

## **Rebuttal Argument in Support of Measure F**

Do you know what is fatally flawed in Benicia? Our road system. Maybe we should do something about that!

Fixing Benicia's roads requires a lot of money. The City only receives approximately \$800,000 per year from State gas tax. We know that we need to spend over \$5.5 million each year to repair our road infrastructure. Measure F helps to Fix our roads!

The "bedroom" community of Benicia does not have sufficient revenue sources to support our services and infrastructure. That is changing! Earlier in the year our community passed Measure A and B to support public safety and essential services. The City is working on other initiatives to be able to sustain our services and fix our infrastructure.

Measure F is a SPECIFIC tax that can only be used to repair our roads. It's part of a COMPREHNSIVE plan to address our road network.

Measure F is legally compliant. The opponents of Measure F want to throw stones at our City Attorney for his impartial analysis and at the more than 2,000 Benicia citizens that signed a petition to put this initiative on the ballot, just because they don't want to pay more taxes.

None of us want to pay more taxes, yet the only way we can fix our roads is for all of us to pay a little bit more so we can finally Fix our roads.

Help be part of the solution. Please join us in voting YES on Measure F.
