Undesignated Employees upon whom “just cause” status has been conferred continue to be subject to the terms of probationary employment as outlined in this Personnel and Salary Resolution.

B. All appointive department heads shall be appointed by the Appointing Authority as designated by the Solano County Code, state or federal law. All other appointments to positions shall be made by the department head in accordance with the rules of the Civil Service Commission, the Personnel and Salary Resolution or the Solano County Code. Department heads shall appoint to positions in the classified service only from those persons who are certified to them by the Director of Human Resources as being eligible for the particular classification of employment, except as elsewhere provided. Appointments shall be made in writing on forms prescribed by the Director of Human Resources. A copy of the appointment, signed by the department head or his/her designee and approved by the Director of Human Resources, shall be delivered to the Auditor-Controller before payment shall be made to any employee.

C. Conflict of Interest

Whenever the County or any department thereof is in need of services unclassified by its ordinances or resolutions for which services there exists an urgent and immediate need, the County Administrator may authorize temporary filling of such vacancy for up to thirty (30) days, under such terms and conditions as in its judgment the circumstances may require.

D. Ordinarily an extra-help position will not be authorized for a period exceeding 999 hours. In unusual circumstances, and at the discretion of the County Administrator and the Director, an extra-help position may be authorized for more than 999 hours provided such period shall not exceed one year.

2.3 Apprentice Agreements

The Board of Supervisors may, from time to time, enter into agreements for the employment of apprentices pursuant to the provisions of the Apprentice Labor Standards Act of 1939 (Chapter 4, Division 3 of the Labor Code of the State). Notwithstanding anything in this Section to the contrary, the compensation and terms of employment of apprentices employed under such apprentice agreements shall be governed by the provisions of such apprentice agreements. Persons hired as apprentices shall be maintained on the probationary level until the apprenticeship has been completed.

2.4 Personal Relationships

A. It is the intent of the Board of Supervisors of Solano County to provide a workplace as free as possible from real or perceived bias or acts of favoritism due to personal relationships. It is inappropriate for an employee to use his/her personal power or influence to aid or hinder another in the employment setting because of a personal relationship.

B. No one involved in a personal relationship with an elected or appointed County official or employee may serve in or be appointed, promoted, demoted or transferred to a position which involves a direct supervisor-subordinate relationship or a work situation described below. For purposes of this rule, the department head, the assistant department head or chief deputy or deputy department head are considered in the direct line of supervision of all employees in that department.

1. Direct line of supervision, as defined for purposes of this rule, includes any situation in which the official or employee would be in a position to effect the terms and condition of another's employment, including making decisions about work assignments, compensation, grievances, disciplinary action, advancement or performance evaluation.
 2. Work situations which should also be avoided by individuals who have a personal relationship are **a)** working in a small unit in close association with each other; or **b)** working for the same supervisor; or **c)** having an indirect supervisor/subordinate relationship; or **d)** auditing the work or exercising fiscal control over a person with whom they have a personal relationship, regardless of organizational separation; or **e)** participating in the development and/or administration of an examination or a hiring interview of a person with whom they have a personal relationship.
 3. Personal relationships include, but are not limited to, associations with individuals by blood, adoption, foster arrangement, any current or previous marriage (including in-laws) and/or living in the same household and any business or financial relationships which involve amounts in excess of \$10,000 per employee.
- C.** Employees who become involved in a personal relationship, after the effective date of this rule (November 1, 1994) and work in a direct supervisor-subordinate relationship or a work situation described above shall be subject to this rule. It is the responsibility of the employees involved in the relationship to bring this situation to the attention of their appointing authority who will then bring it to the attention of the Director of Human Resources. In the absence of an "appointing authority" an elected official involved in a personal relationship shall bring this situation directly to the attention of the Director of Human Resources. Failure to report a personal relationship by a party may result in disciplinary action with the employee with the higher level of authority being held most accountable.
1. In applying this paragraph, the County will initially allow the affected employees to determine which employee will remain in his or her current position. The County will make reasonable efforts to transfer one employee to a position where no such potential conflict would exist.
 2. In the event such a transfer is not feasible, the employees shall be given the opportunity to make the decision as to which one shall resign.
 3. In the event neither employee resigns, the least senior (as defined under rules dealing with layoff) employee shall be laid off with reinstatement rights to a position of the same or similar salary/qualifications.
 4. The County Administrator shall be the final determining authority in all such matters.

- D.** Requests to deviate from the provision of this section due to unusual circumstances, shall be submitted in writing by the department head to the Director of Human Resources and shall include the following information:
- 1.**
 - a.** The name and addresses of the persons concerned
 - b.** Their class title, division, section and work units
 - c.** Work location, including city and building
 - d.** The names of immediate supervisors and subordinates
 - 2.** The Director of Human Resources shall review the request and make a recommendation to the County Administrator. Primary considerations will be to minimize problems of supervision, safety, security or morale. Consideration will also be given to such relevant factors such as recruiting difficulty, agency reporting relationships, work location, function of the work process, and any other factors having a valid bearing on the accomplishment of the program goals and/or a potential job performance of current employees and the persons involved.
 - 3.** The County Administrator will make a final decision to approve or disapprove the request based on the Director of Human Resources recommendation and in the best interests of Solano County.
- E.** The provisions of this section shall not apply to those employees who at the date of adoption of this rule are in violation of the provisions outlined in this section provided appropriate written declarations are filed with the Director of Human Resources prior to the effective date of this section. Any report of a pre-existing situation will be maintained confidentially, to the extent possible, and used only for the purpose of verifying the existence of a pre-existing situation if this situation subsequently becomes an issue. However, the provisions shall be applied in all subsequent cases involving the appointment or promotion of county employees and in cases involving marriage of a county employee or other change resulting in county employees becoming related under the definition of personal relationships.

5.1 Salary Ranges and Pay Date

Salary ranges for classifications shall be listed in the Alphabetical Listing of Classes and Salaries. Employees shall be paid every other Friday.

- A. A pay period shall begin on a Sunday and end on a Saturday (14 days) and shall consist of eighty (80) working hours except for those alternate Fair Labor Standards Act (FLSA) pay periods designated by the County. Such pay periods will be as established by the Auditor-Controller.
- B. Compensation for each employee for whom compensation is established shall be paid out of the County general fund or such other fund as may be provided by ordinance or by law upon certification by the department head to the Auditor-Controller that such employee has performed the services set forth in such certificates.
- C. When an employee separates from the County service and use of the regularly scheduled certification would create an inequitable delay, the department head may immediately file a special payroll certification of such separation with the Auditor-Controller. The Auditor-Controller may draft a warrant for the period of time or pay or both due such employee up to the time of separation. Notice of such separation shall be immediately filed with the Director of Human Resources.

5.2 Pay for New Employees

Normally new employees shall be appointed at the recruiting step of the salary range in effect for the particular class of position to which the appointment is made. The department head/appointing authority may authorize that a particular position be filled at step one, two or three following guidelines issued by

the Department of Human Resources. Requests for appointment at step four or five must be approved by the Director of Human Resources.

5.3 Salary Upon Reemployment

A. A former employee, off probation at the time of separation, who is reemployed in the same class or in a lower class in the same series, within two (2) years, may upon the request of the department head in which they are being reemployed and approval of the Director of Human Resources, be appointed at any step within the salary range. Subsequent merit increases shall follow the normal time period progression between steps.

B. An employee who is not represented under a collective bargaining agreement and who voluntarily separates and:

1. is subsequently reemployed in the same department in a non-represented position;
2. begins work within a period of not more than 180 calendar days from the last day he or she previously actually worked for the County;
3. completes a new probationary period; and
4. either did not withdraw from PERS or “bought-back” his/her County PERS service credits,

shall, upon approval by the Director of Human Resources, have continuous service credited to him or her for purposes of vacation and longevity pay eligibility. Prior service restored shall not apply toward seniority for lay-off purposes, floating holidays, step raise eligibility or any benefit other than vacation and longevity eligibility.

