VOTING OPTIONS FOR ALL VOTERS

In an effort to provide a safe voting environment, the Solano County Registrar of Voters has prepared several voting options for all voters. You have received a Vote by Mail ballot for the election in this packet.

Below is a description of the different options you have for voting to help provide a safe voting environment for all voters, our staff, and our community partners:

No Contact Voting:

As an option to in-person voting, all voters can vote from the safety of their home, using the enclosed ballot. Ballots can be returned to our office in one of three manners:

Ballot Drop-Off:

Starting October 7th through Election Day (29 days) - Ballot drop-off times and locations are identified on the next page (drop box is inside an office building).

Curbside Drop-off:

Starting October 31st through Election Day (5 days) - Curbside drop-off times and locations are identified on the next page (stay in your vehicle, hand ballot to poll workers).

Election Day Drop-Off:

Election Day (1 day) - Poll Place drop-off locations are available on Election Day-all locations are open from 7a.m. to 8p.m.

All ballots must be received or post-marked by Election Day. All postage is paid by the Registrar of Voters Office for voters mailing ballots back to our office. Voters do not have to vote this ballot, and can still choose to vote in-person using one of the options listed below.

Limited Contact Voting:

At your assigned poll place, you can request to vote “curbside” from the comfort of your vehicle. Look for the blue cone outside of your polling place, and call the number listed on the cone. Poll workers will come out to your vehicle with your ballot and will securely deposit it for you.

This same curbside option is available if you want to drop off your Vote by Mail ballot. It may be preferable for you to remain in your vehicle and we support that option.

In-Person Voting:

Traditional polling places are still available. Your assigned location is included on the cover sheet with your official ballot. Some voters may experience additional wait times due to the need to provide social distancing within the voting location. Please be prepared: it may take longer than usual to vote at your polling place.

If you need assistance...

As a voter, you may bring up to two individuals with you to your polling place to help you cast your ballot, as long as those individuals do not represent your employer or your union. Your polling place will have copies of the ballot in Spanish and Tagalog and may have poll workers ready to assist you who speak Spanish and Tagalog.

Si necesitas ayuda ...

Como votante, usted puede traer dos individuos a la estación de votación para que le ayuden a emitir su voto. Sus acompañantes no pueden ser representantes de su empleador o sindicato. La estación de votación quizá mantenga copias en español de la papeleta de votación y emplee trabajadores que le puedan asistir en español.

Kung kailangan mo ng tulong...

Bilang botante, maaari kang magkaroon ng hanggang dalawang tao sa iyong lugar ng botohan o presinto upang matulungan kang i-record ang iyong balota, hangga't ang mga taong ito ay hindi kinakatawan ng iyong tagapag-empleyo o iyong unyon. Magkakaroon ng mga kopya ng iyong balota na isinalin sa Tagalog sa iyong lugar ng botohan. Maaaring may mga taong nagtatrabaho na nagsasalita ngtagalog sa lugar ng botohan.

RUDY RECILE

AGE: 56

Occupation: Business Owner / Consultant

Education and Qualifications: Hello, fellow Americans! I'm a proud Retired US Army Major, former US Department of Agriculture employee and owner of a small web design company. My family made Solano County our home for 18 years. My platform issues include energy independence, supporting the Bill of Rights, tax dollars accountability, public safety, supporting veterans, California's water issues and quality education. I support successful public schools, protecting our children and I believe in equality of opportunity for everyone. I'm President of a children's education non-profit organization, and treasurer for a Veterans of Foreign Wars Post. I volunteer with community organizations at voter registration drives and other events. I was a logistics officer at the Pentagon in Washington DC,. I became savvy with the inner workings of various agencies, and how to successfully accomplish the mission. During the 2020 election cycle, I wasn't pleased with what I witnessed. I decided to run for congress because my 33 years of service to the USA prepared me well to immediately serve you in Congress. I am on a mission to restore our country with new blood and fresh ideas. "Ang Inyong Lingkod" (At Your Service), Rudy

**STATEMENT OF CANDIDATE FOR
CALIFORNIA STATE SENATE, DISTRICT 3**

THOM BOGUE

Occupation: City Council Member / Business Owner

Education and Qualifications: As a former Vice Mayor, Mayor, current City Council Member, and Small Business owner, I have held key positions with esteemed organizations including the Solano Transportation Authority (STA), Solano County Water Agency (SCWA), Yolo-Solano Air Resource Board, Green Belt Authority, Association Bay Area Governments (ABAG) Planning Commission and Executive Board.

I have collaborated with Congressmen to secure housing for our homeless veterans. Successfully housed up to 75% of our local homeless population. Developed a comprehensive plan to incorporate income-based housing within every residential project, effectively addressing this crisis head-on. By doing so, we will create safer and more prosperous communities.

In partnership with STA significantly enhanced public transportation: Expanding bus routes, ferry services throughout the bay area, and door-to-door services for the elderly.

