VOTING OPTIONS FOR ALL VOTERS

In an effort to provide a safe voting environment, the Solano County Registrar of Voters has prepared several voting options for all voters. You have received a Vote by Mail ballot for the election in this packet.

Below is a description of the different options you have for voting to help provide a safe voting environment for all voters, our staff, and our community partners:

No Contact Voting:

As an option to in-person voting, all voters can vote from the safety of your home, using the enclosed ballot. Ballots can be returned to our office in one of three manners:

Ballot Drop-Off:

Starting 29-days before the election through Election Day - Drop-off times and locations are identified on the next page (drop box is inside an office building).

Curbside Drop-Off:

Starting 5-days before the election through Election Day - Curbside drop-off times and locations are identified on the next page (stay in your vehicle, hand ballot to poll workers).

Election Day Drop-Off:

Election Day (1-day) - Poll Place drop-off locations are available on Election Day- all locations are open 7a.m. to 8p.m.

All ballots must be received or post-marked by Election Day. All postage is paid by the Registrar of Voters Office for voters mailing ballots back to our office. Voters do not have to vote this ballot, and can still choose to vote in-person using one of the options listed below.

Limited Contact Voting:

At your assigned poll place, all voters can request to vote "curbside" from the comfort of your vehicle. Look for the blue cone outside of your polling place, and call the number listed on the cone. Poll workers will come out to your vehicle with your ballot and will securely deposit it for you.

This same curbside option is available if you want to drop off your Vote by Mail ballot. It may be preferable for you to remain in your vehicle and we support that option.

In-Person Voting:

Traditional polling places are still available. Your assigned location is included on the cover sheet with your official ballot. Some voters may experience additional wait times due to the need to provide social distancing within the voting location. Please be prepared: it may take longer than usual to vote at your polling place.

COVID-19 INFO:

Poll Workers and Staff:

All poll workers will be provided masks and shields, additionally the Registrar of Voters will provide gloves, hand sanitizer, and disinfecting wipes.

Voters:

Face coverings will be provided to any voter requesting/needing one. Hand sanitizer and disposable pens will be provided to all voters. Voters without face coverings may vote from the safety of their vehicles as described above.

The Registrar of Voters encourages all citizens to follow the mandated health requirements to help protect our staff and community partners. Without our staff and volunteers we cannot successfully execute an election! Please help us minimize the risk to those helping to administer your voting rights!

The following pages outline the specific addresses, dates and hours available for each of the options on this page.

WHAT OFFICES ARE ON THE BALLOT FOR THIS ELECTION?

In the November Statewide General Election, all voters receive the same ballot, no matter what political party you are registered with (or if you have no party preference). The address where you are registered to vote determines which local contests are on your ballot.

In the June Primary Election, all Californians were able to vote to decide which candidates for federal and state offices moved on to the November General Election. You will see two different types of primaries: **Nominated by Voters**, and **Local Nonpartisan**.

California Top-Two Primary Nominated by Voters

Nonpartisan Candidates

- U.S. Senator
- U.S. Representative
- Governor
- Lieutenant Governor
- Secretary of State
- Controller
- Treasurer
- Attorney General
- Insurance Commissioner
- Board of Equalization
- State Assembly
- State Superintendent of Public Instruction

- County Supervisor*
- School Boards*
- Special District Boards*
- Municipal Offices*

The top two candidates—the ones with the most votes—move to the General Election.

If a candidate for these local offices received at least 50% plus 1 vote in the Primary, they are elected and are not in the General Election.

If no candidate won by a majority, the two candidates with the most votes are on the ballot.

There is no write-in for these offices.

You can write-in a qualified candidate for these offices.

The candidates' party preference (or "None") **always** appears on the ballot.

The candidates' party preference **never** appears on the ballot.

Both candidates on the ballot may have the same party preference.

* Not all districts have an election.

On June 8, 2010, California voters approved the Top-Two Open Primary Act (Proposition 14).

**STATEMENT OF CANDIDATE FOR
UNITED STATES REPRESENTATIVE IN CONGRESS, DISTRICT 8**

JOHN GARAMENDI

Occupation: Member of Congress

Education and Qualifications: I get things done for Solano County. As your Congressman, I fight for good jobs, good schools, good healthcare, and a good future.

The economy can't move if people can't move. I helped design and pass the Bipartisan Infrastructure Law to create jobs in Solano County. We'll upgrade I-80, rebuild highway 37, improve public transportation and water supply, and build green energy systems with American materials and workers.

As Chair of the Armed Services Readiness Subcommittee, I've secured \$440 million to upgrade Travis Air Force Base, guaranteeing the future of the base and its jobs.

I'll never forget our Veterans. In Congress, we've tripled funding for vets and passed the toxic burn pits act. We're building new VA medical facilities and expanding veteran healthcare services.

The middle class is America's backbone. That's why I support the Inflation Reduction Act, which lowers healthcare costs, allows Medicare to negotiate drug prices, decreases home energy costs, invests in environmental and economic justice, and expands solar, wind, and battery production

Healthcare is a right. As California's Insurance Commissioner, I designed America's first single-payer universal healthcare legislation. I lowered home and auto insurance rates, and stopped discriminatory redlining. I support Medicare for All.

Congress must pass a new voting rights law and legislation to provide universal child care, preschool, and paid family leave.

Experience matters. I would be honored to have your support to keep fighting for you in Congress.

**DECLARACIÓN DE CANDIDATO PARA
REPRESENTANTE DE LOS ESTADOS UNIDOS EN EL CONGRESO, DISTRITO 8**

JOHN GARAMENDI

Ocupación: Miembro del Congreso

Educación y Competencia: Logro que las cosas se hagan para el Condado de Solano. Como su Congresista luché por buenos empleos, buenas escuelas, buen cuidado de la salud y un buen futuro.

La economía no puede moverse si la gente no puede moverse. Ayudé a diseñar y aprobar la Ley Bipartidista de Infraestructura para crear puestos de trabajo en el Condado de Solano. Mejoraremos la I-80, reconstruiremos la autopista 37, mejoraremos el transporte público y el suministro de agua y construiremos sistemas de energía ecológica con materiales y trabajadores estadounidenses.

Como Presidente del Subcomité de Preparación de las Fuerzas Armadas, he obtenido \$440 millones para mejorar la Base Travis de la Fuerza Aérea, garantizando el futuro de la base y sus puestos de trabajo.

Nunca olvidaré a nuestros Veteranos. En el Congreso, hemos triplicado los fondos para los veteranos y hemos aprobado la ley de fosas tóxicas. Estamos construyendo nuevas instalaciones médicas para la Administración de Veteranos y ampliando los servicios de cuidados de la salud para los veteranos.

La clase media es la columna vertebral de Estados Unidos. Es por este motivo que apoyo la Ley de Reducción de la Inflación, que reduce los costos de cuidados de la salud, permite a Medicare negociar los precios de los medicamentos, disminuye los costos de la energía para los hogares, invierte en la justicia medioambiental y económica, y amplía la producción de energía solar, eólica y de baterías

El cuidado de la salud es un derecho. Como Comisionado de Seguros de California, diseñé la primera legislación de asistencia sanitaria universal de pago único de Estados Unidos. Reduje las tarifas de los seguros del hogar y de los automóviles, y puse fin a las prácticas discriminatorias. Apoyo Medicare para Todos.

El Congreso debe aprobar una nueva ley sobre el derecho al voto y una legislación que proporcione atención infantil universal, educación preescolar y licencias familiares remuneradas.

La experiencia importa. Sería un honor contar con su apoyo para seguir luchando por usted en el Congreso.

**PAHAYAG NG KANDIDATO PARA
KINATAWAN NG ESTADOS UNIDOS SA KONGRESO, DISTRITO 8**

JOHN GARAMENDI

Trabaho: Miyembro ng Kongreso

Edukasyon at Kuwalipikasyon: Nagagawa ko ang mga bagay para sa County ng Solano. Bilang inyong Kongresista, lumalaban ako para sa magagandang trabaho, magagandang paaralan, magandang pangangalagang pangkalusugan, at magandang hinaharap.

Ang ekonomiya ay hindi makakasulong kung ang mga tao ay hindi makakasulong. Tumulong akong idisenyo at ipasa ang Dalawang Partidong Batas sa Impra-istruktura upang lumikha ng mga trabaho sa County ng Solano. Pagagandahin natin ang kalagayan ng I-80, muling itatayo ang highway 37, pahuhusayin ang suplay ng tubig, at itatayo ang mga sistema ng luntiang enerhiya sa pamamagitan ng mga materyal at manggagawa Amerikano.

Bilang Tagapangulo ng Subkomite sa Kahandaan ng Sandatahang mga Serbisyo, nakakuha ako ng \$440 milyon upang pagandahin ang Travis Air Force Base, iginagarantiya ang kinabukasan ng base at ng mga trabaho nito.