5.4 Merit Increases

A. Salary increases within a range shall not be automatic, but shall be given only upon the approval of the department head. Salary increases within a range for appointed department heads shall not be automatic, but shall be given only upon the approval of the County Administrator. Salary increases for elected department heads shall be given only upon the approval of the Board of Supervisors.

B. Every employee, except for Board Aide, in a regular position shall have a merit increase eligibility date. The merit increase eligibility date for all employees hired or promoted before April 1, 2012, shall be the first day of the pay period following completion of the number of full pay periods of service indicated in the chart below:

After:	13 Pay Periods	13 Pay Periods	26 Pay Periods	39 Pay Periods
Salary Range Steps	2	3	4	5

The merit increase eligibility date for all employees hired or promoted on or after April 1, 2012, shall be the first day of the pay period following completion of 26 pay periods as indicated in the chart below:

After:	26 Pay Periods	26 Pay Periods	26 Pay Periods	26 Pay Periods
Salary Range Steps	2	3	4	5

If an employee begins employment on the first working day of a pay period, it shall be considered for purposes of this Section that such employment began on the first calendar day of that pay period. If the employee's first working day is after the first Monday (or after the first Tuesday, if Monday is a holiday) of the pay period, time will accrue from the first day of the next pay period for step increases and eligible fringe benefit accrual determinations.

The granting of any leave of absence without pay, other than military leave or workers' compensation leave, exceeding seven (7) consecutive calendar days in a pay period shall cause the merit increase eligibility date to be extended to the first of the pay period following completion of the leave of absence without pay.

A salary range step increase for Board Aide shall not be automatic or time-based and given only upon the approval of the assigned Supervisor.

- C. An employee in a regular part-time position shall be treated identically to the employee in the regular full-time position; except, that he/she shall be granted merit increases in the same proportion as his/her hours of work relate to the hours of work of a regular full-time position.
- D. Extra-help employees shall be eligible for merit increases within range upon completion of the same number of hours of continuous service required of an employee in a regular full-time position. Should an extra-help employee convert to a regular position, subsequent merit increases shall follow the normal time period progression between steps commencing from the date of appointment to a regular or limited-term position.
- E. Advancement within a salary range is not automatic for merely completing a specific period of service but rather based on merit as documented on a performance evaluation form prescribed by the Director of Human Resources or his/her designee. The merit increase shall consist of one salary step on the salary schedule for the class. A performance evaluation must be submitted within six (6) pay periods following the employee's performance evaluation eligibility date and if the supervisor fails to render a performance evaluation within the specific timeframe then the employee's overall performance shall be assumed to be satisfactory and the employee shall receive, if available, a salary step increase effective on the scheduled date. (This paragraph does not apply to elected officials.)
- F. In the event an employee receives an overall rating of either unacceptable or improvement needed on his/her evaluation, such employee must be re-evaluated no later than four (4) pay periods following the scheduled merit increase eligibility date. If the employee shows no improvement, the appointing authority will comment on any action to be taken. Such evaluation shall be on forms and under procedures prescribed by the Director of Human Resources

- G. If, in the department head's judgment, the employee's performance does not merit a salary increase on the merit increase eligibility date, and a deferment of decision accompanied by an intensive effort at improved performance might be productive, the department head shall complete the structured merit rating and defer a decision regarding the merit increase any number of pay periods, but not to exceed thirteen (13) pay periods. A merit increase may be deferred only once for any given step on the range for the class. The responsibility for reopening the matter by submitting another merit rating and recommendation shall lie with the department head. The employee must be re-evaluated four (4) pay periods following the scheduled merit increase eligibility date, but in any event the merit increase must be granted or denied prior to the deferment date, supplemented by a structured merit rating which has been discussed with the employee. The employee's merit increase eligibility date shall not be changed by such deferment.
- H. Should an employee's merit increase eligibility date be overlooked through an error, and upon discovery of the error, the employee be recommended for merit increase, the Auditor-Controller shall compensate the employee for the additional salary he/she would have received dating from his/her merit increase eligibility date.
- I. Notwithstanding any other language in this Section, in the case of employees who are assigned to positions within the Executive Management Group, a department head/appointing authority, with the concurrence of the County Administrator, may advance an employee to any step in the salary range for his/her position.

5.5 Salary Upon Promotion

Any regular, probationary or limited-term employee or part-time employee is promoted to a position in a class with a higher salary range shall receive the recruiting step for the class or such higher amount as would constitute at least a five percent (5%) increase over the salary received prior to the promotion, not to exceed the top step of the new range. When circumstances warrant, the Director of Human Resources or his/her designee, with County Administrator concurrence, may authorize the filling of the position at a step within the new salary range that is greater than the minimum increase set forth above. The effective date of all promotions shall coincide with the first day of the pay period.

5.6 Salary Upon Transfer

When an employee is transferred from one position to another in the same class, or another class with the same salary range and the same salary step, the salary and merit increase eligibility date shall not change.

5.7 Salary Upon Demotion

- A. When a regular employee is demoted for reasons of unsatisfactory performance, his/her salary shall be reduced one step, or he/she shall receive the maximum step of the range of the new class, whichever is lower. His/her merit increase eligibility date shall be the first day of the pay period following completion of the number of pay periods service which corresponds with the required period of service as is governed by **Section 5.4, Merit Increases**.
- B. When a regular employee in good standing is demoted to a position in a lower class for reasons other than unsatisfactory performance he/she shall receive the highest salary in the new classification that does not exceed his/her rate of pay immediately prior to demotion and shall retain the merit increase eligibility date to which he/she was entitled prior to demotion.

- C. When a probationary employee is demoted to a class not previously occupied by the employee, he/she shall receive the recruiting salary for the lower class and shall receive a new merit increase eligibility date as provided by **Section 5.4, Merit Increases**. A promotional probationary employee demoted to a class he/she formerly occupied in good standing shall have the step status, probationary status and merit increase eligibility he/she would have achieved if he/she would have remained in the lower class throughout the period of his/her service in the higher class.
- D. An employee appointed in accordance with **Civil Service Rules Section VII, Classification, Appointments & Status, 7.03, Appointment Procedure** with the approval of the Board of Supervisors may be authorized by the Director of Human Resources to be Y-Rated.

5.8 Salary Upon Reclassification

The salary of an incumbent regular, limited term or probationary employee who remains in a position which is reclassified shall be determined as follows:

- A. If the position is reclassified to a class with the same salary range, the salary and the merit increase eligibility date of the employee shall not change.
- B. If the position is reclassified to a class with a higher salary range, the salary of the employee shall be governed by **Section 5.5, Salary upon Promotion**.
- C. If the position is reclassified to a class with a lower salary range, the salary of the employee shall be designated as a Y-Rate and shall not change during continuous regular service until the maximum of the new classification exceeds the salary of the employee or until the period of calendar time indicated in the schedule below has elapsed, whichever is sooner. If, at the end of the calendar period indicated below, the salary of the employee still exceeds the maximum of the new salary range, the salary of the employee shall be reduced to the maximum salary for the new class.

<u>Years of Continuous Regular Service</u>	<u>Effective Date of Salary Change</u>
Less than 5	2 years from date of reclassification
5 but less than 10	3 years from date of reclassification
10 but less than 15	4 years from date of reclassification
15 but less than 20	5 years from date of reclassification
20 but less than 25	6 years from date of reclassification
25 or more	7 years from date of reclassification

5.9 Longevity Compensation

For the purpose of longevity, continuous service is defined as employment in a regular or limited term position which has not been interrupted by resignation, discharge, or retirement.

