ELECTION INSTRUCTIONS

Instructions for entering elections under each applicable benefit account type:

- Healthcare FSA Election:** The amount you expect to pay out-of-pocket toward eligible medical expenses throughout the plan year, which may include deductible and co-insurance portions of health insurance (NOT premiums), dental, orthodontic, and eye care expenses. Participants may elect a maximum based on the current IRS limits. Your employer’s plan maximum may be less than the IRS maximum. Review your Summary Plan Description (SPD) for your specific plan maximum. Your election will be split into equal amounts to be deducted pretax from every payroll throughout the plan year. Your total annual election amount is available for reimbursement of eligible expenses on the first day of the plan year.
- Dependent Care FSA Election:** Amount you expect to pay out-of-pocket for eligible day care expenses for the Plan Year. The maximum allowable amount under IRS regulations is \$5,000 per calendar year per family; \$2,500 per calendar year for married individuals filing single. Plan funds are available as they are contributed.
- Transit Account Election:** Amount incurred per month to travel to and from work on mass transit facilities, or commuter highway vehicles. Examples of eligible expenses are vouchers, fare cards, or tokens for a bus, train, ferry, subway, or ride-share services (i.e., uberPOOL, Lyft Line, vanpool). Monthly limits apply.
- Parking Account Election:** Amount incurred per month for parking expenses at or near your place of employment or at a location from which you commute to work (e.g. ramp or park ‘n ride). Monthly limits apply.

IMPORTANT NOTE:

How Cafeteria Plans affect Social Security Benefits: Reduction of your Social Security benefits will be minimal and is offset by the tax savings and lower healthcare costs available under an FSA. To compensate for this minimal reduction, you may consider increasing your retirement plan funding.

Orthodontia Worksheet and Instructions

The treatment of orthodontic expenses under a Medical Flexible Spending Account (FSA) is different than other medical expenses because services generally span more than one Plan Year. Under IRS regulations, the service must be reimbursed from the same FSA Plan Year in which the services were provided and the service must have been incurred. Nevertheless, IRS officials have informally commented that a pre-payment of orthodontia expenses is permissible in certain instances. Below are the various options for reimbursement of orthodontic services, instructions on how to submit a reimbursement request for orthodontic expenses, and instructions on completing the Orthodontia Worksheet.

If a service agreement or contract has been drawn between the orthodontic provider and Participant agreeing on services provided and payments due over the course of the treatment, the Participant is reimbursed on a monthly basis according to the agreement. Reimbursements for these payments may span over one or more FSA Plan Years, as per the agreement. For example, if the agreement indicates a one-time payment of \$500 upon placement of the braces and a monthly fee of \$50 thereafter for two years, the amounts eligible for reimbursement are those incurred within each Plan Year (up to your current remaining balance). Pre-payments of monthly fees are not reimbursable as the service must be provided and payment must have a due date within your Plan Year coverage period. (Payments due in one Plan Year cannot be reimbursed from the next Plan Year.)

If full payment is required by the orthodontic provider before services can begin, the total cost for the treatment is eligible for reimbursement when the work is started and the payment is made. A one-time reimbursement for the total cost of the treatment up to your current available balance may be made from your current Plan Year Medical FSA. For example, if a full payment of \$3,000 is required at time of placement and your current Medical FSA balance is \$2,500, you are eligible to be reimbursed for \$2,500.

If the orthodontic provider does not offer the options above, complete the Orthodontia Worksheet to determine the monthly amount that may be eligible for reimbursement from your Medical FSA.

Loan payments and interest on a loan are not eligible expenses. Thus, the TASC Card cannot be used to make payments to a loan company. Complete the Orthodontia Worksheet if no other receipt or contract is available from the orthodontic provider.

Submitting orthodontia expenses for reimbursement:

1. A Request for Reimbursement Form must be completed each time you want to be reimbursed.
2. With each Request for Reimbursement, include a copy of the orthodontic contract, coupon (if provided a payment book), or itemized receipt. All documentation must clearly indicate the month and year of the service provided (or payment due date), the monthly payment amount, the name of the provider, and a description of the service (orthodontia, braces, placement, or banding fee).
3. In the absence of a contract or service agreement:
 - a. Complete the Orthodontia Worksheet
 - b. Have it signed by your orthodontist;
 - c. Submit with each Request for Reimbursement.
4. Initial payments, banding, or placement fees are eligible for reimbursement upon placement. An itemized receipt must accompany the Request for Reimbursement Form that indicates the service is a banding or placement fee instead of a monthly fee.

5. A Request for Reimbursement of payment in full for orthodontic treatment at the start of the orthodontic services requires an itemized receipt from the orthodontic provider to accompany the Request for Reimbursement.

In the absence of a contract or service agreement, the orthodontic provider must apportion the total cost of the treatment, less the initial payment due and any payments expected from your insurance company or provider discounts, to the remaining number of months required for treatment. This will determine the monthly payment amount eligible for reimbursement from the Medical FSA. Include a **copy** of this completed form with each Request for Reimbursement Form submitted to TASC.

