Bill Emien, Clerk of the
Board of Supervisors of
the County of Solano,
State of California
Deputy 

NOTICE IS HEREBY GIVEN that, pursuant to the provisions of Section 2074.2 of the Fish and Game Code, the California Fish and Game Commission (Commission), at its June 19-20, 2024 meeting, accepted for consideration the petition submitted to list white sturgeon (*Acipenser transmontanus*) as threatened under the California Endangered Species Act.

Pursuant to subdivision (e)(2) of Section 2074.2 of the Fish and Game Code, the Commission determined that the amount of information contained in the petition, when considered in light of the California Department of Fish and Wildlife's (Department) written evaluation report, the comments received, and the remainder of the administrative record, would lead a reasonable person to conclude there is a substantial possibility the requested listing could occur.

Based on that finding and the acceptance of the petition, the Commission is also providing notice that white sturgeon is a candidate species as defined by Section 2068 of the Fish and Game Code.

Within one year of the date of publication of this notice of findings, the Department shall submit a written report, pursuant to Section 2074.6 of the Fish and Game Code, indicating whether the petitioned action is warranted. Copies of the petition, as well as minutes of the June 19-20, 2024 Commission meeting, are on file and available for public review on the Commission's website at fgc.ca.gov or from Melissa Miller-Henson, Executive Director, California Fish and Game Commission, 715 P Street, 16th floor, Sacramento, California 95814, phone (916) 653-4899.

Written comments or data related to the petitioned action should be directed to the California Department of Fish and Wildlife, Fisheries Branch, P.O. Box 944209, Sacramento, CA 94244-2090, Attn: Department Sturgeon Coordinator or email sturgeon@wildlife.ca.gov (include "white sturgeon" in the subject line). Submission of information via email is preferred.