- A. All employees employed in regular or limited-term full-time positions, including employees assigned to appointed or elected positions in the Executive Management Group, shall be entitled to longevity pay as follows:

Confidential Employees: Shall be entitled to a 2.5% increase in compensation upon the completion of ten (10) years of continuous full-time service; employees who complete twenty (20) years of continuous full-time service shall be entitled to an additional 2.5% increase in compensation (a total of 5%); employees who complete twenty-five (25) years of continuous full-time service shall be entitled to an additional 2.5% increase in compensation (a total of 7.5%); employees who complete thirty (30) years of continuous full-time service shall be entitled to an additional 2.5% increase in compensation (a total of 10%); employees who complete thirty-five (35) years of continuous full-time service shall be entitled to an additional 2.5% increase in compensation (a total of 12.5%) over the rate for the class in which employed.

Executive Management, Legislative Management and Senior Management: Shall be entitled to a 2.5% increase in compensation upon the completion of ten (10) years of continuous full-time service; employees who complete fifteen (15) years of continuous full-time service shall be entitled to an additional 2.5% increase in compensation (a total of 5%); employees who complete twenty (20) years of continuous full-time service shall be entitled to an additional 2.5% increase in compensation (a total of 7.5%); employees who complete twenty-five (25) years of continuous full-time service shall be entitled to an additional 2.5% increase in compensation (a total of 10%); employees who complete thirty (30) years of continuous full-time service shall be entitled to an additional 2.5% increase in compensation (a total of 12.5%); and employees who complete thirty-five (35) years of continuous full-time service shall be entitled to an additional 2.5% increase in compensation (a total of 15%) over the rate for the class in which employed. For Executive Management, Legislative Management and Senior Management, credit for prior years of service employed with California cities, counties, joint power authorities and other special districts as approved by the Director of Human Resources and the County Administrator shall be counted in the continuous full-time service.

- B.** Upon qualifying for longevity increase, any further pay increase shall be in addition thereto, and not restricted or reduced by reason of the longevity increase.
- C.** An employee who has completed his/her probationary period, is laid off, and subsequently re-employed in the same class in the same series, within twenty-four (24) months, by approval of the Director of Human Resources or his/her designee, will have continuous service credited to him or her for actual time worked prior to layoff for purposes of vacation and longevity pay eligibility.

5.10 Working Out of Class

- A.** It is the intent of this Section to provide appropriate compensation to employees working out-of-class from the first pay period of such assignments when it is known that the employee will work out-of-class for four (4) pay periods or more.
- B.** With prior approval from the County Administrator and the Director of Human Resources, a department head may assign an employee the duties of another vacant position in a higher classification which (a) is specifically allocated to the department, and (b) will require the duties of the position to be performed by the individual for a period of not less than four (4) pay periods. Such temporary assignment shall not be considered a promotion. That individual shall receive the recruiting salary for the class or such higher amount as would constitute at least a one (1) step increase over the salary received prior to the assignment not to exceed the top step of the new classification.

- C. If the employee is eligible for a merit increase in the class occupied prior to the temporary assignment, such employee will be eligible for a rate increase on the temporary assignment class range provided; ~~however,~~ such increase in the prior class would result in more than the rate being earned on temporary assignment.

5.11 Changes in Salary Allocation

If a class is reassigned to a different salary range, each employee in the class shall be compensated at the same step in the new salary range as he/she was receiving in the range to which the class was previously assigned.

5.12 Overpayments and Underpayments

- A. This provision applies when the Auditor-Controller determines that an error has been made to either the employee's earnings, taxes, deductions or accrued leaves. In such cases, the County, for purposes of future compensation, shall adjust such earnings, taxes, deductions or accrued leaves to the correct rate. The Auditor shall give written notice to the employee of the error. As used in this section:

1. "Earnings" means the biweekly rate of pay including additional pays, differentials, and overtime.
2. "Taxes" means payment of Social Security, Medicare or State Disability taxes; excluding federal and state withholding taxes.
3. "Deductions" means employee paid deductions, including but not limited to medical premiums and retirement deductions; excluding voluntary deductions (such as deferred compensation).

1. Full payment through a payroll adjustment if total amount of reimbursement does not exceed biweekly earnings.
2. Full payment by personal check, money order or cashier's check if total amount of reimbursement exceeds biweekly earnings.

3. For installments made through payroll, the number of installments shall not exceed the number of pay periods over which the error occurred.
 4. A method mutually agreed upon by the employee and the Auditor-Controller.
- C. In the case of an underpayment, the County will pay the employee a one-time adjustment through payroll.
- D. In the case of a leave accrual error which results in an overpayment, reimbursement may be made through one (1) of the following methods as mutually agreed to by the employee and the Auditor-Controller:

- F. Any amount of overpayment for a period earlier than three (3) years prior to the date of the Auditor's initial written notice to the employee shall be deemed waived and not reimbursable.
- G. The provisions of this section do not apply to grievance disputes which contend that the County has underpaid by misapplying or incorrectly interpreting the terms of this or any previous agreement. The time limits for the filing and processing of any grievance shall not be deemed to be excused, extended or otherwise modified by the provisions of this section. Nor shall the relief available through the grievance procedure be enlarged by or as a result of the provisions of this section.
- H. The provisions of this section apply only to errors involving earnings, taxes, deductions and accrued leave. No provision of this section shall preclude the correction or recovery of past errors (overpayments or other losses) which were the result of other matters.

5.13 Assumption by County of Functions and Personnel of Another Governmental Agency

When the functions of other governmental agencies are assumed by the County, the employees who perform these functions may be included within this County's Civil Service. The Civil Service Commission

shall determine their status in each instance and it shall be equivalent to the status the employees would have had, had they been a County employee during the term of their employment. If the salary of an employee is higher than that considered appropriate for the class in the County service, the salary of such employee shall be frozen at its current dollar amount until such time as it is equaled or exceeded by the salary for that class or until the period of calendar time indicated in the Y-Rate schedule has elapsed, whichever is sooner. 5.15 Permanent Expiration of Grant Funded Programs

Upon the expiration of any grant not in the County General Fund, any unexpended and available funds of the grant may be used to liquidate in whole or in part any reimbursable accrued leave of employees in limited-term positions who were directly funded thereunder whether they continue or leave County service. Those employees funded under more than one such grant fund shall have their liquidation of leave pro-rated in proportion to their source of wages and benefits. Employees who continue in the service of the County upon expiration of a grant (not in the General Fund), but whose grant source has insufficient unexpended and available funds to fully liquidate reimbursable accrued leave shall have their remaining leave maintained and assumed by the County department in whose employ they continue without interruption in County service.

Disability Insurance for time taken due to an employee's own non-work related illness or injury, and Paid Family Leave for time taken to care for a seriously ill family member or to bond with a new child. For the purposes of this section, both programs will be referenced as State Disability Insurance (SDI).

Except for elected officials, the County participates in the State Disability Insurance program and employees shall have deducted from their paychecks the cost of the State Disability Insurance program.

6.10 Retirement

A. PERS Contract.

Subject to the terms of this **subsection 6.10**, the County will maintain its contract with the State Public Employees' Retirement System (PERS) and the benefits currently provided thereunder.

B. PEPRA Tier.

Effective January 1, 2013 the County implemented a new pension tier in accordance with and subject to the terms of the Public Employees' Pension Reform Act of 2013. The new pension tier is referred to as the "PEPRA tier."

C. PEPRA Basic Retirement Formula.

For non-safety (miscellaneous) employees required by law to participate in the PEPRA tier, the PEPRA established a pension formula of two percent (2%) of pensionable compensation for each qualifying year of service at the normal retirement age of sixty-two (62) years. For purposes of this formula, PERS will calculate an eligible retiree's pension based on the average annual pensionable compensation earned by the member during the thirty-six (36) consecutive month period immediately preceding retirement (or date of last separation from service if prior to retirement) or any other period of thirty-six (36) consecutive months during the member's applicable service that the member designates.

