MEMORANDUM OF UNDERSTANDING
Unit #6, Solano HSS Association of Professional Employees

PREAMBLE

This AGREEMENT, (hereinafter “Agreement”) entered into by the County OF SOLANO, (hereinafter “County”) and SOLANO HSS ASSOCIATION OF PROFESSIONAL EMPLOYEES (hereinafter “Association”), has as its purpose the promotion of harmonious labor relations between the County and the Association; establishment of an equitable and peaceful procedure for the resolution of differences; and the establishment of rates of pay, hours of work, and other conditions of employment.

Representatives of the County of Solano and the Solano HSS Association of Professional Employees have met and conferred in good faith regarding wages, hours, and other terms and conditions of employment, have freely exchanged information, opinions, and proposals and have endeavored to reach agreement on all matters relating to the employment conditions and employer-employee relations of such employees.

The legal relationship between the Solano HSS Association of Professional Employees (“Association”) and the County of Solano (“County”) is governed by the Meyers-Milias-Brown Act (California Government Code sections 3500, et seq.), the County’s Employer-Employee Relations Rules and Regulations, the Civil Service Rules, and this Memorandum of Understanding. Whenever this Memorandum of Understanding contains a provision relating to the subject matter which is also referred to in the Civil Service Rules or any other County ordinance, policy or regulations, the provisions of this Memorandum of Understanding shall prevail.

The term “Agreement” as used herein means the written agreement provided under Section 3505.1 of the Government Code.

1. RECOGNITION

1.1 Association Recognition

The County recognizes the Association as the exclusive recognized employee organization for: regular or limited-term full and regular or limited-term part-time employees in the following unit

Unit # 6, Solano HSS Association of Professional Employees

Classifications represented under this Agreement are identified as Appendix A.

1.2 County Recognition

The Association recognizes the Director of Human Resources or his/her designee as the County’s designated representative for negotiations.
2. **TERM**

This Memorandum of Understanding shall be in effect October 6, 2019, except for those provisions of this Memorandum of Understanding which have been assigned other effective dates and shall remain in full force and effect to and including October 21, 2022.

3. **ASSOCIATION SECURITY AND RIGHTS**

Each individual employee shall have the following rights which he may exercise in accordance with law, ordinances, and rules and regulations:

A. The right to form, join, and participate in the activities of any employee organization.

B. The right to be free from interference, intimidation, restraint, coercion, discrimination because of race, color, creed, national origin, sex, age, or physical or mental impairment, or reprisal on the part of his/her department head, supervisor, other employees or employee organizations, with respect to membership or non-membership in any employee organization or with respect to any lawful activity associated therewith which is within the scope or representation.

C. The right to represent him or herself individually in his/her employee relations with the County.

D. The right to join or refuse to join any organization of his/her free choice.

3.1 **Association Dues**

The parties to this Memorandum of Understanding mutually understand and agree all employees subject to this agreement have the right to join or not join the Association. A. Any Unit employee who has a dues deduction authorization on file with the Auditor Controller’s Office as of June 27, 2018 shall be deemed to have signed up for union deductions.

B. Employees may sign up for Payroll Deductions of Association dues with the Association. The Association will certify, in a letter to the County’s Auditor Controller’s Office – Payroll Bureau, new members of the Association. If employees opt for such deduction, it is understood that the dues will be deducted starting from the first day of the pay period following receipt of the certification and shall continue for the duration of this agreement, or until

1. the last day of the last pay period following the transfer, promotion, or demotion of the employee to a unit represented by another recognized employee organization or to a class not contained in a represented unit; or.
2. until the end of the pay period following notification from the Association to the County to cease deducting Association dues, or a later date as specified by the Association (to coincide with the end of a pay period).

It shall be the sole responsibility of the Association to procure and enforce payroll deductions of dues.

C. The employee's earnings must be sufficient after the other legal and required deductions are made to cover the amount of the dues or fees authorized. When an employee is in a non-pay status for an entire pay period, no withholding will be made to cover the pay period from future earnings. In the case of an employee who is in a non-pay status during only part of the pay period, and the salary is not sufficient to cover the full withholding, no deduction shall be made. In this connection, all other legal and required deductions (including health care deductions) have priority over Association dues and service fees.

D. Payroll Deductions and Pay Over

The County shall deduct Association dues or service fees and premiums for approved insurance programs from employee's pay in conformity with State and County regulations. The County shall promptly pay over to the designated payee all sums so deducted.

1. The County will provide a list of employees newly hired into regular positions to the Association on at least a monthly basis. The County will also provide the Association with copies of signed dues deduction authorization forms and dues deduction withdrawal requests on a monthly basis.

2. The County will provide information on employees name, department, unit and classification on a quarterly basis.

E. Waiver of Election for Newly-Represented Employees and New Representation Units

The accretion of classifications and/or employees to representation units set forth in this Memorandum of Understanding shall not require an election for the application of this provision to such classifications and/or employees. The recognition of newly-established bargaining units and the inclusion of same within this Memorandum of Understanding shall also not require an election for the application of this provision to such units.

F. Dues

Dues deduction shall not be retroactive.

G. Fines and Penalties
The County will not deduct any Association’s fines or penalties from the pay of any employee.

H. Programming Fee

The Association shall reimburse the County for actual, reasonable and necessary costs, if any occur, of reprogramming in order to implement this agreement. Such costs shall not exceed each Association's prorated share of such costs, to be determined by dividing the total number of each Association's represented employees subject to agency shop by the total number of County employees and by multiplying this quotient times the total cost.

3.2 Human Resources New Employee Orientation

1. A representative of the Recognized Employee Organization (Association) shall be permitted thirty (30) minutes to meet with employees of the bargaining unit at the New Employee Orientation conducted by Human Resources (HR).

2. The County shall advise the employee organization of the dates and times at which the Association Representative can present to employees covered by their bargaining unit. Such notice shall be provided no later than ten (10) days before the scheduled orientation.

3. The Association Representative shall advise the County ten (10) days prior to the scheduled HR New Employee Orientation if it will be meeting and presenting information to the employees. Failure to provide notice of its intent to present will result in the Association waiving its right to present at the meeting.

4. No later than two (2) days prior to any scheduled New Employee Orientation for which the Association has provided notice of its intention to present, the County shall provide a list to the Association that includes the names, job titles, and departments of all new employees within the bargaining unit who are expected to attend the orientation.

5. If the Association Representative is not available to present at its designated time slot, the Association will be deemed to have waived its right to present at that meeting. No additional time or rescheduling will be afforded.

6. If multiple Union/Associations attend HR’s New Employee Orientation, each Union/Association will meet with employees of the bargaining group at the same time. Separate meetings rooms may be provided but are not guaranteed; however, groups will be divided into “break-out” sessions in the room and/or close proximity to the room scheduled for new employee orientation.

