Subject: Tuition Reimbursement - Student Loan Repayment Program

6.12 ~~Tuition~~ Education Reimbursement

A. Objective

The ~~Tuition~~ Education Reimbursement Program is designed to encourage employees to continue their self-development by enrolling in classroom or online courses which will prepare them in new concepts and methods needed to meet the changing demands of County services.

The Education Reimbursement Program is also available to assist employees in repaying student loans associated with acquiring required or preferred academic degrees, licenses, and/or certifications for their classification.

Prior to July 1, 2023, the County shall develop a policy and procedure for the Student Loan Repayment Program, which shall be subject to meet and confer upon the request of the Union.

B. Eligibility of Employees for Tuition Reimbursement

Only full-time employees filling regular positions, on other than a limited-term basis, who have completed their initial County probationary period and who are performing their jobs satisfactorily are eligible to participate in the Tuition Reimbursement Program. Employees in Federally funded, limited-term positions are eligible to participate in the program provided such reimbursement can be provided by Federal funds. Employees are not eligible for reimbursement if their educational costs are being defrayed by another agency such as the U.S. Veterans' Administration, the California State Department of Veteran's Affairs or the Commission on Peace Officer Standards and Training.

Part time employees are eligible after 5 years of continuous employment. Part time employees shall not be eligible for County time off under this program; however, they shall be entitled to reimbursement up to the maximum prorated amount in proportion to the relationship their basic workweek bears to forty (40) hours.

C. Policy for ~~Tuition~~ Education Reimbursement

1. Courses must be related to the work of the employee's position, career development or occupation in such a fashion as will offer substantial benefit to the County.

2. Courses which are directly related to the employee's work may be taken on not more than 50% of the County's time. Employees taking approved courses which encroach on their scheduled working hours may be granted paid time off for such encroaching hours up to a total maximum amount of paid time off from work equal to 50% of the class time. Courses not directly related to the employee's work, such as career development, shall be on the employee's own time.
1. Courses must be taken for credit; audited courses will not be reimbursed.
2. Courses must be taken at accredited institutions. Correspondence courses from reputable institutions will be considered only when equivalent courses are not available at local accredited schools, or when the employee's circumstances prevent him/her from attending local courses.
3. Prerequisite courses for eligible courses or courses which are required for the completion of a specific program are also eligible for tuition reimbursement. However, reimbursement shall not be made until the appropriate eligible courses have been satisfactorily completed.
4. Courses are not eligible for tuition reimbursement if they:
 - a. Are taken to bring unsatisfactory performance up to an acceptable level, unless the course is directed to correct a deficiency.
 - b. Are taken to acquire skills or knowledge which the employee was deemed to have when appointed.
 - c. Duplicate in-services training which is available.
 - d. Duplicate training which the employee has already had.
5. Conventions, workshops, institutes, etc., are not included in the Tuition Reimbursement Program.
6. Reimbursement shall be subject to certification by the department concerned that the course of study is directly related to the work of an employee.
9. Requests for reimbursement must be approved before the course is undertaken and such approval shall be subject to the availability of funds for tuition reimbursement within the Department of Human Resources.
10. Reimbursement shall be made only upon presentation of evidence of payment for and successful completion of courses (as evidenced by a passing grade) and a satisfactory (standard or above) current performance evaluation. The request must be submitted within the same fiscal year the

course was completed.

D. Nature of Reimbursement

1. Reimbursement may be made in the amount of fifty percent (50%) of actual out-of-pocket expenditures for tuition, registration fees, laboratory fees and required textbooks. Other related expenses and incidental costs are not reimbursable.
7. Reimbursement shall be limited as follows:
 - a. No employee shall be reimbursed for more than two (2) courses in a single semester or quarter.
 - b. The maximum reimbursement that may be received by an employee in one fiscal year shall be two thousand (\$2,000.00) dollars.

 - d. No employee shall be reimbursed for non-resident fees above the normal resident fees.

B. Procedure for Tuition Reimbursement

1. The employee shall submit his/her request to their department head who shall either recommend approval of the request or deny it, based on the criteria set forth in this policy. If the department head recommends approval, he/she shall forward the application to the Director of Human Resources or his/her designee.
2. The employee shall apply for Tuition Reimbursement through such supervisory channels as are designated by the head of his/her department, on forms provided by the Director of Human Resources or his/her designee.
3. An employee may appeal denial of the request by the department head to the Director of Human Resources or his/her designee and the director of Human Resources' or his/her designee's decision (unless the reason for denial is a lack of funds) to the grievance procedure provided in this MOU.
4. Upon completion of an approved course, the employee shall request the institution to certify fees paid and grade achieved, and to send certification to the Human Resources Department. The employee shall also present evidence of payment of required textbook costs.

5. The department head may require that the employee evaluate the course in writing and forward such evaluation to the Human Resources Department through normal supervisory channels.

C. Student Loan Repayment Option

1. Subject to review and approval by the Department Head, employees shall be eligible for student loan repayment reimbursement for debt accrued in acquiring required or preferred academic degrees and/or certifications.
2. Employees must submit proof of student loan repayment to be eligible for up to two thousand dollars (\$2000) in reimbursement each fiscal year.
3. The County and Union shall meet and confer to develop criteria and procedures for implementing the Student Loan Repayment Option under the Education Reimbursement Program.

D. Continued Services Requirement

An employee must continue in a full time, regular position in the County service for one (1) year from the date of completion of the course. Failure to continue in the County service, through resignation or discharge, will result in the forfeiture of any tuition reimbursement payments received less than one (1) year prior to separation. In such situation, the Association agrees that the Auditor-Controller is authorized to make a deduction from the employee's final payroll warrant for the appropriate amount of tuition reimbursement to be forfeited.