For County Peace Officer (e.g., "safety light") employees required by law to participate in the PEPRA tier, the PEPRA established a pension formula of two percent (2%) of pensionable compensation for each qualifying year of service at the normal retirement age of fifty-seven (57) years. For purposes of this formula, PERS will calculate an eligible retiree's pension based on the average annual pensionable compensation earned by the member during the thirty-six (36) consecutive month period immediately preceding retirement (or date of last separation from service if prior to retirement) or any other period of thirty-six (36) consecutive months during the member's applicable service that the member designates.

For Safety Sheriff (e.g., "full safety") employees required by law to participate in the PEPRA tier, the PEPRA established a pension formula of 2.7% of pensionable compensation for each qualifying year of service at the normal retirement age of fifty-seven (57) years. For purposes of this

formula, PERS will calculate an eligible retiree's pension based on the average annual pensionable compensation earned by the member during the thirty-six (36) consecutive month period immediately preceding retirement (or date of last separation from service if prior to retirement) or any other period of thirty-six (36) consecutive months during the member's applicable service that the member designates.

D. Disputes Over PEPRAs.

The Grievance Procedure set forth in **Section 19** shall not apply regarding any dispute regarding the manner in which the County applies the PEPRAs. If any term of this **Section 6.10, Retirement**, conflicts with the PEPRAs or any amendment thereto, the PEPRAs or such amendment will prevail.

E. Pre-PEPRAs Tier 1.

The County's contract with the Public Employees' Retirement System provides the Miscellaneous Retirement (2.7% @ age 55) for employees who are not required by law to participate in the PEPRAs Tier and who are not participants in the formula described in **6.10.F** below.

The County's contract with the Public Employees' Retirement System provides Safety light Retirement (2% @ age 50) for employees who are not required by law to participate in the PEPRAs Tier and who are not participants in the formula described in **6.10.F** below.

The County's contract with the Public Employees' Retirement System provides full Safety Retirement (3% @ age 50) for employees who are not required by law to participate in the PEPRAs Tier and who are not participants in the formula described in **6.10.F** below.

F. Pre-PEPRAs Tier 2

The County amended its contract with CalPERS to provide employees hired on or after May 4, 2012 for classifications with a Safety light Retirement formula of 2% @ age 55 in lieu of the 2% at 50 formula described in paragraph **6.10.E** above. This provision applies to employees who are not eligible under the County's contract with PERS to participate in the pension tier described in paragraph **6.10.E** above and who are not required by law to participate in the PEPRAs tier described in paragraph **6.10.C** above.

Such contribution will be made by payroll deduction.

2. Non-PEPRA Member Contribution.

Employees subject to the Pre-PEPRA formulas described in paragraphs **6.10.C** and **6.10.E** above contribute 100% (8% or 7% based on the Pre-PEPRA tier and as established by statute) of the applicable PERS member contribution by payroll deduction.

Effective June 23, 2013, employees subject to the Pre-PEPRA formulas described in paragraphs **6.10.C** and **6.10.E** above will contribute an additional three percent (3%) of the applicable PERS member contribution by payroll deduction. County payments toward the PERS employee member contribution will reduce by three percent (3%) on June 23, 2013, so that its payment of the member contribution is eliminated in its entirety.

3. Employee Payment For Pre-PEPRA Formula Enhancement.

In November 2002, the County amended its contract with PERS to provide for the above-referenced 2.7% @ 55 retirement formula. The cost of this benefit was established by PERS (\$75,036,452) and employees throughout the County agreed that the cost would be the responsibility of employees. The county agreed to allow the employees to pay for that plan enhancement by payroll deduction with the cost amortized over twenty (20) years. That payment will continue to take the form of a percentage deduction made from the paycheck of each employee in the plan, until the above established cost has been recovered. Each year (January) the County will calculate the amount due for the subsequent 26 pay periods, based on the formula presented as **Appendix A**.

In July 2002, the County amended its contract with PERS to provide for the above-referenced 2% @ 50 retirement formula. The cost of this benefit was established by PERS (\$10,150,111) and employees throughout the County agreed that the cost would be the responsibility of employees. The county agreed to allow the employees to pay for that plan enhancement by payroll deduction with the cost amortized over twenty (20) years. J. For the purposes of this Section, a member of the immediate family is construed to mean the employee's:

- Grandparent
- Parent (biological, adopted, foster, step, legal guardian, or person who stood in loco parentis when the employee was a minor child)

- Child (biological, adopted, foster, step, legal ward, or a child to whom the employee stands in loco parentis, regardless of the child's age or dependency status)
- Sibling
- Grandchild

K. Hospitalization of a member of the immediate family is a valid reason for sick leave under the following conditions:

1. A day's absence may be authorized for the employee to be at the hospital on the day of an operation, on the day of a birth of his child or in the event of a critical illness of a member of the immediate family. Absences for these reasons for more than one day may be authorized on sick leave only if a doctor provides a written statement that the employee's presence, away from work, is required.

L. The Auditor-Controller shall maintain sick leave records of all personnel.

11. LEAVE CONTRIBUTION PROGRAM

The Leave Contribution Program assists employees who have exhausted accrued leave time due to a serious or catastrophic illness or injury or other circumstances. The Program allows other employees to donate time to the affected employee so that he/she can remain in a paid status for a longer period of time, thus partially ameliorating the financial impact of the illness, injury, condition or circumstance.

11.1 Eligibility for Leave Contribution Program

To be eligible for this benefit, the receiving employee must: 1) Be a regular full time or regular part time employee who has passed his/her initial County probationary period, 2) Have exhausted all accumulated leave including, vacation, sick leave (unless the leave involves the care of another and the six days of family sick leave have been used or involves other circumstances), administrative leave and/or compensatory time off, 3) Be unable to return to work for at least 30 days, and 4) Have applied and received approval for a Leave of Absence Without Pay.

11.2 Benefits of the Leave Contribution Program

Accrued vacation, compensatory time off (CTO), and/or Administrative Leave hours donated by other employees will be converted to sick leave and credited to the receiving employee's sick leave time balance on an hour-for-hour basis and shall be paid at the rate of pay of the receiving employee. For as long as the receiving employee remains in a paid status, seniority, and all other benefits will continue, with the exception of sick leave and vacation accrual. The total leave credits received by an employee will not normally exceed three months. However, if approved by the department head and the Director of Human Resources, the total leave credits may be extended on a case by case basis.

If the leave is for reasons other than the employee's own illness or injury, the donated leave will be converted to vacation and credited to the employee's vacation accrual on an hour-for-hour basis.

While an employee is on leave using donated leave hours, no vacation or sick leave hours will accrue.

11.3 Guidelines for Donation of Leave Credits to the Leave Contribution Program

- A. Accrued vacation and compensatory time off, and/or Administrative Leave hours may be donated by any regular or regular part time employee who has completed his/her initial County probationary period.
- B. Time donated will be converted from vacation, CTO, or Administrative Leave hours to sick leave hours and credited to the receiving employee's sick leave balance on an hour-for-hour basis and shall be paid at the rate of pay of the receiving employee. For employees who are using leave, for circumstances other than their own injury or illness, the donated hours will be converted to vacation.
- C. The total amount of time donated to one employee by another employee shall not exceed forty (40) hours. The total leave credits received by the employee shall not normally exceed three months; however, if approved by the Department head, the Director of Human Resources may approve an extension to six months total time.
- D. Initial leave time donations must be a minimum of eight (8) hours and thereafter, in four hour increments. An employee cannot donate leave hours which would reduce his/her vacation balance to less than 40 hours.
- E. The use of donated leave hours will be in consecutive one shift increments (i.e., 8 hours for a full time employee working five eight hour days/week).
- F. Under all circumstances, time donations made by the employee are forfeited once made. In the event that the receiving employee does not use all transferred leave for the catastrophic illness/injury, any balance will remain with that employee until that employee's separation from County service.
- G. Payment for unused sick leave at the time of termination of employment shall be in accordance with **Section 10, Sick Leave, paragraph J.**
- H. In accordance with Internal Revenue Service Ruling 90-29, leave transferred for medical reasons will not be considered wages for the employee who surrenders the leave and will therefore not

be included in gross income or subject to withholding. An employee who donates leave incurs no deductible expense or loss either upon the donation or use by the recipient.