7. The employees shall have the sole option to meet with the Association during this time or may take the time to review County policies or other materials as provided by the County associated with the new employee orientation.
8. The Association agrees to stay within its designated time period and will not cause a delay to the new employee orientation schedule. For example, if the Association Representative is scheduled to present from 9:15 a.m.-9:30 a.m., and s/he arrives at 9:20 a.m., the Association Representative shall have from 9:20 a.m. - 9:30 a.m. to present. If the Association representative arrives at 9:35 a.m., s/he will have waived their opportunity to present to the group. No additional time or rescheduling will be afforded.

9. The Association may provide copies of Association materials to employees within its bargaining unit during HR’s New Employee Orientation. The Association is responsible for producing, copying and distributing materials to employees. If the Association Representative confirms its attendance at the meeting, this provision shall relieve the County from any other provision requiring the County to distribute Association materials.

10. The Association may discuss only the following topics during the new employee orientation:
   a. The structure of the Association
   b. How to contact the Association and/or Association officers
   c. Association’s role in collective bargaining
   d. Benefits of Association membership

11. The Association agrees to not disparage the County and/or its supervisors or management during this meeting.

12. The provisions above in this Section shall not be subject to the grievance and arbitration procedure.

3.3 Hold Harmless

The Association shall indemnify, defend, and hold harmless the County, its officers, employees, and agents acting on its behalf from and against any and all losses, damages, costs, expenses, claims, demands, actions, suits, judgments and other forms of liability arising out of the application or enforcement of this Section. In no event shall the County be required to pay from its own funds Association dues or charitable contributions, which the employee was obligated to pay, but failed to pay, regardless of the reasons.

3.4 Release Time and Association Officers

A. Release Time
Officers and authorized representatives of the Association who are County employees may utilize time during normal working hours without loss of pay or benefits, for meeting and conferring with County management on matters within the scope of representation. Subject to advanced scheduling with the appropriate department head, the number of County employees released for such meetings shall not exceed three (3) persons, except by mutual agreement between the Director of Human Resources and the department head and the Association prior to the meeting. The use of official time for his purpose shall be reasonable in amount and shall not interfere with the performance of County services.

B. Association Officers

Association Officers will arrange with the department head or designee in advance to schedule a reasonable amount of time to assist members in the preparation and presentation of grievances.

The County and the Association agree to a committee on joint labor management issues.

The Association shall annually, in January, provide a list of officers to Human Resources. The Association shall inform the Human Resources Department in writing of any additions or deletions of individual officers within thirty (30) days of such a change.

The County agrees to recognize up to five (5) employees appointed and formally designated in writing to the Director of Human Resources and department head by the Association as official officers. Designated officers may use up to four (4) hours per pay period of time away from work to conduct official business as an officer.

The County agrees to allow the Unit President up to four (4) hours during each pay period of paid time away from work to conduct official business as an officer. The President and officers shall obtain permission from their immediate supervisor prior to leaving their regular assignment. Any expenses incurred by a shop officer or the President shall be borne by the Association.

Reasonable adjustment may be made to an officer’s workload to accommodate the release time provided for Association business.

The Association’s designated officers may be provided County release time off with pay to attend training which would, in the judgment of the Human Resources Director (or his/her designee) to within the Human Resources Department, be mutually beneficial to the County and the Association.

3.5 Bulletin Boards

Bulletin Boards will be made available to the Association in accordance with Article 3, Section 10.d. of the Employer-Employee Relations Rules and Regulations. The County
shall provide the Association with a list of all newly hired and all recently separated employees covered by this Memorandum of Understanding during the first pay period following ratification of this Memorandum of Understanding and once each month thereafter. Such lists shall include employees’ dates of hire/separation, and classifications.

### 3.6 Work Access

Authorized representatives of recognized employee organizations may have reasonable access to other members of the same organization in County offices for transmittal of information or for representation purposes as long as the work of County employees and service to the public are unimpaired. The representative shall request prior authorization for such visit by contacting the designated representative of the particular department or division. If immediate access cannot be authorized, the designated representative shall inform the Association representative as to the time when access can be granted.

The Association shall give each department or division and the Director of Human Resources a written list of its staff representatives and shall keep such list current.

### 3.7 Religious Exemption

Any employee of the County subject to this Memorandum of Understanding who is a member of a bona fide religion, body or sect which has historically held conscientious objections to joining or financially supporting a public employee organization and which is recognized as such by the National Labor Relations Board, shall, upon presentation of verification of active membership in such religion, body or sect be permitted to make a charitable contribution equal to the dues in lieu of Association membership payment. Declarations of or applications for religious exemption and any other supporting documentation shall be forwarded to the appropriate local Association within fifteen (15) days of receipt by the County. The Association shall have fifteen (15) days after receipt of a request for religious exemption to challenge any exemption granted by the County Administrator or his/her designee. If challenged, the deduction to the charity of the employee's choice shall commence but shall be held in escrow pending resolution of the challenge. Charitable contributions shall be by regular payroll deduction only. The County shall provide the Association, on a quarterly basis, a list of all persons making charitable deduction payments to the religious organization.

### 3.8 Joint Labor Management Committee

1. The County and the Association agree to a committee on joint labor management issues.

2. The Joint Labor/Management Committee will meet quarterly as needed. The Committee may meet more often by mutual agreement.

3. The purpose of the Joint Committee will be to meet, discuss, and make recommendations regarding issues related to the operation of the Department of Health and Social Services. Division meetings may be established with the
concurrence of labor and management in order to discuss labor/management
issues pertinent to each division in which the Association represents positions.
Issues may include but are not limited to the following:

a. Department operations
b. Communications
c. Workload distribution
d. Morale
e. New Department procedures
f. New Program initiatives

4. The Joint Committee will provide a forum for information-sharing, identification
   of issues and review of workplace developments.

5. The Joint Committee will not discuss issues related to discipline, grievances,
   individual performance problems or negotiations.

6. Each Joint Committee meeting will be held for up to two (2) hours, and may be
   extended by mutual agreement between the Association and the Department. If
   more time is needed to continue a Joint Committee meeting, either as a group or
   separately, it will mutually be agreed to during the meeting, and staff will notify
   their supervisors accordingly of the extension.

   The Committee may identify the need to establish sub-committee(s) in order to
   compile information.

7. Joint Committee Meetings shall be composed of up to four (4) employees
   representing the Association, along with their Field Representative and four (4)
   employees representing management, along with the Appointing Authority or
   designee.

