# VOTING OPTIONS FOR ALL VOTERS

In an effort to reduce the impact of the Coronavirus spread, the Solano County Registrar of Voters has prepared several voting options for all voters. You have received a vote-by-mail ballot for the election in this packet.

Below is a description of the different options you have for voting to help provide a safe voting environment for all voters, our staff, and our community partners:

## **No Contact Voting:**

As an option to in-person voting, all voters can vote from the safety of your home, using the enclosed ballot. Ballots can be returned to our office in one of three manners:

### **Ballot Drop-Off:**

Starting 29-days before the election through Election Day - Drop-off times and locations are identified on the next page (drop box is inside an office building).

### **Curbside Drop-Off:**

Starting 5-days before the election through Election Day - Curbside drop-off times and locations are identified on the next page (stay in your vehicle, hand ballot to poll workers).

### **Election Day Drop-Off:**

Election Day (1 day) - Poll Place drop-off locations are available on Election day- all locations are open 7am to 8pm.

All ballots must be received or post-marked by election day. All postage is paid by the Registrar of Voters Office for voters mailing ballots back to our office. Voters do not have to vote this ballot, and can still choose to vote in-person using one of the options listed below.

## **Limited Contact Voting:**

At your assigned poll place, all voters can request to vote "curbside" from the comfort of your vehicle. Look for the blue cone outside of your polling place, and call the number listed on the cone. Poll workers will come out to your car with your ballot and will securely deposit it for you.

This same curbside option is available if you want to drop off your Vote by Mail ballot. It may be preferable for you to remain in your vehicle and we support that option.

## **In-Person Voting:**

Traditional polling places are still available. Your assigned location is included on the cover sheet with your official ballot. Some voters may experience additional wait times due to the need to provide social distancing within the voting location. Please be prepared: it may take longer than usual to vote at your polling place.

### **COVID-19 INFO:**

#### **Poll Workers and Staff:**

All poll workers will be provided masks and shields, additionally the Registrar of Voters will provide gloves, hand sanitizer, and disinfecting wipes.

#### **Voters:**

Voters may be asked to wear face coverings if required by state law. Face coverings will be provided to any voter requesting/needing one. Hand sanitizer and disposable pens will be provided to all voters. Voters without face coverings may vote from the safety of their vehicles as described above.

The Registrar of Voters encourages all citizens to follow the mandated health requirements to help protect our staff and community partners. Without our staff and volunteers we cannot successfully execute an election! Please help us minimize the risk to those helping to administer your voting rights!

The following pages outline the specific addresses, dates and hours available for each of the options on this page.

**STATEMENT OF CANDIDATE FOR  
MEMBER OF THE STATE ASSEMBLY, DISTRICT 11**

**LORI D. WILSON**

**Education and Qualification:** We've been through so much upheaval over the last two years between the fires and the pandemic.

As Mayor of Suisun City, I've worked hard to keep our communities safe by bringing in free COVID-19 testing and supporting housing for the homeless to battle exposure to COVID.

During the devastating fire season, I helped to set up a community center to house those evacuating from the LNU Lightning Complex fires, personally securing cots so 160 at-risk senior citizens had a place to sleep.

Elected to the Suisun City Council in 2012, I became the first Black female Mayor to serve in all of Solano County in 2018. I've worked tirelessly to bring new businesses and development to Suisun City. I've helped to make Suisun City a welcoming and safe place.

In the Assembly, I'll hit the ground running. I hold a Bachelor of Science degree in Business Administration from CSU, Sacramento. In my day job, I've worked as Director of Finance for national homebuilders for over 10 years, so I understand how to trim the fat and make budgets work.

**Educación y Competencia:** Hemos sufrido muchos trastornos en los últimos dos años entre los incendios y la pandemia.

Como Alcaldesa de la Ciudad de Suisun, he trabajado duro para mantener seguras a nuestras comunidades trayendo pruebas gratuitas de COVID-19 y apoyando viviendas para las personas sin hogar a fin de combatir la exposición al COVID.

Durante la devastadora temporada de incendios, ayudé a crear un centro comunitario para alojar a los evacuados del Complejo LNU Lightning a causa de los incendios, obteniendo personalmente catres para que 160 personas de la tercera edad en riesgo tuvieran un lugar donde dormir.

En 2012 fui elegida para el Concejo Municipal de Suisun, en 2018 me convertí en la primera Alcaldesa de raza Negra en servir en todo el Condado de Solano. He trabajado incansablemente para traer nuevos negocios y urbanización a la Ciudad de Suisun. He ayudado a hacer de la Ciudad de Suisun un lugar acogedor y seguro.

En la Asamblea, arrancaré a toda marcha. Tengo un título de Licenciatura en Administración de Empresas de CSU (Universidad Estatal de California), Sacramento. En mi trabajo diario, he trabajado como Directora de Finanzas para los constructores de viviendas nacionales durante más de 10 años, por lo que entiendo cómo recortar los excesos de gastos y hacer que los presupuestos funcionen.