12. BEREAVEMENT LEAVE

Employees shall be entitled to a bereavement leave, not chargeable to vacation or sick leave, in the event of the death of one of the following members of the employee's family:

- natural, step, adoptive parents and grandparents of the employee;
- a person acting in loco parentis for the employee;
- natural, step, adopted children and grandchildren of the employee;
- natural and step brothers and sisters of the employee;
- present spouse of the employee;
- a person assuming the role of the employee's spouse;
- ex-spouse who is a natural parent of a minor child in the custody of the employee;
- natural parents and grandparents of the employee's spouse;
- grandchildren of the employee's spouse;
- natural brothers and sisters of the employee's spouse;
- present spouses of the employee's natural brothers and sisters;
- son-in-law and daughter-in-law of the employee.

A female employee who has a miscarriage or who gives birth to a stillborn child shall be eligible for bereavement leave. This provision shall be applicable only to the employee having the miscarriage and not for any other family members.

Such leave shall be a maximum of forty (40) hours within ten (10) consecutive calendar days, whether services are within the State or outside the State of California. Leave benefits will be prorated for part-time employees based upon the number of hours worked (for example, a half-time employee has a maximum of twenty (20) hours). Employees desiring more time off under these circumstances may request vacation or other appropriate leaves which may or may not be granted at the sole discretion of the department head. The department head may require an affected employee to submit proof of qualifying relationship in order to be eligible for bereavement leave.

13. OTHER LEAVES

13.1 Maternity Leave

Sick leave may be used during pregnancy when the employee's physician has certified that, due to her pregnancy, she is no longer able to perform the duties of her position. Sick leave may be used after the birth of the baby if the employee's physician certifies that the employee is not yet able to perform the duties of her position. Employees who have been cleared to return to work by their physicians after pregnancy, but who wish to delay their return to work may request use of vacation, comp time or a leave without pay following normal departmental procedures. However, sick leave is only available if there is a medical reason for the employee's continued absence from work.

13.2 Family and Medical Leave

- A.** In accordance with the Family Rights Act of 1991, a permanent full-time or permanent part-time employee who has been continuously employed by the County for one year may take up to a total of four (4) months in a 24-month period as an unpaid leave of absence for the purpose of caring for members of the employee's immediate family. The request for Family Leave shall be made in writing and is subject to the approval of the department head.
- B.** Immediate family is defined as a dependent child (including a foster child), spouse or parent of the employee. Family Leave may be used for the birth or adoption of a child, to care for a child with a serious illness or to care for a spouse or parent with a serious health condition. The County may require that a request for a Family Leave be supported by a certification issued by a health care provider or by proof of adoption.
- C.** In the case of a birth or adoption of a child or in the case of the need to care for a seriously ill child, if both parents are employed by the County, both parents may not take Family Leave at the same time without the expressed consent of the employees' department heads. In addition, the leave taken by both parents shall not total more than four (4) months in a twenty-four month period.
- D.** A female employee who wishes to use Family Leave in conjunction with the birth of a child may use one month of Family Leave in addition to the period of time the employee is considered disabled on account of pregnancy, childbirth, or related medical conditions, or four (4) months, whichever is greater, unless the employee and the department head agree otherwise.
- E.** If the employee's need for a leave is foreseeable, the employee shall provide their department head with reasonable advance notice. A request for Family Leave may be denied if granting such a leave would present an undue hardship to the operation of the department.
- F.** Upon returning from Family Leave, the employee will be employed in the same or a comparable position that has the same or similar duties and pay, which can be performed at the same or similar geographic location as the position held prior to the leave.

13.3 Jury Duty

- A.** Any regular or limited term employee ordered to appear as a witness in court other than as a litigant, to serve on a jury or to respond to an official order from another governmental jurisdiction for reasons not brought about through the connivance or misconduct of the employee shall be entitled to his/her regular County pay provided the employee deposits fees received for such services, exclusive of mileage, with the County Treasurer within thirty (30) calendar days after his/her excused absence for such duty. Requests for Jury Duty leave should be made by presenting the official court summons to the employee's immediate supervisor as soon as possible after receipt. Jury Duty is not considered as time worked for purposes of overtime compensation.
- B.** Employees assigned to day shift, and who are released from jury duty, must return to work if there is at least one (1) hour of work time remaining in the work shift, exclusive of travel time.
- C.** An employee assigned to swing shift shall not be required to be on jury duty and at work a combined total of more than twelve (12) hours. An employee assigned to grave shift is not

required to report to work the day before he or she was committed for jury duty or served on a jury past 12:00 noon.

- D. Verification of time of release from jury duty is required.

13.4 Time Off for Blood Donation

Employees will be allowed to take the last two (2) hours of their workshift off without loss of pay and allowances for the purpose of donating blood. The employee will be required to provide proof that he/she did in fact donate blood during this time. This provision shall not be exercised more frequently than once in any three (3) month period. Time provided under this provision shall not be cumulative and advance approval for each donation period shall be obtained from the appropriate department supervisor.

13.5 Time Off for Promotional Examinations

All persons in the classified service shall be entitled to necessary time off with pay for the purpose of taking promotional examinations for the County. This shall include resulting hiring interviews for which they may be eligible.

13.6 Military Leave of Absence

- A. A request for military leave of absence shall be made upon forms prescribed by the Director, shall include a copy of the employee's military orders, and shall include the date such military leave is to begin and the probable date of return. All employees shall be entitled to military leave of absence and compensation as provided in the California Military and Veterans' Code Section 395, et. seq., and California Government Code Section 20892.5, 20892 and Title 38 USCS 2021, et. seq. to the greater of either said law/code or one hundred ninety (190) hours per fiscal year.

1. In addition to the benefits provided pursuant to Section 395 of the California Military and Veterans' Code, any permanent employee of the County of Solano who qualifies for the benefits described in Section 395 of the California Military and Veterans' Code and who, as a member of the California National Guard or a United States Military Reserve organization, is called to active duty shall have their benefits extended as follows:

For a period not to exceed sixty (60) days following the date on which all paid military leave ceases, the County will continue to contribute the County's share of monthly premiums for health, dental and vision insurance for the employee and dependents for the plans the employee was enrolled in at the time he/she was activated. In order for this to occur, the employee is responsible for submitting payment to the County for the employee's share of the monthly premium.

The level of benefits may change due to labor agreements or resolutions adopted by the Board of Supervisors. In addition, the employee shall not be eligible to receive or participate in certain life, disability, health, medical, dental and/or vision insurance benefits which are limited because of contract language in the various contracts of insurance maintained by the County.

This section does not apply to employees ordered to active or temporary military duty for purposes of military training encampment, naval cruises, special exercises or like activity for which the employee is entitled to temporary leave of absence pursuant to Section 395.01.

2. An eligible employee on active military leave on or after November 19, 2019 may opt into this program for the entirety of current active military leave, subject to the Maximum Duration of Time limitation.

- a) Military Leave

All employees shall be entitled to military leave of absence and compensation as provided in California Military and Veterans Code Section 395-395.02 to the greater of either said law/code or one hundred ninety (190) hours of paid Temporary or Active Duty Military Leave (excludes Inactive Duty such as weekend drills) per fiscal year for each hour in which the employee was otherwise scheduled to work.

