RE: SUPPORT, State Budget Proposals 3860-033-COBCP-2023-GB and 3860-005-BCP-2023-GB

Dear Chairwoman Skinner and Chairman Ting,

On behalf of the Solano County Board of Supervisors, I write in support of State Budget Change Proposal 3860-033-COBCP-2023-GB (BCP 033) for Systemwide Flood Risk Reduction Paradise Cut and Yolo Bypass Projects, and BCP 3860-005-BCP-2023-GB (BCP 005) for continued development of the Yolo Bypass-Cache Slough Master Plan.

Solano County supports these budget proposals because it aligns with our legislative platform. More specifically, Solano County supports legislative and administrative efforts to protect the Sacramento-San Joaquin Delta, including the Yolo Bypass/Cache Slough area, and County's interests relative to land use, agricultural resiliency, economic development, police or emergency response mandates, environmental preservation, flood risk reduction and protection, habitat conservation, recreation, water supply, water quality, and water rights and efforts to combat against sea level rise and impacts from climatic changes.

For these reasons, Solano County is proud to be in support of BCP 033 and BCP 005, both of which would help the Yolo Bypass.

Sincerely,

A handwritten signature in blue ink, appearing to read "John M. Vasquez".