Hindi ko kailimutan ang ating mga Beterano. Sa Kongreso, natriple namin ang pagpopondo para sa mga beterano at ipinasa ang batas sa nakakalasang burn pits. Nagtatayo tayo ng mga bagong pasilidad na medikal ng VA at nagpapalawak ng mga serbisyo sa pangangalagang pangkalusugan ng beterano.

Ang gitnang uri ay gulugod ng Amerika. Iyon ang dahilan kung bakit sinusupportahan ko ang Batas sa Pagbawas ng Implasyon, na nagbababa ng mga gastos sa pangangalagang pangkalusugan, nagpapahintulot sa Medicare upang isailalim sa negosasyon ang mga preeyo ng gamot, nagbabawas ng mga gastos sa enerhiya sa bahay, namumuhunan at hustisyang pangkapaligiran at pangkabuhayan, at nagpapalawak ng paglikhang kaugnay ng araw, hangin, at baterya

Ang pangangalagang pangkalusugan ay isang karapatan. Bilang Komisyoner ng Seguro ng California, idinisenyo ko ang kauna-unahang batas na nag-iisang tagabayad sa panlahat ng pangangalagang pangkalusugan. Ibinaba ko ang mga halaga ng seguro sa bahay at awto, at pinatigil ang nagdidiskriminang pagkakait ng serbisyo sa lugar ng mahihirap. Sinusuportahan ko ang Medicare para sa Lahat.

Ang Kongreso ay dapat magpasa ng isang bagong batas sa pagboto at batas upang magkaloob ng panlahat na pag-alaga sa bata, preschool, binabayaran na pampamilyang bakasyon.

Mahalaga ang karanasan. Ikararantal kong makuha ang inyong suporta upang manatiling lumalaban para sa inyo sa Kongreso.

RUDY RECILE

AGE: 54

Occupation: Retired-Military/Small-Business-Owner

Education and Qualifications: Hello, fellow Americans! I'm a proud Retired US Army Major, former US Department of Agriculture employee and owner of a small web design company. My family made Solano County our home for the past 16 years and hopefully for many years to come. My platform issues include energy independence for America, supporting the Bill of Rights, tax dollars accountability, public safety, support for veterans, California's environmental-water issues and quality education. I support successful public schools and I believe in equality of opportunity, where parents in every neighborhood should be free to send their children to a public, private, or charter school if they choose. I'm President of a children's education non-profit organization, and serve as treasurer for a Veterans of Foreign Wars Post. I volunteer with community organizations at monthly meetings, voter registration drives and other events. I served as a logistics officer at the Pentagon in Washington DC, interacting with staff and agencies in the highest levels of the military. I became savvy with the inner workings of various agencies, and how to successfully accomplish the mission. During the 2020 election cycle, I wasn't pleased with what I witnessed. I decided to run for congress because my 33 years of service to the United States has well prepared me to immediately serve you in Congress. I am on a mission to restore our country with new blood and fresh ideas. "Ang Inyong Lingkod" (At Your Service), Rudy

Apoyo a las escuelas públicas exitosas y creo en la igualdad de oportunidades, donde los padres de todos los vecindarios deberían ser libres de enviar a sus hijos a una escuela pública, privada o autónoma si así lo desean. Occupation: Assemblymember, 11th District

Education and Qualifications: In April, I was proudly serving as Suisun City's Mayor when the voters of the 11th Assembly District gave me the honor of serving out the remaining term of Assemblymember Jim Frazier – and I'm proud to have his endorsement.

Now, I'm asking for your support to allow me to represent you in the newly drawn Assembly District 11.

As promised, I hit the ground running fighting for issues you care about.

Homelessness: Securing funding for transitional shelters with wraparound services.

Jobs: Attracting new businesses to our communities to create jobs.

Healthcare: Fighting to expand healthcare options and improve our commitment to mental health services.

Education: I support increased accountability and transparency in schools, higher funding to improve student-teacher ratios, and making sure schools are staffed with nurses to keep students safe and healthy.

Inflation: I voted for the Middle Class Tax Refund to help Californians like you get through tough times by putting \$400 to \$700 in your pocket to fight inflation spurred by rising gas prices.

I'm using my degree in Business Administration and years of experience overseeing financial operations to trim the fat and make sure California's budget works for you!

I'm married to my high school sweetheart, retired Air Force Reserve Technical Sergeant Chavares Wilson. We have two sons, Tyler and Kiren, and a daughter-in-law, Brittny.

**STATEMENT OF CANDIDATE FOR
MEMBER OF THE STATE ASSEMBLY, DISTRICT 11**

JENNY LEILANI CALLISON

AGE: 37

Occupation: Veteran, Legislative Consultant, Mother

Education and Qualifications: As a mother, United States Army Veteran, and native Californian - I am running to represent California State Assembly, District 11, to advocate on your behalf. I am passionate about improving the quality of life in our state to ensure a healthy and fulfilling future for the next generation.

For the previous ten years I worked for the California State Assembly, Veterans Affairs Committee. During that time I aided in drafting policy, analyzing potential legislation, and advocating for veterans, active duty military, and their families. As an Assemblymember, I will continue to build on that experience and those relationships to equip our veterans and the people of Assembly District 11 with the resources and tools needed to succeed.

I believe that the American Dream offers each generation the opportunity to do better than the next. I see my parents live that dream, and I live that dream thanks to them and their experiences. Today's generation is held back from that dream. There are too few housing options, and it is too expensive to start and run a business. My plan is to help small businesses succeed so they can create fulfilling employment for others, and to examine regulations that restrict the housing market.

With the right policy changes to make Californians lives easier, the American Dream can be yours.

I humbly ask for confidence and your vote.

**STATEMENT OF CANDIDATE FOR
MEMBER OF THE GOVERNING BOARD
Fairfield-Suisun Unified School District, Trustee Area No. 5**

JACK FLYNN

Occupation: Student/Hospitality Associate

Education and Qualifications: I'm running for the Fairfield-Suisun Unified School District Governing Board because I want to ensure our students receive the finest public education possible. I will be a board member who listens to our community and makes sure that all community members and educational partners are valued.

Our schools are our greatest investment in creating college and career ready students prepared to succeed in an ever-changing world. I'm a lifelong Suisun City resident, graduate of Fairfield-Suisun schools, and passionate advocate for well-funded community schools. I served as a Student Trustee on the Solano Community College District Governing Board where I voted to keep students and teachers safe from COVID-19 and construct new facilities to ensure our students were learning in modern classrooms. As a student trustee on the Solano Community College District Governing Board, I declined my stipend to save taxpayers money.

I fundamentally believe politics can truly make a real difference in the lives of people. First Lady Eleanor Roosevelt once said, "The future belongs to those who believe in the beauty of their dreams". I believe that the future of the Fairfield-Suisun Unified School District belongs in the beauty of the dreams of our students, teachers, and parents. I respectfully ask for your vote.

Distrito Escolar Unificado de Fairfield-Suisun, Área Sindical N.º 5**

JACK FLYNN

Ocupación: Estudiante/Asociado de Hospital

Educación y Competencia: Me estoy postulando para la Junta Gubernativa del Distrito Escolar Unificado de Fairfield-Suisun porque quiero asegurar que nuestros estudiantes reciban la mejor educación pública posible. Soy residente de toda la vida de Suisun City, graduado de las escuelas de Fairfield-Suisun y apasionado defensor de las escuelas comunitarias bien financiadas. Serví como Síndico Estudiantil en la Junta Gubernativa del Distrito de Colegios Comunitarios de Solano, donde voté para mantener a los estudiantes y maestros a salvo del COVID-19 y construir nuevos establecimientos para asegurar que nuestros estudiantes aprendieran en aulas modernas. Como síndico estudiantil de la Junta Gubernativa del Distrito de Colegios Comunitarios de Solano, rechacé mi estipendio para ahorrar dinero a los contribuyentes.

Creo básicamente que la política puede marcar una verdadera diferencia en la vida de las personas. Creo que el futuro del Distrito Escolar Unificado de Fairfield-Suisun pertenece a la belleza de los sueños de nuestros estudiantes, maestros y padres. Respetuosamente le pido su voto.

Bilang isang estudyanteng katiwala sa Namamahalang Lupon ng Distrito ng Kolehiyo ng Komunidad ng Solano, tinanggihan ko ang bayad sa akin upang makatipid ng pera ang mga nagbabayad ng buwis.

