Dear Voter:

You are receiving a Supplemental Official Ballot for the November 3, 2009, Consolidated Election because we mistakenly left off the Solano Irrigation District from your Official Ballot. We very much regret this omission and apologize to you, the candidates, and the District for the potential confusion.

Here's what you need to do for your vote to count for a SID candidate:

1. Choose the candidate you wish to vote for and mark your choice. Completely fill in the oval to the right of the candidate's name with a black or dark blue pen.
2. Place your voted ballot in the green Identification Return Envelope we have provided you. No postage is necessary to mail the ballot back. If you are a vote by mail voter, **DO NOT** put this Supplemental Official Ballot in the envelope you have received with your other ballot. We have separate tracking procedures for each ballot type.
3. Seal the return envelope, sign it in the space provided, and place it in the mail. We must receive the envelope with the returned ballot by 8 p.m. on November 3, 2009. If you have any doubts about whether the US Postal Service can get it to us on time, please return it to any polling place in Solano County on November 3, 2009, or return it to our office. **DO NOT** return it to the Solano Irrigation District Office.

If you have questions or comments, please call our office at 707-784-6675.