Additionally, we allocated funds to support our agricultural community in meeting climate change mandates. While I do not fully endorse California's complete transition to electric energy, I acknowledge the importance of expanding our resource base while concurrently improving our use of fossil fuels. I believe that diversification is the key to our future success.

As a father, I have always prioritized parental rights. I strongly advocate for parents having the final say in matters concerning their children's education.

Recognizing California residents possess tremendous potential, I believe that transcending partisan politics, working together, we can restore our Golden State to its former glory, regain its esteemed status, bring prosperity and an enhanced quality of life back to all Californians. People before politics! www.ThomBogue4StateSenate.com

**STATEMENT OF CANDIDATE FOR
CALIFORNIA STATE SENATE, DISTRICT 3
CHRISTOPHER CABALDON**

Occupation:

Education and Qualifications: Like so many of us, the opportunity for a good education changed my life. I was honored when President Obama appointed me to create over 400 initiatives across the country to guarantee a tuition-free college education for graduating local high school seniors.

As Vice-Chancellor of California Community Colleges and university professor, I've worked to strengthen California's education system. In the Senate, I'll deliver resources to help students succeed and prepare them for modern careers.

As West Sacramento mayor, I turned our forgotten industrial town into a place that was named "America's Most Livable City" with good jobs, safe neighborhoods, and quality housing that's affordable. I'm running for Senate to expand prosperity and economic opportunity to families everywhere.

During my tenure as mayor, we lowered unsheltered homelessness by 58%. I'll focus on building more housing, expanding mental health and job training services, and keeping us safe. I know we can make communities more secure because I've done it, cutting burglary and assault rates by more than half.

A proven champion for the environment and agriculture, I've cracked down on polluters and protected thousands of acres of habitat, farmland, and open space. I'll protect our water supplies and communities threatened by wildfires and floods.

My campaign is supported by the California Democratic Party, Planned Parenthood Northern California Action Fund, the Sierra Club, and Congressman Mike Thompson. I have a track record of delivering real results on the biggest challenges facing our communities. I hope to earn your vote. www.CabaldonforSenate.com

I've kept that promise!</p> <p>I've delivered over \$20 million in state resources directly to our District for public safety, housing, electric vehicle infrastructure, flood resiliency, and transportation projects while passing landmark legislation supporting manufacturing, people with disabilities, flood control projects, habitat restoration, and the needs of farmers.</p> <p>All this was accomplished while I battled breast cancer! Now, cancer-free and with a continued sense of purpose and optimism for the future, "y'all ain't seen nothing yet".</p> <p>We need long-term solutions for homelessness, housing, public safety, climate change, transportation and more. That's why I led negotiations for the statewide bond measures on your ballot, Proposition 2 and Proposition 4, giving you the choice to fund education, key infrastructure projects, and other priorities for our state.</p> <p>As the chair of the Assembly Transportation Committee, I'm working to speed construction to improve traffic circulation and lessen commute times. Making Interstate 80, Highway 12, State Route 37 and our local roads safer!</p> <p>I'm also deeply concerned about our democracy. To that end, as the Chair of the California Legislative Black Caucus, I'm reaching out across diverse communities to reinforce everyone's right to live their version of the California Dream with dignity and respect.</p> <p>Let's build a California for everyone, I would be honored to have your vote. **STATEMENT OF CANDIDATE FOR
MEMBER OF THE STATE ASSEMBLY, DISTRICT 11**

DAVID ENNIS

Occupation: Professional Civil Engineer

Education and Qualifications: People in our District are struggling to make ends meet. While the homeless look for shelter, our state legislatures focus on issues that do not put food on the table, stop crime, or improve our schools. I have a new vision, back to basics and getting our children a good education, helping small business stay in business, and creating jobs for hard working folks. With common sense and community spirit, we can make California proud again.

I am a professional civil engineer (Duke) licensed in California since 1994 with executive experience in the aerospace industry. I envision a crime free and affordable District with local jobs and shorter commutes. I want our local schoolboards to focus on reading, writing, and arithmetic (STEM), independent of statewide educational mandates. I support school choice, and a back-to-basics approach to education. I want to stop crime, and reform criminals, mindful that the victims are not guilty! We need to prevent crime and fix Prop 47.

I spent 2 years on the San Leandro Planning Commission and 4 years as President of the United Parents for San Leandro High School. I have spent 6 years reviewing cost effectiveness and technical feasibility for FEMA projects in California, Texas, and Puerto Rico approving over \$1BN of projects with Federal funding for resilient infrastructure instead of more local taxes.

Details are on my website: <https://www.ennis2024.org>

I will earn your vote, focused on supporting our families, building affordable housing, crime free safety, education, and jobs.