8. At the end of each Joint Committee Meeting, both parties will develop an agenda
   to be used at the next meeting.

4. COUNTY MANAGEMENT RIGHTS

   It is the exclusive right of the county to determine the mission of each of its constituent
departments, boards, and commissions, set standards of services to be offered to the
public, and exercise control and discretion over its organization and operations. The
exclusive rights of the County also include, but are not limited to the right to direct its
employees; to hire, promote, demote, transfer, assign, classify, layoff and retain
employees in positions within the County; to take disciplinary action against its
employees for proper cause; to determine the methods, means and personnel by which the
County’s operations are to be conducted; to determine its budget, organization, and
merits, necessity and level of any activity or service provided to the public, and to take
whatever action is necessary in emergency situations. The exercise of such rights shall
not preclude employees or their representatives from consulting in advance with
management representatives about the impact that decision on these matters may have on
wages, hours, and other terms and conditions of employment.
5. **SALARIES**

5.1 **Salary Ranges and Pay Date**

Salary ranges for classifications represented by the Association are listed in Appendix B of this Agreement. Employees shall be paid every other Friday.

1. Effective the later of pay period #7 (March 11, 2018 – March 24, 2018), or two pay periods following MOU adoption/imposition by all bargaining units of this provision, the pay date shall be moved by one week (e.g., from March 30, 2018 to April 6, 2018).

   a. Employees who desire to mitigate the effect of this pay date move may receive a one-time advance equal to five days of pay, to be paid with the first paycheck of the effective dates’ pay period (e.g., on March 30, 2018). In order to receive the advance, the employee must sign an agreement to pay back the advance over not more than 3 pay periods. Employees selecting this option must have and maintain, 5 days of vacation or CTO (40-45 hours, depending on his/her schedule), until the advance is paid back in full. Employees who receive an advance and whose employment ends prior to paying back the advance, shall have any amount owed deducted from his/her final paycheck.

5.2 **Pay For New Employees**

Normally new employees shall be appointed at the recruiting step of the salary range for the class to which the appointment is made. When circumstances warrant, the department head/appointing authority may authorize that a particular position be filled at step one, two or three, following guidelines issued by the Department of Human Resources. Requests for appointments at step four or five must be approved by the Director of Human Resources.

5.3 **Salary Upon Re-Employment**

   A. A former employee on permanent status in good standing at the time of separation who is re-employed within two (2) years in the same class may, upon the request of the department head and with approval of the Director of Human Resources, be appointed at the same step occupied at the time of separation. Subsequent merit increases shall follow the normal time period progression between steps.

   B. A former employee, on permanent status at the time of separation, who is re-employed within two (2) years in a lower class in the same series may, upon the request of the department head and with approval of the Director of Human Resources, be appointed at a step closest to the step occupied at the time of separation. Subsequent merit increases shall follow the normal time period progression between steps.

5.4 **Merit Increases Within Range**
A. Merit increases shall not be automatic, but shall be given only upon the recommendation of the department head or designee.

B. The merit increase eligibility dates for all employees hired or promoted into classifications in this unit shall be the first day of the pay period following completion of 26 full pay periods.

Employment beginning on the first working day of a pay period shall be considered as beginning on the first calendar day of that pay period. If the first working day is after the first Monday (Tuesday if Monday is a holiday or if the employee’s regular schedule begins on a Tuesday) of the pay period, time will accrue from the first day of the next pay period for step increases and eligible fringe benefit accrual.

Other than military leave or workers’ compensation leave, a leave-of-absence without pay exceeding seven (7) consecutive calendar days in a pay period shall defer a merit increase eligibility date by an amount equal to the number of pay periods during which the employee was on leave-of-absence without pay.

C. An employee in a regular part-time position shall be treated identically to an employee in a regular full-time position; except that merit increases shall be granted in the same proportion as hours of work relate to the hours of work of a regular full-time position.

D. Advancement within a salary range is not automatic for merely completing a specific period of service but rather based on merit as documented on a performance evaluation form prescribed by the Director of Human Resources or his/her designee. The merit increase shall consist of one step on the salary schedule for the class.

A performance evaluation must be submitted within six (6) pay periods of the employee’s performance evaluation due date. If the supervisor fails to render a performance evaluation within the specified timeframe, then the employee shall receive, if available, a salary step increase.

E. An overall rating of either unacceptable or improvement needed requires a performance re-evaluation no later than seven (7) pay periods following the scheduled merit increase eligibility date. If the employee shows no improvement, the appointing authority must recommend action to be taken.

F. Merit Increase Deferral: If, in the department head’s (or designee’s) judgment, the employee’s performance does not merit a salary increase on the merit increase eligibility date, and a deferment of a decision accompanied by an intensive effort
at improved performance might be productive, the department head shall complete the structured merit rating and defer a decision regarding the merit increase. A merit increase decision may be deferred for any number of pay periods, not to exceed thirteen (13) pay periods. A merit increase may be deferred only once for any given step on the range for the class. A department head may reopen the matter by submitting another merit rating and recommendation. At the end of the deferral period, the employee must be re-evaluated and a decision made to grant or deny the merit increase. An employee’s merit increase eligibility date shall not be changed by any deferment.

G. Merit Increase Denial: If, in the department head’s (or designee’s) judgment, the employee’s performance is unacceptable or improvement is needed and the employee’s performance does not merit a salary increase on the merit increase eligibility date, or after a period of deferment, the merit increase shall be denied until the next evaluation cycle (twenty-six (26) pay periods from the most recent evaluation due date.)

H. If an employee’s merit increase eligibility date is overlooked through an error and, upon discovery of the error, the employee is recommended for merit increase, the employee shall be compensated for the additional salary he or she would have received dating from the original merit increase eligibility date.

5.5 Salary Upon Promotion

Any permanent, probationary or limited-term employee promoted to a position with a higher salary range (top step) shall receive the recruiting salary for the class or such higher amount as would constitute at least a one (1) step increase five (5%) over the salary received prior to the promotion, not to exceed the top step of the new classification. The effective date of all promotions shall coincide with the first day of the pay period. All subsequent merit increases shall be governed by the provisions of this Memorandum of Understanding.

5.6 Salary Upon Transfer

When an employee is transferred from one position to another in the same class, the salary and merit increase eligibility date shall not change.

5.7 Salary Upon Demotion

A. When a permanent employee is demoted for unsatisfactory performance, salary shall be reduced one step or the employee shall receive the maximum step of the new class, whichever is lower. The merit increase eligibility date shall be the first day of the pay period following completion of the number of pay periods corresponding to the required period of service governed by this Memorandum of Understanding.

B. If a permanent employee in good standing is demoted as an accommodation for ADA purposes or for reasons other than unsatisfactory performance, he or she
shall receive the highest salary in the new classification that does not exceed the rate of pay received immediately prior to demotion. The merit increase eligibility date prior to demotion shall be retained.

C. A promotional probationary employee demoted to a class formerly occupied in good standing shall retain the step status, probationary status and merit increase eligibility date that would have been achieved if he/she had remained in the lower class.

5.8 Salary Upon Reclassification

A. The salary of an incumbent permanent or probationary employee in a reclassified position shall be determined as follows, if the incumbent remains in the reclassified position:

1. If the position is reclassified to a class with the same salary range, the salary and the merit increase eligibility date will not change.