Ako ay pundamental na naniniwala na ang pulitika ay tunay na makakagawa ng pagkakaiba sa mga buhy ng mga tao. Minsan ay sinabi ni Unang Ginang Eleanor Roosevelt, "Ang hinaharap ay para sa mga naniniwala sa kagandahan ng kanilang mga pangarap". Naniniwala ako na ang hinaharap ng Pinag-isang Distrito ng Paaralan ng Fairfield-Suisun ay nasa kagandahan ng mga pangarap ng ating mga estudyante, guro, at magulang. **STATEMENT OF CANDIDATE FOR
BOARD OF SUPERVISORS, DISTRICT 3**

CHUCK TIMM

Occupation: Fairfield City Councilmember

Education and Qualifications: Experience matters.

When Solano County is facing unprecedented challenges from factors outside of our control, experience matters.

When forced to tighten our belt during an economic downturn, while ensuring the uninterrupted flow of services, experience matters.

When balancing the need for additional housing with preserving our traditional charm and unique quality of life – and reducing traffic – experience matters.

And when tough decisions must be made – with many differing perspectives and distinct viewpoints considered – experience matters.

I've spent more than 40 years serving the people of Solano County; I've balanced municipal budgets of \$300,000,000+, and I've done it while earning the respect and support from across the political spectrum. That's why I'm supported by Senator Dodd, Sheriff Ferrara, Supervisor Spering, and a host of officials from both Republican and Democratic parties.

The unprecedented challenges we face allow for unique opportunities for our community, but identifying them takes a serious, independent-minded candidate who rejects partisan politics and divisive rhetoric in favor of doing what's best for all of us.

As your Solano County Supervisor, I pledge to put Solano first, work collaboratively to find common-sense solutions to upcoming challenges, and be 100% transparent.

I respectfully ask for – and hope to earn – your vote.

**DECLARACIÓN DE CANDIDATO PARA LA
JUNTA DE SUPERVISORES, DISTRITO 3**

CHUCK TIMM

Ocupación: Concejal de la Ciudad de Fairfield

Educación y Competencia: La experiencia importa.

Cuando el Condado de Solano enfrenta desafíos sin precedentes por factores fuera de nuestro control, la experiencia importa.

Cuando nos vemos obligados a apretarnos el cinturón durante una recesión económica, garantizando al mismo tiempo el flujo ininterrumpido de servicios, la experiencia importa.

Cuando se trata de equilibrar la necesidad de nuevas viviendas con la preservación de nuestro encanto tradicional y nuestra calidad de vida única –y la reducción del tráfico– la experiencia importa.

Y cuando hay que tomar decisiones difíciles – con muchas perspectivas diferentes y puntos de vista diversos– la experiencia importa.

He pasado más de 40 años sirviendo a la gente del Condado de Solano; he equilibrado presupuestos municipales de más de \$300,000,000, y lo he hecho ganándome el respeto y el apoyo de todo el espectro político. Por eso me apoyan el Senador Dodd, el Alguacil Ferrara, el Supervisor Spering y una gran cantidad de funcionarios de los partidos Republicano y Demócrata.

Los desafíos sin precedentes a los que nos enfrentamos ofrecen oportunidades únicas para nuestra comunidad, pero para identificarlas se necesita un candidato serio e independiente que rechace la política partidista y la retórica divisoria en favor de lo que es mejor para todos.

Como su Supervisor del Condado de Solano, me comprometo a poner a Solano en primer lugar, trabajar en colaboración para encontrar soluciones de sentido común a los próximos desafíos, y ser 100% transparente.

Pido respetuosamente – y espero ganarme – su voto.

**PAHAYAG NG KANDIDATO PARA SA
LUPON NG MGA SUPERBISOR, DISTRITO 3**

WANDA WILLIAMS

Trabaho: Miyembro ng Konseho ng Suisun City

Edukasyon at Kuwalipikasyon: Bilang Superbisor, unahin ko ang mga tao. Nalampasan ko ang mga hadlang noong bata pa at nagsimulang magtrabaho sa edad na 15 upang makatulong sa aking pamilya. Ako at ang aking asawa ay nagpalaki ng tatlong anak, at inalagaan ko ang aming dalawang anak na lalaki na dumanas ng pangmatagalang nagpapahinang mga sakit. Mula nang pumanaw sila, masipag akong nagtrabaho, tumanggap ng mga digri mula sa Kolehiyo ng Komunidad ng Solano at UC Davis, , at naging isang aktibistang pangkomunidad, Tagapamahala ng Solano Land Trust Project, at Miyembro ng Konseho ng Suisun City.

Sa Konseho ng Suisun City, tinupad ko ang aking mga pangako na pahasayin ang mga serbisyo ng pulis at bumbero, lumikha ng isang malinaw na City Hall, at muling pinasigla ang ating ekonomiya. Sinimulan ko ang ating Patakaran na Mabuting Kapitbahay, nagbibigay sa mga komunidad ng isang mas malakas na tinig sa pagpapaunlad ng pabahay at negosyo. Nakapaghatid ako para sa Suisun City, at nangangako na masipag ding magtatrabaho para sa County ng Solano.

Magtatrabaho ako sa antas ng county upang tugunan ang krisis ng kawalan ng tirahan sa ating rehiyon at paramihin ang lakas paggawa at abot-kayang pabahay para sa mga nakatatanda at nagtatrabahong pamilya. Ako ay susuporta sa agrikultura, Travis Air Force Base, at mga negosyong nagkakaloob ng mga trabahong mahusay magpasuweldo sa County ng Solano.

Samahan ang Partidong Demokratiko ng County ng Solano, ang Sierra Club, ang Komite sa Maaayos na Pagyabong ng County ng Solano, ang Sentral na Konseho ng Paggawa ng Napa-Solano, sina Kongresista John Garamendi, Ingat-yaman ng Estado Fiona Ma, at Dating Alkalde ng Suisun City Pete Sanchez. MAYOR
City of Fairfield**

CHAUNCEY BANKS
Occupation:

AGE: 55

Education and Qualifications: I have lived in Fairfield my entire life, graduating from Armijo High School and earning an A.S. Degree in Healthcare Management. I have witnessed the decline of Fairfield over the last 30-years and have seen virtually no growth in so many areas. Economic stimulation and growth opportunities will bring in a fresh source of revenue creating more jobs allowing Fairfield to reach new economic heights.

If I'm elected, I will work closely with our City Planning Commission, developers, and new companies looking to make a home in Fairfield for their business. The youth of Fairfield is also a main concern I will address as Mayor. We need to create safe places for our youth to go, venues for them to participate in sports, employment development, and training opportunities.

Without enough funding for more family recreation facilities, we will continue to see violence, drugs and alcohol as an issue in our city. I will work very hard to help to develop programs and opportunities for people in our community including our homeless population.

I love this city and will be presenting my 10-Point Blueprint for Change-Now as a roadmap to a prosperous and progressive future for Fairfield going forward.

**DECLARACIÓN DE CANDIDATO PARA

CHAUNCEY BANKS
Ocupación:

EDAD: 55

Educación y Competencia: He vivido en Fairfield toda mi vida, me gradué de la Escuela Secundaria Armijo y obtuve una Licenciatura en Administración de Cuidados de la Salud. He sido testigo del declive de Fairfield en los últimos 30 años y no he visto prácticamente ningún tipo de crecimiento en muchas áreas. El estímulo económico y las oportunidades de crecimiento aportarán una nueva fuente de ingresos que creará más puestos de trabajo y permitirá a Fairfield alcanzar nuevos logros económicos.

Si me elige, trabajaré de cerca con la Comisión de Planificación Municipal, con los urbanizadores y con las nuevas compañías que deseen instalarse en Fairfield para realizar actividades comerciales. La juventud de Fairfield constituye también una de las principales preocupaciones que abordaré como Alcalde. Debemos crear lugares seguros para nuestros jóvenes, sitios de participación deportiva, desarrollo de empleo y oportunidades de capacitación.

Sin el financiamiento suficiente para más establecimientos recreativos familiares, la violencia, las drogas y el alcohol seguirán siendo un problema en nuestra ciudad. Trabajaré muy arduamente para ayudar a desarrollar programas y oportunidades para la gente de nuestra comunidad, incluida la población indigente.

Amo esta ciudad y presentaré mi Plan de 10 Puntos para el Cambio Ahora a fin de que sirva como hoja de ruta para un futuro próspero y progresista para Fairfield conforme avancemos.

**PAHAYAG NG KANDIDATO PARA

CHAUNCEY BANKS
Trabaho:

EDAD: 55

Edukasyon at Kuwalipikasyon: Ako ay naninirahan sa Fairfield sa aking buong buhay, nagtapos sa Mataas na Paaralan ng Armijo at tumanggap ng A.S. ns Digri sa Pamamahala ng Pangangalagang Pangkalusugan. Nasaksihan ko ang paghina ng Fairfield sa nakalipas na 30 taon at nakita ang talagang kawalan ng pagyabong sa napakaraming lugar. Ang pagpapasiglang pangkabuhayan at mga pagkakataon sa pagyabong ay magdadala ng sariwang pinagkukunan ng kita na lillikha ng mga karagdagang trabaho na nagpapahintulot sa Fairfield na maabot ang mga bagong antas ng kabuhayan.