**DECLARACIÓN DE CANDIDATO PARA
MIEMBRO DE LA ASAMBLEA ESTATAL, DISTRITO 11**

DAVID ENNIS

Ocupación: Ingeniero Civil Profesional

Educación y Competencia: La gente de nuestro Distrito tiene dificultades para llegar a fin de mes. Mientras los indigentes buscan refugio, nuestras legislaturas estatales se enfocan en asuntos que no ponen comida en la mesa, ni detienen el delito, ni mejoran nuestras escuelas. Tengo una nueva visión, volver a lo básico y lograr que nuestros hijos reciban una buena educación, ayudar a las pequeñas empresas a seguir funcionando y crear puestos de trabajo para la gente trabajadora. Con sentido común y espíritu comunitario, podemos hacer que California vuelva a sentirse orgullosa.

Soy ingeniero civil profesional (Duke) licenciado en California desde 1994 con experiencia ejecutiva en la industria aeroespacial. Imagino un Distrito sin crímenes y asequible, con empleos locales y desplazamientos más cortos. Quiero que nuestras juntas escolares locales se centren en la lectura, la escritura y la aritmética STEM (Ciencia, Tecnología, Ingeniería, Matemática), independientemente de los mandatos educativos estatales. Apoyo la elección de escuela y un enfoque de la educación que vuelva a lo básico. Quiero acabar con el crimen y reformar a los delincuentes, ¡sin olvidar que las víctimas no son culpables! Necesitamos prevenir el crimen y corregir la Prop 47.

Pasé 2 años en la Comisión de Planificación de San Leandro y 4 años como Presidente de Padres Unidos para la Escuela Secundaria San Leandro. He pasado 6 años revisando la rentabilidad y la viabilidad técnica de los proyectos de la FEMA en California, Texas y Puerto Rico, aprobando más de \$1Mil Millones en proyectos con financiamiento Federal para infraestructuras resilientes en lugar de más impuestos locales.

Encontrará más información en mi página web: <https://www.ennis2024.org>

Me ganaré su voto, centrándome en el apoyo a nuestras familias, la construcción de viviendas asequibles, la seguridad sin delitos, la educación y el empleo.

ROSEMARY THURSTON

Occupation:

Education and Qualifications: During my time on the Governing Board, the District has added over 130,000 square feet of new or remodeled building space at the main campus in Fairfield and the two centers in Vacaville and Vallejo. The District has improved its financial standing, refinanced the Bond to save tax payers \$20 million over the life of the Bond, and added a Bachelor of Science degree in Bio manufacturing, one of three programs in the state.

In Vallejo, we built a new Auto Technology building up the street from the Vallejo Campus and the program serves more than 200 students every year. We also developed a College and Career Pathway Agreement with Elite Charter Schools, providing college classes for their students at their school. The District has partnered with Touro University for Nursing students who wish to complete the Family Nurse Practitioner program.

During my time on the Board, we have significantly improved our financial standing, have increased enrollment to more than 9,000 students and increased online classes and services to better serve working students. We have increased funding for tutoring, health services, a food and clothing pantry, and emergency housing and most classes now offer zero or low-cost textbooks saving students hundreds of dollars.

KASHANNA HARMON-LEE **EDAD: 43**
Trabaho: Rehistradong Tagasuri ng Pag-uugali

Edukasyon at mga Kuwalipikasyon: Ang pangalan ko ay Kashanna Harmon-Lee, at tumatakbo ako para sa Katiwala ng Lupon ng Paaralan ng Benicia School Board Trustee, Lugar 3. Bilang matagal nang residente at ina ng limang estudyante, maghahatid ako ng katangi-tanging pananaw. Bilang isang aktibong taga-organisa at lider ng komunidad, itinaguyod ko ang mga inisyatibang nakasentro sa bata at naglingkod bilang proaktibong magulang sa mga paaralan sa lahat ng aking anak. Sa 20 taong karanasan bilang ABA na espesyalista sa pag-uugali, preschool na guro, at suporta sa espesyal na edukasyon, nauunawaan ko ang iba't ibang hamon na kinakaharap ng ating pabago-bagong kalatagang pang-edukasyon. Gaya ng tamang pagkakasabi ni W.E.B. Du Bois, "Sa lahat ng karapatang sibil para kung saan naghirap at lumaban ang mundo ng 5,000 taon, walang duda na ang karapatang matuto ay ang pinakamahalaga." Lubos akong nakatuon sa pagtataguyod ng kapaligiran kung saan ang bawat estudyante ay nararamdamang siya ay ligtas, iginagalang, at may kapangyarihan. Nilalayan kong unahin ang suportang panlipunan, emosyonal, at sa kalusugan ng pag-iisip, at itataguyod ko ang lahat ng estudyante, kabilang ang mga may mga espesyal na pangangailangan, na tinitiyak na ang boses ng bawat pamilya ay napapakínggan. Hinihingi ko ang inyong boto sa ika-5 ng Nobyembre upang tumulong sa pagbuo ng tulay sa pagitan ng mga edukador, pamilya, at komunidad, na lilikha ng may ekidad na mga karanasan sa edukasyon na magbibigay ng inspirasyon sa kahusayan at magbibigay-daan para umunlad ang ating mga estudyante.

