**DISCUSSION:**

A. Attendance and Revenue Summary: Information regarding attendance and revenue will be discussed.

B. Status Update:

Lake Solano Park: Fire Damaged retaining walls and fire suppression building have been rebuilt and are functioning. Nature Center is open for staff to fully occupy; they are beginning preparations to reopen for public access. All other related projects are in process.

Software updates are in process. The current online reservation/accounting system is being upgraded which will provide streamlined functions for the staff and public. Currently in beta testing and will go live to the public on April 12<sup>th</sup>.

Campground operations have been upgraded to full operations with the return of first come/first serve access in addition to the reservation system. Other operations are being looked at for streamlining as well.
