

SOLANO COUNTY VETERANS SERVICES

STORES AND SERVICES THAT OFFER VETERANS DISCOUNTS

Here is a list of stores and services offering discounts to active, reserve, retired members of the U.S. Military and honorably discharged veterans. Some stores offer discounts only at the owner's discretion and other discounts may vary by location. Some stores offer discounts only on specific days of the week. Many stores that give a military or veteran discounts don't advertise it. It is always worth asking a store whether they have it or not. Have a picture ID ready to show, such as a driver's license or a state identification card.

Should you ask for a discount and it is not granted, or if you ask and the store or service is not listed, please call the Veterans Service Office and let us know. We want to maintain a list of retailers with as much accuracy as possible. This list was verified using personal contact with a business and the internet. Some businesses offer discounts nationally, but not locally. Be polite if the business does not honor your card and let us know. Thank you!

PLEASE DO NOT LET OTHER PEOPLE USE YOUR VET CARDS. A lot of retailer have called and complained about Vets allowing non-Vets to use their military card. This practice is going to ruin it for the rest of us.