Employees on Active Duty exceeding one hundred ninety (190) hours may receive "Supplemental Military Pay" up to the "Maximum Duration of Time," as defined in this Section. Supplemental Military Pay for time past 190 hours can be used for only one deployment under this Section.

The eligible employee must elect to receive Supplemental Military Pay. There is not a defined deadline for the employee to elect into this supplemental military pay.

- b) Eligibility

To be eligible for this benefit, the employee must have been employed by Solano County for a period of not less than one year immediately prior to the date upon which his/her military leave of absence begins. In determining the one-year of public agency service, all recognized military service is considered as public agency service.

- c) Compensation

Any eligible employee who is on military leave of absence, shall be entitled to compensation as provided in California Military and Veterans Code Section 395-395.02 to the greater of said law/code or one hundred ninety (190) hours of paid Temporary or Active Duty Military Leave (excludes Inactive Duty such as weekend drills) per fiscal year for each hour in which the employee was otherwise scheduled to work.

Following exhaustion during the fiscal year of the greater of Military and Veterans Code Section 395-395.02 compensation or one hundred ninety (190) hours of paid Temporary or Active Duty Military Leave, the eligible employee may receive "Supplemental Military Pay."

"Supplemental Military Pay" is defined as the difference in the employee's (Higher Paid) base County salary and the employee's (Lower Paid) base military salary. The employee's base County salary shall be identified by referring to the

County's "Listing of Classes and Salaries" in effect on the first day of active military leave, and no incentive pays such as POST Pay, bilingual differential, or similar factors shall be considered. This calculation is made as of the first day of the employee's active military leave for that particular deployment and shall not be adjusted during the deployment.² The employee must furnish to his/her department a copy of his/her military pay (e.g., through a military pay stub which documents the base pay rate) within thirty (30) calendar days of his/her deployment.

Supplemental Military Pay is earnings and subject to payroll taxes (e.g., Medicare, Social Security, income taxes), recognized employee association/union dues, deferred compensation contributions, garnishments, and all other deductions in effect on the calendar day immediately prior the start of Supplemental Military Pay with the exception of CalPERS retirement (see Benefits).

At the beginning of the next fiscal year, the eligible employee will again receive the greater of California Military and Veterans Code Section 395-395.02 or one hundred ninety (190) hours of paid Temporary or Active Duty Military Leave.

The "**Maximum Duration of Time**" for Supplemental Military Leave is defined as eighteen (18) months³ less those periods of the greater of California Military and Veterans Code Section 395-395.02 or one hundred ninety (190) hours of paid Temporary or Active Duty Military Leave.⁴ The 18 month period continues to run

² For example, a general wage increase which occurs during the deployment shall not cause a recalculation of the difference in pay.

³ As an example, if an employee's military orders state that the employee will be deployed for eleven (11) months, then the Maximum Duration of Time is eleven (11) months. Or, as an example, an employee's military orders state that the employee will be deployed for twenty (20) months, then the Maximum Duration of Time is eighteen (18) months.

⁴ Example A: Employee begins Active Duty military leave on July 1, 2020 and receives the greater of M&VC395-395.02/190 hours, begins Supplemental Military Pay on approximately August 1, 2020 for approximately 11 months, receives M&VC395-395.02/190 hours again on July 1, 2021, continues Supplemental Military Pay on approximately August 1, 2021 and the Supplemental Military Pay stops on approximately January 31, 2022 as the total of M&VC395-395.02/190 hours + Supplemental Military Pay + M&VC395-395.02/190 hours + Supplemental Military Pay equals 18 months.

Example B: Employee begins Active Duty military leave on April 1, 2020 and receives the greater of M&VC395-395.02/190 hours, begins Supplemental Military Pay on approximately May 1, 2020 for approximately 2 months, receives Active Duty military leave on July 1, 2020 and receives the greater of M&VC395-395.02/190 hours, begins Supplemental Military Pay on approximately August 1, 2020 for approximately 11 months, receives M&VC395-395.02/190 hours again on July 1, 2021, continues Supplemental Military Pay on approximately August 1, 2021 and the Supplemental Military Pay stops on approximately November 30, 2021 as the total of M&VC395-395.02/190 hours + Supplemental Military Pay + M&VC395-395.02/190 hours +

during times when an employee is not receiving Supplemental Military Pay but is instead receiving the greater of California Military and Veterans Code Section 395-395.02 or one hundred ninety (190) hours of paid Temporary or Active Duty Military Leave.

An employee not receiving pay under the greater of Military and Veterans Code Section 395-395.02 or one hundred ninety (190) hours of paid Temporary or Active Duty Military Pay, or the Supplemental Military Pay may use his/her eligible accrued leaves (e.g., vacation, compensatory time off, administrative leave, attorney time off) (sick leave is not an eligible leave).

d) Benefits

During periods of pay during the greater of Military and Veterans Code Section 395-395.02 or one hundred ninety (190) hours of paid Temporary or Active Duty Military Leave, the employee's benefits which were active on the prior calendar day shall continue (with the County and employee continuing to pay their own respective share of said continued benefits).

During periods of Supplemental Military Pay, health insurance coverage will continue, with both the County and the employee contributing their own respective shares. During periods of Supplemental Military Pay employees are not eligible to receive cafeteria plan "waive money" or "cash back." The employee may elect to continue other benefits which are subject to COBRA provisions by enrolling in said benefits during the COBRA election/enrollment period.

During periods of pay of Supplemental Military Pay, the employee shall not receive County paid holidays, and not receive accrued time off (such as vacation, sick leave, administrative leave, attorney time off, nor any accruals).

Unless otherwise directed by CalPERS law or regulation, during periods of Supplemental Military Pay, the employee does not receive CalPERS service credit and neither the County nor the employee pay into the CalPERS retirement system.

e) Other

A probationary employee or a promotional probationary employee on military leave shall be required to complete the balance of his/her probationary period upon his/her return to work.

An eligible employee who is receiving pay under this program shall continue to receive service credit for the purposes of determining duration of County service. An eligible employee who is receiving pay not under this program but rather

Supplemental Military Pay + M&VC395-395.02/190 hours + Supplemental Military Pay equals 18 months.

through the use of his/her accrued leaves shall receive service credit for the purposes of determining duration of County service. An employee who is not receiving pay does not receive service credit for the purpose of determining duration of County service.

- B.** An employee who resigns in order to enter active duty military service shall have the right to return to County employment after the termination of his/her active military service as provided by Section 395.3 of the California Military and Veterans' Code and Title 38 USCS 2021, et., seq. (Veterans' Reemployment Right).

- A. The Board of Supervisors shall have the right to close County facilities and or cease County operations regardless of funding source, for up to twelve (12) workdays per fiscal year (July 1 to June 30). The twelve (12) days will be determined at the sole discretion of the County. If the County, in its sole discretion, decides to invoke this authority, it will notify impacted employees of this decision and the dates of the operations/facility closures.
- B. The purpose of the facilities/operations closure is to reduce the need for layoffs and to establish a schedule for the uniform closure or ceasing of certain County Facilities and/or operations.
- C. The closure shall not apply to twenty-four-hour institutions and operations designated by the County Administrator to be twenty-four-hour operations, specified law enforcement functions, or other public services that normally operate on legal holidays. Services that do not normally function on legal holidays will be closed unless otherwise authorized by the Board of Supervisors or the County Administrator.
- D. The County's projection of revenue and expenditures, and the County's exercise of the discretion to implement furloughs, shall not be subject to the grievance provisions of this Personnel and Salary Resolution.

- C. On days County facilities/operations are closed in accordance with this provision, employees will utilize deferred hours to maintain their level of pay. If employees do not have sufficient deferred

hours, they will be allowed to use vacation, CTO, or other appropriate leave accruals to maintain their level of pay. If no accruals are available for use, employees will use leave without pay to cover all or a portion of the furlough day.