1. Enter the total cost for the duration of the treatment in the *Total Cost* section in below.
2. Enter in any insurance payments and provider discounts.
3. Enter the estimated portion of the total cost that is apportioned to the services provided in the first visit (when the braces are applied) in the *Initial Payment Due* section. (Generally one-third or less of the total cost.)
4. Subtract the insurance payments, provider discounts, and initial payment due from the total cost and enter this amount in the *Total Remaining Balance* section.
5. Enter the number of months the treatment is expected to continue after placement of the braces.
6. Divide the Total Remaining Balance by the number of months and enter this amount in the *Monthly Payment* section. This is the amount eligible for reimbursement from the FSA on a monthly basis.

I have reviewed my options for CalPERS medical coverage through Solano County and have decided not to participate in the County's medical plan at this time. In lieu of this coverage, I elect to continue to waive the medical plan options, because I have other non-individual market coverage that is minimum essential coverage* through another health insurance plan. I understand that because I am waiving medical coverage, I am now eligible to participate in the Cafeteria Plan and receive cash back money as taxable income. I understand the cash benefit would be received in the same month of eligibility. I certify under penalty of perjury that the provided proof of other medical coverage is true and accurate.

If the status of my other medical coverage changes, I must provide Human Resources the new proof of insurance within 31 days. My failure to notify Solano County may result in owing the County for any monies for which I was not eligible.

I understand that Medi-Cal is not considered proof of other coverage, since Medi-Cal is a Welfare Benefit Program. (California Codes-Welfare and Institutions Code, Section 14000-15000)

The parties to this agreement, by entering into it, are giving up their constitutional right to have any such dispute decided in a court of law before a jury and instead are accepting the use of arbitration.

17. **To decline, carefully review the information in this section and check the box:**

I DECLINE ENROLLMENT into the CalPERS Health Program for myself and my dependents.

I UNDERSTAND that if I choose to enroll at a later date, I must wait at least 90 days after I request enrollment or until the next Open Enrollment (OE) period before enrolling in the CalPERS Health Program. If I do not request enrollment within 60 days, I must wait at least 90 days or until the next OE period before I can enroll. Statement Concerning Your Employment in a Job Not Covered by Social Security

Employee Name _____ Employee ID# _____

Employer Name _____ Employer ID# _____

Your earnings from this job are not covered under Social Security. When you retire, or if you become disabled, you may receive a pension based on earnings from this job. If you do, and you are also entitled to a benefit from Social Security based on either your own work or the work of your husband or wife, or former husband or wife, your pension may affect the amount of the Social Security benefit you receive. Your Medicare benefits, however, will not be affected. Under the Social Security law, there are two ways your Social Security benefit amount may be affected.

Windfall Elimination Provision

Under the Windfall Elimination Provision, your Social Security retirement or disability benefit is figured using a modified formula when you are also entitled to a pension from a job where you did not pay Social Security tax. As a result, you will receive a lower Social Security benefit than if you were not entitled to a pension from this job. For example, if you are age 62 in 2013, the maximum monthly reduction in your Social Security benefit as a result of this provision is \$395.50. This amount is updated annually. This provision reduces, but does not totally eliminate, your Social Security benefit. For additional information, please refer to Social Security Publication, "Windfall Elimination Provision."

Government Pension Offset Provision

Under the Government Pension Offset Provision, any Social Security spouse or widow(er) benefit to which you become entitled will be offset if you also receive a Federal, State or local government pension based on work where you did not pay Social Security tax. The offset reduces the amount of your Social Security spouse or widow(er) benefit by two-thirds of the amount of your pension.

For example, if you get a monthly pension of \$600 based on earnings that are not covered under Social Security, two-thirds of that amount, \$400, is used to offset your Social Security spouse or widow(er) benefit. If you are eligible for a \$500 widow(er) benefit, you will receive \$100 per month from Social Security (\$500 - \$400=\$100). Even if your pension is high enough to totally offset your spouse or widow(er) Social Security benefit, you are still eligible for Medicare at age 65. For additional information, please refer to Social Security Publication, "Government Pension Offset."

Social Security publications and additional information, including information about exceptions to each provision, are available at www.socialsecurity.gov. You may also call toll free 1-800-772-1213, or for the deaf or hard of hearing call the TTY number 1-800-325-0778, or contact your local Social Security office.

I certify that I have received Form SSA-1945 that contains information about the possible effects of the Windfall Elimination Provision and the Government Pension Offset Provision on my potential future Social Security Benefits.

Information about Social Security Form SSA-1945 Statement Concerning Your Employment in a Job Not Covered by Social Security

New legislation [Section 419(c) of Public Law 108-203, the Social Security Protection Act of 2004] requires State and local government employers to provide a statement to employees hired January 1, 2005 or later in a job not covered under Social Security. The statement explains how a pension from that job could affect future Social Security benefits to which they may become entitled.