2. If the position is reclassified to a class with a higher salary range, reclassification shall be considered to be a promotion.

3. If the position is reclassified to a class with a lower salary range, the salary shall be determined as follows:

   a. If the salary of the employee is the same or less than the maximum of the new class, the salary and merit increase eligibility date shall not change.

   b. If the salary of the employee is greater than the maximum salary of the new classification, the salary shall be designated as a Y-Rate and shall not change during continuous regular service until the maximum salary of the new classification exceeds the salary of the employee or until the period of time indicated in the schedule below has elapsed, whichever is sooner. If, at the end of the calendar period indicated below, the salary still exceeds the maximum of the new salary range for the new classification, the salary shall be reduced to the maximum salary for the new class.

A doctor’s statement must accompany the written request, specifying the tasks & duties the employee is currently capable to perform, as well as an estimate as to the duration of the medical condition precluding the employee’s return to regular, full duty. The written request will be considered by the Department, and may be allowed, if in the department head’s sole discretion, a temporary light duty assignment is appropriate and available. The department head will determine whether or not a light duty assignment will be made, as well as the scope of the assignment and its duration.
An employee may request and may be granted multiple light duty assignments during their employment with the County.

<th>Maximum Accrual</th>
</tr>
</thead>
<tbody>
<tr>
<td>0 through 78</td>
<td>3.08 hours</td>
<td>160</td>
</tr>
<tr>
<td>79 through 260</td>
<td>4.62 hours</td>
<td>240</td>
</tr>
<tr>
<td>Over 260</td>
<td>6.16 hours</td>
<td>320</td>
</tr>
</tbody>
</table>

Vacation shall accrue from the first pay period following the pay period in which the employee commenced continuous service. If the commencement date was the first working day of the pay period, vacation accrual shall start from such commencement date.

B. Part-time regular or limited-term employees shall accrue vacation benefits in the same ratio to the vacation benefits received by regular or limited-term employees with like pay periods of consecutive service as the number of hours in the part-time work schedule is to the number of hours in the full-time work schedule.
C. Absence without pay for more than sixteen (16) working hours in a pay period shall cause the pay period’s service not to be counted toward earning vacation credit. No part-time employee shall earn vacation leave accruals during a pay period in which he/she is absent without pay more than fifteen (15) percent of the scheduled working hours for that position.

D. Employees terminating employment for reasons other than retirement may not use annual leave or compensatory time off as a termination date.

E. Employees may not take earned vacation until completion of thirteen (13) pay periods of continuous service. After completion of thirteen (13) pay periods of continuous service, employees may take vacation as it is earned. Employees in classes with a twenty-six (26) pay period probationary period may take earned vacation after completion of thirteen (13) pay periods of continuous service. Once eligible, an employee may use vacation as an extension of sick leave.

F. Each department head shall be responsible for scheduling vacations so as to achieve the most efficient functioning of the department and County service. No person may work for compensation for the County in any capacity during the time of his or her paid vacation from County service.

G. Any employee separating from County service who has not taken earned vacation shall receive the hourly equivalent of his or her salary for each hour of earned vacation, up to the end of the last full pay period worked. Payment shall be to the nearest one-tenth of an hour. Employees terminating from County service prior to becoming eligible to take earned vacation shall be paid for accrued vacation. If separation is caused by an employee’s death, payment shall be made to the employee’s estate.

H. With the Department Head approval and authorization by the Director of Human Resources an employee who has separated service from the County and who was receiving pay in lieu of unused vacation may be re-employed by the County.

I. With advance approval by the immediate supervisor, vacation benefits may be used to attend to emergency personal business in increments of one (1) hour or more. Employees are entitled to a reasonable expectation of privacy as to the specific nature of the emergency personal business. It is agreed that the nature of the emergency requiring personal leave may not permit more than minimal advance notice to the immediate supervisor.

J. If a department head does not provide a specific time for use of vacation leave, an employee may, with fourteen (14) calendar days notice, as a matter of right, give written notice to the department head and take up to eighty (80) hours when accumulated vacation reaches the maximum earnable vacation accrual.

10. SICK LEAVE

A. Regular or limited-term full-time employees shall accrue 3.70 hours of paid sick
leave for each pay period. Sick leave may not be earned during a pay period in which an employee is absent without authorization or absent without pay for more than sixteen (16) working hours. If a leave of absence without pay is granted for two (2) days or less, an employee shall accrue paid sick leave in proportion to the relationship the time worked during that pay period bears to eighty (80) hours. Time worked shall be computed to the nearest hundredth of an hour.

B. Regular or limited-term part-time employees shall accrue paid sick leave in proportion to the relationship their basic workweek bears to forty (40) hours. Sick leave may not be earned during a pay period in which an employee is absent without pay for more than 15% of the regularly scheduled working hours.

C. Sick leave may be used for illness, injury, pre-natal care or pregnancy or for medical, dental, or ocular appointments. If a fraction of a day’s sick leave is used, the leave charged shall be to the nearest one-tenth of an hour. Each department head shall be responsible for the control of abuse of the sick leave privilege. An employee may be required to furnish a certificate signed by a physician or nurse or other satisfactory evidence of illness.

D. Regular or limited-term employees shall begin earning sick leave from the first of the pay period following the pay period in which the employee commenced continuous service. If the commencement date was the first working day of a pay period, the first day of sick leave accrual shall be the first of the pay period in which the service began.

E. No more than eighty (80) hours of sick leave annually may be granted to an employee for absence due to the care or attendance of ill or injured members of this or her immediate family. If a holiday or regular day off falls within the eighty (80) hours, it shall be included within the eighty (80) hours, but not charged to sick leave.

F. Sick leave may not be used in lieu of vacation, but vacation or compensatory time off may be used in lieu of sick leave, after accrued sick leave has been exhausted.

G. No County employee shall be entitled to sick leave while absent from duty for sickness or disability sustained while on leave of absence without pay.

H. Termination of an employee's continuous service, except by reason of temporary layoff for lack of work or funds, shall cancel all sick leave accrued to the time of such termination, regardless of whether or not such person subsequently re-enters the County service. No payment shall be made to any employee for unused sick leave accumulated to his/her credit at the time of termination of employment, except for reasons of regular or disability retirement, death, release from County employment as a result of a permanent reduction in the number of authorized regular help positions, or taking office as an elected County official. Employees terminating employment because of regular or disability retirement, death, release from County employment as a result of a permanent reduction in the number of
authorized regular help positions, or to take office as an elected County official, shall be paid for their accumulated unused sick leave in the following manner:

- Convert all to the retirement health savings account

The date of termination of employment shall be considered as the date certified by the Department head as the last day worked, or the last day in an authorized leave without pay status, and shall not include the equivalent time involved in any overtime or vacation payoff made at the time of termination.