FRANZ ROSENTHAL

AGE: 58

Occupation: Engineer, Pharmaceutical Manufacturing

Education and Qualifications: My wife and I love living in Benicia. It is a wonderful and nurturing community in which to raise our three small children. We feel honored to be a part of this special city and look forward to our future here.

We especially enjoy the unique sense of history and charm we have found here, attributes I would work toward preserving should I be elected to the Council.

This goal is only possible through fiscal responsibility and a solid vision backed by a comprehensive business plan. The City would benefit from economic growth of the type that generates valuable tax revenue to ease our current financial strain. This growth requires strategic planning and a concerted effort to attract the type of businesses that align with our vision. Fiscal responsibility also requires examining the sources of our expenses to ensure the City's funds are being used in the most efficient manner possible.

My experience running projects as an engineer, as well as my MBA, have taught me how to balance the dueling priorities of benefits vs. costs, as well as the importance of long-term strategic planning.

A vote for me is a vote for a sustainable Benicia. Thank you.

MEASURE F

Measure F Citizens' Initiative - Special Sales Tax for Streets	
Shall the citizens of Benicia enact a measure raising local funds for the specific purpose of repairing, maintaining, and improving Benicia's streets, roads, potholes and related sidewalks and storm drains, never to be used for other municipal services, by adopting a ½ cent sales tax, providing approximately \$4,000,000 annually, with a citizen oversight committee and annual audits, until ended by voters?	YES
	NO

CITY ATTORNEY'S IMPARTIAL ANALYSIS OF MEASURE F

Measure F, "Save Our Streets", is a voter-sponsored initiative that would add an additional transaction and use tax at the rate of one half percent (0.5%) of the retail sales price, or 1/2 cent for an item that costs one dollar. Measure F was placed on the ballot by a petition signed by the requisite number of voters.

State law authorizes the City of Benicia ("City") to levy a local transactions and use tax, commonly known as a "sales tax", on retail sales. In March 2024 voters approved Measure B and increased the tax on retail sales within the City to 9.125% of the purchase price. Of this amount, 7.25% goes to the State, 0.125% to Solano County, and 1.75% to the City. Retailers collect the tax at the time of sale and remit the funds to the California Department of Tax and Fee Administration ("CDTFA"), which administers the tax and sends the City its amount. This tax only applies to retail sales. Consistent with state law, the tax would not apply to prescription medications and food purchased as groceries.

Currently, under state law the total amount of sales tax that can be charged by jurisdictions in Solano County is 9.25%. If Measure F is approved by voters, in order for the 0.5% additional sales tax imposed by Measure F to be collected by CDTFA, the sales tax cap for the City would have to be increased. A state bill, Assembly Bill AB-3259 ("Bill"), is currently pending before the State Legislature that would increase the sales tax cap in the City from 9.25% to 9.75%. The Bill is an urgency measure that would go into effect immediately upon approval.

Because Measure F legally restricts the use of tax revenue to specific purposes, it is a "special tax". The proceeds must be used exclusively for the specific public purposes provided in the Measure which are: repairing, maintaining, and improving Benicia's streets, roads, potholes and related sidewalks and storm drains. If Measure F does not pass the City will continue to receive 1.75% of sales tax collected in Benicia but will not have additional funding dedicated to the purposes stated in Measure F.

A "yes" vote is a vote in favor of the tax. A "no" vote is a vote against the tax. Measure F will be adopted if it is approved by a majority vote of the electorate.

Submitted August 12, 2024.

ARGUMENTS IN SUPPORT OF OR IN OPPOSITION TO THE PROPOSED LAWS ARE THE OPINIONS OF THE AUTHORS.

ARGUMENT IN FAVOR OF MEASURE F

If you are frustrated with the condition of Benicia’s streets, and once and for all want to ensure resources are dedicated and allocated to repair them, please join us in voting yes on Measure F.

Measure F is a citizens-driven initiative, not a City initiative. A citizens group in Benicia spent a tremendous amount of time and effort collecting over 2,000 signatures to get Measure F on the ballot. We’re now counting on all registered voters to pass this important Measure.

Benicia faces a significant road repair backlog, totaling over \$60,000,000. Without Measure F passing, our streets will remain in disrepair and continue to deteriorate. Measure F, proposed by Benicia residents, seeks to implement a 0.5% (1/2 cent) sales tax on retail sales within the City of Benicia, with exceptions for most food items purchased from grocery stores. This modest tax is projected to raise approximately \$4,000,000 annually, and will be dedicated to repairing, maintaining, and enhancing Benicia’s streets, potholes, and related sidewalks and storm drains. The revenue from this tax will improve safety and the overall condition of our infrastructure for vehicles, cyclists, pedestrians, and children.

Measure F is very different from other measures proposed over the years. Funds collected from Measure F will be separated from the City’s General Fund, and by law, will be dedicated 100% to repairing our streets. City staff and the City Council cannot use these funds for anything else. The Measure also establishes a Citizen Advisory Oversight Committee, and requires annual audits to ensure transparency. Voters retain the power to repeal this tax at any time.

