than an administrative permit in those situations provides an opportunity for all property owners utilizing the private road to participate in the decision-making process and consideration of conditions prior to approval of the permit.

Requiring a use permit does provide flexibility to address issues that might arise in the review of the application. Under an administrative permit, a proposal must meet all the standards established by ordinance and there is no ability to add conditions of approval. Under a use permit, conditions can be applied which allows flexibility in addressing variables that may apply to a specific site or to address concerns that might arise in evaluating an application. A use permit also includes legal findings that give the County the necessary discretion to not approve an application where there are unresolvable issues such as incompatibility with a neighborhood. This is important in cases where there may be disputes over use of a private road.

# **GENERAL PLAN CONSISTENCY:**

The proposed ordinance is consistent with the 2008 Solano County General Plan (Plan) in that the various land uses authorized by the ordinance are compatible with the objectives, policies, general land uses, and programs specified in the plan.

# **ENVIRONMENTAL ANALYSIS:**

Staff is recommending that the Planning Commission consider and recommend that this proposed ordinance is exempt from the requirements of CEQA under the "general rule" exemption since this ordinance is a set of technical adjustments and corrections which do not alter prior regulations for intensity or location of development or any other physical alterations to the environment.

# **PUBLIC HEARING NOTICE:**

In accordance with Solano County Zoning Regulations, notice of a public hearing was published at least 15 days before the scheduled hearing in the local newspapers.

# ALTERNATIVES:

The Board may choose to not approve the permanent ordinance. This is not recommended as there are recent examples where the urgency ordinance has proven effective in addressing uses proposed on private roads that were incompatible with the neighborhood.

# **OTHER AGENCY INVOLVEMENT:**

County Counsel assisted in development of the ordinance.

# SECTION II

The following definitions are added or revised, in alphabetical order, to Section 28.01 of Chapter 28 of the Solano County Code:

Limited public event. A carnival, festival, fair, or other similar event, not requiring the construction of permanent structures, and not directly related to agricultural products produced on the property or in the area.

**Special events** or special events facility. A facility offered for use by third parties for hire for the conduct of primarily social gatherings or similar types of events. A special events facility must include permanent restroom facilities and may include food preparation facilities as well as overnight lodging facilities for event attendees, limited to no more than five guest rooms. A special events facility may be either a single-purpose facility or a secondary use of another type of facility, such as an agricultural processing facility or a winery. When a special events facility is a secondary use, events conducted by the facility operator as part of the primary use of the facility and that are directly related to products sourced from that operation, such as marketing or promotional events, are not special events being conducted as a secondary use of the facility.

**Special events facility, small**. A special events facility at which events are conducted not more than six times per calendar year, and at which not more than 150 people are in attendance, including hosts, guests, and supporting staff.

**Special events facility, medium**. A special events facility at which events are conducted more than six but not more than twelve times per calendar year, and at which not more than 150 people are in attendance, including hosts, guests, and supporting staff.

**Special events facility, large**. A special events facility at which events are conducted either more than twelve times per calendar year or at which more than 150 people are in attendance, including hosts, guests, and supporting staff, at any event.

# ORDINANCE NO. 2020 – \_\_\_\_\_

# AN ORDINANCE AMENDING CHAPTER 28 (ZONING REGULATIONS) OF THE SOLANO COUNTY CODE TO REVISE AND UPDATE LAND USE PERMIT REQUIREMENTS FOR CERTAIN COMMERCIAL USES ON PROPERTIES SERVED BY PRIVATE ROADS

The Board of Supervisors of the County of Solano ordains as follows:

SECTION 1 Findings and Purpose

[add either before or after PC hearing]

#### SECTION II

The following definitions are added or revised, in alphabetical order, to Section 28.01 of Chapter 28 of the Solano County Code:

**Limited public event**. A carnival, festival, fair, or other similar event, not requiring the construction of permanent structures, and not directly related to agricultural products produced on the property or in the area.

**Special events facility**. A facility offered for use by third parties for hire for the conduct of primarily social gatherings or similar types of events. A special events facility must include permanent restroom facilities and may include food preparation facilities as well as overnight lodging facilities for event attendees, limited to no more than five guest rooms. A special events facility may be either a single-purpose facility or a secondary use of another type of facility, such as an agricultural processing facility or a winery. When a special events facility is a secondary use, events conducted by the facility operator as part of the primary use of the facility and that are directly related to products sourced from that operation, such as marketing or promotional events, are not special events being conducted as a secondary use of the facility.

**Special events facility, small**. A special events facility at which events are conducted not more than six times per calendar year, and at which not more than 150 people are in attendance, including hosts, guests, and supporting staff.

<u>Special events facility, medium</u>. A special events facility at which events are conducted more than six but not more than twelve times per calendar year, and at which not more than 150 people are in attendance, including hosts, guests, and supporting staff.

**Special events facility, large**. A special events facility at which events are conducted either more than twelve times per calendar year or at which more than 150 people are in attendance, including hosts, guests, and supporting staff, at any event.