An employee who is rehired within one year from his/her date of employment separation shall, upon rehire, have his/her previously accrued and unused sick leave added back to his/her sick leave accrued leave balance. For the purposes of this paragraph, the term “unused sick leave” means those sick leave hours which were accrued and not used in any fashion (e.g., hours used, paid out or converted as provided elsewhere within this Section 10).

I. A member of an employee’s immediate family means:

- Grandparent
- Mother or Father
- Husband or Wife
- Registered domestic partner
- Person assuming the role of the employee’s spouse
- Son or daughter
- Brother or Sister

- Mother-in-law or father-in-law of the employee
- A minor child of whom the employee has a parental relationship and/or legal custody.
- A person acting in loco parentis for the employee, or
- Relatives living in the employee’s home

J. Sick leave may be used for hospitalization of a member of an employee’s immediate family on the day of an operation, on the day of a birth of his or her child or in the event of a critical illness. Sick leave used for more than one (1) day may be authorized only if a doctor provides a written statement that the employee’s presence is required.

11. LEAVE CONTRIBUTION PROGRAM

The Leave Contribution Program assists employees who have exhausted accrued leave time due to serious or catastrophic illness or injury or other circumstances. Other employees may donate time to the affected employee so that he or she can remain in paid status for a longer period of time to ameliorate the financial impact.

11.1 Eligibility for Leave Contribution Program
The receiving employee must:

1. Be a regular full-time or regular part-time employee who has passed the initial County probationary period;
2. Have exhausted all accumulated leave including vacation, sick leave, administrative leave and/or compensatory time off;
3. Be unable to return to work for at least thirty (30) days; and
4. Have applied and received approval for a Leave of Absence Without Pay.

11.2 Benefits of the Leave Contribution Program

Donated vacation, compensatory time off and/or administrative leave hours will be converted to sick leave and credited to the receiving employee’s sick leave balance on an hour-for-hour basis. It shall be paid at the rate of pay of the receiving employee. As long as the receiving employee remains in paid status, seniority and all other benefits will continue, with the exception of sick leave and vacation accrual. Total leave credits received by an employee will not normally exceed three (3) months. However, if approved by the department head and the Director of Human Resources, total leave credits may be extended on a case by case basis.

If the leave is for reasons other than the employee’s own illness or injury, donated leave will be converted to vacation and credited to the receiving employee’s vacation balance on an hour-for-hour basis.

While an employee is using donated leave hours, no additional vacation or sick leave hours will accrue.

11.3 Guidelines for Donation Leave Credits

A. Accrued vacation, compensatory time off and/or administrative leave hours may be donated by any regular or regular part-time employee who has completed his/her initial County probationary period.

B. The total amount of time donated by one employee to another employee shall not exceed forty (40) hours.

C. Initial leave donations must be a minimum of eight (8) hours and, thereafter, in four (4) hour increments. An employee may not donate leave hours which would reduce an accrued vacation balance to less than forty (40) hours.

D. The use of donated leave hours must be in consecutive one (1) shift increments (i.e., 8 hours for a full time employee working five eight-hour days/week).

E. Leave donations are forfeited once made. If the receiving employee does not use all donated leave, any balance remains with that employee.

F. In accordance with IRS Ruling 90-29, leave donated for medical reasons will not be considered wages for the employee who donates the leave. It will not be
included in gross income or be subject to withholding. An employee who donates leave incurs no deductible expense or loss either upon the donation or use by the recipient.

12. BEREAVEMENT LEAVE

A. Employees shall be entitled to bereavement leave, not chargeable to vacation or sick leave, in the event of the death of one of the following members of the employee’s family:

B. Bereavement leave shall be a maximum of forty (40) hours within ten (10) consecutive calendar days, whether services are within the state or outside the State of California. Leave benefits will be prorated for part-time employees based upon the number of hours worked (for example, a half-time employee has a maximum of twenty (20) hours.) Regular, probationary, or limited-term part-time employees shall be eligible for bereavement leave in proportion to their relationship their basic workweek bears to forty (40) hours. Employees desiring more leave may request vacation or other appropriate leaves to be granted at the sole discretion of the department head.

C. A female employee who has a miscarriage or who gives birth to a still born child shall be eligible for bereavement leave in accordance with Section 12, paragraph B above. Requests for Jury Duty leave should be made by presenting the official court summons to the employee’s immediate supervisor as soon as possible after receipt. Excused absence is the time necessary to actually engage in the activity, including travel time and required waiting time.

Holiday Adjusted Time may be granted, subject to the needs of the Department, to cover the balance of the employee’s normal hours that exceed the eight (8) hours of holiday pay. For example, an employee on a 4/10 work schedule may be permitted to work an additional two hours in the same work week as a fixed County Holiday. Holiday Adjusted Time may not be worked outside of department’s business hours unless authorized by the Department Head. An employee may combine an hour of Holiday Adjusted Time and available leave

extension is by mutual agreement between the probationary employee, appointing authority, and the Director of Human Resources; provided, however, that the probationary period may not exceed thirty-nine (39) pay periods of active duty.    a. The position is in the current department;
   b. The employee meets the minimum qualifications for the class;

The twelve (12) days will be determined at the sole discretion of the County. If the County, in its sole discretion, decides to invoke this authority, it will notify the Association of this decision and the dates of the operations/facility closures.

B. The purpose of the facilities/operations closure is to reduce the need for layoffs and to establish a schedule for the uniform closure or ceasing of certain County Facilities and/or operations.

C. The closure shall not apply to twenty-four-hour institutions and operations designated by the County Administrator to be twenty-four-hour operations, specified law enforcement functions, or other public services that normally operate on legal holidays. Employees shall be paid for seventy-six (76) hours although they work eighty (80) hours. Part-time employees shall receive prorated hours deferred and prorated salary reduction.

C. On days County facilities/operations are closed in accordance with this provision, employees will utilize deferred hours to maintain their level of pay. If employees do not have sufficient deferred hours, they will be allowed to use vacation, CTO, or other appropriate leave accruals to maintain their level of pay. If no accruals are available for use, employees will use leave without pay to cover all or a portion of the furlough day.
17.3 Employees Exempt from Pay Reductions/Deferred Hours

Each party, however, shall bear the cost of its own presentation, including preparation and post hearing briefs, if any. The request for arbitration must be made in writing within twenty-one (21) calendar days following the conclusion of mediation.

19.6 Grievances Involving or Concerning Compensation Complaints

All complaints involving or concerning the payment of compensation shall be initially filed in writing with the Director of Human Resources. 20. HOURS OF WORK AND OVERTIME

20.1 Work Day

Eight (8) to ten (10) hours of work shall constitute a standard day’s work for all permanent, limited-term, and probationary full-time employees unless otherwise provided by order of the Board of Supervisors.