Kung ako ay mahalal, ako ay malapit na makikipagtulungan sa ating Komisyon ng Pagpapalano ng Lunsod, mga tagapagpaunlad, at mga bagong kompanya na naghahanap ng lugar sa Fairfield para sa kanilang negosyo. Ang mga kabataan ng Fairfield ay isa ring pangunahing inaalala na tutugunan ko bilang Alkalde. Kailangan nating lumikha ng mga ligtas na lugar para puntahan ng ating mga kabataan, mga lugar para sa kanila upang lumahok sa mga oportunidad sa palakasan, pagbuo ng trabaho, at pagsasanay.

Kung walang sapat na pagpopondo para sa mga karagdagang pasilidad na panlibangan, patuloy tayong makakakita ng karahasan, droga at alkohol bilang isyu sa ating lunsod. Ako ay masipag na magtatrabaho upang makatulong na bumuo ng mga programa at oportunidad para sa mga tao sa ating komunidad kabilang ang populasyon ng walang tirahan.

Mahal ko ang lunsod na ito at ihaharap ang aking 10-Puntong Balangkas para sa Pagbabago-Ngayon bilang mapa ng daan patungo sa isang masagana at progresibong hinaharap para sa Fairfield.

MAYOR
City of Fairfield**

CATHERINE “CAT” MOY

Occupation: Fairfield Councilwoman

Education and Qualifications: Protecting Fairfield is my top priority. That’s why neighbors and community leaders support me, not insiders.

I’ll tackle homelessness and crime with fresh policies and bold leadership.

I demanded an audit on all funds spent on homelessness in Solano County. Taxpayers paid too much and homelessness increased. Mismanagement slows Fairfield’s progress. We must focus on mental illness, addiction, or chronic homelessness will increase.

I voted against defunding 14 police officers, warning crime would increase if approved. Officers were lost and crime increased. As mayor, I’ll hire more police for our neighborhoods, like when I pushed for Cordelia’s new police substation.

I voted against cutting Fairfield’s fire services, warning of a disaster. It came and homes were lost. I voted to add a fire station, re-establish fire prevention, and pay for a fire-training tower. Fairfield is now safer and better prepared.

The Grand Jury found poor countywide planning left us vulnerable during wildfires. I’ll lead Solano’s mayors and supervisors to build a comprehensive disaster and evacuation plan.

I’ll continue to protect Suisun Valley by creating a permanent committee of farmers and residents who work to promote the region and prevent unnecessary development from threatening our crown jewel.

CATHERINE “CAT” MOY

Ocupación: Concejala de Fairfield

Educación y Competencia: Proteger a Fairfield es mi máxima prioridad. Por eso me apoyan los vecinos y los líderes de la comunidad, no los infiltrados.

Me enfrentaré a la indigencia y a la delincuencia con políticas nuevas y un liderazgo audaz.

Exigí una auditoría de todos los fondos destinados a los indigentes del Condado de Solano. Los contribuyentes pagaron demasiado y la indigencia aumentó. La administración inadecuada frena el progreso de Fairfield. Debemos centrarnos en las enfermedades mentales y las adicciones, o aumentará la indigencia crónica.

He votado en contra del desfinanciamiento de 14 oficiales de policías y advertí que el crimen aumentaría si se aprobaba. Se perdieron oficiales y aumentó el crimen. Como alcaldesa, contrataré más policías para nuestros vecindarios, del mismo modo que cuando impulsé la nueva subestación de policía de Cordelia.

He votado en contra de recortar los servicios de bomberos de Fairfield y advertí que se produciría un desastre. Sucedió y se perdieron hogares. He votado para incorporar una estación de bomberos, restablecer la prevención de incendios y pagar una torre de capacitación de bomberos. Fairfield se encuentra ahora más seguro y mejor preparado.

El Gran Jurado descubrió que la escasa planificación de todo el condado nos hizo vulnerables durante los incendios forestales. Dirigiré a los alcaldes y supervisores de Solano para que elaboren un plan integral ante desastres y de evacuación.

Seguiré protegiendo a Suisun Valley mediante la creación de un comité permanente de granjeros y residentes que trabajen para promover la región y evitar que la urbanización innecesaria amenace nuestro tesoro máspreciado.

CATHERINE “CAT” MOY

Trabaho: Konsehala ng Fairfield

Edukasyon at Kuwalipikasyon: Ang pagprotekta sa Fairfield ay aking pangunahing prioridad. Iyon ang dahilan kung bakkit ang mga kapitbahay at lider ng komunidad ay sumusuporta sa akin, hindi mga tagaloob.

Haharapin ko ang kawalan ng tirahan at krimen sa pamamagitan ng mga sariwang patakaran at matapang na pamumuno.

Humingi ako ng pagsusuri sa lahat ng pondong ginagamit sa kawalan ng tirahan sa County ng Solano. Ang mga nagbabayad ng buwis ay nagbabayad ng napakalaki at ang kawalan ng tirahan ay tumaas. Ang maling pamamahala ay nagpapabagal sa progreso ng Fairfield. Dapat tayong magpokus sa sakit sa isip, pagkasugapa, o ang patuloy na kawalan ng tirahan ay tataas.

Ako ay bumoto laban sa pagtanggap ng pondo sa 14 na opisyal ng pulisya, nagbabala na ang krimen ay tataas kung aprubahan. Nawala ang mga opisyal at ang krimen ay tumaas. Bilang alkalde, kukuha ako ng mga karagdagang pulis para sa ating mga kapitbahayan, tulad ng panahong itinutak ko ang bagong napapailalim na istasyon ng pulis ng Cordelia.

Ako ay bumoto laban sa pagputol ng mga serbisyo sa sunog ng Fairfield, nagbabala ng kalamidad. Ito ay dumating at ang mga bahay ay nawala. Ako ay bumoto upang magdagdag ng isang istasyon ng bumbero, muling itatag ang pagpigil, at magbayad para sa tore ng pagsasanay para sa sunog. Ang Fairfield ay mas ligtas ngayon at mas handa.

Napag-alaman ng Dakilang Lupon ng mga Tagahatol na ang mahinang pagpapalano sa buong estado ay iniwan tayo na madaling maapektuhan kapag may mga napakalaking sunog. Pamumunuan ko ang mga alkalde at superbisor ng Solano upang magtayo ng isang komprehensibong plano para sa kalamidad at paglikas.

Patuloy kong poprotektahan ang Suisun Valley sa pamamagitan ng paglikha ng isang permanenteng komite ng mga magsasaka at residente na nagtatrabaho upang itaguyod ang rehiyon at pigilan ang hindi kailangang pagtatayo sa pagbabanta sa ating kinikilalang hiyas.

**STATEMENT OF CANDIDATE FOR
MEMBER OF THE CITY COUNCIL
City of Fairfield, District No. 5**

DORISS PANDURO
Occupation:

Education and Qualifications: As your Fairfield City Councilmember, I've rolled up my sleeves and have been working hard to advance solutions to our most pressing issues – from affordable housing and homelessness to investments in clean energy and our youth.

In just two years on City Council, I've approved new housing that will provide an affordable place to live for seniors and working families. I helped secure a location for a new First 5 Center, part of a large, state-of-the-art community center being constructed at N Texas and E Tabor. These reflect a few key investments in our community – and our future.

I remain actively involved in our community on some of the most complex challenges facing Fairfield today. Homelessness continues to affect our quality of life; through my service on the regional 2x2 homeless committee, we're bringing municipalities across Solano County together to address this issue through regional collaboration—likely the only way to alleviate homelessness. With your support, I'll continue fighting for solutions to this and other critical issues.

Please join the Fairfield City Council majority, Congressman John Garamendi, Senator Bill Dodd, seniors, teachers, families, and residents, in supporting my continued community service.

I respectfully ask for your vote. Thank you.

Ocupación:

Educación y Competencia: Como Miembro del Concejo Municipal de la Ciudad de Fairfield, he puesto mi mayor empeño y he trabajado arduamente para avanzar respecto de las soluciones a los problemas más urgentes, desde la vivienda asequible y la indigencia hasta las inversiones en energía limpia y nuestros jóvenes.

En solo dos años en el Concejo Municipal, he aprobado nuevas viviendas que proporcionarán un lugar asequible para vivir a personas mayores y familias trabajadoras. Ayudé a obtener un establecimiento para un nuevo Centro First 5, que forma parte de un gran centro comunitario de última generación que se encuentra en construcción en N Texas y E Tabor. Estas son algunas de las inversiones clave en nuestra comunidad y en nuestro futuro.

