Item No. 1

**PUBLIC HEARING** to consider Lot Line Adjustment Application No. LLA-19-04 (CC-19-10) of Russell & Kathleen Lester and George & Cynthia Lester to adjust the property lines between APN 0107-110-060 and 070; 0107-130-110 and 120 into three (3) parcels in the Exclusive Agriculture 40 acre minimum "A-40" zoning district, under Williamson Act contract no. 12. The property is located on the northside of Sievers Road and southside of Campbell Road, within unincorporated Dixon. (Project Planner: Nedzlene Ferrario) Staff Recommendation: Approval

Nedzlene Ferrario, project planner, provided a brief overview of the staff report. The property is owned by Russell & Kathleen Lester and George and Cynthia Lester. The property totals approximately 1,127 acres that is zoned "A-40" under Williamson Act contract no. 12. The land is predominately prime farm land. Three legal parcels are located within multiple tax

parcels. The owners are proposing to adjust into three parcels. The property was entered in to an active Williamson Act Contract (Contract Number 12) in 1968. The guidelines require that the boundaries, acreages, terms, and the existing contract remain unchanged. The new parcels need to be large enough to sustain agricultural use. There will be no new lots created and the existing legal non-conforming lot will be reconfigured. The new parcels will meet the minimum requirements of zoning and the general plan policies. Staff recommended approval of the revised lot line adjustment subject to findings and conditions of approval in the draft resolution.

Since there were no questions from the commissioners, Chairman Walker opened the public hearing. Since there were no speakers, Chairman Walker closed the public hearing.

A motion was made by Commissioner Cayler that the Planning Commission adopt the attached resolution with respect to the findings and approved LLA-19-04 subject to the recommendation of approval and seconded by Commissioner Bauer to adopt the resolution and approve the Lot Line Adjustment Permit No. LLA-19-04 (CC-19-10) to adjust the property lines between APN 0107-110-060 and 070; 0107-130-110 and 120 into three (3) parcels in the Exclusive Agriculture 40 acre minimum "A-40" zoning district, under Williamson Act contract no. 12. The motion passed unanimously. (Resolution No. 4681)