Form SSA-1945, **Statement Concerning Your Employment in a Job Not Covered by Social Security**, is the document that employers should use to meet the requirements of the law. The SSA-1945 explains the potential effects of two provisions in the Social Security law for workers who also receive a pension based on their work in a job not covered by Social Security. The Windfall Elimination Provision can affect the amount of a worker's Social Security retirement or disability benefit. The Government Pension Offset Provision can affect a Social Security benefit received as a spouse, surviving spouse, or an ex-spouse.

Employers must:

- Give the statement to the employee prior to the start of employment;
- Get the employee's signature on the form; and
- Submit a copy of the signed form to the pension paying agency.

Social Security will not be setting any additional guidelines for the use of this form.

Copies of the SSA-1945 are available online at the Social Security website, www.socialsecurity.gov/online/ssa-1945.pdf. Paper copies can be requested by email at ofsm.oswm.rqct.orders@ssa.gov or by fax at 410-965-2037. The request must include the name, complete address and telephone number of the employer. Forms will not be sent to a post office box. Also, if appropriate, include the name of the person to whom the forms are to be delivered. The forms are available in packages of 25. Please refer to Inventory Control Number (ICN) 276950 when ordering.

Pre-Retirement Lump-Sum Beneficiary Designation Information

Information

If you die before you retire, the Public Employees' Retirement Law provides for payment of specific benefits to your surviving beneficiaries. Please order or download your member benefit publication from our website at www.calpers.ca.gov, or see your personnel officer for a description of the benefits. The benefits are payable to the following beneficiaries:

A. If you are a safety member and your death is job related, or if you are not a safety member but you are fatally attacked while performing your official job duties, the Special Death Benefit may be payable. This benefit is payable by law to your surviving spouse/registered domestic partner (whether or not you were still living together at the time of your death) or, if none, to your unmarried children/step-children under age 22, whether or not you have filed a beneficiary designation.

B. If you are eligible for retirement or you are a state member with at least 20 years of state service credit, a monthly survivor allowance may be payable. If you do not have a valid beneficiary designation on file, the benefits will be payable to your surviving spouse/registered domestic partner whom you have been married to or in a partnership with for either one year or prior to the onset of the injury or illness that resulted in death. Or, if there is no eligible surviving spouse/registered domestic partner, the allowance will be payable to your unmarried minor children, if any.

If you do have a valid beneficiary designation on file, your spouse/registered domestic partner may still be entitled to a community property share of your lump-sum contributions or monthly survivor allowance. However, your non-spouse/non-registered domestic partner designated beneficiaries will receive the portion of your lump-sum benefits that are not payable to your spouse/registered domestic partner as his/her community property share.

C. If A and B do not apply and there is no valid beneficiary designation on file at the time of death, the benefits will be payable to your survivors in the following order:

1. Your surviving spouse/registered domestic partner (whether or not you were still living together at the time of your death); or if none,
2. Natural and adopted children, including (in limited situations) a natural child adopted by another, share and share alike; or if none,
3. Parents, share and share alike; or if none,
4. Brothers and sisters, share and share alike; or if none,
5. Your estate (if probated, or subject to probate); or if not,
6. Your trust (if one exists); or if not,
7. Stepchildren, share and share alike; or if none,
8. Grandchildren, including step-grandchildren, share and share alike; or if none,
9. Nieces and nephews, share and share alike; or if none,
10. Great-grandchildren, share and share alike; or if none,
11. Cousins, share and share alike

If A and B do not apply and there is a valid beneficiary designation on file at the time of death, the benefits will be payable to the beneficiary(ies) you designate on the form. **However, if you are married or have a registered domestic partner at the time of death, your spouse/registered domestic partner may still be entitled to a community property share of your lump-sum benefits.**

D. You may designate or change your beneficiaries at any time by completing another **Pre-Retirement Lump-Sum Beneficiary Designation** form. You may name as beneficiary any person or persons, a corporation, or your estate. Payment will be made to your estate only if probated. You may designate a trust as your beneficiary; however, you must provide the name of the trust, the date of the trust, and the name and address where the trust is filed. It is not necessary to provide the name of the trustee. Reminder: **If you are married or in a registered domestic partnership at the time of your death and you do not name your spouse/registered domestic partner as beneficiary, he/she may still be entitled to a community property share of your lump-sum benefits or a share of any monthly survivor allowance that may be payable.**

E. Your beneficiary designation will be revoked automatically, and benefits will be payable to the closest survivor listed in section C, if any of the following events occur after your designation form is received by CalPERS:

1. Your marriage or registration of domestic partnership
2. The initiation of a dissolution or annulment of your marriage or of a legal termination of your registered domestic partnership (However, a designation filed after the initiation of a dissolution/annulment of a marriage or of a termination of registered domestic partnership is NOT revoked when the dissolution/annulment/termination is finalized.)
3. The birth of your child or your adoption of a child
4. A termination of membership that results in a refund of your contributions