Sigo participando activamente en la comunidad para resolver algunos de los desafíos más complejos a los que se enfrenta Fairfield en la actualidad. La indigencia sigue afectando nuestra calidad de vida; a través de mi servicio en el comité regional 2x2 para indigentes, estamos reuniendo a los municipios de todo el Condado de Solano para abordar este problema a través de la colaboración regional—probablemente la única manera de aliviar la indigencia. Con su apoyo, seguiré luchando por soluciones a este y otros problemas críticos.

Por favor acompañe a la mayoría del Concejo Municipal de Fairfield, al Congresista John Garamendi, al Senador Bill Dodd, a las personas mayores, a los maestros, a las familias y a los residentes, para apoyar mi servicio comunitario permanente.

Pido respetuosamente su voto. Gracias.

Occupation:

Education and Qualifications: I am running for City Council in District 5. As the lead pastor of City Church for 15 years in District 5 and by owning several businesses, I am more than qualified. Living on E Tabor, I know that District 5 has the highest crime rate in the City of Fairfield and the highest concentration of homeless. I am the Director of City Livin' Center that is a 12-18 month live in Drug and Alcohol Addiction Program, a 7 Days a Week Free Food Give-Away, a Free Medical Clinic, including "Park N Sleep" with evening and morning meals, Showers, Haircuts, and Free Clothing to those in need. I have organized teams to remove graffiti, weed-eat, and clean up trash in our parking lots and streets. On the City Council, I will fight to reduce crime by adding greater police presence--police on bikes on N Texas and E Tabor Avenue. I will collaborate with other agencies and open a larger Navigation Center to direct those who are low income and homeless to housing, jobs, and much needed services. MEASURE E

SOLANO COUNTY LOCALLY CONTROLLED FUNDING FOR ESSENTIAL SERVICES MEASURE:

To provide general County services, such as enhancing fire protection to reduce wildfire risk, preventing spread of wildfires from wildland areas to residential neighborhoods, improving 9-1-1 response times, adding rural and city firebreaks/reducing flammable vegetation, adding firefighters/paramedics, and improving early wildfire detection shall Solano County's ordinance enacting a 1/8% sales tax until ended by voters be adopted, requiring independent oversight, audits, and all revenue controlled locally?	YES
	NO

Impartial Analysis of Measure E

SOLANO COUNTY – TRANSACTION AND USE TAX ORDINANCE

The County of Solano has proposed a general transactions and use tax (sales tax) of one-eighth of one cent per dollar (0.125%).

State law authorizes the County to levy a general sales tax if the ordinance proposing the tax is approved by a two-thirds vote of all members of the Board of Supervisors and the tax is approved by a majority of the qualified voters of the entire county voting in the election. On August 9, 2022 the Solano County Board of Supervisors adopted the ordinance and approved submitting it to the voters with four Supervisors voting in favor and one Supervisor voting against. If a majority of the voters in the County who vote on this measure vote "Yes," the measure will pass and the sales tax will be levied.

The proposed tax is a general sales tax that is estimated to raise \$9,000,000.00 annually. All revenue generated from the tax would be deposited into the County's General Fund and would be available for general governmental purposes. This measure does not restrict the use of the tax revenue to any specific purpose.

The tax would be paid in addition to the current sales tax. Like the current sales tax, the proposed tax would be imposed on all retailers in the incorporated and unincorporated territory of the County for the selling of tangible personal property, subject to certain exemptions and exclusions identified in the measure.

If approved, the tax would take effect immediately on November 8, 2022 and become operative on April 1, 2023. The tax would be levied for an indefinite term and could be terminated by a majority of the voters of the County of Solano by means of a ballot measure to repeal the tax at a future general or special election.

Measure E requires approval by simple majority of the voters of the County voting on it.

A "Yes" vote is a vote to authorize the County to levy a general sales tax of one-eighth of one cent per dollar (0.125%) on purchases throughout the County with certain exemptions and exclusions.

A "No" vote is a vote to not authorize the County to levy the proposed tax.

Sec. 11-710 Amendments. All amendments subsequent to the effective date of this ordinance to Part 1 of Division 2 of the Revenue and Taxation Code relating to sales and use taxes and which are not inconsistent with Part 1.6 and Part 1.7 of Division 2 of the Revenue and Taxation Code, and all amendments to Part 1.6 and Part 1.7 of Division 2 of the Revenue and Taxation Code, shall automatically become a part of this ordinance, provided however, that no such amendment shall operate so as to affect the rate of tax imposed by this ordinance.

Sec. 11-711 Enjoining Collection Forbidden. No injunction or writ of mandate or other legal or equitable process shall issue in any suit, action or proceeding in any court against the State or the County, or against any officer of the State or the County, to prevent or enjoin the collection under this ordinance, or Part 1.6 of Division 2 of the Revenue and Taxation Code, of any tax or any amount of tax required to be collected.

The foregoing notwithstanding, the transaction and use tax established by this article may be terminated by a majority of the voters of the County of Solano by means of a ballot measure to repeal the same at a future general or special election of the county.

Sec. 11-714 Severability. If any provision of this ordinance or the application thereof to any person or circumstance is held invalid, the remainder of the ordinance and the application of such provision to other persons or circumstances shall not be affected thereby.

SECTION III Effective Date.

- (A) The Board of Supervisors adopted this ordinance on August 9, 2022 and approved submitting this ordinance to the voters at an election to be held on November 8, 2022. Within 15 days after passage by the Board of Supervisors, this ordinance shall be published in a manner satisfying the requirements of Government Code section 25124, with the names of supervisors voting for and against it. If adopted by a majority of the voters voting on the ordinance at an election on November 8, 2022, this ordinance shall take effect immediately, pursuant to Elections Code section 9141.

SECTION IV Contract with State. Prior to the operative date, the County shall contract with the California Department of Tax and Fee Administration to perform all functions incident to the administration and operation of this transactions and use tax ordinance; provided, that if the County shall not have contracted with the California Department of Tax and Fee Administration prior to the operative date, it shall

nevertheless so contract and in such a case the operative date shall be the first day of the first calendar quarter following the execution of such a contract.

SECTION V. Adjustment of Appropriations Limit. Pursuant to Article XIII B of the Constitution of the State of California and applicable laws, the appropriations limit for the County is hereby increased by the aggregate sum authorized to be levied by this tax for fiscal year 2022-23 and each fiscal year thereafter.

ARGUMENT IN FAVOR OF MEASURE E

With an ever-present and growing risk of wildfire that threatens our residential and rural communities, Measure E will provide enhanced wildfire prevention and protection to all of Solano County's residents.

The effect of prolonged drought conditions and extreme weather has increased the occurrence of wildfire in Solano County. The fuel load is high, with dead trees and tinder dry conditions providing the perfect ingredients for a disastrous wildfire to start in our open space and bear down on our cities. This is what happened during the 2020 LNU Lightning Complex Fire that killed two Solano County residents, leveled 309 homes, destroyed thousands of livestock and family pets and forced the evacuations of Travis Air Force Base and portions of Fairfield and Vacaville.

A 2022 Solano County Civil Grand Jury report stated: "Solano County Is Not Prepared for Future Emergencies."

It is time to dedicate additional money and resources to address the challenges we face in Solano County. Wildfire does not respect county lines or city boundaries and revenues dedicated to wildfire prevention are shrinking.

Measure E will provide an estimated \$9,000,000 annually to support fire prevention and protection efforts across Solano County. It will provide additional fire response, including equipment and support programs, to improve 9-1-1 response times, thereby saving life and property.

Measure E will reduce the risk of wildfires threatening residential neighborhoods from rural areas by providing enhanced fire protection services to prevent the spread of fires into cities. Revenues will be used to create and maintain rural and city firebreaks and reduce dead trees and weeds in public open spaces.

We strongly urge you to vote YES on Measure E.

S// John M. Vasquez, Chair and District 4 Supervisor, Solano County Board of Supervisors

S// Jim Spering, District 3 Supervisor, Solano County Board of Supervisors

REBUTTAL TO ARGUMENT IN FAVOR OF MEASURE E

Vote NO on Measure E. More taxes don't mean better services or better decisions.

They're using scare tactics to just tax you more. You shouldn't pay for their uncontrolled overspending and mismanagement! They don't even tell you this is a GENERAL TAX and allows any three members of the elected Board of Supervisors to spend it for any purpose.

The County claims that "The fuel load is high, with dead trees and tinder dry conditions providing the perfect ingredients for a disastrous wildfire to start in our open space and bear down on our cities." So, what has the County done taking care of "dead trees and tinder dry conditions?"

Property values are continuing to increase and as adjustments are made the County will receive more tax revenue. This sales tax increase is unnecessary. People are continuing paying higher costs of housing, food, energy, utilities and automobile fuel. And let's not even mention the looming recession. This measure totally disregards our current struggles.