17.3 Employees Exempt from Pay Reductions/Deferred Hours

The Board of Supervisors authorizes the County Administrator to determine which positions within these 24 hour facilities/units cannot be subject to furlough leave due to the need to provide services that are necessary to the protection of public health, safety and welfare.

- A. Employees who are subject to this provision but are required to work on days County facilities/operations are closed pursuant to this provision shall be paid for such work time at their normal hourly rate unless they are entitled to overtime pay. Their deferred time shall be taken on another day as determined by the appointing authority.

- B. Exempt employees (exempt from overtime requirements of the Fair Labor Standards Act (FLSA)) temporarily lose their exempt status during the pay period any furlough leave is taken. This means that during the pay period the furlough leave is taken, the employee will be treated as an hourly employee and is eligible for overtime compensation for any overtime hours authorized and worked in that pay period. Any overtime hours worked will be subject to the provisions of **Section 20.2, Overtime, paragraph C, Overtime Payment**.

17.5 Furlough Days on Scheduled Day Off

Employees who have an accrued balance of deferred hours at the end of the fiscal year may take such time during the next fiscal year.

Employees who terminate employment will be paid for any accrued deferred hours at their normal rate of pay.

 - 2. A disciplinary order proposing a suspension, demotion or termination, shall be made in writing by the Appointing Authority or his/her designee and delivered to the individual employee at least seven (7) days prior to the effective date of the action. The notice of action shall include the proposed action and a description of the facts upon which it is based. Any other documentation of the facts upon which the action is based shall be made available to the employee for review at his/her request.
 - 3. The affected employee may request a hearing before the County Administrator or his/her designee prior to the effective date of the disciplinary action. The hearing will be informal in nature. The County Administrator or his/her designee may rely on documentary evidence. The employee shall have the opportunity to refute the facts upon which the action is based either personally, in writing or by use of witnesses. The employee shall be entitled to be represented by an individual of his/her choosing or may respond without representation. An employee who fails to timely request a hearing shall be deemed to have waived his or her right to a hearing.
 - 4. The County Administrator or his/her designee shall issue a written decision as quickly as possible and not later than 10 days after the hearing. The decision of the County Administrator or his/her designee shall be final.
- E. Employees who are designated as Classified may be disciplined subject to the rules and regulations of the Civil Service. Attention is directed to the provisions of **Chapter 20, Article 1 of the Solano County Code** and to the Civil Service Rules of the County of Solano for the procedures to be followed in the areas of discipline, separations and appeals.
- F. Employees who occupy positions exempt from the overtime provisions of the Federal Fair Labor Standards Act (FLSA) shall not be subject to any disciplinary action for violations of non-safety rules which result in deductions of pay, such as suspensions without pay, of less than the duration of an employee’s work week, or if suspended without pay for less than a full work week for

violation(s) of non-safety rules then the employee shall be FLSA non-exempt during said work week.

19. GRIEVANCES

19.1 Grievance Definition

A grievance is any dispute which involves the interpretation or application of any provision of this Personnel and Salary Resolution, excluding those provisions of this Personnel and Salary Resolution which specifically provide that the decision of any County official shall be final, the interpretation, or application of those provisions not being subject to the grievance procedure.

19.2 Grievance Purpose

The purposes of this procedure are:

1. To resolve grievance disputes informally at the lowest possible level;
2. To provide an orderly and prompt procedure for resolving disputes which arise regarding the interpretation of the Personnel and Salary Resolution;
3. To encourage communication between employees and County representatives;
4. To determine and correct, if possible, the causes of grievance disputes.

19.3 Grievance Steps

Grievances shall be processed in the following manner:

1. Step 1: Informal Discussion:

An employee who believes that he/she has a grievance shall discuss his/her complaint with his/her immediate supervisor (or such management official designated by the department head) within fifteen (15) calendar days of the incident or occurrence. This meeting shall be held in an effort to resolve the grievance informally. The immediate supervisor shall have ten (10) calendar days from the date of the informal discussion to respond to the employee. If an agreement is reached to resolve the issue, the supervisor shall confirm the outcome in writing.

If the supervisor's response does not resolve the grievance, the employee has ten (10) calendar days from the date of the supervisor's response date to file the grievance in writing with the department head or his/her designee. If the supervisor fails to respond, the employee has ten (10) calendar days from the date the supervisor's response was to be issued to file the grievance in writing with the department head or his/her designee.

2. Step 2: Department Head and/or Designated Representative:

The department head or his/her designated representative will meet with the grievant and shall provide a written response to the grievant within twenty-one (21) calendar days of having received the grievance.

If the grievance is not resolved within the department, the employee shall have the right to appeal the grievance to the Director of Human Resources, in writing, within fifteen (15) calendar days of the response made at Step 2. Notwithstanding this procedure, all

complaints involving or concerning the payment of compensation shall be in writing to the Director of Human Resources or his/her designee with a copy to the department head.

- 3.** Step 3: Director of Human Resources:
An employee may notify the Director of Human Resources or his/her designee in writing that a grievance exists stating the particulars of the grievance and, if possible, the nature of the determination desired. The Director of Human Resources or his/her designee shall have twenty-one (21) calendar days in which to investigate the issues, meet with the complainant and attempt to reach a satisfactory resolution of the problem.
- 4.** Step 4: County Administrator:
If the grievant is not satisfied with the decisions rendered by the Director of Human Resources, he/she may appeal the decision to the County Administrator's Office within ten (10) days after receiving the Director of Human Resources' decision. The County Administrator (CAO), or his/her designated representative, shall render a final decision upon review of the written request of the grievant and the presentation of evidence. The decision of the CAO or his/her designee is the last step in the appeals process. It is final and binding on the parties and the decision cannot be appealed further.

19.4 Grievance Conditions

- A.** Failure to Act:
If the finding or resolution of a grievance at any step of the procedure is not appealed within the prescribed time, said grievance shall be considered settled on the basis of the last answer provided, and there shall be no further appeal or review. Should management not respond within the prescribed time, the grievance may proceed to the next step.
- B.** Extension and Curtailment of Time Limits:
The time limits provided may be extended or reduced by mutual written agreement of the grievant and an appropriate representative of the County when extenuating circumstances are found to exist.
- C.** Written Records of Grievances:
All documents, communications, and records dealing with the processing of a grievance shall be filed in a separate grievance file in the Human Resources Department and shall not be kept in the personnel file of any of the participants.
- D.** Freedom from Reprisal:
An employee filing a grievance in conformity with this policy shall have freedom from reprisal.
- E.** Representation:
An employee may have representation at all steps in the preparation and presentation of a grievance, except at the informal discussion stage of the procedure.
- F.** County Time:
Necessary and reasonable County time for the processing of a grievance shall be authorized for the employee who has filed the grievance.

20. HOURS OF WORK AND OVERTIME

20.1 Hours of Work

The workweek is forty (40) hours of work in any seven (7) consecutive calendar days. The workweek schedule consists of five (5) eight (8) hours days. However, department heads may establish workweek schedules which differ from the schedule above, upon recommendation of the County Administrator and approval by the Board of Supervisors. It is the duty of each department head to arrange the work of his/her department so that each employee works not more than forty (40) hours in a workweek. A department head may require any employee to temporarily work in excess of forty (40) hours when necessary.

20.2 Overtime

A. Overtime Work Defined

1. Overtime is not applicable to those employees who are designated as FLSA exempt.
2. For employees assigned to an eight (8) hour day/five (5) days per week work schedule, overtime work shall be defined as all work specifically authorized by the department head that is performed in excess of forty (40) hours per week.
3. Off duty time spent as a witness in court in connection with regular duties as a County employee shall be considered overtime.
4. Time worked beyond the official forty (40) hour workweek shall not be considered overtime unless it has been specifically ordered or authorized by the department head.