20.2 Work Week

The official work week shall be a minimum of 40 hours of work in any seven (7)
consecutive calendar days. The work week schedule consists of five (5) eight (8) hour days. However, department heads may establish work week schedules, which differ from the schedule above, upon prior recommendation of the department head and approval of the County Administrator. Some classifications assigned to Unit # 6 are considered exempt from the Fair Labor Standards Act. (See Appendix A-1)

20.3 Overtime, Compensatory Time Off and Administrative Leave

A. Overtime Work Defined

Overtime work shall be defined as all work specifically authorized by the department head that is performed in excess of forty (40) hours per week.

B. Overtime Payment

Overtime work shall be compensated as follows:

1. Non-Exempt Employees.

Employees covered under FLSA, referred to as non-exempt (designated as overtime code 09 in Solano County’s Personnel and Salary Resolution) shall be paid for all time worked in excess of 40 hours in a workweek at one and one-half times the regular rate of pay; however, in lieu of payment for overtime, employees may be granted, at the sole discretion of the department head or a manager designated in writing by the department head, compensatory time off at one and one-half hours off for each hour worked.

2. Exempt Employees.

Employees in classifications referred to as exempt from the FLSA (designated as overtime Code 01 in Solano County’s Personnel and Salary Resolution) shall be granted compensatory time off (CTO) for all time worked in excess of 40 hours in a week at straight time.

3. If, in the judgment of a department head, work beyond the official workweek or work period is required, such overtime work may be ordered. The County may establish administrative procedures not inconsistent with this agreement.

4. Time worked beyond the official forty (40) hour workweek shall not be considered overtime unless it has been specifically ordered or authorized by the department head.

5. Any employee separating from the County service shall be paid for any existing CTO balance at the time of such separation at the hourly rate at which the employee is currently employed.
6. Time worked as overtime shall not be counted as service time for purposes of employee benefits eligibility or accrual or probation or merit increase periods. Compensatory time off may be used as part of the established workweek to earn employee benefits and to serve out probation and merit increase periods.

7. When a non-exempt employee in a regular part-time position is required to work in excess of his/her regular work schedule during any week to cover seasonal peak work loads, emergency extra work loads of limited duration, necessary vacation relief and other similar situations, such work shall be compensated for at the employee’s regular rate. For time worked in excess of forty (40) hours, the employee will be paid as provided in subsection 20.4.B above.

8. No department head may employ a person from outside the department as a substitute for an employee who is on compensatory time off. No department head shall assign an employee within the department as a substitute for another employee who is on compensatory time off, where such employee assigned received an increase in pay, as a result of such assignment. Within budget limitation, extra-help employees may be utilized to substitute for employees who are on compensatory time off.

9. No permanent, probationary or limited-term employee may be employed in one or more positions, full or part-time, more than a total of forty (40) hours per week, excepting authorized overtime, unless authorized by the Board of Supervisors. Nothing in this Section is to preclude an employee from temporarily serving in another capacity in the event of an emergency, provided he/she has the approval of his/her department head.

10. CTO taken by an employee shall be counted as time worked for purposes of overtime computation.

11. Up to eighty (80) hours compensatory time off may be carried over from one fiscal year to the next. If the department head is unable to schedule sufficient time off during the fiscal year, the employees’ accrual balance shall be reduced to eighty (80) hours and the employee paid for all hours reduced from his or her balance at the employee’s applicable straight time rate in effect on the last full pay period in the outgoing fiscal year.

C. Election to Receive Administrative Leave (Exempt Employees)

1. Exempt Employees are eligible to waive all compensatory time off in order to receive a paid Administrative Leave benefit of six (6) days (48 hours) in lieu of compensatory time off. Employees must decide to elect Administrative Leave as provided below. After making such an election, the employee will be designated with overtime code 05.

Annually during the month of June of each year, each employee will be
given the option of either enrolling in the Administrative Leave program or compensatory time off payment benefits for the subsequent fiscal year. If selected, compensatory time off will be made in accordance with the overtime code assigned to the employee’s classification. Each employee must complete and sign an appropriate form provided by the County Human Resources Department to establish eligibility for one benefit or the other. Once an Administrative Leave option form has been processed, it shall remain in effect thereafter unless another form is completed and filed with the Director of Human Resources during the month of June of the next fiscal year.

No eligible employee shall carry over Administrative Leave from one fiscal year to another. Any eligible employee who separates from County employment shall not receive any compensation for any unused Administrative Leave.

The department head may require employees covered in this section to work beyond the official forty (40) hour work week. Administrative Leave, if elected, will constitute full compensation for such overtime work.

2. Only permanent and limited-term employees who have completed their initial County probationary period and who are exempt from FLSA regulations shall be eligible for Administrative Leave.

Part-time employees are not eligible for this benefit. However, a part-time employee who would be eligible if employed on a full-time basis may, with department head approval, receive in lieu of pay, compensatory time off (CTO) at the rate of one hour off for each hour worked during a given week which is in excess of the unrepresented employee’s regular workweek. Such arrangement should be made during the pay period in which the additional hours were worked.

Any employee incumbent in an eligible position for less than a full fiscal year shall be eligible for a pro-rata number of Administrative Leave days equal to one (1) day for each five (5) continuous full non-probationary pay periods.

3. Use of Administrative Leave is subject to the approval of the department head. In the event, it is the department head’s determination that an employee covered by this provision has worked an extraordinary number of hours over the forty (40) hour workweek, the department head may approve additional informal administrative leave for that employee.

Subject to advance approval by the department head, Administrative Leave may be taken at any time during the fiscal year, but must be taken within the fiscal year in which it is given. Administrative Leave may be used as sick leave, but only after all accrued sick leave has been
exhausted.

No person shall be permitted to work for compensation for the County in any capacity while on paid Administrative Leave.

21. **NO STRIKE/NO LOCKOUT**

The Association, its members and representatives, agree not to engage in, authorize, sanction, or support any strike, slowdown, stoppage of work, concerted refusal of overtime work, or to perform customary duties during the term of this Memorandum of Understanding.

22. **OTHER PROVISIONS**

22.1 **Duties Imposed on Officers and Employees to be Performed; Staggering of Hours of Employment**

Nothing contained in this resolution shall prevent, relieve or otherwise excuse any County employee from the performance of any duty imposed upon him/her by law, the Solano County Code or other ordinance of this County, or from the rendering of service at such times and places as are necessary in order to properly perform the functions of his/her office or employment. County officers and heads of departments are empowered to stagger, rearrange and adjust the hours of employment of employees in such a manner as to enable them to keep their offices open at all times required.

22.2 **Department Position Allocation List**

The Director of Human Resources may temporarily increase the number of positions in a department – without further approval of the Board of Supervisors when the following conditions exist:

A. **Rehabilitation of an Employee:**
   1. Whose physical capacity has been reduced because of a work-related injury or illness;
   2. Who is unable to competently perform the duties of his or her former job; but,
   3. Who the County Health Officer has certified as physically able to perform the duties of the position to be temporarily allocated.