The measure boasts a so called "independent citizen oversight," but the measure contains no spending guarantees that an oversight committee could enforce or they wouldn't be friends of the Board.

Increasing existing taxes isn't the solution! County officials must do more to cut costs! Stop overspending, and definitely cut back on their waste. We demand better management of our money, not higher taxes!

.Vote NO on Measure E. You alone are the best "Oversight" on how your money is spent, not their Appointees!

S// Michael Nolan, President Solano County Taxpayers Association

S// Thomas N. Hudson, President, California Taxpayer Protection Committee

ARGUMENT AGAINST MEASURE E

How much more taxes are you willing to pay? When enough is enough?

Under our state constitution, “protection of public safety is the first responsibility of local government.” When budgeting, “local officials have an **obligation** to give priority to the provision of adequate public safety services.”

The County has neglected their responsibilities and now with this sales tax increase wants YOU to cover their negligence.

The Board of Supes wants to increase the sales tax to raise money for public safety services and probably your City has another local sales tax increase on the same ballot.

This is a General Fund tax that the County can spend on anything it desires. So you have to ask yourself, where is the \$9 million in additional taxes per year will be spend? The County claims that the money collected will be used for “ enhancing fire protection to reduce wildfire risk, preventing spread of wildfires , improving 9-1-1 response times, adding rural and city firebreaks/reducing flammable vegetation, adding firefighters/paramedics, and improving early wildfire detection. CAN YOU REALLY TRUST THEM?

This proposed General Fund tax is nothing more than an effort to circumvent the two-thirds vote requirement for special taxes. Measure E can be approved by only the simple majority vote (50%). This also circumvents state accountability laws designed to ensure that taxes imposed for specific purposes are spent as intended.

Sales tax revenues are falling because of the shift to on-line retailing. Increasing the sales tax now will hurt local merchants. There is no need to increase the sales tax!

Even the promise of “citizen oversight” is hollow. We know how “oversight committee appointees” work.

Are you tired of been taken for a chump? Don't be fooled. Vote NO on Measure E

REBUTTAL TO ARGUMENT AGAINST MEASURE E

Don't be misled by the argument posed by opponents of Measure E, as there is too much at stake – namely the life and safety of Solano County residents.

This Board recognizes that it is time for everyone to come together to address the imminent threat of wildfire to our rural and residential neighborhoods. Devastating wildfires do not respect county lines nor city boundaries.

Your first line of defense, rural fire districts, are in the untenable position of providing fire protection with dwindling funding. Revenues are not keeping pace with the rising cost of fighting fires. Some of our rural fire districts are already in a state of crisis due to shortfalls.

These are largely volunteer departments made up of our friends and neighbors. They deserve better. When it comes to protecting life and property, we all have a responsibility to ensure our first responders have the tools and ability to do their job.

Measure E benefits from sales tax generated by those travelling in and out of Solano County. Oversight and routine audits will come with approval of Measure E. Claims to the contrary are designed to distract you from the dire need for enhanced fire protection and prevention services that could prevent the spread of wildfires into our residential neighborhoods.

Now is the time for action. Vote YES on Measure E.

FAIRFIELD-SUISUN UNIFIED SCHOOL DISTRICT BOND MEASURE:	
<p>To improve the quality of education; make health, safety and handicapped accessibility improvements; repair or replace leaky roofs; and construct/modernize classrooms, restrooms and school facilities; shall Fairfield-Suisun Unified School District's measure be adopted authorizing \$249,600,000 of bonds at legal rates, generating on average \$17,700,000 annually while bonds are outstanding at a rate of approximately 4¢ per \$100 assessed value, with annual audits, independent citizens' oversight committee, NO money for salaries and no money taken by the State?</p>	BONDS - YES
	BONDS - NO

IMPARTIAL ANALYSIS OF MEASURE S

**FAIRFIELD-SUISUN UNIFIED SCHOOL DISTRICT –
SCHOOL BOND MEASURE**

Measure **S** would authorize the sale of general obligation bonds of the Fairfield-Suisun Unified School District ("District") in series in the aggregate amount of up to \$249,600,000. Measure **S** will not amend any existing laws. The District's governing board ("Board") placed Measure **S** on the ballot.

The California Constitution limits the use of proceeds from such bonds to construction, reconstruction, rehabilitation, or replacement of school facilities, including the furnishing and equipping of school facilities, or the acquisition or lease of real property for school facilities.

Bond proceeds must be used to repair, modernize, replace, renovate, expand, construct, acquire, equip, furnish and otherwise improve the classrooms and school facilities of the District's existing schools, new school sites, and other District-owned facilities as identified in the Bond Project List (reprinted completely in the sample ballot pamphlet). These bond funds cannot be used for salaries or other school operating expenses.

The District cannot guarantee that the bonds will provide sufficient funds to allow completion of all the Bond Projects. Certain projects may require State matching funds for their completion.

Independent performance and financial audits must be conducted annually. By law, the District is required to have an independent citizens' oversight committee to help ensure that bond funds are spent only for projects included in the Bond Project List.

If Measure **S** is approved, the District may issue bonds either under the Government or Education Code. Bonds issued under the

Government Code must mature within 40 years and may not have interest rates that exceed 12%. Bonds issued under the Education Code must mature within 25 years and may not have interest rates that exceed 8%.

The bonds would be repaid through a property tax levied and collected by the County each year on all taxable property within the District in an amount sufficient to pay the interest and principal coming due prior to the next year's tax levy. The District's stated best estimate of the average annual tax rate that would need to be levied to fund the proposed bonds is \$40 per \$100,000 of assessed value of taxable property within the District. The District's stated best estimate of the highest tax rate that would need to be levied to repay the proposed bonds is \$60 per \$100,000 of assessed value of taxable property within the District. The District estimates that the total debt service during the life of the bonds, including principal and interest, would be \$619,662,000.

The procedures required for the approval and issuance of the general obligation bonds, including the process of submitting Measure **S** to the vote of the District's electors, were satisfied.

Measure **S** requires approval by 55 percent of the voters of the district voting on it.

A "Yes" vote is a vote to authorize the issuance of bonds totaling up to \$249,600,000 to fund specified school facilities projects secured by the levy of ad valorem taxes on property located within the District.

A "No" vote is a vote to not authorize the issuance of the bonds.

WHEREAS protecting the quality of our schools, the quality of life in our community and the value of our homes is a wise investment in our community's future; and

WHEREAS, in 2016 the District asked voters for assistance in funding repairs and upgrades to school facilities and technology by passing a general obligation bond measure (Measure J); and

WHEREAS, in addition to the public investment raised by Measure J, the District has been able to leverage State matching funds and make use of other District resources; and

WHEREAS, notwithstanding the District's prudent management of these investments, however, substantial and necessary upgrades and improvements still remain for which the District does not have a funding source; and

WHEREAS, the Board is authorized to order elections within the District and to designate the specifications thereof, pursuant to Education Code sections 5304 and 5322; and

WHEREAS, the Board is further authorized to order elections, pursuant to Education Code sections 15264 *et seq.*, for the purpose of submitting to the electors the question of whether District bonds ("Bonds") shall be issued and sold for specified purposes; and

WHEREAS, the Board deems it necessary and advisable to submit a bond measure to the electors that, if approved by the requisite number of electors voting on the measure, would permit the District to issue the Bonds; and

In addition, certain Financed Facilities projects may require state matching funds. State matching funds may be subject to appropriation by the Legislature or approval of a statewide bond measure.

(d) Performance Audit. The Board shall conduct an annual, independent performance audit to ensure that the Bond funds have been expended only on the specific Financed Facilities listed.

(e) Financial Audit. The Board shall conduct an annual, independent financial audit of the proceeds from the sale of the Bonds until all of the proceeds have been expended for the Financed Facilities.

All actions heretofore taken by the officers and agents of the District that are in conformity with the purposes and intent of this Resolution are hereby ratified, confirmed, and approved in all respects. Such Authorized Officers are hereby authorized and directed to make any changes to the text of the proposition or its abbreviated form as required to comply with the intent of this Resolution, the requirements of elections officials, and requirements of law.

Section 14. Encumbrance of Bond Funds. For the purpose of making bond funds unavailable as rent within the meaning of Education Code section 17032, the Board hereby encumbers all funds to be generated by the sale of the Bonds in order to pay for the acquisition and construction of the Financed Facilities authorized by the ballot measure.

Section 15. State Matching Funds. Certain of the Financed Facilities require state matching funds for the completion of any phase thereof. Approval of the District's bond measure does not guarantee that the proposed Financed Facilities will be funded beyond the local revenues generated by the measure. The District's proposal for the Financed Facilities may assume receipt of matching state funds, which could be subject to appropriation by the Legislature or approval of a statewide bond measure.