Measure F is your opportunity to ensure that the condition of our streets is finally addressed. Please join us in Voting Yes on Measure F.

REBUTTAL TO ARGUMENT IN FAVOR OF MEASURE F

VOTE NO ON F.

Measure F is currently an illegal proposal to enact an invalid tax.

Measure F is so poorly written it should be known as the Taxpayer Funded Lawyer Employment Measure.

When Benicia increased taxes in March 2024, Measure F became invalid under California Revenue and Taxation Code Section 7251.1.

Did those who signed the Measure F petition really intend to increase taxes higher than the State law allows?

Now the validity of Measure F depends on Assembly Bill 3259 (Wilson) pending in the California Legislature.

Section 6 of that Assembly Bill 3259 says that if Measure F is adopted “before this bill takes effect, the tax would exceed the limit established in Section 7251.1, making the tax invalid . . .”

The effort to retroactively change the character of a measure in the middle of an election campaign not only undermines the integrity of elections, but it also guarantees litigation at the expense of needed public services.

Finally, Measure F is so poorly written that while it promises a “citizen’s oversight committee” it fails to create such a committee. Only the wish or desire is expressed. The City Council cannot create such a committee because State law prohibits the amendment of an initiative measure.

As written Measure F deserves an “F”. Invalid and fatally flawed is F.

ARGUMENTS IN SUPPORT OF OR IN OPPOSITION TO THE PROPOSED LAWS ARE THE OPINIONS OF THE AUTHORS.

ARGUMENT AGAINST MEASURE F

VOTE NO on MEASURE F.

Among the many reasons why Measure F is fatally and legally flawed are the following:

First, Benicia increased the Sales and Use Tax earlier this year in March 2024.

Second, Measure F is legally flawed because it is written in the language of an Advisory Measure Only. Ordinances (and statutes) may only be proposed and enacted with simple declarative language. Unlike Advisory Measures, no legislation may be enacted as a question.

Third, Measure F is fatally flawed because it lacks any “enacting clause” required by State law to enact ordinances. Such a clause is unnecessary for an Advisory Measure.

Fourth, Measure F is fatally flawed because the City Attorney has poisoned the measure with a so-called “Summary” which is more than twice as long as the proposed measure. This new substantive language expressly revises and amends Measure F. Such an amendment and revision is expressly prohibited by State law.

Fifth, measure F does not create a “citizen’s oversight committee”. The best that can be said is that it requests the City Council to create and appoint such a committee. And experience indicates that such a committee has little independence and no real power.

Measure F as amended? F NO!

REBUTTAL TO ARGUMENT AGAINST MEASURE F

Do you know what is fatally flawed in Benicia? Our road system. Maybe we should do something about that!

Fixing Benicia’s roads requires a lot of money. The City only receives approximately \$800,000 per year from State gas tax. We know that we need to spend over \$5.5 million each year to repair our road infrastructure. Measure F helps to Fix our roads!

The “bedroom” community of Benicia does not have sufficient revenue sources to support our services and infrastructure. That is changing! Earlier in the year our community passed Measure A and B to support public safety and essential services. The City is working on other initiatives to be able to sustain our services and fix our infrastructure.

Measure F is a SPECIFIC tax that can only be used to repair our roads. It’s part of a COMPREHNSIVE plan to address our road network.

Measure F is legally compliant. The opponents of Measure F want to throw stones at our City Attorney for his impartial analysis and at the more than 2,000 Benicia citizens that signed a petition to put this initiative on the ballot, just because they don’t want to pay more taxes.

None of us want to pay more taxes, yet the only way we can fix our roads is for all of us to pay a little bit more so we can finally Fix our roads.

Help be part of the solution. Please join us in voting YES on Measure F.

MEASURE G

City Charter to Invest in Benicia's Future, Part 1

To ensure proper investments in essential City services including roads, infrastructure, Benicia's Police and Fire Departments, shall the City of Benicia adopt a Charter, that can only be amended with voter approval, for the limited and sole purpose of allowing voters to consider enacting a real property transfer tax (Measure H), the proceeds of which shall provide necessary funding for critical City infrastructure and services, monitored with audits and citizen oversight?

YES

NO

**CITY OF BENICIA MEASURE G
CHARTER BALLOT DESCRIPTION**

California Government Code Section 34458.5 requires that a proposal to adopt or amend a charter include a ballot description enumerating the new city powers as a result of the adoption of the charter, including whether the City Council will have the power to raise its own compensation and the compensation of other city officials without voter approval.

A "YES" vote in favor of Measure G changes the City of Benicia, hereafter referred to as "the City," from a general law city to a charter city. The City is currently a general law city. Accordingly, the powers of the City are governed by the general laws of the State of California relating to cities organized under the general laws. The general laws of the State are established by the State Legislature and signed by the Governor, or enacted by voter initiative.