2. Authorization shall be made only for the purpose of necessary travel between work locations, less any personal use miles.

3. Personal use mileage includes commute miles to or from an employee’s work site on a given day and any trips or travel miles taken for reasons of personal business or other non-County business activities.

4. In those cases where an employee drives directly from his/her normal places of residence to the site of a meeting or another official purpose that is not at his/her regular work location, mileage reimbursement is allowable for the actual miles driven less any personal miles, and shall be for the shortest route. (For example, an employee living in Vacaville with a regular work site assignment in Fairfield, who drives to Sacramento and back home on County business would be eligible to receive mileage reimbursement to and from Sacramento via I-80 and connecting streets plus any parking fees less normal commute miles. The same employee driving to San Francisco and back home could claim the round trip mileage between Fairfield and San Francisco via I-80, plus parking fees and tolls.)

5. An employee at the end of a work schedule who drives from a regular
work site to another County work location on official business, and then drives home, shall receive mileage reimbursement for the miles driven between the two County work locations.

D. Evidence of Insurance

Employees may elect not to purchase either comprehensive or collision coverage on their vehicle, but the County’s maximum liability for “deductible” claims in the event of non-recoverable loss because of lack of coverage shall be limited to a total of $100.00 per accident.

22.4 Conflict of Interest

A. County employees shall not engage in any activity, which constitutes a conflict of interest due to the nature, conditions, or some other aspect of the activity. Any officer or employee wishing to engage in any occupation or outside activity for compensation shall inform his/her department head, in writing and in advance, of the time required and the nature of such activity. It shall be the responsibility of each department head to ensure that employees in his/her department do not engage in any activity which constitutes conflict of interest. The department head shall issue an opinion to an employee if the employee’s proposed activity constitutes a possible conflict of interest within ten (10) working days from the date the department head received notice of the proposed activity.

B. An employee who has followed this procedure will not be disciplined under the provisions of this section without such employee having received prior written notification of the possible conflict of interest. Disputes concerning this provision will be handled under the County’s Grievance Procedure.

22.5 Personnel Files

The County shall furnish the employee copies of all performance evaluation reports and letters of reprimand or warning prior to placement of such documents into the employee’s personnel file. The employee may be required to acknowledge the receipt of any documents entered into his or her personnel file.
Performance reviews and written reprimand shall only be placed in the employee’s official personnel file if the employee has either signed and dated the document or a supervisor/manager has signed and dated it indicating the date the employee was given a copy and refused to sign it. Disciplinary action shall only be placed in the file after the employee has been provided a copy of the action.

The personnel file for each County employee shall be maintained by the Human Resources Department. Agreement between the County of Solano

and

SHAPE, Unit #6

Regarding CalPERS 2.7% @ 55

PERS retirement enhancement implemented November 24, 2002, provided for the 2.7% @ 55 formula. Therefore, the cost of this benefit as established by PERS ($75,036,452) will be the responsibility of the employees. The County will agree to allow the employees to pay for this plan enhancement in the form of a payroll deduction, with the cost amortized over the next 20 years. This payment will take the form of a percentage deduction made from the paycheck of each employee in the unit, until the above-established cost has been recovered based on the following:

Each year the County will calculate the amount due for 26 pay periods based on the following formula:

A. Amount due to the County each year = Total cost divided by 20 years.

B. Annual per employee pay back = Divide the annual amount due to the County each year by the average number of employees for the previous year.

C. Average pay back per employee per pay period = Divide the annual per employee pay back by 26 pay periods.

D. The percentage amount deducted from each employee = Divide the average pay back per employee per pay period by the average per pay period of PERS Reportable salary.

E. The percentage amount deducted from each employee shall be no more than 3% cap.

F. The amount deducted shall be with pre-tax dollars, as permissible by the IRS.

G. The amount due from each employee will be the first pay period in November.

H. For purposes of implementation, the first deduction will be 2.9% from employees and will be made as soon as CalPERS approves the plan amendment change.

I. The County agrees to pay the additional 1.0% employee contribution required by PERS as a result of the 2.7% @ 55 plan amendment.

Proposed Formula PERS 2.7% @ 55

Note: The amounts shown exclude the increase cost of the employee contribution from 7% to 8%. This formula was prepared June 10, 2002 and serves as a basis for future calculations and is included here for reference.

Between the County of Solano and
Solano HHS Association of Professional Employees
Regarding Supplemental Military Pay
(Effective Dates: 1/1/19 through October 21, 2022)

This will confirm an understanding reached between the County of Solano, hereinafter referred to as the "County," and Solano HHS Association of Professional Employees (SHAPE), hereinafter referred to as the "Association," representing Unit 6 – Health and Social Services Supervisors. Collectively, County and Association are hereinafter, referred to as "the parties."

The County Board of Supervisors has adopted a Memorandum of Understanding between the parties for the period October 6, 2019 through October 21, 2022.

Section 13.6 of the Memorandum of Understanding includes provisions concerning Military Leave of Absence.

The parties agree to a pilot program on supplemental military leave pay as described in this side letter agreement. The term of this side letter agreement becomes effective at the beginning of the first full pay period following the full execution of this Agreement and expires October 21, 2022. The parties agree that the County can insert the initial effective date in longhand in the title of this side letter agreement after full execution of this Agreement.

This side letter does not include an express or implied agreement to continue the pilot program after its expiration on October 21, 2022, nor an express or implied agreement to incorporate the terms and conditions of this side letter into any Memorandum of Understanding, but instead sets forth different terms and conditions that shall apply solely during the term of this side letter. If the parties enter into a successor Memorandum of Understanding during the term of this side letter agreement, it is understood that any Section 13.6 concerning Military Leave of Absence set forth in that successor Memorandum of Understanding shall be the terms to which the parties shall revert upon the expiration of this side letter agreement, unless the Memorandum of Understanding or other agreement specifically and explicitly sets forth a different understanding.

If the effective date of this side letter agreement occurs before or after the ending date of the most recent Memorandum of Understanding but before the starting date of an adopted successor Memorandum of Understanding, the execution and effectiveness of this side letter agreement shall have no effect on the status of any negotiations for a successor Memorandum of Understanding.

The parties agree that Section 13.6, Military Leave of Absence, of the Memorandum(s) of Understanding in effect during the term of this Side Letter for, shall be replaced in its/their entirety with the following, including the associated footnotes.

13.6 Military Leave of Absence (including Supplemental Military Pay Pilot Program)

A. Military Leave
All employees shall be entitled to military leave of absence and compensation as provided in California Military and Veterans Code Section 395-395.02 to the greater of either said law/code or one hundred ninety (190) hours of paid Temporary or Active Duty Military Leave (excludes Inactive Duty such as weekend drills) per fiscal year for each hour in which the employee was otherwise scheduled to work.