Section 16. Citizens' Oversight Committee. A citizens' oversight committee shall be appointed to ensure that the proceeds of the Bonds are spent only for the specific purposes and projects identified in this Resolution. The membership requirements and operating procedures for such committee shall be established in the bylaws of such committee, as approved by the Board, in accordance with the requirements of law.

If any section, subsection, phrase or clause of this Resolution, or its application to any person or circumstance, is for any reason held to be invalid, such decision shall not affect the validity of the remaining portions of this Resolution, or their application to any other person or circumstance. The Board declares that it would have adopted this Resolution and each section, subsection, phrase or clause thereof irrespective of the fact that any one or more sections, subsections, sentences, phrases or clauses, or their application to any person or circumstance, shall be declared invalid.

I, Kris Corey, Secretary of the Governing Board of the Fairfield-Suisun Unified School District of Solano and Napa Counties, California, do hereby certify that the foregoing is a full, true, and correct copy of a resolution adopted by said Board at a regular place of meeting on the date and by the vote stated, which resolution is on file in the office of said Board.

Kris Corey, Secretary of the Governing Board
of the Fairfield-Suisun Unified School District

EXHIBIT A

FULL TEXT OF THE MEASURE

Upon the passage of this Measure, the Fairfield-Suisun Unified School District (the "District") shall be authorized to issue bonds in the aggregate amount of \$249,600,000, bearing interest at rates not exceeding the statutory limit, for the purpose of funding the school facilities projects listed below under the heading "School Facilities Projects to Be Funded with Proceeds of Bonds" (the "Bond Project List").

Background

The Governing Board of the District (the "Board") is committed to providing a modern learning environment in local schools with safe, secure, upgraded classrooms and science labs which keep pace with 21st Century technologies and learning standards. The Board recognizes the need to modernize facilities so Fairfield-Suisun Unified School District schools can meet the demands of current and future students. Commencing with Measure J, the District continues to implement a long-term planning process consistent with facilities master plan detailing all facility needs. The development of this plan included input from the community, teachers, staff, parents and students. Said plan is available for review at the District office and incorporated into the Bond Project list by this reference.

Proposition 39 Bond Accountability Measures

At its July 14, 2022, meeting, the Board certified that it evaluated safety, class size reduction, and information technology needs in developing the Bond Project List set forth below. The proceeds of the Bonds shall be used only for the projects identified in the Bond Project List, and not for any other purpose (i.e., teacher and administrative salaries and other school operating expenses).

The District will deposit the proceeds of the Bonds in a separate account. The Board is bound to conduct financial and performance audits annually to account for the bond funds and to assure that funds have only been expended on the specific projects authorized. The District shall prepare and deliver an annual report to the Board containing the amount of funds collected and expended as well as the status of school facilities projects authorized to be funded by proceeds of the Bonds.

The Board will appoint a citizen's oversight committee (the "Committee") having a minimum seven members and including at least one member active in a business organization representing the business community located within the District, one member active in a senior citizens' organization, one member active in a bona fide taxpayers' organization, one member who is the parent or guardian of a child enrolled in the District, and one member who is both a parent or guardian of a child enrolled in the District and active in a parent-teacher organization.

School Facilities Projects to Be Funded with Proceeds of Bonds

The Bond Project List below describes the specific projects the Fairfield-Suisun Unified School District proposes to finance with proceeds of the Bonds. The District's goals are to provide equity among district schools so each student has similar facilities and educational opportunities. Listed projects will be completed as needed at a particular school site according to Board-established priorities, and the order in which such projects appear on the Bond Project List is not an indication of priority for funding or completion. The final cost of each project will be determined as plans are finalized, construction bids are awarded, and projects are completed. Certain construction funds expected from non-bond sources, including State grant funds for eligible projects, have not yet been secured.

California Education Code section 15122.5 requires the following statement to be included in this sample ballot:

"Approval of this bond measure does not guarantee that the proposed projects in the Fairfield-Suisun Unified School District that are the subject of bonds under this measure will be funded beyond the local revenues generated by this bond measure. The school district's proposal for certain of the projects assumes the receipt of matching state funds, which are subject to appropriation by the Legislature or approval of a statewide bond measure."

Until all project costs and funding sources are known, the Board cannot determine the amount of bond proceeds available to be spent on each project, nor guarantee that the Bonds will provide sufficient funds to allow completion of all listed projects. Completion of some projects may be subject to further government approvals or appropriation by State officials and boards, to local environmental review, and to input from the public. For these reasons, inclusion of a project on the Bond Project List is not a guarantee that the project will be funded or completed. Bond proceeds will be expended to repair, modernize, replace, renovate, expand, construct, acquire, equip, furnish and otherwise improve the classrooms and school facilities of the District's existing schools, new school sites, and other district-owned properties to provide equity among campuses, improved facilities, and student access to instructional technology. Unless otherwise noted, the projects in the Bond Project List are authorized to be completed at each or any of the District's sites, as shall be approved by the Board. Projects listed may or may not apply at every site.

- All work necessary and incidental to specific projects described above, including demolition of existing structures

The listed projects will be completed as needed. Each project is assumed to include its share of furniture, equipment, architectural, engineering, and similar planning costs, program/project management, and a customary contingency for unforeseen design and construction costs. In addition to the listed projects stated above, the list also includes the acquisition of a variety of instructional, maintenance and operational equipment, including the reduction or retirement of outstanding lease obligations and interim funding incurred to advance fund projects from the list; installation of signage and fencing; payment of the costs of preparation of all facility planning, facility studies, assessment reviews, facility master plan preparation and updates, environmental studies (including environmental investigation, remediation and monitoring), design and construction documentation, and temporary housing of dislocated District activities caused by construction projects. In addition to the projects listed above, the repair and renovation of each of the existing school facilities may include, but not be limited to, some or all of the following: renovation of student and staff restrooms; repair and replacement of heating and ventilation systems; upgrade of facilities for energy efficiencies; repair and replacement of worn-out and leaky roofs, windows, walls, doors and drinking fountains; installation wiring and electrical systems to safely accommodate computers, technology and other electrical devices and needs;

The upgrading of technology infrastructure includes, but is not limited to, servers, switches, routers, telephone systems, network security/firewall, and wireless technology systems. The allocation of bond proceeds will be affected by the District's receipt of State matching funds and the final costs of each project. In the absence of State matching funds, which the District will aggressively pursue to reduce the District's share of the costs of the projects, the District will not be able to complete some of the projects listed above. The budget for each project is an estimate and may be affected by factors beyond the District's control. Some projects throughout the District, such as gyms, fields and performing arts facilities, may be undertaken as joint use projects in cooperation with other local public or non-profit agencies. The final cost of each project will be determined as plans and construction documents are finalized, construction bids are received, construction contracts are awarded and projects are completed. Based on the final costs of each project, certain of the projects described above may be delayed or may not be completed. Demolition of existing facilities and reconstruction of facilities scheduled for repair and upgrade may occur, if the Board determines that such an approach would be more cost-effective in creating more enhanced and operationally efficient campuses. Necessary site preparation/restoration may occur in connection with new construction, renovation or remodeling, or installation or removal of relocatable classrooms, including ingress and egress, removing, replacing, or installing irrigation, utility lines, trees and landscaping, relocating fire access roads, and acquiring any necessary easements, licenses, or rights of way to the property. Proceeds of the Bonds may be used to pay for the cost of District staff when performing work on or necessary and incidental to bond projects and the costs of issuing the Bonds. Bond proceeds shall only be expended for the specific purposes identified herein. The District shall create an account into which proceeds of the Bonds shall be deposited and comply with the reporting requirements of Government Code § 53410.

The Bond Project List shall be considered a part of this ballot proposition, and shall be reproduced in any official document required to contain the full statement of the bond proposition.

Annual Tax Amount, Rate, and Duration

The bonds shall bear interest at an annual rate not exceeding the statutory maximum. The maturity of the bonds shall not exceed the maximum term allowed by law at the time of issuance (currently 25 years if issued under Education Code section 15140, or 40 years if issued under Government Code section 53508, so long as the bonds are not capital appreciation bonds ("CABs," which CABs are limited to 25 years)). Accordingly, as further set forth in the tax rate statement, the *ad valorem* tax will be levied at such rates and for so long as may be required to meet the debt service needs of the bonds proposed to be issued, including such bonds that may be issued to refund any approved bonds.

Abbreviated Ballot Measure

The abbreviated ballot measure reads as follows:

MEASURE ____: "To improve the quality of education; make health, safety and handicapped accessibility improvements; repair or replace leaky roofs; and construct/modernize classrooms, restrooms and school facilities; shall Fairfield-Suisun Unified School District's measure be adopted authorizing \$249,600,000 of bonds at legal rates, generating on average \$17,700,000 annually while bonds are outstanding at a rate of approximately 4¢ per \$100 assessed value, with annual audits, independent citizens' oversight committee, NO money for salaries and no money taken by the State?"