Charter cities, on the other hand, are specifically authorized by the State Constitution to govern themselves, free of State legislative intrusion, as to those matters deemed "municipal affairs". As a result, when a city becomes a charter city, the city thereafter possesses all powers appropriate for a municipality to possess so far as municipal affairs are concerned free of State legislative interference. The charter document itself does not contain or constitute the grant of authority over municipal affairs, as the authority comes from the State Constitution. Rather, the charter serves as a limitation on that authority. Accordingly, charter cities possess authority over municipal affairs except as limited by their charter.

The proposed City of Benicia Charter specifically provides that the City's new powers over municipal affairs will be limited solely to municipal revenue including taxation and assessment, and a system for the imposition, levy and collection of a real property transfer tax. In all other respects, the powers of the City shall remain as they currently are and shall be constrained by, subject to, and governed by the general laws of the State of California.

The proposed charter will not change the City Council's authority to raise its own compensation and the compensation of other city officials. The City Council's power to raise compensation will continue to be governed by the general laws of the State of California. As set forth in Government Code Sections 36516 and 36516.5, the City Council may increase their own salaries without voter approval, effective upon the beginning of a new term of a councilmember, by an amount up to 5% for each year since the last increase. Government Code Section 36516 also provides that the salary of the council members may be increased beyond the amount noted above with voter approval.

Finally, as to other city officials, the City Council may increase their compensation without voter approval.

CITY ATTORNEY'S IMPARTIAL ANALYSIS OF MEASURE G

Measure G asks voters to adopt the City of Benicia Charter ("Charter") which will allow the City of Benicia ("City") to exercise the authority over municipal affairs granted to charter cities by the California Constitution. The proposed Charter specifically limits the City's new powers over municipal affairs solely to municipal revenue including taxation and assessment, and a system for the imposition, levy and collection of a real property transfer tax. Accordingly, the proposed Charter allows the City to enact a Real Property Transfer Tax Ordinance ("Measure H"), the proceeds of which will fund City services. The Charter further provides that in all other respects, the powers of the City shall remain as they currently are, and shall be governed by the general laws of the State of California.

The City is currently a general law city which means the powers of the City are governed by the general laws established by the State Legislature or enacted by voter initiative. Charter cities, on the other hand, are specifically authorized by the State Constitution to govern themselves as to those matters deemed "municipal affairs". In contrast, state law applies to charter cities for matters of "statewide concern".

Whether a given activity is a municipal affair, over which a charter city has sole authority, or of statewide concern, over which the State legislature has authority, is an issue for the State judicial system to decide based on the facts and circumstances of each case. Generally, a matter is of statewide concern rather than a municipal affair when its impact is primarily regional.

A general law city may elect to become a charter city by following statutory procedures and may limit the scope of matters the charter governs. Here the City utilized the procedure in Government Section 34458. The Charter proposed by the City provides that the City's new powers over municipal affairs will be limited solely to municipal revenues including taxation and assessment, and a system for the imposition, levy and collection of a real property transfer tax.

Measure H, the companion measure to Measure G, is also being presented to voters on November 5, 2024, and asks voters to approve the adoption of a real property transfer tax to fund City services, including, but not limited to, roads, infrastructure, facilities, Police, and Fire. Measure H can only be approved if voters approve Measure G, which establishes the proposed Charter.

A "yes" vote on Measure G adopts the City of Benicia Charter. A "no" vote on Measure G will maintain the City of Benicia as a general law city. Measure G will be adopted if it is approved by a majority vote of the electorate. If Measure G is approved by a majority of voters and the Charter is adopted, any future amendment or expansion of the scope of the Charter would be subject to voter approval.

Measure G was placed on the ballot by the City Council of the City of Benicia.

WHEREAS, the City Council of the City of Benicia has determined that enactment of the proposed Charter would be beneficial for the City of Benicia and its residents by establishing the authority for the qualified electors of the City of Benicia to decide whether to enact a Real Property Transfer Tax Ordinance which revenues would be locally controlled and help to ensure that essential city services are provided and maintained; and

ORDINANCE NO. 24-___

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF BENICIA ESTABLISHING THE CITY OF BENICIA AS A CHARTER CITY AND ADDING A NEW CHAPTER 1A (CITY OF BENICIA CHARTER) TO THE BENICIA MUNICIPAL CODE SOLELY WITH RESPECT TO THE POWERS OVER MUNICIPAL AFFAIRS IN RELATION TO MUNICIPAL REVENUES INCLUDING TAXATION AND ASSESSMENT, AND A SYSTEM FOR THE IMPOSITION, LEVY AND COLLECTION OF A TAX ON THE CONVEYANCE OF REAL PROPERTY BASED ON THE VALUE OF THE REAL PROPERTY IN ADDITION TO THE AMOUNT AUTHORIZED BY CALIFORNIA REVENUE AND TAXATION CODE SECTION 11911

WHEREAS, the City of Benicia was incorporated as a general law city in 1851 by residents seeking to manage local affairs and today serves a population of approximately 26,200, providing a host of general governmental services through the exercise of its Constitutional Police Powers to the community including police, fire, parks and recreation, library, public works engineering and maintenance, water and wastewater, community development (planning and building), and various administrative support services in a fiscally sustainable manner; and