Employees on Active Duty exceeding one hundred ninety (190) hours may receive “Supplemental Military Pay” up to the “Maximum Duration of Time,” as defined in this side letter agreement. Supplemental Military Pay for time past 190 hours can be used for only one deployment during the term of this side letter agreement.

The eligible employee must elect to receive Supplemental Military Pay not later than the seventh (7th) calendar day of the employee’s military leave, otherwise the employee shall not be eligible for Supplemental Military Pay during that particular deployment.

B. Eligibility
To be eligible for this benefit, the employee must have been employed by Solano County for a period of not less than one year immediately prior to the date upon which his/her military leave of absence begins. In determining the one-year of public agency service, all recognized military service is considered as public agency service.

An employee on Active Duty on the effective date of this Agreement, and who exhausted paid military leave pay in accordance with Military and Veterans Code Section 395-395.02 during that same fiscal year is eligible under this Agreement, even though the effective date of this Agreement occurs after the employee’s Active Duty military service began.³

C. Compensation
Any eligible employee who is on military leave of absence, shall be entitled to compensation as provided in California Military and Veterans Code Section 395-395.02 to the greater of said law/code or one hundred ninety (190) hours of paid Temporary or Active Duty Military Leave (excludes Inactive Duty such as weekend drills) per fiscal year for each hour in which the employee was otherwise scheduled to work.

Following exhaustion during the fiscal year of the greater of Military and Veterans Code Section 395-395.02 compensation or one hundred ninety (190) hours of paid Temporary or Active Duty Military Leave, the eligible employee may receive “Supplemental Military Pay.”

³ Timelines in this Agreement related to electing to receive supplemental military pay, submission of military pay documentation, and any other due dates are based on the effective date of this Agreement for those employees who are on Active Duty on the effective date of this Agreement.
Side Letter Agreement
To the Memorandum of Understanding
Between the County of Solano and
Solano HSS Association of Professional Employees (SHAPE)

This will confirm an understanding reached between the County of Solano ("County") and Solano HSS Association of Professional Employees (SHAPE) unit 6, collectively "the parties."

The current collective bargaining agreement provides for an additional paid holiday for the last working day before Christmas Day or before New Year’s Day, commonly referred to as an "optional holiday." This optional holiday, with the approval of the employee’s supervisor, may be taken any time during the period between Christmas Eve and the end of the first full pay period in January of the new year. This paid holiday will sunset effective January 11, 2020. Further, effective January 1, 2019, an additional floating is to be added.

In order to avoid confusion with the dates, the parties hereby agree to the following:

The employees will continue to have the ability, with supervisor approval, to take the optional holiday by the end of the first full pay period in January 2020, which is January 25, 2020. An optional holiday not taken by that time will expire and will not be available to be taken.

In addition, effective January 26, 2020, employees shall receive an additional floating holiday. Section 14.3 of the MOU shall read:

14.3 Other Paid Holidays
A. The last working day before Christmas Day or the last working day before New Year’s Day.
   1. County offices shall remain open for business on both days.
   2. With approval of the employee’s supervisor, the holiday may be taken any time during the period between Christmas Eve and February 15th of the new year.
   3. This paid holiday will sunset effective January 11, 2020.
B. Effective January 1, 2019, employees represented by the collective bargaining agreement shall be entitled to one (1) paid floating holiday in each calendar year. Effective January 11, 2020, floating holidays shall be increased from one (1) to two (2) paid floating holidays in each calendar year. The timing of the employee’s use of floating holiday shall be subject to advance approval of the Department Head or his/her designee. The holiday may be taken at any time during the calendar year, but must be taken within the calendar year.

Date: 11/12/19
Date: 11/12/19
"Supplemental Military Pay" is defined as the difference in the employee's (Higher Paid) base County salary and the employee's (Lower Paid) base military salary. The employee's base County salary shall be identified by referring to the County's "Listing of Classes and Salaries" in effect on the first day of active military leave, and no incentive pays such as POST Pay, bilingual differential, or similar factors shall be considered. This calculation is made as of the first day of the employee's active military leave for that particular deployment and shall not be adjusted during the deployment.² The employee must furnish to his/her department a copy of his/her military pay (e.g., through a military pay stub which documents the base pay rate) within thirty (30) calendar days of his/her deployment.

Supplemental Military Pay is earnings and subject to payroll taxes (e.g., Medicare, Social Security, income taxes), recognized employee association/union dues, deferred compensation contributions, garnishments, and all other deductions in effect on the calendar day immediately prior the start of Supplemental Military Pay with the exception of CalPERS retirement (see Benefits).

At the beginning of the next fiscal year, the eligible employee will again receive the greater of California Military and Veterans Code Section 395-395.02 or one hundred ninety (190) hours of paid Temporary or Active Duty Military Leave.

The "Maximum Duration of Time" for Supplemental Military Leave is defined as eighteen (18) months³ less those periods of the greater of California Military and Veterans Code Section 395-395.02 or one hundred ninety (190) hours of paid Temporary or Active Duty Military Leave.⁴ The

² For example, a general wage increase which occurs during the deployment shall not cause a recalculation of the difference in pay.

³ As an example, if an employee's military orders state that the employee will be deployed for eleven (11) months, then the Maximum Duration of Time is eleven (11) months. Or, as an example, an employee's military orders state that the employee will be deployed for twenty (20) months, then the Maximum Duration of Time is eighteen (18) months.

⁴ Example A: Employee begins Active Duty military leave on July 1, 2020 and receives the greater of M&VC395-395.02/190 hours, begins Supplemental Military Pay on approximately August 1, 2020 for approximately 11 months, receives M&VC395-395.02/190 hours again on July 1, 2021, continues Supplemental Military Pay on approximately August 1, 2021 and the Supplemental Military Pay stops on approximately January 31, 2022 as the total of M&VC395-395.02/190 hours + Supplemental Military Pay + M&VC395-395.02/190 hours + Supplemental Military Pay equals 18 months.

Example B: Employee begins Active Duty military leave on April 1, 2020 and receives the greater of M&VC395-395.02/190 hours, begins Supplemental Military Pay on approximately May 1, 2020 for approximately 2 months, receives Active Duty military leave on July 1, 2020 and receives the greater of M&VC395-395.02/190 hours, begins Supplemental Military Pay on
18 month period continues to run during times when an employee is not receiving Supplemental Military Pay but is instead receiving the greater of California Military and Veterans Code Section 395-395.02 or one hundred ninety (190) hours of paid Temporary or Active Duty Military Leave.

An employee not receiving pay under the greater of Military and Veterans Code Section 395-395.02 or one hundred ninety (190) hours of paid Temporary or Active Duty Military Pay, or the Supplemental Military Pay may use his/her eligible accrued leaves (e.g., vacation, compensatory time off, administrative leave, attorney time off) (sick leave is not an eligible leave).

D. Benefits