BONDS - YES

BONDS - NO

EXHIBIT B

TAX RATE STATEMENT

An election will be held in the Fairfield-Suisun Unified School District (the "District") on November 8, 2022, to authorize the sale of up to \$249,600,000 in bonds of the District to modernize and improve schools within the District. Specifically, bond proceeds shall be utilized for the purposes of financing the construction, reconstruction, rehabilitation, or replacement of school facilities, including the furnishing, and equipping of school facilities, or the acquisition or lease of real property for school facilities.

If the bonds are authorized and sold, debt service thereon will be payable from the proceeds of tax levies made upon the taxable property in the District. The following information is provided in compliance with sections 9400-9404 of the Elections Code of the State of California. It is anticipated that the District will sell the bonds in four (4) separate series.

1. The best estimate of the average annual tax rate which would be required to be levied to fund this bond issue over the entire duration of the bond debt service, based on a projection of assessed valuations available at the time of filing of this statement, is \$0.04 per \$100 (or \$40 per \$100,000) of assessed valuation. The final fiscal year in which the tax is anticipated to be collected is 2056-57.

2. The best estimate of the highest tax rate which would be required to be levied to fund this bond issue, based on a projection of assessed valuations available at the time of filing of this statement, is \$0.06 per \$100 (or \$60 per \$100,000) of assessed valuation. It is estimated that such rate would be levied starting in fiscal year 2044-45 and following.

3. The best estimate of the total debt service, including principal and interest, that would be required to be repaid if all the bonds are issued and sold is \$619,662,000.

Voters should note that the estimated tax rates are based on the ASSESSED VALUE of taxable property on the County's official tax rolls, not on the property's market value. Taxpayers eligible for a property tax exemption, such as the homeowner's exemption, will be taxed at a lower effective rate than described above. Property owners should consult their own property tax bills to determine their property's assessed value and any applicable tax exemptions.

The attention of all voters is directed to the fact that the foregoing information is based upon the District's projections and estimates only, which amounts are not maximum amounts and are not binding upon the District. The actual tax rates, the years in which they will apply, and the total debt service may vary due to variations from these estimates in the timing of bond sales, the amount of bonds sold and market interest rates at the time of each sale, actual assessed valuations over the term of repayment of the bonds, and other factors.

The dates of sale and the amount of bonds sold at any given time will be determined by the District based on the need for construction funds and other factors, including the legal limitations on bonds approved by a 55% vote. The actual interest rates at which the bonds will be sold will depend on the bond market at the time of each sale. Actual future assessed valuation will depend upon the amount and value of taxable property within the District as determined by the County Assessor in the annual assessment and the equalization process.

ARGUMENT IN FAVOR OF MEASURE S

Vote Yes on S to support quality education in Fairfield-Suisun Unified School District schools WITHOUT INCREASING TAX RATES.

Most Fairfield-Suisun schools were built 40 to 70 years ago and need urgent repairs and upgrades. Roofs leak and deteriorating portable classrooms, gas lines, plumbing, and outdated electrical systems need to be replaced.

To succeed in college and careers, graduates of local schools must be skilled in today's technologies, science, math, and engineering. Yes on S provides updated classrooms, science labs, job training facilities, and technology to meet rising academic standards and serve our community for decades to come.

Voting Yes on S will not increase tax rates beyond what we already pay. Measure S extends the current tax rate previously approved by voters to fund school repairs and improvements.

YES on S will:

- Repair or replace leaky roofs
- Improve access to schools for students with disabilities
- Provide modern labs, career training facilities, and equipment to prepare students for college and in-demand careers in health sciences, engineering, technology, and skilled trades
- Update classrooms and technology to support high-quality instruction in math, science, engineering, and technology
- Remove hazardous materials like asbestos and lead pipes from schools
- Improve school security, fire, and earthquake safety

Measure S requires strict fiscal accountability:

- An independent citizens' oversight committee, annual audits, public spending disclosure, and detailed project list ensure funds are spent as promised
- All funds must be used locally and no funds can be taken by the State
- No funds can be used for administrator or teacher salaries or benefits
- Tax rates **will not increase above what we already pay**

Whether or not you have school-age children, maintaining quality schools is a wise investment that protects our quality of life and our property values.

Vote YES on S to support quality education WITHOUT INCREASING TAX RATES.

REBUTTAL TO ARGUMENT IN FAVOR OF MEASURE S

Look at your property tax bill for a list of the current school general obligation bonds that you are still paying with interest for the next 25 plus years.

Much of the work described in the Argument in Favor of Measure S is deferred maintenance of school properties for which the Education Code requires school districts to pay from a deferred maintenance fund. Now the District tells you that "Roofs leak and deteriorating portable classrooms, gas lines, plumbing, and outdated electrical systems need to be replaced."

If the District had been a good steward, repairs and replacements would have been completed as needed rather than waiting for an extension of a bond.

They claim "Voting Yes on S will not increase tax rates beyond what we already pay." Measure S just extends the time you will be paying this bond. Your children will graduate from college, get married, and YOU will be still paying this bond.

Since items listed in Measure S are not specific to any school site, the Measure is bait that gives the District a BLANK CHECK to squander bond dollars on whatever they want. Over fifty percent of your property taxes go to schools. As property values are increasing schools will be receiving more money.

NO MORE TAXES! -- Taxpayers are facing with high costs of food, energy, utilities and automobile fuel. And let's not even mention the looming recession.
 Join overtaxed property owners-VOTE NO on Measure S.

S// Thomas N. Hudson, President, California Taxpayer Protection Committee

ARGUMENT AGAINST MEASURE S

Oppose this bond and VOTE NO ON MEASURE S

A bond works like a government credit card -- paying off that credit card requires the government to raise your taxes. The increased taxes you will be forced to pay would be IN ADDITION TO ALL THE OTHER TAXES FAIRFIELD/SUISUN RESIDENTS ALREADY PAY, including: Property Taxes; Existing Community College School Bond Taxes; Income Taxes; Sales Taxes; Utility Taxes; Gasoline Taxes. This is a TAX you will be probably paying for 40 years!! Aren't you taxed enough already?

What would this property tax increase likely mean for you?

Property Owners: will be forced to pay increased property taxes. The district claims that fixing leaky roofs and renovating classrooms and restrooms will prove the education of our children. Really? How? Oh, but don't worry it will only be \$40 per \$100,000 of the assessed value of your home.

Many Renters: will suffer rent increases as landlords pass on the costs of higher taxes.

Customers: will see higher prices as businesses pass on the cost of higher taxes.

Six years ago (2016) Fairfield/Suisun residents passed Measure J and gave \$249 million to the School District. You are still paying and will be paying for many more years for this bond! Fairfield/Suisun Residents cannot afford another tax increase.

This measure boasts an "independent citizen bond oversight committee." A committee handpicked by the School District that has no teeth!

NO MORE TAXES -- tell education bureaucrats they need to live within their means (instead of relying upon over-burdened taxpayers to pay ever increasing taxes)! VOTE NO ON MEASURE S.

S// Michael Nolan, President, Solano County Taxpayers Association

S// Thomas N. Hudson, President, California Taxpayer Protection Committee

REBUTTAL TO THE ARGUMENT AGAINST MEASURE S

The two opponents don't live in Fairfield or Suisun City. They don't understand the needs of our schools. And they clearly don't understand how Measure S works because they overlook one **VERY IMPORTANT FACT: Measure S will NOT increase taxes.**

Everything the opponents say about increasing taxes simply isn't true and should be ignored. **Measure S does not increase tax rates.** It extends the rate we already pay to fund repairs and upgrades at our aging and outdated schools.

Consider the FACTS and vote Yes on S.

FACT: Every penny from Measure S must be spent in Fairfield-Suisun Unified School District schools. This isn't an opinion or talking point: it's a legal requirement. The project list in your voter pamphlet details the use of funds. **No funds can be taken away by the State or used for administrator salaries or benefits.**

FACT: Measure S requires an independent citizens' oversight committee and annual audits to ensure transparency and accountability. The oversight committee of Fairfield and Suisun City residents reviews the use of funds and reports their findings.

FACT: Fairfield-Suisun schools were built up to 70 years ago. While some local schools have been upgraded, others have not. Measure S updates classrooms, science labs, job training facilities, and technology.

FACT: Measure S helps Fairfield-Suisun schools compete for millions in state matching funds that would otherwise go to other communities.

FACT: Quality schools bring employers and good jobs to our area. Good schools **protect strong home values.**

Don't be misled! Study the FACTS and vote YES on S for quality Fairfield-Suisun schools – without increasing taxes.