WHEREAS, current revenues are insufficient for the City of Benicia to continue to provide those services in fiscally sustainable manner; and

WHEREAS, to address this challenge, the City of Benicia has pursued cost saving measures and the City’s voters have approved multiple revenue measures in recent past including a Cannabis Excise Tax, Sales Tax increase and Transient Occupancy Tax increase; and

WHEREAS, the anticipated revenue generation from those measures still leaves the City well short of what is required to fund services and maintain important infrastructure needs such as roads, repairing potholes, storm drains, sidewalks, and public facilities such as the City Pool, Community Center, Library, Marina, parks, and essential services such as police, fire, library, youth and senior programs, engineering and community development (planning and building) and other unrestricted general government purposes; and

WHEREAS, for this reason, it is necessary for the City of Benicia to seek additional sources of revenue generation, such as levying a Real Property Transfer Tax on the sale of properties within its boundaries; and

WHEREAS, becoming a charter city would grant Benicia the power to institute a Real Property Transfer Tax, a power it does not have as a general law city; and

WHEREAS, to address this matter, in April 2024, the City Council, pursuant to the authority granted by Government Code Section 34458, provided direction to staff to draft a city charter focused exclusively on granting the power to levy a Real Property Transfer Tax that, if approved by a simple majority of voters, would establish Benicia as a charter city under California state law; and

WHEREAS, pursuant to Government Code Section 34458(b), the City Council held two public hearings to receive comments from the public and to consider the proposed Benicia City Charter for the limited and sole purpose of enacting a Real Property Transfer Tax; and

WHEREAS, at the conclusion of the hearing process, after considering all testimony, evidence, and comments from the public, the City Council directed the preparation of a ballot measure for the November 5, 2024 election to put before voters the decision to adopt the proposed Benicia City Charter for the limited and sole purpose of enacting a Real Property Transfer Tax; and

WHEREAS, Elections Code Section 9255(b) provides that a charter proposed by the local governing body shall be submitted to the voters at an established statewide general election pursuant to Section 1200, provided there are at least 88 days before the election at a statewide general election pursuant to Elections Code Section 1200; and

WHEREAS, pursuant to Elections Code Section 9217, if a majority of the voters voting on a proposed ordinance vote in its favor, the ordinance shall become a valid and binding ordinance of the City. The ordinance shall be considered as adopted upon the date that the vote is declared by the legislative body and shall go into effect 10 days after that date.

ARGUMENT AGAINST MEASURE G	REBUTTAL TO ARGUMENT AGAINST MEASURE G
<p>VOTE NO on Measure G !</p> <p>Don't be fooled: Measure G is not needed for a transfer tax. Benicia already has a transfer tax. It's 55 cents per \$1,000 of value. Benicia is a General Law city. It can't raise its transfer tax any higher because of statewide caps. That's why City Hall wants Measure G. To bypass the caps and put forth Measure H, to <u>massively increasing the existing transfer tax by 727%.</u></p> <p>Don't be fooled by Measure G's claim that it's for the "sole purpose of allowing voters to consider enacting a real property transfer tax (Measure H)." Read the fine print in the Ordinance, Article II, Sec. 200. It says the Charter is "in relation to municipal revenues including taxation and assessment, ..."</p> <p>Don't be fooled: Measure G is not limited to increasing the transfer tax. It will give City Hall the GREEN LIGHT to increase permit fees, license taxes, parking fees, usage fees, special assessments-the list goes on-al beyond Statewide tax caps!</p> <p>Don't be fooled by Measure G proponents. Benicia has been a General Law city since it was incorporated in 1851. Proponents of Measure G want to change 173 years of history. Why? For City Hall's history of poor fiscal management. Just look at the City's payroll. For 2024, the City is on track to spend \$41 + million on payroll, almost 20% more than last year.</p> <p>Don't be fooled by City Hall claims that Measure G will provide "necessary" funding for infrastructure. Revenues would go to the GENERAL FUND. City Hall will have the go ahead to raise taxes, fees and assessments for anything, not just for infrastructure.</p> <p>Vote No on Measure G</p> <p>Association of Benicians Opposing Charter City and Real Property Transfer Tax Measures s/Christopher Shenfield, Attorney at Law</p> <p>s/Lawrence Morsen Retired Water Utility Executive</p> <p>s/Kenneth Bocox 40-Year Benicia Resident</p> <p>s/William J. MEASURE H

Real Property Transfer Tax to Invest in Benicia's Future, Part 2

To invest in essential city services including: • Roads, infrastructure, facilities • Police, Fire, City services Shall the City of Benicia enact a real property transfer tax based on sale price, assessed only when property is sold, with exemptions for family members, at a rate of 0.4% for properties \$2 million and under, 0.6% for properties over \$2 million, and 0.8% for properties over \$10 million, providing approximately \$850,000 annually, until ended by voters, with audits and citizens' oversight?	YES
	NO

IMPARTIAL ANALYSIS OF MEASURE H

Measure H asks the electorate of the City of Benicia ("City") to consider the adoption of the City of Benicia Real Property Transfer Tax Ordinance ("Ordinance"). A companion measure, Measure G, is also being presented on the November 5, 2024, ballot. Measure G, if approved, would adopt the City of Benicia Charter which gives the City new powers over municipal affairs solely limited to municipal revenue including taxation and assessment, and a system for the imposition, levy and collection of a real property transfer tax. The adoption of the Charter is legally necessary to allow the City to enact a real property transfer tax which is a tax imposed when real property is sold. Measure H can only be approved if the voters approve Measure G.