B. Application of Overtime

1. If, in the judgment of a department head, work beyond the official forty (40) hour workweek is required, he/she may order such overtime work. This overtime work will be compensated for as provided in this Section. The County Administrator may require department heads to obtain approval prior to ordering overtime work by an employee in excess of eighty (80) hours in a fiscal year.
2. Time worked as overtime shall not be counted as service time for purposes of employee benefits eligibility or accrual or probation or merit increase periods. Compensatory time off taken by an employee may be used as part of the established workweek to earn employee benefits and to serve out probation and merit increase periods.
3. No department head may employ a person from outside the department as a substitute for an employee who is on compensatory time off. No department head shall assign an employee within the department as a substitute for another employee who is on compensatory time off, where such employee assigned received an increase in pay, as a result of such assignment. Within budget limitation, extra-help employees may be utilized to substitute for employees who are on compensatory time off.
4. No regular, probationary or limited-term employee may be employed in one or more positions, full or part-time, more than a total of forty (40) hours per week, excepting

authorized overtime, unless authorized by the Board of Supervisors. Nothing in this Section is to preclude an employee from temporarily serving in another capacity in the event of an emergency, provided he/she has the approval of his/her department head.

5. Department heads and assistant department heads shall not be subject to this Section.

C. Overtime Payment

1. The Board of Supervisors, by, amendment to the Alphabetical Lists shall adopt a list of employees by classification who are assigned specific overtime codes (e.g., 01, 02, 03, 05, 09 etc.).
 - a. Employees incumbent in classifications designated as overtime code 01 shall be granted compensatory time off (CTO) for all overtime worked at straight time. Extra help employees in classifications designated as 01 shall receive straight time pay for all overtime worked.
 - b. Employees incumbent in classifications designated as overtime code 02 shall be granted CTO for all overtime worked at straight time. Whenever an accrual balance is at or above forty hours, the employee may elect to receive straight time pay for overtime worked. Extra help employees in classifications designated as overtime code 02 shall receive straight time pay for all overtime worked.
 - c. Employees incumbent in classifications designated as overtime code 03 shall be paid for all overtime worked at one and one-half times the normal hourly rate.
 - d. Employees incumbent in classifications designated as 05 shall not be compensated for overtime worked.
 - e. Employees incumbent in classifications designated as overtime code 09 shall be paid for all overtime worked at one and one-half times the regular rate of pay; however, employees may be granted, at the sole discretion of the department head, CTO at one and one-half hours off for each hour worked in lieu of overtime payment.
2. Any employee separating from the County service shall be paid for any existing CTO balance at the time of such separation at the hourly rate at which the employee is currently employed.
3. Payment for overtime shall be separately itemized on the payroll certification.
4. Any CTO accumulation in excess of eighty (80) hours shall be taken off within the fiscal year in which it is earned. If the department head is unable to schedule sufficient time off during the fiscal year, the employee's accrual balance shall be reduced to eighty (80) hours at the beginning of the next fiscal year and the employee paid for all hours reduced from his or her balance at the employee's applicable straight time rate in effect on the last full pay period in the outgoing fiscal year.

5. Compensatory time off taken by an employee shall be counted as time worked for purposes of overtime computation.
6. CTO hours accumulated because an employee is on the "9/80" pay period work schedule must be consumed within the same fiscal year earned and shall not be carried forward into the succeeding fiscal year.
7. When an employee in a regular part-time position is required to work in excess of his/her regular work schedule during any week to cover seasonal peak work loads, emergency extra work loads of limited duration, necessary vacation relief and other similar situations, such work shall be compensated for at the employee's regular rate. For time worked in excess of forty (40) hours, the employee will be paid as provided in this Section.
8. Time off on recognized fixed County Holidays shall be considered time worked for overtime calculation purposes

20.3 Rest Periods

Employees may take one 15 minute rest period for each four (4) hours worked. Usually breaks are scheduled mid-morning and mid-afternoon and are counted as time worked. If the employee does not take a break, it is waived. Since breaks are on paid County time, employees should not leave the worksite during a break.

Reimbursement will be made to regular full-time or regular part-time employees who are filling at least fifty (50) percent of an allocated position. Eligible part-time employees will be reimbursed a percentage of the cost of the license or certification in proportion to the percentage of the time worked. Any eligible full-time or part-time employee who avails him/herself of this Fund and who voluntarily leaves the County service during the fiscal year in which the employee drew upon the Fund, shall reimburse the County on a pro-rata basis the amount the employee received from the Fund.

Appendix D – Effects of Furlough

Situation	Result	Comments
Full-time (F-T) employees	Pay is reduced by 4.0 hours. 4.0 hours credited to furlough leave accruals.	
SDI Integration	Integrate leave accruals up to employee's Full Time Equivalency (FTE) less furlough hours.	Examples: F-T EE normally works 80 hours/pay period minus 4 furlough hours = integrate up to 76 hours. P-T EE normally works 40 hours/pay period minus 2 furlough hours = integrate up to 38 hours.
Workers' Compensation integration	Same as SDI integration.	See examples under SDI integration.
Leave without pay for partial pay period	Pay is reduced by 4.0 hours (or pro-rated if part-time employee). 4.0 hours credited to furlough leave accruals.	Furlough hours based on EE's normal FTE (not pro-rated based on hours worked).
Various shifts (4/10, 9/80)	Pay is reduced by 4.0 hours. 4.0 hours credited to furlough leave accruals. If furlough is day off, another day is taken as furlough.	
Promotion/Demotion	Pay is reduced by 4.0 hours. 4.0 hours credited to furlough leave accruals.	No effect on number of furlough hours unless there is a change in FTE.
Taxes	Taxes are withheld on the reduced salary.	
New hires (working less than 80 hours 1 st pay period)	Furlough hours pro-rated based on scheduled number of hours to be worked. Furlough hours credited to furlough leave accruals.	Example: EE starts work Tuesday after Monday holiday (works 72 hours of pay period) = 90% of pay period. 4.0 furlough hours x 90% = 3.6 hours credited to furlough leave accruals and pay reduced by 3.6 hours.

Holidays	No change.	EE must be in a paid status the day before and the day after the holiday to be compensated for the holiday.
Retirement deductions	Reduction in earnings due to furlough will reduce reportable earnings and reduce PERS deductions.	Retirement deductions taken based on reduced salary.
Retirement benefits	Retirement allowance calculated using the average monthly full-time pay rate (final compensation) reported to CalPERS for the highest 12 or 36 consecutive months of employment.	Furlough does not change pay rate. However, furlough could reduce special compensation amounts that are paid as a factor of earnings. In some cases final compensation could be reduced, but only for members with earnings-based special compensation whose highest 12 or 36 month period at retirement includes furlough time.
Health insurance contributions	No change.	As long as EE is in a paid status in the pay period, health insurance contributions will be made.
Leave accruals	No change.	Normal leave accruals will be earned.
Terminations	Employee is paid for any furlough hours accrued and not used.	Treated the same as vacation leave balance.
Differentials (% of actual earnings)	Differentials paid as a factor of earnings will be reduced based on reduced earnings.	Example: longevity pay.
Differentials (flat amount or % of pay rate)	No change.	Example: POST pay or shift differential.
Part-time employees	Furlough reduction will be pro-rated based on FTE.	
Change from FT – PT	Same as part-time employees' language.	
Change from PT – FT	Same as full-time employees' language.	
Voluntary Time Off (VTO)	Same as full-time employees' or part-time employees' language. If furlough day falls on day off, another day is taken as furlough.	The employee will be treated as any other full-time or part-time employee.
Not enough accrued furlough to cover furlough day	Use applicable leave balances. If no leave balances available, record leave without pay hours.
