PURPOSE STATEMENT – Juvenile Justice Coordinating Council

The mission of the Juvenile Justice Coordinating Council is to develop a comprehensive, multiagency plan that identifies the resources and strategies for providing an effective continuum of responses for the prevention, intervention, supervision, treatment, and incarceration of male and female juvenile offenders, including strategies to develop and implement locally based or regionally based out-of-home placement options for youths who are persons described in Section 602. Counties may utilize community punishment plans developed pursuant to grants awarded from funds included in the 1995 Budget Act to the extent the plans address juvenile crime and the juvenile justice system or local action plans previously developed for this program

The coordinating council shall, at a minimum, include the chief probation officer, as chair, and one representative each from the district attorney's office, the public defender's office, the sheriff's department, the board of supervisors, the department of social services, the department of mental health, a community-based drug and alcohol program, a city police department, the county office of education or a school district, and an at-large community representative. In order to carry out its duties pursuant to this section, a coordinating council shall also include representatives from nonprofit community-based organizations providing services to minors.

This agenda shall be made available upon request in alternative formats to persons with a disability, as required by the Americans with Disabilities Act of 1990 (42U.S.C.sec12132) and the Ralph M. Brown Act (Cal.Govt.Code sec.54954.2). Persons requesting a disability-related modification or accommodation should contact Roberta Flannel, 475 Union Street, Fairfield CA 94533 (707.784.7564) during regular business hours, at least 24 hours prior to the time of the meeting.