Because this measure does not legally restrict the use of tax revenue to any specific purposes, it is classified as a "general tax," not a "special tax." As a general tax, the funds would go to the City's general fund, and be used for any valid municipal government purpose including roads, infrastructure, facilities, Police, Fire, and other City services.

The City is currently a general law city, governed by the laws of the State of California relating to general law cities. One of those general laws, California Revenue and Taxation Code Section 11911, authorized the City's current real property transfer tax rate of \$0.275 for each \$500.00 or fractional part of \$500.00. If Measure G passes, the City will have the authority to impose a real property transfer tax that exceeds the tax rates in the City's current ordinance, conditioned on Measure H also passing.

If adopted, the Ordinance would establish a new local tax on the conveyance of real property at the rate of \$4.00 per \$1,000.00 of valuation for properties \$2,000,000 and under, \$6.00 per \$1,000.00 of valuation for properties over \$2,000,000 to \$10,000,000, and \$8.00 per \$1,000.00 of valuation for properties over \$10,000,000. This will be in addition to the City's existing real property transfer tax.

The following examples demonstrate how the new tax is calculated:

- A \$1,000,000 property sale is taxed \$4,000.
- A \$2,100,000 property sale is taxed \$12,600.
- A \$10,100,000 property sale is taxed \$80,800.

The Ordinance contains exemptions for sales to family members, allows buyers and sellers to negotiate among themselves

as to who pays the tax, is subject to annual audit and citizen oversight, and may only be amended by voters.

A "yes" vote on Measure H adopts the Ordinance. A "no" vote on Measure H rejects the Ordinance; however, the current tax authorized by California Revenue and Taxation Code Section 11911 would remain in effect. Measure H will be adopted and the Ordinance will become effective only if both Measure G and H are approved by a majority vote.

Measure H was placed on the ballot by the City Council of the City of Benicia.

ARGUMENT AGAINST MEASURE H

VOTE NO on Measure H !

The Benicia City government has a spending problem and wants to try to solve it by making housing more expensive. How? By raising the City's transfer tax on the sale of an \$800,000 home from \$412 to \$3,200. A 727% tax increase!

State law caps the City's current transfer tax. That's why City Hall is also putting forward companion Measure G – Charter City, so it can circumvent the cap.

Don't be fooled by Measure H's 0.4% tax on homes under \$2 million. It will be based upon the ENTIRE value of your home, INCLUDING your mortgage. For example, if a buyer puts 20% down on an \$800,000 home, the tax will be 2% of the downpayment !

Don't be fooled by claims that Measure H is just a "one time" tax. Measure H will make it more expensive for your children and grandchildren to buy a home in Benicia. A homebuyer can't finance the cost of the tax. It's money that must be paid at closing.

Don't be fooled by claims that Measure H won't hurt long-time homeowners. It is a raid on the equity they've built up paying mortgages and making improvements. Their home's equity is retirement security. If Measure H passes, City Hall will take thousands of dollars of hard-earned equity and use it to pay for any unmet financial needs in the future.

Don't be fooled. Measure H is a "GENERAL FUND TAX." It allows the City Council to spend it for any purpose.

Putting the burden of generating more money for City Hall on the backs of homeowners and homebuyers isn't fair and isn't smart. It would make our housing crisis worse.

REBUTTAL TO ARGUMENT AGAINST MEASURE H

By now, most of us are well aware that our economy and revenue from property tax are not sufficient to pay for our existing services and meet the needs to improve our infrastructure, like our roads. In fact, all of the residential property tax in Benicia doesn't even cover the cost to pay for our police and fire services!

In order to meet the service needs of today and tomorrow we need to do things differently. Measure H is just part of a comprehensive solution our City leaders have put in motion to address our fiscal challenges.

How does Measure H work?

When you sell your real property, a transferred tax is assessed. Family members are not assessed this tax. If you sell a home for \$800,000 the tax rate is .4% meaning the total tax is \$3,200. The payment of the tax can be paid either the seller, buyer or split between both parties.

We understand that increasing taxes makes living in Benicia even more costly. But what is the cost of not taking action?

What will be the impact on the value of your home when you go to sell, and a potential buyer drives past a park in decline on a road in disrepair? This is not a scare tactic. Many residents are living that reality now. Let's take the necessary action to fix these conditions.

Let's invest in Benicia. Please join Us in Voting Yes on Measure H.
